Schneider To Step Down
As English Chairman

Department Head For 16 Years

William B. Schneider, chairman of the Department of English, has requested that he be relieved of his duties as chairman at the end of the summer quarter.

Schneider, who has been chairman of the English Department for 16 years, will be eligible for retirement at the end of the next academic year.

In announcing Schneider's request, Dean Henry Dan Piper of the College of Liberal Arts and Science, did not indicate in what capacity Schneider would serve until his official retirement.

"Over the years, Professor Schneider has shown that concern for great teaching that is one of SIU's great traditions," Piper said. "The Dark Is Temporary Replacement For Anthropology Head

Philip J. C. Dark has been named acting chairman of the Anthropology Department, effective July 1, by the SIU Board of Trustees.

Dark, a professor of anthropology at SIU since 1961, will replace Walter W. Taylor, who will be doing research work during summer and fall quarter.

Dark, who received his master's degree and doctorate at Yale, was on the faculty at University College, Nigeria, and Liverpool College, London, England, before coming to Southern.

Taylor will spend the summer in Santa Fe, N.M., writing reports on excavations he did in 1956 and 1958 for the Mexican government. During fall quarter he will be doing research and travel in Europe.

Five Alumni Will Be Honored At Annual Banquet June 8

Five distinguished alumni will be recognized by the SIU Alumni Association at its annual Alumni Day banquet on June 8.

Three will be presented 1963 Alumni Achievement Awards for service to Southern and to the Association. Two will be given the Awards for professional achievement.

The John S. Lewis (Elizabeth Harris) of the class of 1932 will be honored for service. Mrs. Lewis, a Carbondale resident, has been a member and secretary of Gus Bode...

Five Alumni Will Be Honored At Annual Banquet June 8

Five distinguished alumni will be recognized by the SIU Alumni Association at its annual Alumni Day banquet on June 8.

Three will be presented 1963 Alumni Achievement Awards for service to Southern and to the Association. Two will be given the Awards for professional achievement.

The John S. Lewis (Elizabeth Harris) of the class of 1932 will be honored for service. Mrs. Lewis, a Carbondale resident, has been a member and secretary of Gus Bode...

Johnson Research Center in Evansville, Ind., since 1963 has been directing industrial research for the pharmaceutical firm for five years as a program administrator for the Alfred P. Sloan Foundation.

He also has served eight years at the University of Minnesota.

A second award for professional achievement will be given to Ralph B. Thompson of the class of 1934. Thompson, who is now manager of division research with Naico Chemical Company in Chicago, established his career in the field of petrochemicals.

He began as a chemical research assistant to James B. Conant, president of Harvard University, after that he spent more than 20 years with Universal Oil Products, the last six as research coordinator. Thompson is the author of numerous scientific papers, holds 96 patents, and has twice been guest of honor of the Latin American Chemical Congress.

These five recipients of the seventh annual Alumni Achievement Awards bring the total number of alumni who have received this honor to 30. These men and women were nominated by members of the Association and by University faculty because of their outstanding work and service.

The application forms may be obtained and turned in at the University Center Information Desk.

Council members will be selected on the basis of their interest in improving school spirit and not on past experiences, according to John Boehner, co-chairman of the Spirit Council.

The Council hopes to coordinate the band's cheers, the cheers by cheerleaders, en-
William Spencer, senior at SIU, has been appointed a missionary to Bolivia by the Methodist Missions of the Methodist Church. For the next three years, he will be teaching in Methodist secondary schools in Santa Cruz.

"Because of the new transpor- tation facilities which the recovery of oil in the Santa Cruz vicinity demanded, the area is changing rapidly. More important, the people are becoming more receptive to change," Spencer reported. "I spent six weeks in Latin America last summer, one of which I worked in Bolivia. I am working with 10 other students on a Methodist Student Movement Seminar and Work Camp.

"One of our more interesting projects," Spencer said, "was digging for fossils for our school.

DAILY EGYPTIAN

STUDENT ACTIVITIES

Graduating Seniors Honored This Weekend

The religious foundations and their graduating seniors this weekend with a flurry of outings.

