UNDEFEATED ILLINOIS COLLEGE TEAM COMING FRIDAY

Puppeteers Second Entertainment Series Number HARDEST GAME

NINE EXPERIENCED TROUPERS CAST IN NEW COMEDY

"THREE CORNERED MOON" TO BE PRESENTED IN AUDITORIUM FEBRUARY 21

With a cast composed of nine experienced troupers, Gertrude Tonkenog's "Three Corned Moon" will be ready for presentation by Strut and Fret Little Theatre on the evening of Thursday, February 21. This three-act comedy will be staged in Shroyck Auditorium. Rehearsals began last night.

The cast was selected by the try-out method last Thursday. The characters are as follows:

- Mrs. Rimpiegler—Erna Knoblock
- Douglas Rimpiegler— Wesley Bovinet
- Kenneth Rimpiegler— Frank Samuel
- Jenny, the maid—Frances Phillips
- Ed Rimpiegler—Everett Mitchell
- Elizabeth Rimpiegler—Elizabeth Ann West
- Donald—Glen Fulkerson
- Dr. Alan Stevens— Ernest Brashear
- Kitty—Geraldine Morgan

The play is an entertaining picture of the rather disconnected Rimpiegler family and all that happens to them, from the time they discover that Mrs. Rimpiegler has lost all their money, to the time that Kenneth passes his law examination and helps the family out of its plight.

Concurrently, Elizabeth is solving a little love triangle all her own. Donald, the genius novice, and sensible Dr. Stevens are competitors for her affections.

The whole play is alive with witty remarks and delightfully nonchalant characterizations.

Miss Julia Jonah, sponsor of Little Theatre is directing the production.

Dunbar Defeats Attucks High 21-18

The Dunbar team defeated Attucks High at Attucks last Friday by the score of 21-18. Laverne Woods was high scorer for the collegians.

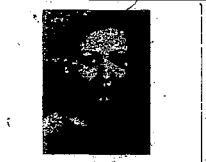

The Dunbar five lost a double header to Lincoln University of Jefferson City, Missouri, on the latter court, January 4 and 5. The scores were 54-33 and 50-38. Dunbar gave the Missourians a good battle in both games, however, leading throughout a large part of the last encounter.

Coach McBride announced some attractive bookings for the Dunbar team. Lincoln University will be met here in a return engagement sometime in February while the first game of a home-and-home series with the Stokes Teachers of St. Louis will be played at St. Louis, February 1.

Fifth Graders Organize Paper

There is another paper on the campus now. The fifth grade pupils of the Allyn Training School have organized an editorial staff and have decided to name their paper Interesting News. The articles are written on Mondays, Tuesdays and Wednesdays during the language period. The paper will be issued every Friday.

The paper includes feature articles, social news, riddles, jokes, editorials, cross-word puzzles, poems, and cartoons.

MAE BERNICE BOOMER

Who tied as winner of the 1933-34 National Sigma Scholarship Prize

Mae Boomer Wins National Sigma Scholarship Prize

As a result of her brilliant scholastic record while a student here last year, Mae Bernice Boomer, a member of the local chapter of Sigma Sigma Sigma sorority, was chosen the winner of the Sigma Sigma Sigma scholarship prize for 1933-34. With a straight A average for the three terms Miss Boomer tied with Evelyn Reich of Upsilon chapter for the honor. As an award each girl will receive a ring bearing the sorority crest.

Chess Tournament Scheduled; Eleven Entries Filed

Erudite forces are at work in campus recreation. That game of the learned, chess, has gained such a following that eleven entries have been filed for a campus tournament.

Wendell Margrave, who evolved the tournament plan, is the leader in the organization. Notices were posted last week and all interested in chess were invited to enter.

The eleven competitors will play a round robin schedule, each entrant playing one game with the white chessmen and one with the black against each opponent. This will mean a total of twenty games for each entry, and the winner will be ascertained on a percentage basis. The tournament will be concluded by the middle of February. A schedule has been arranged calling for a round each week. The players are individually responsible for the place and time of the competition.

Those attracted by the tournament of kings and pawns are, in addition to Mr. Margrave: Dr. Charles Tenney, Max Rea, Tom Sinks, Francis Bowman, Aubrey Lund, Joe Cruise, Robert Kell, Jack Wallen, Cecil Good, and Robert Morgan.

Journalists Begin Activities for Two Press Conferences

With two press conferences in the offing, journalists of the college are busy making preparations for the instruction and entertainment of those publication representatives from other schools who will convene on this campus during the months of April and May.

S. I. T. C. was selected as the headquarters of the 1965 Illinois Press Conference at the meeting at DeKalb last spring. Approximately 100 journalists from other Illinois colleges are expected here on May 3-4.

The high school press conference scheduled for April 5 will be planned and conducted by members of Mu Tau Pi. An added feature of the convention this year will be the judging of the publications of the high schools represented.

Mu Tau Pi Contest Letters to Editor Due January 25

The letter writing contest sponsored by Mu Tau Pi is rapidly drawing to a close, Friday, January 25, being the dead line for entries. The organization wishes to state again that all students are eligible to compete. A two dollar prize will be awarded for first place, and one dollar for second.

An open letter to the editor on any pertinent subject will be judged by the members of Mu Tau Pi on originality and structure. The winning letters will be published in the issue of January 30 of the Egyptian.

