**ISIT You Is. Or ISIT Aint My Baby?**

The SIU campus has been hit with a plague of "ISITs." What or who is an ISIT? What does ISIT mean?

Right now ISIT — person, thing or whatever — is under raps and won't be completely eased until Jan. 12. Monday night, some 300 ISITS were posted on bulletin boards in most of the University buildings. Jan. 12, the date set for the publicity release, the 300 ISITS posters will be replaced with 400 other posters that will inform students what ISITs are or is, what they should do about them or it.

Students having ideas what ISIT is or means are invited to send their suggestions, long with names and address, to RP, 303 Pierce Hall.

**Advisement and Registration Underway Through Thursday**

Advisement and registration for only new and coregistering students will be held from 8 a.m. to 4:30 p.m. today at the Arena.

A $2 late fee will be in effect today, and will increase $1 a day to a maximum of $5.

Day classes will begin at 8 a.m. today.

Advisement and registration for students in school during fall quarter who did not advance register will be held from 8 a.m. to noon Wednesday at the Arena.

Late registration of new and coregistering students will continue that day, and a late fee of $3 will be in effect.

The only exceptions are students who are registering only for night or Saturday classes, who may register on Saturday morning or a late fee.

Program changes will be processed today, but will be discontinued from Wednesday until Thursday.

Advisement, registration and program change procedures will continue Thursday on a new schedule at the Advisement Center.

The last day to register and to add a course by program change without the dean's approval will be Saturday. This date differs from the one printed in the schedule of classes.

Beginning Monday the dean's approval will be required for registration or adding a course. This will remain in effect until after Jan. 16, when no registration or adding will be permitted.

Students may withdraw from courses through program changes through Jan. 30 and not receive a letter grade.

**Invites Communist Leaders To U.S. in Annual Message**

WASHINGTON (AP) — President Johnson asked Congress Monday night for a substantial excise tax cut this year, a new $1.5 billion education program and massive attacks on poverty and killer diseases.

In a State of the Union Message in which he said the state of the union depends in large measure on the state of the world, Johnson voiced hope that Russia's new leaders can visit America to learn of this country at first hand.

It was understood that no formal invitations have gone out to Russian leaders.

For the president to say how many or what leaders he had in mind.

Declaring that the state of the union is "free, restless, growing and full of hope," Johnson said in a speech broadcast to the nation that the budget he will send Congress will be designed to move the economy forward. At the same time, he suggested that Congress make sure that it can act rapidly to cut income taxes temporarily should this be necessary to meet the threat of any recession.

He was not predicting an economic setback. Rather, he said "I confidently predict — what every economic sign now tells us — the continued flourishing of the American economy."

The President pledged that the United States will not bear its 10-year-old pledge to help Vietnam against Communist aggression.

And he announced that he will ask for a $1.5 billion start on a new education program and a doubling of funds for what he calls the war on poverty, a program costing $1.84 million this year.

ter of a $1.8 million "total information" system developed by the

SIU Data Processing and Computing Center. Supplemented by

present equipment, the new system will serve research, admini­

strative and instructional purposes for both the Carbondale and

Edwardsville campuses of SIU.

Offices Shift as Construction

Sets Off a Chain Reaction

It's moving time again at Southern Illinois University. Offices, clubs and faculty members change location when new buildings are com­

pleted, and others expanded when more office space is needed. When one office re­

locates, a chain reaction often occurs and several other of­

fices move.

Rino Bianchi, administra­

tive assistant at SIU, reported that the Faculty Club must move because it is located where the new Science Building will be con­

structed on what formerly was South Thompson Street. The club will move by mid-January to 211 W. Harwood, the building the Alumni Service has occupied.

The Alumni Service has moved to the third floor of Anthony Hall, which was occu­

pied by members of the Department of History. The history offices have been moved to 209 W. Harwood. Other moves include Sys­

tems and Procedures to 911 S. Forest St., and the national headquarters of the Socio­

logy Department to 1603 W. Mill St., the Department of Mathematics has been given additional space at 1615 W. Mill St.

Since July 1, 1964, there have been 49 such space allocations, including many to the new Arena.

