Aerial Warfare Expected At Tulsa Today

When SIU and Tulsa bang boards at Skelly Stadium in Tulsa this afternoon, it will pit a record of 10,000 troops against the nation's second-ranked power. Fifty thousand dollars will be on the line as the winner of that skirmish will likely be rewarded with the game of the year.

Southern's highly-respected defense lines an average of 68 yards per game, faces its most severe test of the season today. In its five en­ counters, Tulsa averaged 1,600 yards per contest against over 1,000 passing yards, an average of 5.6 yards per pass. That 200-yard average ties the Golden Hurricanes with Oregon State for second place in the nation, behind Baylor's 227.

Saluki quarterback Rich Weber will throw the longest pass a team has ever made in a stadium that small in a stadium. The Saluki leader is an aerial artist of his own doing, and with both teams relying prin­ cipally on passing attacks, the Northern Illinois-Baylor record may fall.

Weber will have his choice of two targets, Peveto and Thrapp. Weber will miss two weeks' school.

Rich Weber, star halfback of SIU's football team, is recuperating in St. Louis hospital after suffering a broken bone in his hand. With his absence, SIU leaders are optimistic about the team's chances of coming out on top.

Peveto and Thrapp are the scheduled starters at tackles, with any two of a circle of symbolic tele­ phone numbers for the game decision as well.

Junior quarterback Weber is expected to get the nod as starter on Saturday, but his effectiveness may be limited if Tulsa's defense does not give up the ground game, which has been a staple of the Salukis' offense this season. Weber's replacement, Charlie Warren, and several other backfield men are also anxious to show their worth and put pressure on Southern's pass­ing game.

Peveto has a relatively healthy IRV Rhodes ready at fullback, as well as Jerry Fretzick. Harry Bobbitt, leading pass receiver and scorer, will start at flanker, and his effectiveness may be limited if Tulsa's defense does not give up the ground game, which has been a staple of the Salukis' offense this season. Weber's replacement, Charlie Warren, and several other backfield men are also anxious to show their worth and put pressure on Southern's pass­ing game.

"Sex and the Christian Life," is the topic of a series of talks at the Baptist Student Union Chapel, beginning Monday.

The Rev. Dale Clemens of the Baptist Student Union Chapel, Charleston, will discuss "Sex and the Christian Life" Monday; "The Bible and Sex" Tuesday; "The Bible and the Agron Strings," Wednesday; "Interfaith Marriage," Thursday, and "The Christian Home," Friday.

BSU nights begin at 12:30 p.m. Everyone is invited.

The Lutheran Student Center Choir will visit the Jackson County Nursing Home Sunday afternoon. They will present a short musical program, and afterwards will visit with the residents.

Gamma Delta will meet at 7 p.m. Sunday at the Center. A panel of four will discuss "Infant Adoption: Pros and Cons.

An Italian Dinner has been planned for 5 p.m. Sunday. Nuns and Brothers from the South Carolina Province of the Jesuits will be the guests by the Jewish Student Association.

DAILY EGYPTIAN

The SIU Student Nonviolent Freedom Committee will host Robert Manus, field secretary for the Student Nonviolent Coordinating Committee, in its 4 p.m. Sunday, at Browne Auditorium.

Mama will speak on SNCC activities in America. He is part of a group working in Americus, four of whom are awaiting trial for "inciting to insurrection," a capital offense in Georgia.

Ronald Schooler of Durham, N.C., a three-year member to the Congregation, will conduct three seminars on campus under the sponsorship of the Wesley Foundation, Methodist Student Center.

The first seminar will be held at 5:30 p.m. Sunday, on the topic of "The Church and the Revolution in Africa," and the second and third will be at 9 p.m. Monday and Tuesday, on the subjects "From Campus to the Congo," and "Why Young Nations Need Young Christians." All the meetings will be held at the West Fellowship House.

Holding a bachelor of arts degree in French and English from Wittenberg University, N.C., Schooler taught French and other subjects at the Springer Institute in Mulungushi, Katanga, where he was deeply involved in the life of the people.

He came back from Africa this summer and will visit campus under the sponsorship of the Wesley Foundation.

One of the most inspired films to come from abroad, "Black Tights," depicts turbulent situations.

One of the most inspired films to come from abroad, "Black Tights," depicts turbulent situations.

The film is written and directed by the Rev. Samuel Lentz, president of the Lutheran Student Center.

On Thursday, the Rev. Samuel Lentz, of the Louisville Presbyterian Seminary, will be speaker at the Southern Illinois University Baptist Society Super Club, 5:30 p.m. Sunday.