Contest rules are posted outside the Auditorium and Egyptian office. The deposit box is outside the Egyptian office.

N.C.A. Standards For University High To Be Discussed

The problem of S. I. T. C.'s ability to satisfy the North Central Association's requirements for the housing of University High School will likely be brought before the board meeting in March. The college has had difficulty in satisfying such standards as the provision of a separate library and a separate building for the University High School classes.

It is believed that S. I. T. C. can meet the North Central requirements sufficiently to allow the retention of the high school on the college campus. From the standpoint of convenience, the maintaining of just one secondary training school, that at Carterville, would be a distinct drawback. In order to conduct demonstration lessons it would be necessary to transport entire college classes to Carterville or bring high school classes here. Such a project would not only be expensive and impracticable, but it would also be dangerous in bad weather.

Women's Basketball Practice Begins

Janet Spalding, W. A. A. basketball manager, announced that the regular board meeting Friday evening that eighty-four girls had registered for practice. The freshmen were assigned Monday and Wednesday evenings, while sophomores, juniors and seniors will practice on Tuesdays and Thursdays. Tournament plans will be announced later.

Gail Aiken, minor sports manager, is working on a plan which will enable all those girls not interested in basketball to participate in some other activity. In addition to basketball, those sports which will probably be offered this winter are shuffleboard, ping pong, tumbling and bowling.

Muckleroy New President of State Advisory Board

Professor R. E. Muckleroy has received word from Dean Mumford of the University of Illinois that he has been appointed President of the State Advisory Board for the Rural Youth's conference to be held in May of this year at Urbana. Professor Muckleroy and the other six members of the Advisory Board will hold a meeting at Urbana Thursday and Friday, January 17 and 18. Plans will be made and leaders will be selected for the conference to be held on the campus of the University of Illinois in May.

DEBATERS LIST OTHER COLLEGES FOR CONTESTS

MEN'S TEAM WILL GO TO MURRAY FEB. 2; WOMEN TO MCKENDREE

The newly organized Debate club has made rapid strides in scheduling inter-collegiate debates in the past week. Communications have been received from four colleges soliciting engagements, and it was decided to send a men's team to Murray, Kentucky, February 2 to debate the question, "Resolved, that the nations should agree to prevent the international shipment of arms and munitions." A women's team has been invited to McKendree college to debate the subject, "Resolved, that medical care shall be provided to all citizens as a public service at public expense." Further plans for this debate are to be arranged soon, as are debates with St. Louis University and Asbury College, Kentucky.

Selections for all positions for the teams are now made by a committee which was appointed at the last meeting. This committee is composed of four students, Marvin Ballance, Lois Snider, Evelyn Miller, and Robert Wingeranger, and two faculty advisers, Miss Julia Jonah and Dr. Charles Tenney. The team which will debate Murray is made up of William Browning, Lowell Samuels, and Allen Buchanan, alternates.

In order to finance these trips in intercollegiate debating, it was decided to give a series of tea dances. The first dance was held last Thursday in the old gym, with Bobby Swain's orchestra furnishing the music. The next of these dances will be announced soon.

At the first meeting of the year, Virginia Spiller led a discussion of present government activities, emphasizing President Roosevelt's speech to Congress and the policies which he outlined in it. Monday night, January 14, Ruth Hawkins talked on "Where men debate beliefs, not states." She was followed by Robert Wingeranger, who spoke on "The greatest debating society in the world." On January 21, Robert D. Paner will address the group.

Dr. W. M. Bailey Addresses A.A.U. W. Group Tonight

The A. A. U. W. educational study group will meet at the City Library this evening at 7:30.

Dr. W. M. Bailey will speak on "Movies and Our Children." For the last few years Dr. Bailey has made a study of the findings of the "Moving Picture Research Council," and has made many talks on the subject. Professors in universities in Ohio, New York, Iowa, Chicago, Penn State College, and many others have made four years of extensive inquiry on motion pictures. They found that love, sex, and crime were badly over-emphasized. Criminals and evil delinquents were questioned as to what influence movies had exercised upon their lives. Psychological research revealed the effect of a "movie" upon children's rest. Many other interesting experiments were conducted, the result of which was to put a campaign for better movies well underway. Authorities believe that, some progress has been made, but that there is still much room for improvement.

Olvera Street Marionettes to be Here January 31

C. Ray Smith's Theatre of Little People, often known as the Olvera Street Marionettes, will present two performances in Shroyck Auditorium on Thursday, January 31. This offering has recently been selected by the School Council as the winter term number of the S. I. T. C. Entertainment Series.

During the afternoon of January 31, the marionettes will give a matinee program for children. The evening performance for adults offers a more sophisticated version of "Rip Van Winkle's Strange Interlude," the last number on their two-hour presentation. Indeed, the Olvera Street Marionettes play largely to adult audiences, since their productions possess none of the childishness so often attributed to puppet shows. They take their name from the old Olvera Street in Los Angeles, where the puppeteers have had their own theatre for some time.

The puppeteers made their first eastern appearance this summer at the Rochester Centennial. They were such a hit that they were asked to open the regular season of the Eastman Theatre at Rochester.

