ISN'T IT FUNNY HOW THEY CON- TINUE TO COME BACK EACH YEAR

S. I. N. U. 41; Flat River College 0

Maroons Swamp, Flatten and Dam Up Swampy Flat River

The football season formally opened here when the shrill piercing referees' whistle joyfully reverberated over Normal Field. The day must have been what some poet had in mind when he called it "October's Blythe Blue Weather." The weather man being so generous the Rooters had only one thing to howl about, accordingly they turned their two-fold enthusiasm along another line and cried for victory.

When they saw Coach McAndrew's well tutored athletes coming across the field, with Captain Lamer in the lead, they felt they were not to be disappointed, because they saw in action of the Maroons all the pep, enthusiasm, fight and stubbornness that characterize them in former years on the gridiron. In fact it was easily seen that the Swamp lard boys had as good a chance as a Canary bird's eggs in a concrete mixer.

First Quarter

(Cabbage) kicked on to the 25 yard line out of bounds. On a fake pass to left, Flat River advances the ball 5 yards.

(Mountain) opened up the Normal defense by gaining two yards. Lamer then plunged thru their left tackle for 4 yards. Kimmel punted but normal was penalized 15 yds. ball brought to 16 yd. line. Lamer punts to 35 yd. line. out of bounds. Flat River gained 3 yards on punting try a drop kick but falls short.

Normal ball on 20 yd. line. Johnson gains 1 yd. McLaughlin. 2 yds. (end of quarter).

Second Quarter

Normals ball on 23 yd. line. End breaks through and Normal loses 1 yd. Kimmel blocks punt 48 yards.

Flat River carries ball to 40 yd. line. Gain 1 yds. through guard. Gain two yds. then fail to gain. Now come punts but is blocked but returns ball. Gain 7 yds. off end. After failing to gain they punt to 40 yard line.

"Mountain" gains punt and carries to 33 yd. line.

(Duke) opened the real Normal defense that led to our first touchdown when he plunged 5 yds. thru right tackle. Lamer made the first down of the game when he gained 6 yards. Ball now on 48 yd. line. Johnson gained 10 yds. around left end, on fake pass. McLaughlin then gains 6 yards using a handy stiff arm to flatten two Flat River lads. Ball now on 32 yd. line. Johnson gains two yards. Lamer gains 3 yards. This is the third successive time Normal has made their down. Johnson gains 5 yards. Here McLaughlin opened up with a spectacular run that brings the ball to 8 yd. line. Mountain fullback but Johnson recovers and makes 2 yd. gain. Capt. Lamer plunges over on fake play for first touchdown.

(Cabbage) kicked off over Flat River goal line. McLaughlin gains 1 yd. Newcomb gains 1 yd. Half over.

Third Quarter

"Aston" and "Seven Foot" get into action by tackling Prince and Wakelberry places. Flat River kicked off to 15 yard McLaughlin carries it to Normal's 47 yd. line. Lamer on two successive back through tackles nettled 17 yards.

"Red" fullback but Mountain recovers and gains 10 yards. Duke0 kicks right end for 7 yards. "Bowk" is stopped getting only 2 yards. "Red" makes first down. Lamer goes over...

(Continued On Page Two)
for touch down when he smashed thru left tackle for pretty run. "Cabbage" kicks score 14-0.

Normal receives. On first play Kimmeg gains 9 yards by circling left end. Spectacularly beating off two tackles. On the next 3 downs Normal gains 7 yards. "Bugs" adds another down when he plunges the remaining distance. On a pass to Johnson we gained 30 yards. "Bugs" plunges to 7 yd. line. Normal held 1 down. This time "Cap" Lamer is successful hitting off left end for touchdown. (Cabbage) kicks score 21-0.

