G I. BILL OF RIGHTS

The question of whether the GI Bill should be extended to private colleges and universities is a topic of much debate.

Supporters argue that the GI Bill provides critical financial assistance to veterans, allowing them to pursue higher education and improve their prospects for the future.

Opponents argue that the costs associated with providing educational opportunities to veterans may be prohibitive for many private institutions.

The debate continues as the community weighs the potential benefits and drawbacks of extending the GI Bill to private colleges and universities.

SOUTHERN TRAMPLES EASTERN 15-12 IN GRID OPENER AT ANDREW'S FIELD

In the opener of the 1945 football season, Southern defeated Eastern with a 15-12 victory last Saturday at Andrew's Field. This was the first contest in two years for both schools.

The game was a thriller from start to finish. During the first half, Southern scored points and possession by Eastern, drawing even at 7 each. In the second half, Southern went on the offensive and scored a goal to take the lead at 10-7. Eastern then scored a goal to close the gap at 10-8. However, Southern continued to pressure and scored three goals in the final period to win the game 15-12.

The victory was a morale booster for the Southern team, which had struggled in recent years. The team's performance under new coach, John Smith, was impressive, and the players were confident going into the next game. The Southern fans were also pleased with the win, and the crowd of 12,000 attendees at Andrew's Field was enthusiastic.

Job Allen, the Southern captain, stated, "Our team worked hard in practice and it paid off. We were determined to win and we did. We're looking forward to the next game and we hope to continue our winning streak."}
