Theta Xi Fraternity Extends ‘Thank You’

Dear Editor:
The members of the Theta Xi fraternity would like to extend the opportunity to thank all those people who helped make the Fiftieth Annual All-Sorority Variety Show possible.

Our sincere thanks and appreciation are extended to Dr. George E. Applegate, business manager, and staff of the “Egyptian” and to the Information Service for their cooperation in publishing publicity and information in our behalf.

Our thanks also to those of the faculty who donated their time and efforts to our cause. We deeply appreciate their interest in such a meaningful event.

We hope that the show met with the approval of all those who supported us. We tried hard to maintain a Sorority Show of the highest calibre which we feel is truly reflecting our campus.

Looking forward to the pleasure of witnessing the mutual growth and development of undergraduate and graduate acts which comprised the show, for without their talents and efforts the Variety Show would be impossible.

We urge that all students who worked so diligently to present so many acts which comprised the show, for without their talents and efforts the Variety Show would be impossible.

Students sometimes wonder just where the money they pay as a student activity fee goes. This amount, although it may seem a bit too large at times, has to be stretched and stretched. The Egyptian and the Ohebek write the money from the student activity fee. Other activities receiving appropriations from this fee are debate, freshman group activities, or new student week, homecoming, the health service and hospitalization, lectures and entertainments, library specials and activities, music, social activities which are not covered by the senate and Student Council.

IN THE SPORTS field, part of the money goes to university athletics, women’s athletics, intramural athletics, a swimming fund, and pep activities.

Student handbooks, which are “Southern Style” and “Rules and Regulations,” are published from funds belonging to this fund.

Other student activities receiving money from the fund are student public relations services, student welfare, and the contingent fund.

Three student activities submit a request for allotment of the student activity fee. All of the requests are submitted to the business office where the approximate amount of money to be taken in from the student activity fee is compared to the total request.

The STUDENT COUNCIL receives all requests. Makes recommendations for the money and turns the accounts over to the director of student affairs. He in turn makes his recommendations to the University Budget Council. Their recommendation is made to the President of the University and he submits the accounts to the Board of Trustees for final approval.

Salukis Return From South With 3-2 Record

Southern's baseball squad, recently returned from their spring training tour of the Southern states, is now engaged in stepped-up outdoor practice in preparation for their season's opener, Apr. 5, against the Arkansas State Indians at Jonesboro.

Coach Glenn (Ab) Martin's squad finished above the 300 mark on their southern jaunt, when they managed to win three out of six scheduled games, one game being rained out.

The Salukis began their play by dropping two games to Loyola of the South at New Orleans, 10-8, and 8-3. In the first game, the Loyolans jumped to a six run lead when they scored two runs in the first inning, and four in the second. But Loyola, aided by six walks off the pitching of Stan (Ponv) Chartis and Larry Bunting, scored seven runs in the sixth inning to cinch the game.

LOYOLA CAME through with a late inning rally to win the second game of the series, also. The Salukis enjoyed a 3-1 lead until Loyola got to the pitching of starter Ronnie Hagler for five hits and six runs in the seventh inning.

From New Orleans, the Salukis traveled to Clinton, Miss. There they swept a two-game series with Mississippi College. Jim Schumbach, who previously limited his talents to playing a fine left field, started the game for Southern. Working on the mound for five innings, Schumbach struck out ten, walked seven, and gave up three hits and one run. Jerre Engle took over from there, limiting Mississippi College to one hit the remainder of the distance. The Salukis scored in all but the first, seventh, and eighth innings for an easy 10-1 victory.

THE SALUKIS had an easy time of it the following day when they set back their Southern rivals 11-1. Reid Martin, who started for Southern, worked four innings, giving up one hit and one run. Jim Allen worked the next three innings, allowing two walks and no hits. While pitching the last two frames, retiring the Mississippians in order.

Wayne Grandpastor, a dependable southpaw from last year's pitching staff, went the distance in the final game of the trip. He allowed Louisiana State three runs and eight hits, as his team mates backed him up at the plate for a 7-3 victory.

Southern's basketball squad selected (Penny) Horst as Most Valuable Player during the 1951-52 season, coach Lynn Holder announced last week.

Holder's golfers have eight more matches scheduled to follow the opener against Beloit, including three home matches. Bob Ems Leads SIU Batsmen on Training Trip, Thies Second

Bob Ems, Southern's leading ground last fall season, swatted out a .435 average to lead the Saluki batters during the southern trip. Ems, a right fielder, batted safely in 13 out of a total of 23 times at bat.

Thies, a rookie catcher, finished second on the trip with six hits in 15 times at bat for an even .400. Not far behind him was veteran second baseman Eddie Coleman.

Coleman appeared at the plate 21 times and collected eight hits for a .381 average.