Fourth Quarter
Ross, Foley and Berger are substituted in the backfield for Normal (Cabbage) kicks off, Foley immediately gets into action when races to the far end of field and nails the punter's kick on 10 yd. line. On three plunges, one by Foley the others by Mountain the ball goes over. (Cabbage) kicks goal, score 24-0. Carrying and Moore go in at this stage of the game. Cabbage kicks off and Ross brings the runner down with a vicious tackle before he gets started. With the ball on the 21 yd line Flat River completes a two yd. pass. Newcomes takes the ball 1 yd. thru left tackle. Flat River punts and by getting rid of the ball for the last time their enthusiasm was noticeably at a low ebb as this was the only stage of the second half when they used their offensive strength to try for downs. "More," who received the punt for Normal gave the spectators a thrill when, being the smallest on either team grabs the kick and runs it back straight down the field 35 yds. Moore, who now calling signals, opens with a sappy bunch of plunger, fakes, and delayed backs. On the most clever of these fakes Moore gains 14 through right guard. Plunges by Foley and Ross places the ball on 2 yd. line. Ross loses 1 yd., but on second attempt amasses for 4 yd. and touchdown. For the first time in game "Cabbage" fails for goal score 24-0. Kimmel kicks off. Normal recovering. On successful punt passes and fakes. Berger takes ball over. Kimmel kicks goal for extra point. Final score, Normal 41, Flat River 0.

The picture in last week's issue of "The Egyptian" beneath whose name appeared as Cox should have been Rogers.

RAILROAD LINES
I never passed by day or night
A lovely sight, oh me,
But what a freight train move in sight
And said, "You shall not see."
ATTENTION! NEW STUDENTS

You are beginning your third week of school life on the S. I. N. U. campus and during this time you have heard a lot about the campus organizations. The dearest memories you will cherish of S. I. N. U. in the years to come are those of the friendships you formed in school activities. Now that you have become better acquainted with the school, it is time you should consider joining different campus organizations, not only to keep up a college spirit, but also to derive some good for yourself.

The Socratic Literary Society takes this means of extending a special individual welcome to every student. It offers splendid opportunities to all and such advantages should be taken if you wish for training to appear before the public.

The Socratic Society is one of the best organizations on the campus. Please notice we do not say we are the best, but one of the best. You have noticed, no doubt, that it isn't the dog that barks the loudest and the man who talks the loudest is not always the greatest here. And we are of the opinion that it isn't always the organization who boasts of its superiority over its fellow campus organization that is really the best and does the most for its school. There are a number of splendid societies on the campus each having its particular phase of training. One should inquire of the old student about these organizations and join those that make the strongest appeal to him.

The Socratic Society has always upheld for honesty and fairness in all of its dealings. It is either our policy or desire to "knock" our fellow campus organizations, for we believe the more we work together with our fellow students the better we will help to make our society. The writer recalls to mind a number of instances where this Society has helped the younger, beginning organizations so that they might develop a stronger standing on the campus. We do not think of ourselves entirely, but we wish to promote a college spirit on the campus and to help in all school activities as much as we are able.

To the new students we especially turn on interest. Even the old students at one time passed through that homely, homesick state you are now in. It is not the easiest thing to come and be brave at such a time. The members of the Socratic Society want to be friendly "real" friends with you and if there is anyway in which we may be of some help to you, we will be more than glad to do it.

We hope that if you feel so inclined you will join the Socratic Society. We will be very glad to welcome you into our membership and, now next Friday evening, if you are homesick let the Socratic Society invite you to the Egyptian office: Attend the Egyptian office, as the guests of Miss Hickson, also attended the M. E. Conference during the week-end.

Anthony Hall Gossip

Miss Alice Grant of Marion, was an Anthony Hall visitor Sunday.
Miss Mary Habib of Contrella visited at Anthony Hall as the guest of Miss Hickson; also attended the M. E. Conference during the week-end.

Mrs. Havenstein of Detroit visited with her sister C. Halle, last week-end.
Ruth Perkins entered school this week and is rooming at Anthony Hall.

Freda Wise left last Friday for Milford where she has accepted the Latin position in High School. Anthony Hall wishes her success.

Louise Durham spent the week-end at DuQuoin with her parents.