The Baptist Student Union is observing "Senior Salute" today with festivities at Carbondale Circleville Park.

The group will meet at the Baptist Student Ministry at 5:30 p.m. The Tour Train will transport the students to the park where the recreational activities will be highlighted by the annual turtle race.

The Lutheran Student Association will hold its last event of the school year with "Final Fling," to be held at Crab Orchard Lake Sunday. Activities will include swimming, volleyball and softball. A picnic supper will be served at 5:30 p.m.

Transportation will be provided from the University Center at 2:45 p.m. Reservations must be made by calling 7-2071.

SPENCER'S acceptance by the Board of Missions was the realization of a plan he began to correspond with the Board last December. He began filling out his first information sheets and had his medical examination. In March he was given a psychological evaluation and approved his first application forms.

WESLEY FOUNDATION TO PRESENT "SIGN OF JONAH" SUNDAY AT 7

A play, "The Sign of Jonah," written by Guenter Rutenborn, will be presented at the Wesley Foundation Sunday, June 2, at 7 p.m. Rutenborn is an Evangelical Lutheran minister in East Germany.

The play was first given in America by Union Theological Seminary, Brooks Atkinson described the play as "remarkable and outstanding." "Time" called it a smash hit.

The "American Magazine" called it a "remarkable production." The play was produced in New York during the 1956-57 season, when the play group of people meet to place the blame for the war. They shift the blame from one to another until it is finally shifted to God. The judge pronounced the sentence on God and condemned God to the hellish task of becoming a man. At this point the audience realizes that God has already served that sentence.

Members of the cast are Jerry Arnett, Helen Bove, Merv Oliver, Tom Isbell, Alida Worland, Gerald Shriver, Angela Lowe, and Terry Turner.

The play is open to the public.

SOCIOLOGICAL QUARTERLY

Professional Journal Enhances SIU Image

"The "Sociological Quarterly" has no ax to grind, it is just interested in making a contribution to sociological knowledge."

The words come from Peter A. Munch, professor of sociology and editor of the "Sociological Quarterly."

The "Quarterly" first came to Southern in 1940 with sociologist Paul Campbell, chair of the Department of Sociology. It was at that time, and is still, associated with the Midwest Sociological Societies. It has also become an important medium for publication of scholarly contributions to the discipline.

Not only is it important as a resource for sociological knowledge, but it is also an ambassador for Southern Illinois University. It is read by individuals in 46 states and 36 countries where it is now circulated.

"It is definitely of great importance to Southern because each issue carries the name of SIU over the world in what is a recognized scholarly magazine. Though most important are its scholarly achievements, it is also an outlet for myth and creates a rea- lity known and for creating an image of SIU," said Munch.

"Quarterly" is financially supported by subscriptions from the Midwest Society and elsewhere. The $1 subscription plus the aid of secretaries for editorial work and the services of the General Publications department, Dr. Sina Spiker, of General Publications, copied the journal.

Among the titles mentioned, the "Quarterly" is basically concerned with sociology, it is introduced in the most significant works of the discipline.

"We have what might be called an artificial division. Sociology covers fields of psychology, philosophy, and geography. Our publication is interested in maintaining those fields as separate, but not as totally separate," Munch said.

"We are interested in and receive manuscripts from sociologists all over the world, such famous sociologists as William Ogburn, Claude S. and Helen Blumer, and Jesse Bernard are contributors to the "Quarterly,"" continued Munch.

Mr. Munch and his staff are starting an aggressive campaign to increase the status of the "Sociological Quarterly."
Saturday, Sunday, Monday

Activities Guide

May the sun keep shining and the bugs go buzzing, allowing you to planning picnics for the weekend. All reserved areas of Lake-on-the-Campus are in the south east section. The numbering runs clockwise. Several of the continuing Sunday features will be held as usual, Many student groups, however, are slackening the pace for the quarter's end and exams.