Military Ball Jan. 30

The Military Ball will be held Jan. 30. The ball is the only all-campus formal dance held at Southern and is open to all students.

Acquisition of 138-Acres at VTI Campus
Paves Way for Construction, More Facilities

Expanded vocational and technical facilities at Southern Illinois University Carbondale will be possible now that SIU has acquired a site, John S. Rendleman, vice president for business affairs, has announced.

The University has acquired, as government surplus, 138 acres and 23 war-time buildings in the Crab Orchard Wildlife Refuge, 10 miles east of Carbondale. Since 1951, the area and buildings have been leased from the government and used by the National Security Seminar.

The Industrial College of the Armed Forces will hold a National Security Seminar on campus March 21, 1966. Delwyte W. Morris, SIU president, received official announcement from Lt. Gen. August Schomburg, commanding general of the Industrial College, stating Carbondale had been chosen as one of 14 cities in which a seminar will be conducted.

The seminar will attract approximately 1,000 people for two weeks of lectures.

The seminar will attract approximately 1,000 people for two weeks of lectures.

University for a Vocational-Technical Institute.

One and two-year terminal education programs in vocational, technical and business courses are taught there, as well as manpower retraining programs under the Area Re-development and Manpower Development and Training Acts.

Now that the land is owned by the state, plans may be activated for construction of permanent buildings Rendleman said.

Southern's capital improvements budget for the 1965-67 biennium suggests $2,000,000 for a classrooms building there, and Rendleman said the amount could be doubled through a matching funds grant from the federal government under the Vocational Education Act.

Meanwhile, more than 1,000 full-time students will continue their work toward a wide variety of vocational, technical and semi-professional skills in the old barracks and ordinance plant shops, and the manpower training classes will be accommodated wherever space is available.

Most recent courses added to the VTI curriculum were an aircraft mechanics course and a mortuary science program.

The VTI is a part of the Division of Technical and Adult Education, which offers non-credit vocational training to more than 10,000 adults annually, with many of the classes being taught in two-year area high schools.

The VTI courses offer academic credit toward two-year certificates.

GRANT COLLECTION — John Y. Simon, executive director of the Ulysses S. Grant Association and curator of the new Grant Museum (right), discussed University libraries, examining documents and photographs on the Civil War general and 18th president of the United States, which have been on exhibit in SIU's Morris Library.

American Heritage Room Reflects Lincoln Period

The new American Heritage Room will be opened Thursday, August 1, to the public on the third floor of Morris Library.

This room is set up to reflect the days of Abraham Lincoln and includes two portraits of Lincoln, a collection of books on Lincoln, Victorian hall tree and bookcase used in Lincoln's time, and an inlaid cherry chest of drawers made by Thomas Lincoln, his father.

Opening of the room will be observed with a reception from 2 to 4 p.m. in honor of Mr. and Mrs. James S. Schoff of New York City on the occasion of the publication by Southern Illinois University Press of the book, "Behind the Guns: The History of Illinois' 2nd Regiment, Illinois Light Artillery." The public is invited.

The battery history, SIU's contribution to the Civil War Centennial, was edited by Clyde C. Walton, Illinois State Historian, from manuscripts in Schoff's collection of Civil War unit histories, Ralito E. McCoy, director of SIU libraries, said.

McCoy said Schoff, department store executive, collects unit histories and documents and photographs of the Civil War, and that at SIU and Ralph E. Gardner, who made trips into the field to record battles and their aftermath. The Gardner collection is in the Rare Book Room on the second floor. Both collections are on loan from Mr. Schoff.

The furniture was loaned from Vancll is an original 1850 painting, "On the Deliverance of the Negro's," by George Inness, a 19th Century American landscape painter.

One of the Lincoln portraits, by artist Edward Dalton, Macomb, Ill., is a gift from Philip D. Sang of Sang River Forest, who also gave a bookcase and the chest made by Thomas Lincoln. The other Lincoln portrait, by Alban Jasper Conant, St. Louis artist, was purchased by the University in 1880.

The Victorian hall tree and hall tree bookcase, from the Washington home of William P. Dele, commissioner of Indian Affairs in Lincoln's Administration, are gifts of Mr. and Mrs. Charles H. Parkinson, Carbondale.

