Salukis Split Series With Bradley, End Best Season In History

Salukis' baseball team split a two-game series with Bradley University last weekend to finish their best season in the history of the school in a record crowd mark.

Another possible record was set as Dick Dietrich, Salukis' fielder, broke the school record with a .349 batting average. Dick collected 42 hits in 115 at bats, the best record in the school history. Dietrich easily got past the 1930 record of .348 set by John Beal.

In the last game of the series, the Salukis defeated Bradley 8-5 behind Dietrich's .400 batting average. When the game ended, the crowd of 1,200 fans roared their approval of the game.

The fans also showed their appreciation to the Bradley team as they were given a standing ovation at the end of the game.

Salukis were unable to complete their season with a win over Bradley last weekend. The Salukis lost the first game of the series 4-1 to Bradley's hard-hitting team.

Assistant Coach and Manager Jerry Boland said the Salukis will have a better team next year with the addition of some new players to the roster.