Social Affairs

Students of SIU Vocational and Technical Institute will be attending their annual Spring banquet and dance tonight in the University Center Ballroom, starting at 6 p.m.
The Baptist Student Union will honor senior members of the club with a picnic, "Senior Salute," at the Lake-on-the-Campus, pavilion 5, from 4 to 9 p.m., today.
The Sociology Club is planning a picnic today starting at 12 noon at Lake-on-the-Campus.
Smith Hall has planned a beach party starting at 8 o'clock tonight at Lake-on-the-Campus.
Woody Hall people are picnicking at Lake-on-the-Campus, starting at 12 noon today.

Cultural Activities

"Artists at Southern, 1963" will be featured in the Old Main Gallery starting at 4:30 to 12 noon today.
This week's Sunday Concert will feature the Southern Illinois Symphony and Oratorio Chorus in Shryock Auditorium at 4 p.m. "The Relationship Between Faith and Reason" will be the topic of discussion during the Sunday Seminar to be held in the Old Main Center at 8 p.m., Mr. Burton F. Levy will be the guest speaker.
Breit Kington of the Art Department, discussing "Movements in Contemporary American Painting," will be the speaker for the Educational and Cultural Committee of the University Center Programming Board. It will be held at 7:30 p.m. in the Gallery Lounge of the University Center.
The Music Department will present two student recitals on Monday, Russell Riepe, piano, from 9:00 p.m. in Shryock and Charles Kendall, piano, in Altogether, Room 115, at 4:30 p.m.
Films

The University Center Programming Board will present Sportsmen's Films in Room F of the University Center from 2 to 4 p.m. on Sunday.

Religious Groups

The Canterbury Association is having a supper and program at the Canterbury House Sunday starting at 6 p.m.

Lewis Named Chamber Of Commerce President

Dr. John S. Lewis, physician and surgeon and the long time mayor of Carbondale was named president of the Carbondale Chamber of Commerce Wednesday, following the resignation of Leonard Bening of the Bening Construction Co.

Both actions were taken at a meeting of the Chamber Wednesday afternoon. The meeting was called following a complex of resolutions issued last week by elements of the Chamber, attempting to move positions on Southern Illinois University's proposals to expand into the city. Alexander M. McMillan, director of SIU's Transportation Institute and a director of the Carbondale Chamber of Commerce said "all elements of the Chamber were presented at the meeting.

Another matter discussed and clarified at the Wednesday meeting was the resolution released earlier this week. May 23 following the name of the Board of Directors of the Carbondale Chamber of Commerce calling for a halt in SIU's expansion into the city.

The new president was elected unanimously by the 25 of the 36 members of the Chamber present at the meeting according to McMillan. Bening served as president for the past 18 months.

Wesley Foundation students will present a play Sunday, "The Sign of Jonah," at Wesley Foundation. It will start at 7 p.m.

Sports

Swimming at Lake-on-the-Campus will be open from 1-7 p.m. every day. Co-recreational swimming is open at the Pool from 7-10 p.m. Saturday and from 1-5 p.m. Sunday.

An SIU bus is leaving this morning at 10:30 to take students to see a ball game between the St. Louis Cardinals and the San Francisco Giants at the Busch Stadium, the bus will leave from University Center.

Track intramurals will run off from 1-5 p.m. today at McAndrew Stadium.

Larmurial Bowling has been scheduled for today from 6-9 p.m. in the University Center lanes.

Tennis, horseshoes and weight lifting are intramural sports scheduled for Monday. Tennis will be on the New University Courts from 3-7:30 p.m.; horseshoes at the same time north of the Men's Gym and weight lifting at the Quonset Hut from 4-10 p.m.

The Judo Club will meet at the Quonset Hut from 5-7 p.m. and the Saluki Flying Club will meet in the Agricultural Seminar Room of the Agriculture Building from 7:30-10 p.m.

Meetings

The Tiddly Wink Club is meeting today from 2-5 p.m., in rooms F and H of the Center. Zeta Phi Beta, organization of women Speech majors, are meeting Monday in Room 2 of the Center from 3-5 p.m.

Phi Lambda Theta, women's education scholastic honorary, is meeting to install officers at 4 p.m. Sunday in the Library Lounge. The Rifle Club will meet from 5-9 p.m. Sunday at the range on the fourth floor of Old Main.