McCoy said in the room include a walnut desk used by Mr. and Mrs. Charles H. Parkinson, Carbondale.

McCoy said in the room include a walnut desk used by Daniel Baldwin, fourth president of Southern Illinois University - a mahogany tall-top trunk table used in the parlor of Anthony Hall, then a women's dormitory on the campus, and two early tables used in the parlor of Mrs. Parkinson, Carbondale.

Ford Topples Halleck in House; Democrats Name Long Whip

WASHINGTON (AP) — A new face took over the House Republican leadership and a Southern Democrat won the No. 2 post of Senate Democrats Monday at the opening day of the 89th Congress.

Senate Democrats chose Russell B. Long of Louisiana, to serve as their assistant leader in the 89th Congress.

Ford, 51, handsome former Michigan football player, won a 7-to-3 victory over his 64-year-old rival, who has been a power among House Republlicans for 18 years and leader for the past six years.

Ford's supporters put him forward as a man who could bring "energy and a fresh, forceful image" to the job of restoring the fortunes of House Republicans, whose ranks were shattered in the November election. They lost 38 seats and that, as much as anything, led to Halleck's downfall.

T.S. Eliot Dies in London at 76

LONDON (AP) — T.S. Eliot, American — born poet, playwright and critical genius of the "Lost Generation" of the 1920s, died Monday night. He was 76.

Born in St. Louis, Mo., a family that had been New Englanders since the 17th century, Eliot spent most of his adult life in Britain and became a British subject in 1927. He won the Nobel Prize for Literature in 1948.

His poem "The Waste Land" caught the imagination of the disillusioned generation that survived World War I. It became a classic description of the mood of misery and pessimism of the intellectuals of that time.

His two most successful plays were "Murder in the Cathedral," a dramatization of the murder of Archbishop Thomas Becket in Canterbury Cathedral, and "The Cocktail Party," the story of a psychiatrist who helped people find peace of mind.

House Changes 21-Day Rule, Makes Speaker 'Traffic Cop'

WASHINGTON (AP) — The 89th Congress — which President Johnson hopes will be an historic "Great Society" parliament — convened Monday, and the House swiftly adopted a major rules change that strengthens the administration's hand.

The House voted today its first major rules change in 15 years, making Speaker John W. McCormack, D-Mass., a "legislative traffic cop."

The change limits to 21 days the time the Rules Committee may hold up legislation approved by other committees.

After 21 days of Rules Committee inactivity, McCormack will determine whether stalemated bills should be brought to the floor for a vote.

The new rule was adopted by an overwhelming yes-in-favor vote as one of the House's top two procedural opponents lost on a 224-210 roll call.

Pope Asks Arabs For Closer Ties

VATICAN CITY (AP) — Pope Paul VI made a historic Monday appeal for closer relations between Christians and Arabs, "as none of the same God." He said old conflicts must be put aside in favor of an "immense effort" to build a more peaceful world.

Brotherhood cooperation between Christians and Arabs, he said:

"Sins of mercy did not make us different to have us oppose each other or to have us try to impose upon each other."

The letter marked a new step in Roman Catholicism's efforts to build closer ties with non-Christians.
The Gymnast, The Camera, The Photo

By Hal Stoelsle

A combination of skills, gymnastics and photography, blends into a study of man in graceful motion.

The camera stops the man in a variety of unusual positions on the rings, bars, and horses. Each frame of film reveals him in one point in motion in the seemingly effortless sweep and swirl of the accomplished gymnast.

The subjects here are SIU gymnasts at a recent meet.

Motorcycle Club To Meet Sunday

CycloSport Inc., a motorcycle club, will hold its first meeting of 1965 at 3 p.m., Sunday at Speede Service, just south of old Route 13 west of Carbondale.

In 1964, the club's first year, CycloSport sponsored a number of closed club events and one observed trials meet. The club also helped SHU officials plan the safety and registration program for motorcycles on campus.

During 1965, the club hopes to sponsor a number of events sanctioned by the American Motorcycle Association.

At the Sunday meeting members will discuss plans for events. Anyone interested in cycling is invited. 