The show which the marionettes will present in Shroyck Auditorium has a playing time of one hour and fifty-five minutes, during which the longest wait is only two minutes. The production is thus almost continuous, with no delays for scenery changes. The sequence of scenes is as follows:

1. Avenue of Flags
- March of the Wooden Soldiers
2. Street Scene
3. Black Forest
- Ballet on Skates
4. Wings of a Century
5. Old Spain
6. Floating Lagoon Theatre
7. Centennial Variety Show
7. Enchanted Island
8. Clowns
9. Interior Marionette Theatre
8. Rip Van Winkle's Strange Interlude

(A Musical Satire in four acts, introducing movie stars in miniature.)

Sixteen special song numbers have been written for "Rip Van Winkle's Strange Interlude." In this number, Rip Van Winkle falls asleep and finds himself transported to various places, including Elizabethan England and modern Hollywood. Here the audience will recognize such characters as Joan Crawford, Greta Garbo, Clark Gable, and Professor Einstein.

The audience will have no trouble in hearing or seeing the performance. The dolls themselves are almost 50 per cent larger than the average puppets. Their heads are carefully sculptured so that they are quickly recognizable. The stage is three feet wider than those usually provided in puppet theatres.

With the scheduling of the Olvera Street Marionettes, the School Council has completed the program for the first year of the Entertainment Series project. A third number, Nicholas Roosevelt will speak on the subject "Where Europe's Wars Are Bred" in Shroyck Auditorium on the evening of March 21.

INTERFRATERNITY COUNCIL DANCE FRIDAY, FEBRUARY 1

The Inter-fraternity council decided to hold the Inter-fraternity dance on Friday, February 1. As yet, the orchestra has not been chosen. Robert D. Paner entered closed the council at his home on West Main street.

ON SOUTHERN'S HOME SCHEDULE

LOUIS 'TOO-TALL' LASITER AND JIM WINN ARE BLUE-BOYS' SCORING ACES

In what will doubtless be the toughest home game of the season, S. I. T. C. will entertain the undefeated Illinois College Blueboys here Friday evening. The visitors will bring their ace scoring combination of Louis "Too-Tall" Lasiter, 6 foot 10 inch center, and Jim Winn, 6 foot, 6 inch forward and last year's captain. This pair ran one-two in conference scoring last year, Lasiter chalking up 216 points, while Winn connected for 170. The big pivot man rated all-conference first team, while Winn received honorable mention at his guard post. This season, the two are again leading the league scorers, but Winn is ahead of his teammate. Watts, reserve guard on the quintet which finished eighth in the loop last year and Miller, sub forward, are the other veterans. Flashy new men complete the Blueboy squad.

The Macons will have the chance to improve their conference standing and raise the .667 rating they now hold. A loss for the visitors would drop them out of their share of the loop lead. If the Blueboys successfully clear the Maroon hurdle, they will be well on the way to the Little Nineteen championship predicted for them.

The Jacksonville team is rated as one of the strongest in this part of the country by officials and commentators. Chuck Taylor, basketball's outstanding truck shot and ball handling artist, said concerning the Illinois College five, "Nobody this part of the country can beat 'em. They're head and shoulders above any other conference team." If that refers to Lasiter, that's all too true.

Southern will be out for revenge, as it was the Blueboys who handed them their third and last conference defeat last year. The game, played at Jacksonville, was a thriller all the way, and witnessed the defeat of the Maroons by a 35-31 score. Lasiter counted 21 points, while Winn scored eight.

Comparative scores give little indication of any difference in the two teams. Illinois College beat McKendree, 45-29, in the up-state gym. The Bearcats dropped a 46-36 decision to an off-form Maroon outfit here last Friday. Welborn, McKendree scoring star, counted 17 points against each opponent. Friday, the Jacksonville team defeated the Arkansas Baptist quintet, 83-18.

The starting S. I. T. C. lineup will probably include Haider and Veach, forwards; Hall, center; and Gray and Emery, guards.

Tri Sigma Will Present Program In Chapel Friday

Tri Sigma sorority will present an "Amateur Night at a Broadcasting Station" for the chapel program Friday, January 18.

Members of the Baptist Student Union gave the chapel program last Friday. Oliver Shields presented the program and offered the morning prayer. Wendell Otey played his own arrangement of "Rock of Ages" on the piano. Miss Vivian Nattier, student worker of the Union told of the work of the organization. Gordon Dodds discussed World Relations in a short talk. Allen Grays described the Youth Movements in various countries at the present time. Paul Reeder closed the program with a telephone number.

STILL IN DOUBT

The last Egyptian carried an editorial outlining the difficulties confronting the athletic department in its attempt to inaugurate baseball as a varsity sport here. The holidays have in no way mitigated the situation: Santa Claus brought no funds or equipment to the department. So the diamond dilemma remains as it was three weeks ago, when it was first presented to the campus at large. No final conclusion can be drawn until spring, as the decision rests entirely upon the financial outcome of the winter sports program.

In the meantime, the baseball-minded are looking forward to intramural competition, which is a certainty. The varsity program contemplated would not displace the healthy intramural play of the past few seasons. But it would curtail it somewhat, chiefly because of lack of playing space. Then it would naturally cut into the interest in the intramural competition.

Though there are some who favor a strong intramural program over a varsity schedule, in the main the students favor intercollegiate competition. But if this is not possible this next spring, it is reassuring to know that at least the intramural play will provide recreation and sport opportunity for many S. I. T. C. students when the spring months roll around again.

