BROWN MAKES PHENOMENAL RECORD

in checking the track and field register for the past four years, the Gridley High School Long Distance team, in the person of John Paul Brown, 16-year-old, could claim a well earned victory in his class. In the 17-year-old class, Brown placed in the top three most since in his college career. Then turned his four event career in track and field and entered the State Teachers College meet. This time he did his best, for in his final track, the first time he failed to place, it was also the last time that he was defeated by some other athlete.

Three times Joan Jean started on a new record time for the 3200 meter run, and set new record times for the 1500 meter run, the 440 meter run and the 100 meter run. Joan Jean, who also set a new record in the 3200 meter run, is the only man in the Kansas relay team and each time through, a traveler has passed.
WAR YEARS AT S.I.C.P.

"Will the War End in the November election," a question which appears in the November, 1917 issue of the School Reporter, continues with lengthy numerical analyses of the war and its effect on the question. The calculation of casualties in the war, the number of soldiers killed and wounded, and the number of dollars spent each year, are all cited. The number of dollars spent each year continues to increase, reaching its highest point in 1918.

The following image is a page from the November, 1917 issue of the School Reporter:

The SPOTLIGHT

BY BILL GANGL

Now that another year of sport activity
is ended, the activities of the students
may look back on the athletic year with
pride. The members of the basketball and
football teams carried the Maroon and
White combination in two major
competitions.

The basketball season was
crowned as one of the best in the
history of the college when the
University defeated the College of
St. Louis University in the semi-final game
and defeated Wabash in the final. The win
was only the second in the history of the
program. In the semi-final game, Gordon
Davis scored four of the eight points
which enabled the Maroons to win.

Four of the members of the basketball
team were selected by the Associated
Students as: "the best Stars." These four
were: Bill Gangle, Mark Davis, John Mill
and George Davis.

The football season was highlighted
by the victory over Lehigh and lost to
Penn. The squad was particularly
effective although the playing was
somewhat inferior to the basketball
team. The season was
highlighted by the victory over Lehigh and
lost to Penn. The squad was particularly
effective although the playing was
somewhat inferior to the basketball

The latest member of the basketball
team is the addition of Little John
Thurnan to the squad. John
Thurnan, who has been a
success in high school, is
expected to make a strong showing
in the starting lineup.

The team is well
equipped in all positions and is
expected to do well in the
coming season.

M. T. P. to Hold Alumni Breakfast Thursday Morning

As a part of the activities of the campaign week, the journalism fraternity of the M. T. P. will hold its annual breakfast Thursday morning.

The meeting will be in the office of the newspaper, 511 South Alton, at 8 a.m. All M. T. P. members, past and present, are invited.

Mrs. Minor of the University will preside at the meeting.

Senior Class of University High

For the past several years First National Bank has supported a social organization on the campus. The chief purpose of this organization has been to promote social activities. The officers of this organization will be presented in the program at the banquet in the gymnasium Saturday evening.

The banquet will be at 8 o'clock, and the program will immediately follow. The entertainment will be provided by the cheerleaders, and the band will play selections familiar to the students.

Miss Eleanor S. Drummond, President of the Student Council, and Miss Allen of the Junior varsity basketball team, will be guest speakers.

Student Bus Excursion
