CATERFARIA MISREPRESENTED IN SCHOOL CATALOGUE

By Frances Sanders

When I first looked at the University Catalogue, I was under the mistaken impression that Southern had a UNIVERSITY CAFETERIA. For several years past, the catalogue has stated that for a nominal fee, any student could obtain a food ticket at the cafeteria. I believe this is not the case. When I went to the cafeteria, I was told that the food ticket could not be obtained at the cafeteria. Thus, I believe that the statement made in the catalogue is false.

I am a member of the student body and would like to see this corrected in the catalogue. It is important that the catalogue be accurate so that students are not misled.