WE VOTE FOR MAROON

No decision has been reached so far concerning the color of the new band uniforms, but we hope they won't be black. Black uniforms always look so messy after the dust of a few field parades have settled on them. They're inclined to look dreadful, too, and we're ready for something of a livelier hue. Besides, we've had dark uniforms ever since the last purchase several years ago, and we need a change.

Maroon's a nice color. Ninety maroon uniforms on ninety enthusiastic players would be really effective. Red's a good color, too, for that matter; but it lacks the patriotism of our traditional maroon and white. When we watch our band on parade, we like to feel a surge of loyalty colors we somehow have a greater attachment for the college which they so picturesquely represent.

Yes, maroon's the color we hope they'll choose. Remember that phrase from the loyalty song (of course we have a loyalty song; look on page 74 of the student directory). "Year by year, thrilled we hear All thy sons and daughters cheer When the White and Maroon they view?" We're going to see these new uniforms year after year, right enough, so why not have them a patriotic Maroon to inspire thrilling cheers from the changing personnel of our college students?

DON'T BE SELFISH WITH THE BULLETIN BOARD

After trying in vain to find a vacant space for a modest organization notice on the bulletin board in front of the Main building, we sandwiched our program in between an announcement three weeks old and a sign taking up at least one-third of the available space on the board. Such a condition is usually common, save for fitful house-cleaning periods. It is no wonder then that the bulletin board is rarely more than glanced at by the student body.

If each organization or group responsible for a notice appearing on the bulletin board would see that the sign is removed after it has served its purpose, this would be a fair return for the privilege of using this board as a means of announcement. Also it is only just to others to be reasonable about the size of the notices. A modest placard advertising a group program serves the purpose as well as a large announcement. Leave room for other notices.

Please be reasonable about the length of time your notice stays on the bulletin board, and why not use discretion about the space it will occupy? Thank you.

THE SPHONX KNOWS:

Al "Rasputin" Nerone's face was red, but he kept a stiff upper lip when he was requested—nay, urged—to about himself and Wright's history class. It seems that Albert found himself so imbued with the colonial spirit of exploration and conquest that he over-stepped a bound or two.

Fran. Locke has a new game that's a combination of peek-a-boo and lawn tennis. She plays it with silverware and chairs. Very cute.

Stella Harriman and Everett Fox have been like that over each other and the last few weeks. Stella sported a sparkler, but—Stella stepped out just before the holidays and Everett was seen escorting another girl on and off the campus.

And Jim O'Malley was guilty of a slight indiscretion when he went to Carterville to assume his pedagogic duties when he might as well have been elsewhere. We'd have told all, Jim, if it hadn't been for Ved's intervention. Great girl—Ved—don't you think?

"Sody" Carter is so anxious to make money on Chris's slot machine that he's been kicked out at least once. So what?

When Russell Oliver unearthed a girl with, among other things, a Ford V 8, he all too promptly gave his little soulmate over at Anthony Hall the run-around. Savors a bit of social climbing in our humble opinion. For further details about said girl see Lawson.

Eulalia Nipper did right by the New Year at the Black Cat. Wonder what ever become of that boy back in McLeansboro. They called him "Goop," but he wasn't too dumb.

Why some people—particularly Jessie Gardner and Harold Holshauer—go to the Wigwam chapel here.

That Itchy Phillips is a great eater. She foodled everyone at the library the other night.

That the only reason Izzy Martin went to the intramural basketball game of the Chi Delta Chi's was to see if Stan Layman was bow-legged.

That after hearing "Salty Dog" played six or seven times at the cafe with a group of boys joining in the chorus, Chris took the record out and broke it over his knee muttering ha—ha—ha—through his teeth in a most menacing manner.

That the girls at 821 South Normal have changed their hair fashion with a "bang."

The significance to Nose Ghent of \$375.00 and ring—or is it \$3.75?

THE SPHONX WONDERS:

What Nora Hall was saying "goodie, goodie" about over at the Hanger New Year's Eve.

If Taylor and Newcomb point with pride to the two local boys who didn't make good the night they came back to the Alma Mater.

What Buddy Vitt and Harry Stafford were playing sleuth for a few nights before the holidays.

What transfer student from Illinois didn't quit what girl after New Year's as scheduled.

The Sphinx lies awake nights wondering what the pills were for that one of the two gallant officers nominally engaged in moulding the youth of the nation through the medium of the C.C.C.'s gave to the girl from Anthony Hall? Bob Reeves thinks he knows, but we doubt some how if Reeve's knowledge of materia medica is quite as comprehensive as it might be.

If Adaline Shoemaker has gone out for track. It certainly looks that way when she runs up and down the aisle right before chapel looking for her seat.

"How "Shadow" Courtney would be able to dance in the crowded cafe without Neta Atherton to lead his interference? Is that how Nate got his letter?

If Anna Louise Isherwood ever sleeps at home or if she does all of her sleeping in the library.

Who Miss Smith had in mind when she hung the mistletoe.

What Bill Prindle thinks of his chance with Georgette now.

Who the girls on the hill on the east side of town entertained to an exceedingly late hour.