Mrs. Young of Richview visited with her daughter, Edna, during the week.

A person gets very little credit for speaking correctly, but gets a lot of discredit for speaking incorrectly.

Words are signs of ideas, yes, even better than that. They are instrumentalities through which thought is conveyed. The instrument that you use should be of a bright and shining character, one that is in tune and that will give forth and suggest the harmonious tones of encouragement and usefulness. Keep this instrument oiled with good grammar, shine it with the rules of rhetoric, then use it thoughtfully always keeping on the main road!

The student who finds pleasure in the performance of his daily task is the student to whom life means most.

The deep ruts are dangerous, get out. Avoid by-roads you may be led into them.

THE EGYPTIAN HAS A NEW OCCUPATION

Last week there came to the Egyptian office a card from Springfield, Mo., with this message:

Gentlemen:

"Please send me your price list on Bibles"

Yours Truly,

(And then followed the name and address).

That is all very well, but really the staff didn't know anything else was being published outside of "The Egyptian". It's bad enough to lose sleep over the publication of an ordinary school paper, but when it comes to books—"it just can not was." Shh! And the gentle art of filing away receiving that card, the staff "takes."

...down the hall... really, since we have about twenty-seven vacant hours daily folks must not begin to cause our innocent minds to be overtaxed. Please tell your friends, so that the world in general may know, that "The Egyptian" is the school paper and we do not publish any sort of other periodical.

I was poring over my lessons
At the ghastly hour of three,
When my Ronnie yawned and blew his nose,
And said, "Sue, here's a card for the library,"
That's why I was thinking—"huh, the wimmin"

BON VOYAGE

Sixteen days out and all's well! Everybody is getting settled and has found his proper place by this time.

The most verdant Freshie has got his bearings and no longer sits the hour in English class thinking it is Zoology. The upper classmen are looking about for class officer material, and the "vamps" have scanned the horizon for future "prospects." In other words "We're off!"—all thousand of us—off in a cloud of dust.

Everyone looks particularly refreshed after his vacation. The summer months have done wonders for most of us. Some have returned with short tresses, permanent waves, engagement rings, wedding rings, earrings, etc. Some spent their vacations in the mountains, others in school, and still others just stayed home and "shortened skirts" to cope with the season's styles. To those who were in for the second six weeks the beginning of the Fall Term was like the return after a delightful weekend spent with the home folks.

After all, we like this term. Most of the students are new, and we don't begin to grow tired of seeing the same faces this early in the year. We have the big gala event— the end of the term to look forward to and spend money for. The Winter Term is always more or less dull and stupid, just like the weather; and the Spring Term is just plain hectic—a heterogeneous mass of students in all shapes, sizes, color and degree, and no place to put them. So considering everything this term is our favorite and it's starting off snappy. We hope all keep their pep and that at the end of the term we can say, in the words of the immortal country editor, "a good time was had by all."

The Y. W. C. A. held its first formal meeting Tuesday evening in the Association Hall. There were sixty girls present and a more enthusiastic bunch could not be found anywhere. The girls were introduced to the Cabinet Members, and Miss Emmons gave a nice talk. She is anxious to have us talk up the Y. W. C. A. work to all the girls in the school.

The Lake Geneva delegates will tell what they heard and saw when they were up there this summer this evening in the Socratic Hall at 8:39. Be sure to bring the pledge cards that were given out last week and bring them with you: and don't forget to sign up for what committee you want to serve on.

Girls, we need you. Won't you come? Remember this evening at 8:30 Socratic Hall. "Talk Y. W." is our slogan.

Students are urged to patronize Egyptian advertisers.

Little words of wisdom.

Little words of bluff

Make the teachers tell us:

'Sit down—that's enough.'

Carl Smith—What could be sadder than a man without a country?

Thelma Hartwell—A country without a man.

