Formals Donned
For Mil Ball
Tomorrow Night

Skeins and sport shirts, blouses and skirts will be laid aside tomorrow night, and formal, cocktail dresses and tuxedos will be retrieved from seclusion—all because of the Military Ball.

Buddy Moreno’s orchestra will provide music in the Student Union’s formal dance of the year. Tickets cost 50 cents and can be purchased on 4th Street housing. Thirty-five couples will make up one of five 1961 queen candidates for Southern’s prom night on Feb. 11.

The only requirement for attendance was a 3.8423 average. The 2,300 cadets elected the queen last month, but the identity will be kept secret until tomorrow night.

Transportation will be provided by the air science department. Men wishing transportation should call Ext. 4611 prior to pick-up time on their date. University cars also will be available to return students to living quarters following the 9 p.m. dance.

President and Mrs. Morris and retired area officers will be special guests of the AFROTC department. The only requirement for attendance is attendance at the dance as formal attire.

Dowdell ‘91
Big Brain On Campus

Dowdell No. 9 was the “big brain” in housing grade averages this term, ranking second overall at 4.063, average for the highest at SIU. It also ranked first among all students by building.

Ranking second was Southern Hills apartments with a 3.9457 average. The area was also fifth among married or single students ‘housed on and off campus.

Chaputauqua Street housing was third with a 3.708; family housing on campus fourth with 3.8549; and Southern Acres Apartments fifth with a 3.744.

Normandy was sixth in University residence halls with a 3.708, and family off-campus housing. Bachelor’s Barn was seventh overall with a 3.7372 average.

Foreign Language
Proficiency Tests
Given Feb. 11

Foreign language proficiency examinations will be given from 10 a.m. to noon in Wheeler 214. The test is open to all students applying for a master’s or a doctor’s degree. An applicant for a Ph.D. must produce 20 pages of reading material which must be approved by his department. He must submit this reading material no later than noon Feb. 8. Those applying for a master’s degree are not required to bring any type of reading material. Both Ph.D. and M.A. applicants will be permitted to use a dictionary on certain sections of the exam.

Fellowship
Requests Now
Being Accepted

Applications for graduate assistantships and fellowships in the School of Business are now being accepted for the 1961-62 school year, according to Dean Henry J. Rehn. Applicants will receive $110 per month for the academic year. Qualifications for an assistantship is from an overall undergraduate average of “B” and an indication of professional promise.

Applications will be given half-time assistantships to one graduating senior who is majoring in accounting, economics, management, marketing or secretarial and business education. They will be allowed to carry an academic load of 12 hours during the academic year.

Candidates for graduate fellowship also must maintain a “B” average in undergraduate courses. Fellows will receive $120 per month and will be required to work only 10 hours a week in the department. They will be allowed to carry a full academic load.

Chinese Play
Opens Fine Arts Festival

The first Chinese play produced at Southern is slated as one of the highlights of the 1961 Fine Arts Festival, celebrated here Feb. 12 and named “Asia and the Art.”

The three-act play, “The Dream of the Red Chamber,” is adapted from the Chinese classic novel. Its U.S. premiere will be Feb. 21 in Forum Auditorium.

Marc Viger’s translator, Tsi Yih Kuan, a graduate student of the theatre department, will also serve as assistant director of the play. Direction will be by Paul Brady, also a graduate student in theatre.

Other Fine Arts Festival events include a Japanese koto demonstration, an Asian-students variety show, the King David Oratorio, a St. Louis Symphony concert and Asian exhibits.

Bowl United States
Across Asia

As Fuller, who on an earlier trip to Japan, indicated that the ventilation problem is the main one. No one is going to solve the world.

After his month-long tour, Fuller will go to Hong Kong to speak, returning from there by ship to San Francisco March 24. Stepping for a three-day project at Kansas University, he will return to SIU early in April.

No Classes Dismissed Today

All classes will meet at their regular periods today, according to Robert McConnell, registrar.

Evening classes were dismissed yesterday because of icy roads. However, since the majority of students attending evening classes are in Copenhagen, Fuller said play classes would not be dismissed. Unless announced otherwise, all Saturday classes will meet at their regular time.

Foreword

The Air Force will soon see into the wild blue yonder on the Shyrock Auditorium stage tonight, the kicks to Southern’s annual Military Ball weekend.

