Pilot Products Plant At VIT To Teach Tree Use

By Don Phillips

SOUTHERN ILLINOIS is getting tree timber than it is using... said Mack D. Lane, former in charge of the Carbonide forest research station.

A wood products pilot plant will be located at Southern's Acres, Ill, to develop new products to use the aerial growth. The small 16 month old Illinois has a growth of 30,000 board feet per acre. The area is using approximately 17,000,000 board feet which is 50% of the area over half.

Southern Salukis Split Twin Bill

Southern split a doubleheader with Central Michigan on Friday, dropping the first game 5-2 and winning the second game 17-10 in an exciting finish. The split gives Southern a 100 percent record and a second-place tie in the conference. In the first game, Bob Nurse of the Chippewas was a double threat on the mound as well as at the plate. Nurse pitched seven innings, allowing seven hits and five runs, and at the plate he homered in the seventh inning to score two runs. He was also singles in one run and scored one run.

Nurse staked the Chippewas in the first inning after giving up a single and walk to open the game before the score tied 1-1 in the first. The score remained at 1-1 until the seventh inning when he scored two runs on singles by Dave Jozsa and Bob Irwin.

The second game, which was the more exciting of the two, featured a strong performance by the Salukis. They managed to score seven runs in the fifth inning, leading to their win. The game was a hard-fought victory, with the Salukis outscoring the Chippewas by a significant margin.

Outstanding Athlete Gets Honky Hankley Award

Emie Mek, veteran Kansas City reporter and editor, spoke last night at the 21st annual Chamber of Commerce banquet honoring Southern athletes. The event was the occasion for the presentation of the Honky Hankley award to the most outstanding athlete of the year. The award was established by the Chippewas in 1936 to honor the memory of Honky Hankley, the school's football star.

Jack Chen getting ready to put the ball on a Central Michigan drive in the Class 'D' tournament on Friday, the Salukis lost the first game 5-2, and came back to surprise the Chippewas in the middle of the 9th. The split gave the Salukis the tie with Eastern Michigan.

In The Beginning

The next problem to haunt the Halley Orlofs that bowed them then was the St. Louie AM track field and the AIAA track and tennis schools. The reason was that some of the boys had already been eliminated from the tourney, and the only way to get back in was by winning at least two matches. The first problem that came to mind was to have someone other than the only orphans on the team that could drive the car. The second problem was what to do with the new team that had joined the tourney.