S. I. N. U. PEP CLUB

A meeting was called September 29, 1924, for all the loyal students of the S. I. N. U., for the purpose of organizing a club to back our team with the real genuine school spirit which is so vital in helping a team on to victory. The students responded loyally and literally filled to overflowing the Zetetic Hall. Gathered here were the old S. I. N. U. spirit and started the movement of a new club in the history of the school, which we hope will do much to help our team win every game this season, as well as make the students feel that they are a part of the school.

Everyone knows that we can't all make the team itself, but ask the boys themselves, who do make that team and find out how much you can really do in winning any kind of a school athletic conflict. Many a man has been down on the gridiron and ready to quit when the notes of old S. I. N. U. Loyalty, and the throats of lusty voices has spurred him on to wonderful achievements.

President Louis Shannon (pro-tem) took charge and the election of officers started. Shannon or "Long Shot" as we all know was unanimously elected to head the club, and well deserving of this position he is, as we know what his spirit is from last year. Paul Travelstead another long shot and always a staunch backer of our team was unanimously elected as vice-president. Julie Findley—not so tall—but right there with the spirit will be our secretary.

Now, students, we have started a real live wire club that is just as essential to the school as any of its other organizations. Let's get that too.

ZETETIC SOCIETY

OPENING SOCIAL

The Zetas greet the new students with a merry get-acquainted social in the gym.

The Zetas broke the classroom and chapel ice by giving a social in connection with their first Friday night program. About 114 loyal students, including the active members, prospective members, and their friends assembled in the gym for a program consisting of music by the Zetic orchestra, talks by President Carl Smith, and Mr. Walker, and vocal selections by Tom Whittenburg. After this games were played and contests were given. But during this time the willing workers of the Society were obtaining names for new memberships, and with a total number of seventeen.

A splendid accomplishment.

To the school work diligently to promote this and our Sister Society!!!

ATTENTION

The Egyptian Staff has placed a box just outside the door of the Exide Battery Office for the benefit of those students whose loyalty and good school spirit prompts them to contribute to it. All good articles will find a hearty welcome in the hands of the editor.

OUTFITTERS FOR MEN AND BOYS
"OH YOU ZETETS!"

The Zetetic Literary Society has always been known for its enthusiasm and "Pep."

Now, for a number of years the Zetets have been blessed with an unusual amount of talent. This year, as usual a number of students have expressed their desire to affiliate themselves with the Zetetic Literary Society. You may anticipate programs of the highest type.

From a Literary and Musical standpoint the society is prepared to render a service of inestimable value. We invite you to come and join us in receiving this very valuable training and instruction.

The program for October will interest you. We're sure our orchestra is to be out in full bloom.

Come prepared to laugh "big" and then to "cry" for Miss Linder is going to make you do it. Come to hear the good things that Miss Logan, Miss Sturm, and Miss Linder, the trio and our good orchestra have prepared for you.

The Society extends to you a hearty welcome.

ANTHONY HALL PARTY

The old girls entertained the new girls last Tuesday evening with a "gingham dress" party. All the girls wore their gingham dresses.

The party occurred at S.20 P. M. and all the "Gingham Girls" reassembled in the living room for an hour of fun. Games were played by the Hall girls to make

After the refreshments were served the girls gathered around the piano for a "sing". The new girls were taught the S. I. N. U. song.

LITTLE TEN OF EGYPT

The Little Ten was formally opened at Anna, Sept. 27th, the local boys celebrating by topping the conference when they beat Benton, 9 to 3. It was the first and only conference game during September and it practically killed Benton's hopes for the championship. The game was clinched when Benton tumbled behind her own goal and Anna regained. The struggle was featured by enthusiasm and rivalry which has been doped to be shown on little ten fields this season. Both teams were evenly matched and fought hard for a victory but it was evident before the first whistle that the team getting the breaks would be the winner.

SOCRATIC SOCIETY

Friday night the Socratic Society produced a program which was characteristic of the unconquerable spirit of the Societies. The program began with an enthusiastic talk from Mr. Felts, an alumnus, who, through all the years, has not forgotten how to be a true blue Socrat. His quaint talk, his forceful attitude, and his unlimited enthusiasm aroused a spirit of vim and pop in every present.