Faculty News

Miss Martha Scott, Miss Mary Goddard Dr. O. B. Young, and Dr. Bruce W. Merwin attended a meeting of the American Association for the Advancement of Science at Pittsburgh, Pennsylvania during the Christmas vacation. Dr. Merwin delivered a paper on the teaching of chemistry in colleges at this meeting.

Miss Esther Power spent her Christmas vacation in the east attending the Modern Language meeting in Philadelphia. She was also present at the opening of Congress.

Miss Marjorie Shanik and Miss Sarah Baker spent a week of the Christmas holidays in Miami, Florida. Miss Barker visited relatives there.

Dr. Vera Peacock entertained Miss Opal Stone, Mrs. Edith Krapp and daughter Heim, and Miss Marie Campbell at Christmas dinner. Mrs. Stone was also hostess at dinner to Mr. and Mrs. Callaway Allen, Dr. and Mrs. O. B. Young, Miss Julia Jonah, and Charles Neely, January 12.

WITH THE GREEKS

SIGMA SIGMA SIGMA
Lorraine Ludwig, Benton, a transfer student from MacMurray Teachers college was formally pledged Thursday night.

Mary Isabell Campbell was formally installed as vice president Thursday night.

CHI DELTA CHI
Jack Swofford, Benton, was formally pledged before the holidays.

Probation week began Monday and closes Saturday night with formal initiation. The following pledges are to be initiated: Jim Gray, Zeigler; Dick Baggott, Anna; Joe Brown, Jonesboro; James Guiney, West Frankfort; Charles Mahon, Mt. Carmel; Charles Pulley and Carl Federer, Carbondale.

KAPPA DELTA ALPHA
Robert Boyle dropped from social status during Christmas vacation. He intends to enroll at Iowa next semester.

New pledges to Kappa Delta Alpha are Henry Firebaugh, Mount Vernon; Anthony Vencigoni, Herrin; Thomas Dickey, Fairfield; Owen Beckmeyer, Irvington, and Jack Wallen, Chicago.

Members of the Alpha Zeta chapter from Harris Teachers College, St. Louis, will be guests of the S. I. T. C. chapter at the winter formal dance January 26. Those in the receiving line will be Dr. and Mrs. R. A. Scott, Miss Julia Jonah, Dr. and Mrs. W. G. Swartz, and Mrs. Clarence Wright.

tainly look that way when she runs up and down the aisle right before chapel looking for her seat.

REFLECTIONS

BY F. S.

A freshman, In the library, at a table, by a column
Sits,
And, with that long-forgotten, forgotten stare,
Gazes blankly at a pencil on the call-deck.

Oh!
The untold agony in that suffering face,
His mouth, big enough to sing duets, slumping
At the corners,
As though some gleaming demon were plucking
At his heart-strings;
Plucking some funeral dirge. Possibly
The dirge of family troubles.
The check, so needed and expected—
this week has
Failed to arrive.
Or,
The news of a dear friend's death in an
Accident.
And he too looks as though his, untimely end
Were near.
Again,
His aching mind might be Grieving, having flunked three subjects
And not yet told his pater.
Three hours
He has sat there, moving not, just staring
Yet—
He moves—he starts—he lurches toward the desk;
His glad eyes glitter;
A smile overspreads his countenance from ear to ear;
He reaches the call deck,
And with a sigh of relief
Hungry clutches Volume 46, Harper's Weekly,
And recedes peacefully to his seat, to write more on his
"Term paper."

And as for depositing waste paper in the library, just throw it on the floor, or pitch it in the loving-cup on the mantle! The waste baskets are very conspicuous by their absence. Imagine! No waste baskets in a library. tk! tk! We could at least give a food sale or possibly a tea dance to raise funds for the purchase of waste baskets. After all, you know tea dances are quite the vogue.

Huey Long has created glamorous headlines for himself in the last few months, but those Louis-

The Wailing Wall

There has never been a more worthy object than an attempt to raise funds for intercollegiate debating. Yet, it seems that an action on the part of those who wish to promote intelligent interest on this campus must be shunned by the very people who should have a vital interest in the outcome of that action.

The Debate club sponsored a tea dance last Thursday. It is lamentable that so few tickets were sold, but the situation becomes even more deplorable when we see that less than ten per cent of the tickets were purchased by members of the Debate club. The very people who should have backed the dance to the limit were conspicuous by their absence. Do they expect some generous faculty members to rush to their aid with contributions? It is time for them to take cognizance of the fact that they must help themselves.

LATIN-AMERICANS MEET TOMORROW

Latin-American club will meet tomorrow night at 7:30 on the third floor of the Chemistry building. John Haegle is leading the discussion on agriculture, its economic phases and difficulties.

Every one who is interested is invited to attend and join in the discussion.

iana boys on Centenary's team still boast that he hasn't taken charge of them. One said that it was expecting it, nevertheless, and that maybe the next time Centenary played Carbondale, it would be "Huey's Log Rollers vs. Keller's Fork Barrels."

What do you consider the most interesting current event in 1934?—One student seems to think the Sam Insull affair was; but she said the latest news she had heard on the subject was that the ship carrying the prisoner was almost to the C. S. I. She wondered how the government would treat him.—This happened less than a week ago, so write somebody give the lady a newspaper! Just any newspaper!