Inter-varsity Christian Fellowship has scheduled three meetings for Monday, all in the University Center. Meeting times will be 10 a.m., 5:30 p.m. and 7:30 p.m.

The Baptist Student Union will hold a Council meeting at the Baptist Student Union at 6:15 p.m. Monday.
The University Center Programming Board Painting Club is meeting in Room H of the Center at 8 p.m. Wednesday. There will be a Monday meeting of the Thompson Point Program Board at the Thompson Point Student Government Office at 9 p.m. The Alpha Phi Omega, national service fraternity and the APO pledges are scheduled to meet Monday in Rooms C and D of the Center at 9 p.m.

The Jewish Student Association will also meet on Monday, Room Hof the Center at 7:30 p.m. Pi Delta Epsilon, Journalism fraternity, will meet Monday in Room D of the Center at 8 p.m.

Tests

The Experimental Freshman Year is doing some testing in Browne Auditorium from 10 a.m. to 3 p.m.

Soviet Disarmament Plan 'Nonsensical', U.S.

GENEVA

The United States told the disarmament conference today that the Soviet demand for a nuclear-free zone in the Mediterranean is nonsensical propaganda.

U.S. Ambassador Charles A. Stello pictured the incursion on which the Soviet Union would respond to a comparable Western proposal to nuclearize the full territory of all states bordering the Caspian Sea—the Soviet Union and Iran.

"Only by each side is capable of thinking up such unbalanced schemes," the ambassador said today, "will we see the West is sensible and responsible enough not to blur our conference and world policy with such nonsense."

WASHINGTON

Secretary of State Dean Rusk cautioned Friday that the West has no reason to relax because of differences between the Soviet Union and Communist China.

On the contrary, he wrote, the dispute may even have the effect of deepening, rather than moderating the cold war.

Rusk, in an article written for the magazine Nation's Business, said the conflict does not affect the basic Communist objective: The extension of Communist control throughout the world.

He said both the Red Chinese and the Soviets "may feel it necessary or desirable to pursue a more aggressive course."

"We need to be more than ever on guard," Rusk declared.

INDIANAPOLIS

A controversy over Thursday's 1,500-mile race triggered a motel fist fight Friday between winner Parnell Jones and Eddie Sach, who claimed his car spun out because of oil spilled by Jones' car.

WASHINGTON

Ecuador rejected today Secretary of State Rusk's plea for release of two tuna boats as a preliminary to working out a solution of the dispute over their fishing in waters off Ecuador.

Instead, the State Department said, the United States has notified the United States that the two vessels and their crews have been taken to an Ecuadorian port and will be subject to the procedures of Ecuadorian law.

WASHINGTON

Farm products prices declined 1 cent per pound between mid-June and mid-May. Reporting this today, the Agriculture Department said the most significant price declines were for cattle, eggs and milk. Partially offsetting these were higher prices for oranges and hogs.

The average farm price level was one-half of 1 percent below a year earlier and about 23 cent below the record set in 1951.

BONN, Germany

The West German Parliament gave its final approval Friday to the disarmament treaty in January by President Charles de Gaulle of France, and Konrad Adenauer.

The document seeks to end four-decade-old hostility between the French and Germans.

Three Students Suspended After Fight At Crab Orchard

Three students have been suspended from the University for their part in a recent fight with a group of non-students at Crab Orchard Lake, campus officials said.

James Pasko, 20, a sophomore from Chicago, and James O'Shea, 19, a freshman from Chicago, were suspended, effective June 14, the end of the quarter, until Sept. 15. Also he will be placed on disciplinary probation next fall quarter.

Authorities said Johnson, at the height of a tense situation, asked the non-students to turn over a list of car license numbers which the non-student had written down. They said this probably precipitated the brief brawl.

Last week the group of non-students from Johnston City agreed to draw charges against the student group when the students agreed to pay for damages and medical expenses of the injured persons.

Students Fined For Noisy Party

Five students were fined by Police Magistrate Robert Schwartz on peace disturbance charges after they were reported to be having a noisy party in a trailer in the 600 block of South Washington Street early Wednesday morning.