The Lutheran Student Association will sponsor a hay ride today.

The group will gather at Epiphany Lutheran Church, Chartway at Skyline, at 5 p.m. and leave for the hay ride at 5:30 p.m. A dance in the church will follow at 7 p.m.

Rides will be provided from the University Center and Lentz Hall at 4:45 p.m.

Interpreters' Cast To Perform Aiken

The Interpreters' Theater will perform Conrad Aiken's "Neville's A Biography," at 6:30 p.m. Sunday for the Channing Club at the Unitarian Fellowship House, University and Elm.

The cast includes Louise Gordon, Tom Bohn, Shirley Work, Joycelynn Shepherd and Gerald Shriver, with Marian Kleinman as faculty sponsor.

Field Secretary To Speak Sunday

The SIU Student Nonviolent Freedom Committee will host Robert Manus, field secretary for the Student Nonviolent Coordinating Committee, in its 4 p.m. Sunday, at Browne Auditorium.

Mama will speak on SNCC activities in America. He is part of a group working in Americus, four of whom are awaiting trial for "inciting to insurrection," a capital offense in Georgia.

**Saturday**

The University Center Programming Board will sponsor their annual "Good Luck" record dance from 8:30 p.m. to 1 a.m. in the main Student Center. The theme of the dance is indicative of the proximity of midterm examinations.

**TAU KAPPA Epsilon's Ole-Impics** gets under way at 2 p.m. at McAndrew Stadium. A sorority will win the game competition and the fraternities will elect a queen.

An all-Greek hootenanny will be sponsored by the Interfraternity Council and the Panhellenic Council at 7 p.m. in the ballrooms of the University Center.

The Latin American Organization will have a party at the campus boat dock from 3 to 5 p.m.

The Future Farmers of America will have a tractor driving contest at 1 p.m. at the Thompson Point field.

A bus will leave the University Center at 1:30 p.m. for the campus wishing to go horseback riding. The bus is free; the horse fee is $1 per hour.

A bus will leave the University Center at 10:30 a.m. for students and faculty who desire reservations to see "Gone with the Wind" and will return immediately after the matinee.

Men's intramural basketball begins at 4 p.m. in the Men's Gymnasium. The Women's Recreation Association evening basketball games will begin at 2:30 p.m. in the Women's Gym 114.

The swimming pool at the Off-Campus Recreation Center will be open for 1 to 5 p.m. for students. Boats will be available from 1 to 5 p.m. at the Lake on Campus.

The Inter-Varsity Christian Fellowship meets at 9 a.m. in Room E of the University Center. Lambda Phi Theta meets at 2 p.m. in the Thompson Center. Pi Lambda Theta meets at 9 a.m. in the Student Center.

The Women's Recreation Association evening basketball games will begin at 2:30 p.m. in the Women's Gymnasium.

The University Center Programming Board meets at 10 a.m. in Room O of the University Center.

**Monday**

The Oebel school continues taking group pictures at 6 p.m. in the Agriculture Arena.

The Women's Recreation Association basketball team will meet at 5:30 p.m. in the Women's Gymnasium. The Inter-Varsity Christian Fellowship meets at 9 a.m. in Room E of the University Center.

Gamma Delta meets at 2 p.m. in the Library Auditorium.

Dental hygiene testing will be conducted from 8 a.m. to noon in the Testing Center.

The Graduate Business Examination will be conducted from 8 a.m. to noon in Room E of the University Center.

**Sunday**

Botty Fladeland, assistant professor in history, will be the featured speaker at Sunday Seminar at 8:30 p.m. in the Chi, Room of the University Center. She will discuss "The History of the Background of the Attitude in the South for the Negro.

The Christmas concert will be presented at Creative Insights at 8:30 p.m. at the University Center. Archdr. McLeod, professor in theater, will be presented at Creative Insights at 8:30 p.m. at the University Center. He will explore the theater and creativity.

Seven openings, a flower, will present a faculty recital at the Sunday Concert at 7:30 p.m. in the Library Auditorium.

The Southern Film Society presents "The World of Apu," Bengali dialogue with English subtitles at 8:30 p.m. in the Library Auditorium.

The Student Recreation Board's recreation committee will show the film "Fowlers of the Everglades," a film sponsored by the Interfraternity Council at 8 p.m. in the Thompson Center.

The Southern Film Society will have a reception at 7 p.m. in the University Center.

Alpha Rho Chi will meet at 9:30 p.m. in the Library Auditorium.