CENTENARY TEAM DEFEATS MACMEN IN CLOSE GAME

MAROONS LIST TWO WINS ONE LOSS IN CONFERENCE STANDING

Led by Jimmy Serra, who scored 17 points, the Centenary basketball five defeated the Southern quintet in one of the most exciting games seen on the S. I. T. C. floor in years, last Wednesday night. The score was 39-38.

The outcome of the game was constantly doubtful because neither team was more than six points ahead during the entire contest. At the half time the score stood 23-25.

Emery started the scoring for the Maroons and White aggregation by looping a basket from the foul line, then Decker, Centenary center, made a charity toss making the score, 2-1. Big Jim Gray made a long shot and two free throws, putting the McAndrew men in the lead by five points. From this point the Louisiana five and the Maroons see-sawed back and forth, one team being in the lead and then the other, until just before the half when Emery made a basket deadlocking the score, 23-23.

Both teams continued scoring evenly during the last half and with less than one minute to go and Centenary in the lead by one point, Southern chances of winning came to naught when Holder missed a set-up shot under the basket and three tries at backing the shot up failed. The game ended with the locals trying to win by turning to long shots that were unsuccessful.

For the Maroons Veach was the most outstanding, contributing twelve points, while Serra showed up best for the Centenary five.

Intramural Leagues Open Court Play

The lid was blown off the intramural basketball season last Tuesday night when sixteen of the twenty-eight teams in the leagues saw action. Thursday the remaining squads received their inaugural competition.

The opening games played, simultaneously in the men and women's gymnasiums, and strangely devoid of any ceremony or pomp, such as the shooting of the first basket by the mayor or any college official, saw the Egyptian five trouncing the Wet City Ramblers, 25-5, in an American League tussle. The Ragland Infirmary quintet defeated the Clod Busters, 22-13, in the opening National League encounter.

Piling up the most one-sided score of the Tuesday night encounter, 61-10, the Dunbars definitely trounced the 808 Tramps in true Dunbaristic style. The clockless precision of the Dunbar representatives somewhat bewildering the Tramps, was the source of the major part of their 61 points. Stencil, scoring three of the Dunbars, totaled 27 points which gives him high-point honors for the week as well as a good start for the season.

Another one-sided game was easily won by the Faculty, from the Cavaliers, 29-10. The Faculty was paced by Dr. Cramer, who connected with eight field goals and two free throws for fourteen points. His scoring was enough to give him the lead in the National League.

Displaying great scoring power, the Hot Tamales overwhelmed the Algee Aces, 30-11, in a National League contest. Shaver led the winners with seven points.

Another National League battle saw the Jelly Temples defeating the Chi Delta Chi, 16-10.

The Kappa Delta Alpha dropped their first game to the Y. M. C. A. American League entry team by the narrow margin of two points, the score being 15-13.

Maintaining a slight lead all through the game the Five Roses nosed out the Pirates by a score of 19-10. This was also an American League contest.

Thursday's games: National League—In the opening game of the session for the National League the Hot Tamales defeated the I Tappa Keg quintet in a closely fought battle, 7-5. The seven points of the visitors were divided among DuJannett, Young, Newton, and Russell Shaver. Pax, I Tappa Keg forward, scored all of the loser's points.

In a closely contested, rough game, the Sons of Kong defeated the Missing Links, the final score being 20-15. Whitley Lawson, with one field goal and eight free throws, paced the winners with ten points. Paul Leming, Missing Link guard, led the losers in scoring with eight points.

The Massie Tornados resumed the procession of one-sided scores with their 21-6 victory over the Satellites. The victors were paced by Keasler and Raines with six points each. The losers were led by Carleton, who connected with two field goals for four points.

The Scorpions chalked up an easy win over the Clod Busters in the third game of the evening by the score of 22-10. Vinson, football star, led the scoring for the Scorpions with ten counters, closely followed by Red McMillan, who rang up eight points. Henizer starred for the losers with six points.

American League—A strong Bentonian five trounced the Gym Team, 24-6. Max Morgan led the Bentonians in scoring, counting eleven points. Gene Trini headed the Goobers attack as they licked the Egyptians, 29-5. The 808 Tramps suffered their second defeat of the season, when they bowed to the Debate Club, 15-13.

The Our Men, led by Wayne Aiken and Ellis, beat the Bisons, 29-15.

SPORTS SLANTS

The Centenary game furnished the major article of the season thus far. The Louisianians brought husky, big time team here, and a great game resulted. The visitors, as sportsmen, really lived up to their monicker of Gentlemen.

Jimmy Serra, crack Centenary forward, set a new high mark for opposing players, when he hung up seventeen points Tuesday night. His nearest competitor is Shafter, Swedes center, with twelve points. Skoglund, DeKalb center, is next with eleven points, closely followed with Davis, Arkansas, Aggie center, who piled up ten points.

The Centenary Gentlemen lost only four games on their extended tour through the middle West. The teams which defeated the Gentlemen were Xavier of Cincinnati, Evansville, (Indiana) College, DePaul of Chicago, and the Taylorville Legionnaires of Taylorville, Illinois. The Gentlemen also defeated the Legionnaires to balance their accounts with them. The Centenaries were victorious in seven of their road engagements.

Although the Centenaries play higher class schools than many small colleges, the school itself has an enrollment of only 450 students.