The AFROTC department will tonight present the second annual Revue in Blue, a salute to the gala Military Ball tomorrow night.

Tickets are on sale in the Student Union and in Wheeler Hall for 50 cents, 75-cents and $1, all with seats reserved.

The 8 p.m. show will include the Singing Squadron, the Angelaires, Angel Flight and numerous other groups and individuals.

Based on a “Hollywood in Blue” theme, the show will be centered around student entertainment and production with an emphasis on information—the password for the weekend.

The non-competitive show will also feature some nonticketed groups.

Dowdell Mud
Typical of “sidewalks” in the Dowdell Halls’ men’s residence area, this mud and other mud-colored paths may soon be replaced by temporary walkways. The Student Council last week voted to write a letter to the Archibald’s Office requesting an end to the mud. (Staff Photo)

Editor's Opinion

Trouble At The End Of Rt. 13

Once again trouble has broken out between students and proprietors of Golp taverns. The latest altercation hospitalized three students with head injuries, though fortunately they were not serious.

Regardless of where the blame lies—whether it be with the students or with tavern operators or both—it seems that recurrence of such incidents is becoming symptom of larger trouble.

Several incidents of past years have been kept quiet or have not been reported. City councilmen have been complaining about the danger of Rt. 13...but another pitfall might be the path which Rt. 13 leads to—the back of area taverns.

Students of age cannot legally be prohibited from frequenting taverns, bars, lounges and roadhouses. Far be it from us to either condone or ostracize the drinking habits of people old enough to know their own minds.

We are not saying that students are always the innocent victims—we know students too well to assume such. When students are hospitalized, however, it might be well to look farther than simply for the answer to the specific problem at hand.

For instance, could incidents have been handled in a way which would have saved violence? Taverns—or any other establishment—which harbor a danger for the safety of the establishment and its patron might be saved from violence.

With this in mind, it might be advisable for authorities to consider other means of obliterating the danger which inhibits any campus—just walk past her with the books in plain sight.

Gus saw he don't know the unhappiest people in the world, but he reads their letters in the library—just walk past her with the books in plain sight.

Gus sez it's pretty strange that Southern has airplanes, but not cars.

Gus finally figured a way to get his kid to the library—just walk past her with the books in plain sight.

Gus sez we don't need a content of baseball on campus—it walk in the Union at 10 and look around

Gus sez the only people who dis interested more than some students are the instructors of the

SNOW

Walted from some blowing north- ern shore. 

Walted from your tiny axis bore

Upon most cold and wintry winds

Down to me before the blizzard's

Snowflakes I upon my brow adore.

Impart to me your melancholy

Within this longing for descent

Of your drifting, sensuous, spasmodic

Leaven 'neath a painted window

Relaxed and quiet and white, the

world content.

Never matters, true, how blowing came the snow.

Within a special melody keeps my heart afloat

I feel a chill upon my cheek, yet go

Deeper, further, enveloped in this mystery above

My warmth is in the snowflakes, to and fro.

Moving every heart that sees your

You softly grove the day and white

Just as in some distant past your

Assembled some poor cave-born mortal's sight:

Photograph me, nature at her splendid height.

And now is settling in the valley still

This Swiftlet Alaskan mantle on

You shall

Swirl the magic sheets of ghastly clot

Borne by bounding wind, so loud, so swift,

In my coat-bound breast I feel the

The quietude of evening settles on the

This is the only beauty of a perfect dream

Painted here by nature's hand, eternal supreme.

Gus had the wrong impression of pinning his girl and ended up

Gus sez he doesn't know the unhappiest people in the world, but he reads their letters in the library.

Thought for the day: The tongue is only inches from the brain, but acts as if it were miles apart.

"All I want to find out is the decrease in the birth rate at Southern."

"I've been given an assignment in class," the student said, "to find out how much the birth rate here has decreased since the new permit law was passed.

"Well, what makes you think it has decreased because of the car rule?"

"I'm not sure," the boy grumbled. "We in class just thought the rate might have decreased since there are no cars anymore.

Some people are never happy with a good thing... even Southern's tremendous 91-89 victory over Tennessee A.T. The nation's leading small college basketball team.

