(Emailer's note: I am breaking up my column today to write this column.

I have been given the opportunity to write about Southern's football season, which is centered around the Southern Cardinal football team. The team is currently in the top 20 in the nation and is expected to do well this season.

The Lo-Slo Fly Club's annual meeting was held yesterday afternoon at the Colonnade Hotel. The meeting was well attended, and all members were in agreement on the future of the club.

The club's officers have been in agreement since the beginning of the school year.