Fined were Charles Bugle, 20, a sophomore from Mattoon; Brian Maloney, 19, a sophomore from New York City; James Korte, 20, a junior from Effingham; James Lower, 20, a junior from Morrison; and Donald Bal- tunis, 23, a senior from Argos.

Buge was fined $50 and the other four were fined $75 each. Some of the fines were credited to their fine fund, and the others were fined for under drinking in addition to noise disturbance to campus security police said.

The alleged party was reported by someone living in the area, authorities said.

Possible disciplinary action is pending an investigation of the incident.

Approval of the treaty by the Bundesrat, the upper house of Parliament, is required that it will go into effect in July.

BRUSSELS, Belgium

Western Europe's Common Market split sharply Friday on whether it should work closely with Britain in the hope that British one day will be able to join.

France opposed such cooperation. The other five nations, led by West Germany, are ready for it, but, said in vain.

WASHINGTON

Rep. Francis E. Walter, D-Pa., Friday in Georgetown University Hospital, He was 69.

An aide said the veteran Pennsylvania Democrat died at 6 p.m. DPT after being in a coma most of the day. Death was attributed to leukemia, cancer of the blood. He had been in the hospital for several weeks.

VATICAN CITY

Vatican sources said late yesterday that death was imminent for Pope John XXIII. He had been in the world's half-billion Roman Catholics over the powerful transmitters of Vatican radio: "Pray."

It can be a matter of hours or days, a Vatican official said earlier yesterday by one of the unfortunate victims of the disease, remained the final word.

The 81-year-old pontiff suffered a heart attack on May 15 and the Vatican press office said in a 4:45 p.m. there had been a further decline of his condition.

At the Vatican quoted the pope's surgeon, Pietro Valdani, as saying Friday that the pope was "resisting. He could live for more hours.

To Hold Last Talk

The last "Creative Ideas" program this school year, Sunday will be a talk on "Movements in Contemporary Literature" by Brent Kington, art critic at the State University. The series of weekly programs is sponsored by the student educational and cultural commit-tee of the Center Programming Board.

Job Interviews

TUESDAY, JUNE 4:

RANTOL, ILLINOIS, PUBLIC SCHOOLS: Seeking K-6 grade teachers, plus junior high with vocal music, and speech correction.

WEDNESDAY, JUNE 5:

McLEANBORO, ILLINOIS, PUBLIC SCHOOL: Seeking elementary band director.

THURSDAY, JUNE 6:

ROADWAY EXPRESS COMPANY, St. Louis, Mo.: Seeking general area salesmen for diversified management training program.

TUESDAY, JUNE 11:

FAIRFIELD, ILLINOIS, HIGH SCHOOL: Seeking guidance director and physical or general science teacher.
Tribute To The Fleet Feet Of A Baseball Player

A baseball player's arms -- for pitching, throwing or hitting -- seem to hold endless fascination for the average sports writer. They seem to forget that the best hitter in the world couldn't go anywhere without his feet.

In this series of intriguing photographs Hal Stoelzle pays an overdue tribute to a baseball player's feet as he follows a Saluki from home plate around the bases and back home again.

For good measure, he managed to capture the firm, steady feet of an umpire that seem to be as inflexible as his decisions and the relaxed, casual attitude of the baseball fans as depicted by their feet.
Recent News Events That Relate To Today’s Headlines

News In Perspective

Compiled By Leonard J. Hooper
From Associated Press Dispatches

LONDON - Prime Minister Harold Macmillan expressed hope Tuesday that he and President Kennedy would be ready in a day or two to make an important new approach to Soviet Premier Krushchev for breaking the nuclear test ban deadlock.

The prime minister told the House of Commons that during the next two days he and the President hoped to complete details of their latest letter to the Soviet leader. This correspondence has been under study in London and Washington.

The three world leaders have been engaged in letter writing for some time. Little has come to light about this correspondence except that proposals for nailing down a test ban have been mentioned prominently. It is understood the letters also contain hints of a possible summit conference.