"Southern shouldn't be too proud," the boy grumbled. "The referees gave the game to them. Just wait till they play at Nashville."

Some people wouldn't be happy with two mothers.

Most words have origins which would surprise us, even words we use in common.

The word "bonfire," for instance. Funeral pyres in the Middle Ages were a necessity for burning bodies during war or pestilence. Fires of this kind were sometimes opened to all persons for public entertainment.

Later, when the custom of burning heretics at the stake became common, "bonfires"—the term was applied to the pyres of these victims. The same term was used to designate the burning of articles under prescription, such as heretical books.

The meaning has extended to open-air public celebrations or for sport—but which by this time was called less the gruesome mono with a bonfire.

A grim history for such a harmless word.

The Soap Box

We Won't Do The Dogs!

Dear City Editor:

I am one of the many people who feel that a pet should be as one of the family. But on the other hand, the janitorial department hired me—not my family.

Lene Bos

SU Custodian

Southern—A Haven For Bun Dogs

Dear Sir:

This letter is in regard to your editorial of Jan. 27. You made a case for the dogs. I do not believe that dogs should be allowed in the reading rooms or in the Union. If people in the dormitories want to let their dogs in, then it is their prerogative.

There are only two kinds of dogs: those that are owned and those that are strays. The stray dog has not had his rabies shot (required by law) and possibly has mange or other diseases which the Student Union is responsible for giving a warm place to stay. That is the responsibility of his owner.

He is the responsibility of the city dog pound. He has no place in the Student Union staying on the furniture where some student may eat his lunch or eat his dinner.

Weekend
Union
Negotiations

"Chez Joy" means place of joy. The Student Union board invites all to its place of joy each Friday night from 8:30 to midnight. "Chez Joy" is complete with soft music, candlelight and a stage show. Other weekend activities in the Union include:

FRIDAY
Bowling, as usual, rolls off the Friday night activities at 6:30. Tickets must be picked up at the Union desk for cut-rate games at the Congress lanes.

Ice skating is again scheduled from 7 to 9 Saturday night if old man weather cooperates.

Saturday's flick is "The Invitation General." Show times are 6 and 9 p.m. and admission is the usual two-bits.

SUNDAY
A bus for the roller rink in Marion leaves the Union at 4:30.

Union sponsored foreign films will be shown at 6:30 and 8:30 p.m. in Morris Library Auditorium. "Chez Joy" closes the evening's entertainment for 8:30 to bewitching hour.

SATURDAY
The Rifle Club is the Saturday afternoon activity with the shooting beginning at 1 p.m. on the fourth floor of Old Main.

"Likes First Week"
Govt. Prof Satisfied with JFK

By Linda Brooks

"My general attitude toward the first 100 days of the Kennedy administra tion is one of satisfaction," said Dr. Orrville Alexander, chairman of the government department, in an interview last week.

"Many have criticized Eisenhower because he took numerous vacations and played golf. But I feel that Kennedy is going to be a full time man and will put in a 12-hour day of solid work," Alexander said.

He added, however, that while President Kennedy may work hard at his new job, there is no assurance that he can solve the "multitudinous problems" facing him.

Likes "Live" Conferences

When questioned on President Kennedy's plans to continue live television news conferences, Dr. Alexander replied, "No." Alexander said he appreciated the open news conferences appeal to the public because of its feeling of the "right to know." Khrushchev's releasing of the two crowsmen of the RB-47 plane shot down by the Russians July 1, said Dr. Alexander, was "part of a calculated campaign on his (Khrushchev's) part to be friendly to this administration."

Khrushchev definitely wants a summit conference this summer, the head of the government department stated, and thinks that in all probability the conference will take place.

Raps Khrushchev

"We are in this country believe Khrushchev deliberately torpedoed the last summer conference to make Eisenhower look bad," Alexander said.

He expressed confidence the U.S. would "imitate a lot of preparation be done in advance to insure that any conference we might have will not end in the farce the other one did."

In general, Dr. Alexander thinks the Kennedy administration is off to a good start but that the future will tell the story.

Bender Attends White House Conference On Aging, Fitness

By D. G. Schumacher

Dr. Jay A. Bender, physical education professor, who also works with the muscular problems of the Pittsburgh Pirates baseball team, took time out early last month from his regular duties to attend President Eisenhower's White House Conference on Aging.