Following Mr. Felts talk the Socrates presented "Sam for the Games," a clever play by the Art. This program was rounded out by a well, talented solo by Frank Smith, a very capable musician, and a skillfully rendered piano solo by William Greenebacker.

The Socratic Society with its wealth of new material and pop added to the old stock seems to have before the horizon an exceptionally successful year.

If Matt and Jeff were brothers
And Ezra was their pa-
Spark Plug was the family stool
And Polly was their ma-
Still worse would be the mixup;
But wouldn't it be a sin
If Gump had married Maggie
And Jives had married Min?

**FALL FOOTWEAR**

Not only the best at the price but the best at any price.

**THE FASHION BOOTERY**

West Side of Square
To seek a hallerson and twenty others, and it lays or unfortunatli that a term and a half of life this year at Thompson's, Ralph Bailey, Edgar Booker, Vernon Peterson and twenty others, and it is true that they have led a large gap, but nevertheless we have filled other gaps with equally fine performers.

There are a few vacancies which we hope will be filled immediately. The director informs us that the school furnishes some of the unusual and more expensive instruments such as the oboe, viola, cello, string bass and french horn. If any student plays or wishes to learn to play any of these instruments, see Mr. Jannish at once.

**ART CLUB NEWS**

The first meeting of the Art Appreciation Club was held Wednesday night. Celeste White was elected president of the club for this term. A short program consisting of a piano solo by Clara Jane Dippell and a reading by Ruth Dodson was given. Then the plans for the coming year were discussed.

On Saturday evening the members of the club went to Thompson's Lake where a very enjoyable evening was spent in rowing boats.

The Art Club has many affairs of this kind during the year. The club also gives some work that is very helpful in the appreciation of painting, sculpture, etc., and it is a great opportunity to belong to this club.

**S. O. P. H.**

The S. O. P. H. club met October 2 for the first time this year at Miss Jones' apartment. The following officers were elected:

- President—Addie Wood
- Vice President—Neil Carson
- Secretary—Beatrice Sitter
- Treasurer—Mildred Barter

Plans were made for the term's work. The girls have planned some very interesting and valuable activities. After the business meeting Miss Jones treated the girls to delicious sherbet.

**STUDENT BODY GREETS METHODIST MINISTERS**

**Or Shall We Say the Ministers Greet the Student Body?**

If you recall the frocktailed coats of the passersby the last week in September, you recall the Methodist Conference held here. This was the first conference of its kind held in Carbondale; so the townsmen were asked to entertain some three hundred people.

On Friday, the Ministerial group met the Normal Student Body in the Auditorium at 1:30 P.M. By request regular chapel exercises were held. Dean Wham greeted the members of the Conference in behalf of the school, as President Shryock was out of town, and Reverend Yast of St. Elmo and Reverend Peterson, of Mt. Vernon, gave interesting talks to the young people. Mr. Joel Lay sang.

**MY CREED**

This is my creed: To do some good, To be my own without complaining, To press on as a brave man should. For honor's that are worth the gaining;

To seek no profit where I may, By winning them, bring grief to others; To do some service day by day In helping on my toiling brothers.

This is my creed: To close my eyes To little faults of those around me; To strive to be where each day dies Some better than the morning found me;

To ask for no unearned applause, To cross no river until I reach it; To see the merit of the cause Before I follow those who preach it.

This is my creed: To try to shun The sloughs in which the foolish wallow; To lead where I may be the one Whom weaker men should choose to follow,

To keep my standards always high, To find my bane and always do it: This is my creed—I wish that I Could learn to shape my action to it.

**COW A' LA MODE**

City lady, passing a farm pasture—"Ah, what dear little calves!

"Companion—Yes and there's a bul-

ket, too.

A Freshman was watching Mr. Boomer use the big telescope. Suddenly a star fell. "Gee," he said, "that fellow sure is a good shot."