GARY, Ind. - Gary school teachers returned to their classrooms Wednesday after a one-day strike, when the Gary Teachers' Union went on strike in a recognition dispute.

About 300 other teachers crossed picket lines manned by union teachers wearing black and white armbands. There were no incidents.

WASHINGTON - James H. Meredith, the Negro student who has won his right to enter the University of Mississippi, said federal troops should be used if necessary to insure the admission of two Negroes planning to enter Alabama colleges next month.

NORFOLK, Va. - Fifteen small boxes of metal rings, repair parts carried aboard many U.S. Navy ships, have been recovered from the ocean floor by a ship searching for the lost submarine Thresher, Atlantic Fleet headquarters reported Tuesday.

The parts, called “O rings,” were recovered by the Lamson laboratory ship Conrad Monday as she worked with drag lines “in the area of prime interest,” a fleet spokesman said.

The nuclear sub Thresher went down April 10 during a test dive with 129 men aboard, 220 miles off Boston.

Meanwhile a naval court of inquiry in Portsmouth, N.H., is studying fresh photographs of the ocean floor taken in an attempt to determine how the Thresher mysteriously went down.

CHICAGO - Dr. Martin Luther King Jr. has reiterated his suggestion that President Kennedy escort two Negroes when they attempt to enter the University of Alabama next month.

"Gov. George C. Wallace has said that he would present his body in order to prevent enrollment of the students," King said Monday at a news conference preceding a rally. "If the President were to be present when the students seek to enter the university, it would be a creative and dramatic act with great moral significance."

Answering a newspaperman who suggested such a move might endanger the President’s life, King said: “The risk to his life is not the major consideration. The Negro risks his life every day. The consideration is ‘Is this doing the right thing?’ The President should have full protection. But he must also stand up for what is right.”

Political observers in Washington said the proposal, which has been voiced previously, attracted little interest at the White House.

BIRMINGHAM, Ala. - A federal judge refused to order city schools integrated until the closing of their 1961 school term, which has been extended.

If the law is unconstitutionally applied, Lyman said he would be compelled to order the submission of a desegregation plan.

King, one of the leaders of the 4th U.S. Circuit Court of Appeals holding a similar North Carolina law, Lyman held that the Alabama statute must be tested. It has been upheld on its face by the U.S. Supreme Court, which warned it could be unconstitutionally applied.

WASHINGTON - The Supreme Court warned still segregated public schools Monday it will tolerate no violations of its 1954 decision which ordered integration with “all deliberate speed.”

The court did in ruling that the “all deliberate speed” guideline does not permit a 10-year delay in desegregating schools.

WASHINGTON - The Senate voted Monday to tax the state cigarette tax one cent per package and use half of the income for recreational development.

Many senators were silent on roll call as the bill squeaked through on a 40-to-17 vote and moved to the House for final action.

Sen. Gordon Kerr, R-Brookport, who sponsored the bill, said the Social Security rankings it ranks 47th in recreational areas in the nation and that senatorial rank in those areas are needed the most in the northern part of the state.

WASHINGTON - About half of the estimated $18 million additional air: revenue a year for recreational purposes and the remainder for the state’s general revenue fund.

Sen. David Davis, R-Bloomington, in voting for the legislation, said he was hopeful some of the revenue going into the general fund could be diverted for raising school aid.

Some senators who opposed the bill contended Illinois retailers couldn’t stand a cigarette tax increase. The state tax now is 4 cents per package.

Baseball Team Winds Up Season At Menard

The almost unbelievable 15 runs topped the previous DI record by one and the runs-batted-in total of 23 was also good for a new Saluki mark.

"This has been a most en​joyable season," coach S. L. Martin said, "primarily because the boys have come through in splendid fashion. After few gave them little hope of even compiling a winning record, without double this outfit is the most im​pressive entry ever seen here."

Martin, who has instructed youngsters in Israel and the Netherlands in baseball fundamen­tal, had once handled New York Yankees returning this spring as manager of his first season as an independent after winning five consecutive Interstate Conference cham­pionships.