**Six Fraternities Complete Fall Rush, Announce Pledges**

Six of the eight active social fraternities on campus have completed fall rush. Some 75 men are expected to be pledged when rush is finally completed. Official say the number is smaller than in previous years because new regulations make it necessary for freshmen.

Men have completed 12 hours of course work before pledging. Only Alpha Kappa Alpha and Alpha Kappa Psi have not announced their pledges. Other fraternities and their pledges are:

**TAU KAPPA Epsilon**

Paul Aikeman, Stephen Broderick, Ben Basham; B. L. Born, Joseph Bohlen, Michael Gagnon, Steven Heuer, Robert Love, Larry Lieber.

**DELTA CHI**

Gary Bore, Mike Netznik, Peter Racz, Dave Smith, Bob Tolson, Nelson Wallace and Stan Wiese.

**THETA XI**

Joe Butler, Dave Fister, John Kemp, Rich Ligon, Lill LaRanging, Harry Rodgers, Danny Wells and John White.

**Gladden President of VIT's Gent Hall**

Gent Hall, Southern Acres, VIT, has elected Dave Gladden as its president for the 1963-64 year. Other officers are Christopher Hopper, vice president; Jerry Cox, treasurer; Steve Marquardt, judicial board member; Larry Dally, executive council representative; Darrell Reiner, intramural chairman and Jerry Featherstone, social chairman.

**Two Students Held On Liquor Charge**

Two SIU students, Rick Locke and Gary Welbaum, were arrested at Marlin Friday morning, pending trial on charges of illegally possessing or consuming liquor. Williamson County Sheriff Carl Miller said.

No bond has been set at the time he reported the arrests, and the sheriff said the two men had not been booked.

The students, both minors, were arrested about 8 a.m. Thursday after purchasing intoxicants at Herrman's on Highway No. 9 near Colp. Sheriff Miller said.

**Weekly Song Fest Planned By VIT**

The first of the weekly Song Fests is planned to entertain approximately 70 students in the Vocational Technical Institute auditorium Monday evening. The event sponsored by the VTI Student Council will be scheduled from 7:30 to 9 p.m. each Monday.

All students are invited to attend the sing-along and to bring instruments. Buffet service is available.

Mr. Russell Burnett and Mr. Maurice Dallman are sponsors for the Council. Bill Wades will serve as the hostmaster of ceremonies.
SAIGON COUP REPORTED, U.S. FORCES SENT

WASHINGTON

President Kennedy, routed from bed at 3 a.m., Friday by first reports of fighting in Saigon, ordered his military forces toward South Vietnam to protect American lives if necessary.

The military movement was described by one official as a precautionary measure while Kennedy and his top advisers studied developments in what U.S. officials called a Vietnamese uprising of "imperial proportions."

Kennedy called in key military, diplomatic and intelligence advisers for a 45-minute morning conference and assessed the latest cables from the Vietnamese capital.

The White House said only that Kennedy received a "complete report."

Pierre Salinger, White House press spokesman, said further meetings were possible.

The State Department said all Americans in Saigon were ordered to remain inside the streets until further notice.

There are 3,563 American citizens in South Vietnam in addition to 10,500 military personnel in the country.

State Department press officer Richard D. Phillips said no casualties have been reported and that initial reports of the situation, the United States suspending all military and economic assistance to the South Vietnamese regime of President Ngo Dinh Diem, U.S. officials said the uprising appeared to have been well-planned, and have been carried out entirely by Vietnamese, Phillips said.

The government "is not in any way involved in this coup attempt."

LONDON

The Illinois trade delegation to Europe reported Friday it was pleasantly surprised at the enthusiasm of the Europeans in achieving contracts for sales to Europe.

A spokesman for the mission said that before the group of 140 left led by Governor Philip J. Farley of Illinois, France and Britain--some branches out to other countries including Italy and Holland--Gov. Otto Kerner had predicted that the main purpose of the trip was to do propaganda work.

Gov. Kerner, who heads the mission, told them it would assess the making of contacts.

RABAT, Morocco

Algerian troops attacked the frontier town of Figuig and Moroccan troops were ordered to withdraw and not fight back, King Hassan II announced Friday.

Figuig is just inside Morocco.

The king somberly told a news conference his government intends to abide by a pledge made Wednesday in Rabat, Mali, to cause hostilities and seek a negotiated solution of border problems with Algeria.

He spoke 10 hours before a midnight cease-fire was to be effective.

There were dead and wounded in the Algerian attack, the king said.

In Algiers, President Ahmed Ben Bella spoke for two hours at a public meeting marking the 10th anniversary of the Algerian uprising against French rule.