In a preliminary game Tuesday night between two S. I. T. C. squad teams, the Blues defeated the Yellows. After trailing by a 9-15 score at the half, the Yellow team rallied to win by a 27-22 count. The Yellows were paced by Percy Crane, forward, who tallied ten points; while the Blues were led by Lingie, center, with ten points. Davis Hill, football hero, made six points for the winners.

Spolled by the terrific pace of the 39-38 battle, the Maroon fans were bored by the slow first half of the McKendree contest. Any way, the S. I. T. C. quintet was decidedly off form. They're suffering a let down from their fast-pre-holiday pace. Mac's got a job on his hands to brace them up again for the arduous conference push.

Emery and Holder pulled an Alphonse and Gaston act in the Bearcat-Maroon fry. Open under the visitors goal, neither wanted to appear the hog and take the shot. As a result of this false modesty, the opportunity for a two pointer was lost.

CONFERENCE SCHEDULE

Wed. Jan. 16 Millikin vs. Ill. Wesleyan at Decatur. Bradley vs. Augustana at Peoria. Thursday, January 17 DeKalb Teachers vs. St. Viator at DeKalb. Friday, January 18 Carthage vs. Bradley at Carthage. McKendree vs. Charleston Teachers at Lebanon. Carbondale Teachers vs. Ill. College at Carbondale. State Normal vs. Ill. Wesleyan at Normal. Eureka vs. Elmhurst at Eureka. Augustana vs. Knox at Rock Island.

Saturday, January 19 Shurtleff vs. Charleston Teachers at Alton. DeKalb Teachers vs. Elmhurst at DeKalb. Wheaton vs. North Central at Wheaton. Lake Forest vs. Carroll at Lake Forest. *Conference games.

The Centenary contest kept the spectators on their feet most of the time. In contrast, during the sleepy McKendree game some of the boys in the west bleachers used an alarm clock to keep awake.

The Maroons' accuracy was very poor in the McKendree game. Broadway led in marksmanship with three field goals in seven trials, followed by Holder with eight out of twenty-seven efforts.

Captain Scott, the McKendree guard, led the purple and white in accuracy, with two field goals in six attempts, closely followed by Welborn with six out of twenty-one.

The Methodists made good on nine out of twelve charity tosses while the Maroons connected with ten of sixteen trials.

President Cameron Harmon of McKendree college was here for the game Friday night. He supported the Bearcats from the stands.

In a prelim Friday night, the S. I. T. C. seconds, paced by Percy Crane, who counted 16 points, trimmed the Bearcats reserves, 36-9.

Accuracy standings for the Maroons thus far show that Gerald Veach is leading the Maroon marksmanship. Veach has connected with nineteen field goals in thirty-eight attempts for a percentage of 500. Russ Emery, consistent guard, is second in accuracy with a percentage of 366, composed of fifteen field goals out of forty-one trials. These statistics include only home games.

For genuine fun and healthy enjoyment, the intramural leagues top the list. The real purpose of sport are served in this play. At the same time, some very proficient teams have sprung up and competition will be keen for the coveted banners in the two loops.

Emerson Dexter, husky Old Normal griddler, will receive a try-out with the Chicago Bears next spring. Dexter is a center.

Bob Evans, referee in the New Year's Day football classic in the Rose Bowl at Pasadena, is a former James Milliken man. In speaking over the radio just before the game, he said hello to Tamaroa, Illinois, folks.

DEKALB DEFEATS S. I. T. C.

Southern lost its first conference game of the season during the Christmas holidays when the DeKalb Teachers defeated the Maroon and White quintet, at DeKalb, by the score of 25-22.

Southern Barbuc We're up in the north end of town but it will pay you to come and get a bowl of OUR CHILLI We Toast Our Buns for Barbucues First Door N. of Winter Store

INTRAMURAL SCHEDULE

Standings of teams on Monday morning were as follows:

Table with columns for American League and National League, team, W, L, Pct.

The intramural league will complete the second round of its schedule tomorrow night beginning at 6:15 with an eight game program. Tomorrow night's schedule: American League—K. D. A. vs. Pirates; Gym Team vs. Duoba's Goobers vs. Five Roses; 808 Tramps vs. Bentonians. National League—Massie Tornados vs. Faculty; Missing Links vs. Satellites; Cavaliers vs. Scorpions; Sons of Kong vs. Hot Tamales.

Next week the leagues will swing into third round combat with games Monday, Tuesday, and Thursday nights. The Monday and Tuesday line-up: Monday American League—Goobers vs. Our Men; Egyptians vs. Five Roses; Dunbars vs. Y. M.; Ramblers vs. K. D. A.; National League—Scorpions vs. Tornados; Clod Busters vs. Cavaliers; Algee's Aces vs. Jelly Temple; Chi Delta Chi vs. Ragland Infirmary.

Tuesday, American League—Pirates vs. Gym; Bisons vs. Debators; Ora Menu vs. Egyptians; Goobers vs. K. D. A.; National League—Faculty vs. Missing Links; I Tappa Keg vs. Satellites; Tornados vs. Clod Busters; Scorpions vs. Chi Delta Chi.

This week the games are being run off on a new time schedule, 7:35, and 8:15.

