Sixty Donate Time To SIU Students

Our Opinions

Sixty Donate Time To SIU Students

It is a well-known fact that doing the right thing is often the most difficult. This is because it goes against our natural inclination to do what is easy or convenient. But when we do the right thing, it not only benefits ourselves but also those around us. Our Opinions section aims to highlight the importance of such actions and encourage our readers to consider them.

Screaming of our community suggests that we should all give our time and resources to help those in need. For example, it is suggested that we should contribute to the SIU Foundation in any way possible. A program of all services will be held on Tuesday evening.

Cagers Resume Loop Play at Michigan Normal

By Shurna Decker
Southern defeated its second opponent in the BAC this week, in a game against the Michigan Normal school, the South Bend for Michigan Normal.

The game for Michigan Normal is played every Thursday night and is played in the town of Michigan Normal. But both teams have their own separate identities and are known for their own particular style of play.

Shurna Decker, a senior at Michigan Normal, said her team is known for its defense and their ability to hold opposing teams to low scoring.

"We pride ourselves on our defense," she said. "We're a very aggressive team and we try to put pressure on our opponents."