Bender, attending as one of 100 delegates from Illinois, was concerned with the research aspects of nutrition and physical fitness regarding the problem of aging.

The entire conference, which Bender described as "highly organized," was based on the aging aspect instead of an emphasis on disease.

Aging Process

Bender pointed out that "aging" is a process, whereas the study of old age is gerontology. "There is a distinct difference," the crew-cut professor noted.

Following the opening plenary meeting in Constitution Hall, where President Eisenhower made his last public appearance, the conference met in groups, sections and workshops, where delegates worked and voted on recommendations.

While some of the groups and sections were concerned directly with problems of older people, Bender's workshop, of which he was discussion leader, was concerned with the aging process.

Makes Recommendation

"The only thing any conference of this sort can do is recommend," Bender said. His workshop recommended "to put into health institu tions, institutes concerned with aging."

Bender commented that in his own workshop he was "struck" by the fact that the nutritionists recognized the importance of physical exercise. In the past, Bender indicated, they have felt that nutrition was the all important thing.

In connection with research in a different vein, Bender will leave Feb. 20 for the Pirates' camp where he and SIU trainer Bob Sparkman are "trying to determine if we can prevent and find new methods of prevention of muscular injuries."

719 S. ILLINOIS
Salukis Host Hurons Tonight.

Chips Tomorrow.

Southern's Salukis could cinch a tie for the IAC conference title this weekend if they beat Eastern and Central Michigan, as is expected, and if Western Illinois sidebars Illinois State's Redbirds.

The Salukis, 7-0 in league play and sporting a 9-10 win over Tennessee State's Tigers, host the loop's cellar dwellers.

Southern enters the last-place Eastern Michigan Hurons tonight in the SIU Men's Gym and the Central Michigan Chippeows tomorrow night on the home hardwood.

SIU's newly inspired Saluki freshmen, after averaging earlier losses to St. Louis and McKendree, play in the preliminary contests before each varsity tilt.

Coach George Iubelt's starting lineup to bolster the Saluki defense and rebound. The Reserve forward responded with a stellar performance.

It was the first time that ever he started for the Saluki varsity. Ed didn't even play against Tennessee State in the Quincy Holiday Tournament championship game in December.

The Tigers won that contest, 95-93.

Showing signs of "stage fright," he missed his first three attempts from the field but connected on the next three. Ed finished the game with five buckets from the field and 11 of 13 charity tosses. Prior to Tuesday night's contest, the 213-pounder was averaging six points a game in reserve role.

Frosh Hoopers Dump McKendree

Dave Needham's 29 points led the Saluki fresh to a 94-65 win over McKendree College Tuesday night. The victory avenged an 89-86 loss to the same club earlier in the season.

The Saluki freshmen pulled away in the final five minutes to ice the verdict.

The first half dragged for the Salukis, who slowly built a comfortable margin and then blew it, as McKendree tied with 3:51 left in the half. SIU was held to five while the visitors scored 10 to lead 36-31 at the buzzer.

Needham's 29 was outstanding for the Salukis. He was supported by Curt Reed with 18 and eight points each from Eddie Byhke, Mike Pratte, Dan Corbin and Eldon Bigham.

Salukis' Cagers Nip Tigers; Average Loss To National Champ

By Joe Gagie

Tennessee State's No. 1 small college quintet fell to the No. 3 Salukis Tuesday night, on neutral ground, 91-89. The game was played in Carbon Valley Community High School's new Brown Gymnasium and attracted an estimated 4,200 standing-room-only crowd.

The move from the SIU Men's Gym was made to accommodate the throng.

Southern's triumph avenged a 95-93 setback at the hands of the same Tigers earlier in the season in the championship game of the Quincy Holiday Tournament. The win snapped SIU's 18-game winning streak and extended SU's to eight.

The last time Coach Harry Gallic's Salukis tasted defeat was at the hands of Harold Hunter's Tigers. Southern is now 15-3 for the season and Tennessee sports a 15-2 mark.

Tied 14 Times

The game was tied 14 times with the last being 88-88 with 2:31 remaining in the battle for small college supremacy. Southern regained the lead when center Tom McGreal fed Charlie Vaughn on a drive, good for two points. The Salukis extended their margin to four on two free throws by Ed Spilsa, 88-88.