S. I. T. C. QUINTET BEAT BEARCATS 46 TO 36 FRIDAY

SCORE STANDS 39-38 IN MOST EXCITING BASKETBALL GAME OF SEASON

After losing two games in a row, the Southern basketball five came back fighting Friday night and defeated the McKendree Bearcats 46-36 on S. I. T. C.'s gym floor.

Southern, by winning this game, remained close to the top in the standings of the Little Nineteen conference race. The Maroons now have won two games and lost one for a percentage of 667.

The game wasn't an exciting affair, but at times both teams went on spurts and showed signs of good playing ability.

Southern rolled up a lead of 28-13 at the half time, but McKendree held the edge in the scoring the last half, making 23 points to the Maroons' 18.

Lynn Holder starred for Southern and hit the basket, with ease. Holder made 19 points and set a record for points scored in a single game this season. Welborn was the main cog in the Bearcats' scoring, making 16 of their points.

LINEUP Southern FG FT PF TT Holder, f. 8 3 2 19 Veach, f. 2 1 0 5 Fulton, f. 0 0 1 2 Hall, c. 2 2 1 6 Broadway, c. 3 2 0 8 Emery, g. 2 0 3 4 Gray, g. 2 2 2 2 Edwards, g. 0 1 0 10 18 10 11 46

Dean Wham Writes For Open Book of Kappa Phi Kappa

"There is no concept in greater need of definition than that of the teachers' college," Dean George D. Wham states in his article "The Status of the Teachers' College," which appeared in a full publication of the Open Book magazine of Kappa Phi Kappa.

According to Dean Wham this concept has in it two wrong mischievous implications: first, that "the teachers' college is not the home of scholarship and culture"; second, "that the teachers' college is debilitated by its professional training and thus rendered ineligible to classification as a real college."

The first misconception, Dean Wham explains, would be dispelled by a careful inspection of any standardized teachers' college. "Such an inspection will disclose not only a faculty sound in scholarship and strong in teaching ability, but also a standardized curriculum so organized as to provide an academic major of 20 to 24 semester hours, an academic minor of 16 to 20 semester hours, and sufficient other subjects to guarantee a spread of culture."

In attacking the second implication Dean Wham takes each phase of education and, applying the definition of culture as "synthetic insight into contemporary civilization," demonstrates the cultural significance of the phase as such. "Indeed," he comments, "the cultural value of the study of education is so fundamental that it may be questioned whether culture in its best sense can be achieved without it."

Dean Wham, as national vice president of Kappa Phi Kappa, points out that that fraternity has been wise in recognizing the true status of teachers' colleges and in extending to them the benefits it has to offer.

TEN YEARS AGO AT S. I. T. C.

A fee of seventy-five cents per term has been added to tuition to cover athletic fee. This is the first time there has been compulsory payment in this college.

The Zetetic Literary Society will present "A Little Clodhopper," a three-act comedy drama, Friday night, January 9.

Frank A. Smith has been elected president of the Socratic Literary Society.

The Zoology class gave an opulent banquet, Thursday night, December 4. There were plenty of eats for seventy-five guests.

High School Notes

Try-outs were held for two new high school plays last Wednesday. "Tea at Four" is a mystery play with a master sleuth tracing a cleverly concealed crime. The other is "Fatal Necklace," an old-fashioned melodrama with the customary villain. The plays are under the direction of Mary Ellen Woods and Virginia Ragsdale, student teachers under Miss Florence Wells. The play will be presented later in the term.

Cast for "Tea at Four": Detective Warren, David Moss; Neville, Frances Krysher; Allan Blaine, Robert Peterson; Nora, Martha Jones; Marie, Thelma Barrett; Jarvis, Charles Marvin; Ordway, Clifford Edmonds; Crancy, Vernon McCracken.

Cast for "Fatal Necklace": Villain, Robert Peterson; Villainess, Virginia Lee West; Hero, Vernon McCracken; Heroine, Juanita Lamer; Countess, Helen Frank.

Chemeka Votes New Members

The following men were voted into the Chemeka fraternity at the last meeting of the society: Lowell Crews, Jean Hatherington, Max Rea, Charles Tripp, Sylvan Greenlee, Joe Sharknas, Robert W. Kell, J. Kenneth Craver, William C. Browning, George W. Land, and Kelly G. Taylor. The Chemeka fraternity is an organization for students majoring in chemistry.

Professor French Formerly of S.I.T.C. Dies at Age of 94

Professor G. H. French, for 39 years a member of the S. I. T. C. faculty died January 2, 1935 at the home of Mrs. Julia Carter Hale on Normal avenue. He was 94 years old. Funeral services were held at the First Baptist church on Sunday, January 6, 1935.

Professor French's scientific researches have given him a valued place in many fields of scientific investigation. He was a member of the Entomological Society of France, associate member of the Natural History Society of Lubeck, Germany, Entomological Society of New York, St. Louis Academy of Science, Entomological Society of Great Britain, American Association of Advancement of Science, and the Southern Illinois Medical Association.

RAYMOND HOFFNER GIVES REPORT OF TEACHERS' MEET

The Kappa Phi Kappa met in the Chemistry building at 7:30 on last Thursday evening for their regular meeting. A report of the State Teachers' meeting held in Springfield shortly after Christmas was given by Mr. Hoffner who was a delegate to the meeting for the Southern Division. The address concerned chiefly the proposed legislation of teacher requirements, financial legislation, and pension legislation.
