THE BIGGEST JOB IN SO. ILLINOIS

The biggest job in Southern Illinois may be filling it. Dr. Chester F. Lay is president of Southern Illinois Normal University. It is a belief that many citizens, faculty and students, for the purposes of teaching, research, and service, will handle the problems of Southern Illinois and the region.

The job of a Regional University is a big one, but the problems of southern Illinois and the region are more demanding. The Regional University will provide a home for the best minds of southern Illinois to work on the problems of the region. It will provide a home for the best minds of the nation to work on the problems of the region. It will provide a home for the best minds of the world to work on the problems of the region.

College Students Are Dealing With the Problems of More Freedom of Speech

During these times for freedom the problems of freedom of speech are very real. The freedom of speech is the freedom of the people to speak without fear of retaliation. The freedom of speech is the freedom of the people to speak without fear of arrest. The freedom of speech is the freedom of the people to speak without fear of punishment.

But the freedom of speech is not absolute. The freedom of speech is not absolute, because there are some things that are not within the power of the people to speak. The freedom of speech is not absolute, because there are some things that are not within the power of the people to speak.

OUT OF TURKEY

INTO THE FIRE

BY FLORENCE SCHMIDT

The opening of the year is always a good time to renew people's memories of the past. Both the old and the young, whether they are in the United States or traveling abroad. One is always finding something new and exciting to read about the world in which we live.

People who have traveled to far-off lands have written about the strange customs and interesting things they have seen. In the past, there were many places where people could not go because of the strong arm of the government. Today, however, with the help of the United Nations, these places are open to all.

WEDDING BELLS ABOUND

BY MARIE BLICK

Many of the young people have been married during the past year. It is always a joyous occasion when a couple gets married. The wedding ceremony is usually held in a church or a chapel, and the guests come from all parts of the country to share in the happiness of the occasion.

After the ceremony, the newlyweds often go on a trip to spend their honeymoon. This is a time when they can enjoy each other's company and become more acquainted with one another.

The wedding season is always a busy time for everyone, and the newspapers are full of stories about the happy couples.

OKLAHOMA TO BE IN ST. LOUIS

BY JUNE FUMIGRINO

The Missouri Valley Exposition is being held in St. Louis this year. It is one of the largest and most important exhibitions in the country. During the course of the exposition, a great many people will come from all parts of the country to see the exhibits.

The exposition is being held in the St. Louis Athletic Club, and the exhibits will be open to the public from 10 a.m. to 5 p.m. daily.

SOUTHERN HARMONY

BY MARIE BLICK

The Southern Harmony is one of the most famous musical societies in the country. It is a group of musicians who meet together to practice and to perform. The society is named after the book of the same name, which was published in the 19th century.

The society's performances are always eagerly awaited, and they always draw a large audience.

The Southern Harmony is located in the Southern Harmony Hall, and the performances are open to the public.

The New Year's resolutions are always a good way to start the year right.

New Year's resolutions are a popular way to set goals for the new year. They are usually based on personal goals, such as losing weight, quitting smoking, or improving one's health.

The resolutions are often made in the beginning of the year, and they are usually followed throughout the year. The resolutions can be made for any aspect of life, such as work, school, or personal life.

The resolutions are a good way to keep track of one's progress, and they can be a source of motivation to keep going.

The resolutions can be made for any aspect of life, such as work, school, or personal life.

**SOUTHERN MEETS EVANSVILLE IN CAGE BATTLE TONIGHT**

After a two-weeks vacation from the hardwood, Southern Indiana University's basketball team is in line for a game with Evansville College tonight.

Although the Thunderbirds have won their last four games, this evening's battle will not be an easy one. Evansville is ranked as the third best team in the country in its division.

However, Southern is in a position to make a move up the ranks of Division II and I, with their recent success.

**W.A.A. NEWS**

by THE RENAISSANCE

"When the women's basketball team played our boys, they were unprepared for the girls' determination," said a member of the W.A.A. News staff.

With only one point against us, the girls proved that they can compete with the boys, and that they are not just a make-up team.