State countered with a free throw by Bob Clark and a bucket by Ronnie "Shot Gun" Johnson. The score read 90-88, Southern's favor, with 5.5 seconds left. SU's Capt. Don Hepler stepped to the charity line with a one-and-one.

Don missed his first shot but his teammates collaborated on the rebound.

"Shot Gun" Counts

Saluki Harold "Sonny" Baro hit from the field to make it 90-87. Once again it was Johnson who wouldn't call it quits, the Olympic alternate hit a 25-footer to cut the margin to 90-89.

The scorekeeper incorrectly registered the score 90-90, Southern's favor. When he did correct his error, he posted an incorrect 90-88 score, SU's favor.

So when Southern's Vaughn stepped up to the free throw line seconds later after an intentional foul, with three seconds remaining, it was thought he could put the game on ice. Actually his first charity toss only opened the difference to two points. "Sweet Charlie" missed the second shot but time ran out on the visiting Tigers and Southern had its revenge, 91-89.

 Vaughn, Spilsa, Bardo Stars

Johnson led all scorers with 25 tallies. Vaughn paced the victors with 23 and Spilsa added 21 points apiece. It was the first time Spilsa ever started for Gallatin's cagers.

State's seven-foot one-inch center, George Fisley, tallied 17 points. Five other Meriwether, another Olympic alternate, contributed 16 markers.

Spilsa, starting in place of forward Randy McClary, held Tennessee's freshman sensation, Bobby Edmonds, to a mere seven points.

The largest lead of the evening was a seven-point bulge midway in the first half, 19-12 with Southern on top.

The score at the intermission was 50-47, SIU's favor.

Coach Bill Meade’s Saluki gymnasts meet Ball State tomorrow afternoon in the SIU Men’s Gym at 1:30. Southern is currently sporting the highest team average in the nation for five events, according to recent National Association of Gymnastics releases. The five events that the Salukis are leading in are: trampoline, side horse, high bar, parallel bars and still rings. SIU also leads in team average for all events, 88.65-87.63, over Charlotte Pond’s University of Illinois gymnasts. The Illini dominate the tumbling event with both the national collegiate and national AAU championships, Al B dishwasher and Hal Holmen, respectively.

Ball State’s squad has defeated West Virginia, 62-43, and lost to the Ohio State Buckeye gymnasts, 67-63.5.

The Salukis are led by Olympic Freddie Graber and own a 3:3 dual meet record, plus first place in the Midwest Open.

WRA Cagers In St. Louis

Southern’s female cagers journey to St. Louis this weekend for the Basketball Sports Day clash with Eastern Illinois University and MacMurray College of Jacksonville.

The Women’s Recreational Association basketball squad downstairs Principia College 51-39 in last week’s contest. The junior varsity edged Principia, 46-41. High scorer for the varsity team was Linda Brady with 25 points. Joyce Helton, a sophomore and a member of Delta Zeta, was Alpha Alpha’s “high man” for the jayvees with 27.

**Day 1: The Telephone Business Analyst**

When Gene Bernier received his degree in Business Administration at the University of Michigan in 1967, he had offers from several businesses.

Gene chose Michigan Bell Telephone Company because “This job was right up my street. I love explaining telephone accounting in simple everyday terms—a tough job even for a seasoned writer. But Gene did it. And his next step was a natural.

In November, 1968, he was transferred to the Michigan Bell Economic Studies section as editor of a monthly publication, “Michigan Business Trends.” In this work, Gene analyzes and reports business trends in Michigan as an aid to telephone management people in decision making.

Gene proved his skill in reducing complex economic problems to simple terms. And, sixteen months after his transfer he was promoted to Senior Statistician.

Today, Gene sums it up this way: “The idea around here is to get the best a man has in him. To me that spells opportunity.”

Roosevelt's Address Adds Glitter to Model UN Week

Following Eleanor Roosevelt's keynote address last Friday night and work in committees Saturday morning, the third annual model United Nations will climax Saturday afternoon with a mock UN General Assembly session.