The Saluki cagers, who currently have a 4-2 record, see considerable action as they have a schedule of nine games, five of them at home. Home games are against Washington University of St. Louis at 5:45 p.m. tomorrow, Kentucky Wesleyan, St. Louis University and Evansville College.

The varsity cagers will open winter quarter's sports activity with a game scheduled for Wednesday against Washington University of St. Louis. The next game will be against Indiana State Saturday.

After a road game at Wichita, the Salukis return home on Jan. 13 to meet Kentucky Wesleyan.

The Salukis will then be on the road for four straight games, facing Evansville College in Tennessee, Tech, Tennessee State and Central Missouri State.

The SHU basketball fans will have another chance to see the Salukis as they return home to face Ball State of Muncie, Ind. Feb. 6.

A one-game road trip to Kentucky Wesleyan will close the cager's schedule on the road.

The Salukis will then return home for five straight home contests against San Francisco State, University of Toledo, Tennessee State, Ohio University and Evansville College.

The freshmen cagers will also offer a wide variety of events with the basketball, gymnastics, wrestling and swimming.

The varsity cagers will face Ball State of Muncie, Ind. Feb. 6.

SIU Wrestlers
Take 5th Place

With just a skeleton crew of wrestlers performing for Southern in the second annual Mid-Land Wrestling Championships at LaGrange, Southern nevertheless was able to finish fifth behind University of Michigan, Michigan State University, Northwestern University, and the Indianapolis Athletic Club.

Top performers for Southern were Dan Gekay, Don Devine and Larry Baron.

Gekay finished second in the 191 pound class while teammates Devine and Baron took third in the 123 and 130 pound classes respectively. Baron was the victim of usually strong competition in his class. Masaki Hatta, who took first, and Don Behn, second, were entered in this class.

Hatta is a former NCAA champion from Oklahoma State University and Behn, who wrestled unattached, is regarded as the finest wrestler to come out of the state of Illinois in recent years.

In the most controversial match of the tournament, Southern's Dan Divito lost an overtime refree's decision to Joe Merical of the University of Southern from 1959 to 1962.

Divito had as his class. Masaaki Hatta, who was Dan Gesky. Don Cook and Mike Boegler combined to score 31 of the East team's points. Mitchell took a first in free exercise and the long horse, a second on the high bar and a fourth on the parallel bars.

Schmitz pulled the biggest upset of the meet when he defeated defending champion Donn Millman of the University of California on the trampoline.

SIU Gymnasts Lead East Team to Victory;
Mitchell Voted Most Valuable Performer

While SIU students were on their Christmas vacation, Bill Mcade's Saluki gymnasts were busy competing in the East-West Gymnastic Meet and the Western Clinic Individual Gymnastics Championships held in Tucson, Ariz.

Four varsity members from this year's squad, along with assistant coach Rusty Mitchell, competed for the East in the East-West Meet won by the East 60-52. Mitchell, who scored 18 of the team's total points, was voted the most valuable performer.

He along with Frank Schmitz, Larry Lindauer, Tom Cook and Mike Boegler combined to score 31 of the East team's points.

Mitchell took a first in free exercise and the long horse, a second on the high bar and a fourth on the parallel bars.

Schmitz pulled the biggest upset of the meet when he defeated defending champion Donn Millman of the University of California on the trampoline.

RUSTY MITCHELL

In the Western Clinic Individual Gymnastic Championships the Salukis were represented by Mitchell, Lindauer, Schmitz, Cook, Boegler, along with freshmen Dale Hardt and Fred Dennis.

Mitchell won the all-around category by piling up 55.25 points. Art Sherlock of UCLA and Greg Weiss of the Air Force Academy were second and third respectively.

All three were members on last year's United States Olympic team. Mitchell had a first in tumbling, long horse and free exercise events, a third on the rings and a fourth on the high bar.

Lindauer finished sixth in free exercise, eighth on the side horse and twelfth on the long horse.

Schmitz again finished first on the trampoline and placed third and ninth in the tumbling and long horse events respectively.

Cook took tenth on the rings while teammate Boegler also took tenth on the side horse. Freshman Hardt took second in tumbling and finished third on the trampoline. Dennis finished tenth on both the parallel bars and the high bar.