Noticeably absent were ex­perience leaders as three members of last year's mound staff graduated, another signed a professional contract and a fifth dropped out of school. The former Fairfield na­tive, however, regrouped his forces around a pair of sophomore, John Hatz and Doug Edwards, and two freshmen, Gene Vincent and Ed Walker, to come up with Southern's ninth consecutive winning campaign. The Salukis are a team of outstanding parity. The nine men are all able and fit to be among the best in the country. The three pitchers alone are quite a surprise to most SIU followers. It was ex­pected at the start of the sea­son that Martin's baseball team would have trouble main­aining a 300 record.

But the season has been one of several surprises.

"The pitching was expected to be weak but has come through better than I had hoped," Martin said during Friday's tune-up session for this afternoon's finale. "The defensive play has been strong in spots but weak at other times. The hitting has been especially good but then expected, as hitting is our forte.

What Martin didn't say but was quite obviously thinking of was the hitting performances SIU turned in at Cin­cinnati last week in the double header victories.

Top Hitters:
'Comeback Of The Year' Duel
Jerry Qualls and Mike Pratte are being waged a heated dual this spring for SIU "comeback of the Year" honors. Both are having fine years with the bat after this season a poor year a season ago. Last spring Qualls hit only .214 but didn't appear reg­ularly. He played behind Larry Patton, who was captain, at third base.

He had hit the worst year of the baseball career a year ago. He hit a lowly .190 and appeared in every game.

Both players are quite willing to forget this and remember the future. Qualls has been hitting with a .422 average after 20 games. Pratte ranks fourth among the Saluki hitters with a .367 average.

Qualls has hit safely 37 times in 90 appearances at the plate. Fourteen of his hits have been for extra bases, in­cluding six home runs. He will take a five game hitting streak into this after­noon contest. Qualls has hit safely at least once in 33 of 40 games.

Indefinites Win:

Three Records Set During IM Swimming Tournament

Three records were set in week's SIU intramural swimming meet at the University School pool.

The Indefinites won the meet with 42 points and Sigma "A" finished second with 31.

Jim Isett and Phil Stolzenberger of the Indefinites set records in the 100-yard and 100-yard free style races respectively. Zenk's record in the 50 s was 23.7 seconds. Stolzenberger's win in the 100-yard backstroke was 58.4 seconds.

"He Indefinites won the relay competition with a record time of 1:52.6."

Auxiliary records were set in the 200-yard backstroke and John Greiff, 50-yard backstroke. Bus thorpe to enter NCAA Meet

Southern's tennis team, which finished third in the 1A-2C record will have to enter the Col­lege-Division tournament of the NCAA championships in order to advance to the finals of the University-Division at Princeton, N.J., on June 17-22.

Coach Dick DePere will take the following men to the tour­ney: Dick DePere, Captain Paco Castillo, Lance Lumen, and Bob and Ray Speitkuyure to oc­cupy the position of the record-breaking relay. Winning time was 1:52.6.

Dave Crockett, 50-yard breaststroke and John Greiff, 50-yard backstroke.

Two Music Students Present Recitals Monday In Shryock Auditorium

Two student recitals will be presented Monday at Shryock Auditorium. At 4 p.m., Charles Kendall of St. Louis and Richard McGlocklin of Carterville will present a joint junior recital. At 8 p.m., Russell Riepe of Vienna will present a piano recital.

The afternoon recital will open with McGlocklin playing Spork's "Tone Poem," a work written for the French horn. Kendall will follow with piano selections by Beethoven, Schumann and Schubert. McGlocklin will close the program by playing Richard Strauss' "Concerto No. 1" in E flat for Horn and Orchestra. Riepe will be accompanied by Susan Caldwell of Carbondale.

In the evening recital, Riepe will play a solo at Vienna High School, and will speak to the Bach's "French Suite No. 4." McGlocklin will present Beethoven's "Sonata in F major," Debussy's "Preludes, Book One," Copland's "Piano Variations," and Katchaturian's "Toccata for Piano." Riepe recently participated in the annual student auditions of the Music Teachers National Association, placing first in the Southern Region and State of Illinois contests. He is a student of Robert Mueller, chairman of the Music Department.