Coming to SIU's campus for her third appearance, Mrs. Roosevelt is scheduled to arrive in Carbondale by train at 12:30 p.m. Friday. A reception in her honor will be held in Leete Hall at 6:30, prior to her address at 8:00 p.m. in Shryock Auditorium where seats will be on a first-come basis. Reservations for the Leete Hall banquet, for delegates and interested persons are still available at the Student Government Office.

40 Countries

Forty delegations from 15 colleges and 25 campus groups will represent as many countries of the UN in the model General Assembly Saturday afternoon in Muckelroy Auditorium. Delegates will present and debate the views of three countries they represent, with four resolutions to be presented.

Disarmament, admission of Red China, world economic problems and the Congo and Algerian problems—still big issues in the UN—are the resolutions upon which the mock General Assembly will debate and vote.

The United States will be represented by the Lake Forest College delegation. An independent SIU group headed by George Brooks will express the views of the USSR.

Student Groups

Field Castle's Cuba will be represented by an SIU group headed by Dan Gleason, Murphysboro Junior; Congo (Leopoldville) byMcKendree College; United Kingdom by Prince College; and France by the Jewish Box, local organized women's group.

Mrs. Roosevelt, a former delegate to the UN, is currently active in the American Association for the United Nations.

While in Carbondale she is scheduled to meet with the Southern Illinois Association for the UN local chapter of the national organization. She is national chairman for local chapters.

The widow of former Democratic President Franklin D. Roosevelt, she is the author of many books and is noted for her work in human and international relations.

Secretary-General

Richard Childers, West Frankfort senior and chairman of this year's Student Government Association for the UN, will deliver the keynote address. The SIU UN is co-sponsored by the Student Council and the International Relations Club.

Swiné Production Discussed by Burnsıde

Dr. Joseph E. Burnsiddle, SIU associate Professor of animal industries, discussed the problems of management for a swine breeding herd at a meeting of St. Clair Co. farmers in New Athens recently.

Three Students, Tavern Owner in Bar Fight

Three students and a Colp tavern operator have fled simultaneous warrants against each other after a violent disagreement early Tuesday morning.

John Calacotta, operator of the Glass Bar, and Frank Samuel have issued a warrant against the three students charging aggravated assault, peace disturbance and resisting arrest.

The students—27-year-old brothers Donald E. and Robert C. Poches of Berwyn and 22-year-old Gerald M. Lorck of Chicago—at the same time charged Calacotta and Samuel with assault with a deadly weapon.

Both parties will appear before the Williamson County Grand Jury when it convenes Monday in Marion.

The incident occurred in the Glass Bar about 3:30 a.m. Tuesday, authorities said. A disagreement evolved when the students walked to the bar from a shuffleboard machine.

All three students were hospitalized with head injuries and scalp lacerations, but have since been released and are back in class. The three drove to Holden Hospital after the scrape.

Home EC Prof in TV Series

The television series "Your Marriage," written by and starring an home economics professor, is currently active in the Sunday night series, which will be available for educational TV stations through the country, was prepared by J. Joel Moss, research professor in the home and family department, and produced last summer in the studios of KOUNTV, University of Nebraska.

Moss served as moderator for each of the 13 programs, and his wife, Audra Moss, enacted the role of the wife in the dramatic vignettes illustrating the various phases of marriage relationships.

"Hiroshima, Mon Amour" is OVERWHELMING! ANY ONE MUST PLAN TO SEE THIS ONE FILM IF HE SEES NO OTHER THIS YEAR! A motion picture landmark. —Winona, Pa.!
The Placement Service has released the following list of representatives:

- Richwood High School, Porcia Bright—seeking applicants for teaching assignments in English, geography and social studies, general science and biology, Spanish, German, girls' physical education, industrial arts and mathematics.
- General American Life Insurance Co., St. Louis—seeking liberal arts and business seniors for various training assignments in actuarial science, mortgage loan, agency management, group underwriting and group administrative programs.
- General Motors Corporation, Detroit—all fields for training programs in marketing, manufacturing, accounting, financing and finance.

The appointment was made by State Superintendent of Public Instruction George T. Wilkins. The speech guide is one of a series of curriculum journals now being released through the office of Dr. Woodson Fishback, coordinator of the Illinois curriculum programs. Fishback is on leave from Southern to carry out this state education improvement project.