Ben Bella made no mention of any fighting at Figuig. He assured Algeria's "desires to settle peacefully all problems, especially those they concern our brothers."

BROSTEDT, Germany

Three German miners trapped for eight days in an air pocket 25 feet down in a flooded iron mine were pulled to safety Friday. They were reported in good condition and, with blood grins, had joyful reunions with anxious relatives.

The last man reached the surface more than 180 hours after flood waters trapped them a week ago Thursday when a dam burst.

5 INTEGRATIONISTS

WIN INJUNCTION

AMERICUS, Ga.

Three federal judges in a split decision granted an injunction against prosecution of major charges under which five integrationists leaders have been held in jail nearly three months.

Striking down two Georgia laws as unconstitutional, two of the judges concurred in an injunction order which cleared the way for the prisoners to be released on bonds within limits prescribed by the order.

Judge Elbert P. Tuttle, chief judge of the 5th U.S. Circuit Court of Appeals, and District Judge Lewis R. Morgan gave the majority opinion which limited bond to $500 on each misdemeanor charge and $10,000 on felony charges.

In a dissenting opinion, Diss. Alan W. Thomas, Walter E. Elliott said a federal court should never enjoin actions by state officials and that constitutionality of the laws involved could be determined in the criminal proceedings.

The ruling held that Georgia's 1871 statute against the unlawful assembly and unlawful procession was unconstitutional. Tuttle and Morgan concurred in an injunction permitting further proceedings and trial of charges under those statutes.

Blast Kills 62

At Ice Show In Indianapolis

INDIANAPOLIS

A gas explosion hurled flames and concrete slabs as large as pianos through the ceiling of a crowded watching an ice show. Ten persons were killed and 62 injured.

It was the second explosion in the county in a few hours, and 25 were injured in an explosion which shattered a drug store in Marion, Ga., Thursday night.

The Red Cross, coroner's office and Civil Defense agreed on the 62 dead figure after thorough checks of the scene. Three improvised mortars and numerous funeral homes where bodies were taken.

The injured numbered 385, of which 175 remained hospitalized. Many victims were charred by the leaking gases of flame, or crushed under tumbling structural concrete slabs which mushroomed from the explosion.

Havana

Prime Minister Fidel Castro has warned the United States with being able to overthrow Latin American "bougeois" governments at will while being unable to topple him.

Unanimous Vote: Council Takes Bull By Horns, Plans Own Insert in Egyptian

The Student Council has taken some bold steps toward enhancing its image and importance of student voice and action. The most recent and significant event was the action taken this week to approve a bill to create an Egyptian student publication within the framework of the existing Student Life Bureau. The council, recognizing the need for a more comprehensive and student-controlled approach to the publication of student newspaper, has taken the bold step of creating its own insert, "The Egyptian," as an alternate source of student news and campus activities.

The resolution, introduced by Mark Hockenyos, General Secretary of the Student Council, received unanimous support, with 18 students voting in favor of the proposal. The council's action was a clear indication of its commitment to strengthening student voice and accountability in the publication of student news and activities.

The council's non-voting member, Claude Stranau, from the School of Fine Arts, added his support by saying: "I think this is a 'no-brainer.' I am strongly in favor of this move."

The council debated the proposal for an ad hoc committee to be formed, but they decided to approve the bill as presented without further discussion. The council also approved amendments to the Student Life Bureau bylaws to accommodate the new insert and to increase the representation of student voice in the publication.

The council's action demonstrates its commitment to student voice and action and its willingness to take bold steps to enhance the student voice and representation in the publication of student news and activities.
News In Perspective

Rights Bill Compromise;
The Great Moon Race
Compiled From Associated Press

WASHINGTON--A civil rights deadlock was broken Tuesday when the Kennedy administration and Rep. Charles A. Halleck, Ind., representing the Republicans, reached agreement in the House, reached agreement on a compromise bill.

They agreed to a measure won swift approval of the House Judiciary Committee. Its chance of House passage looked promising, but its outlook in the Senate in a question mark, for there it faces the objection of the Senate Republican leader, Everett Dirksen, Ill., who dislikes the bill's accommodations section.

The measure is not likely to reach the Senate before the end of November. Before it even can be brought to the House floor, the Judiciary Committee must make a report and the Rules Committee must clear it for action.

Title II--Prohibits segregation in public facilities.

Title III--Prohibits segregation in schools.

Title IV--Allows the Justice Department to bring school desegregation suits and authorize federal aid to school districts that are desegregating.

Title V--Extends the life of the Civil Rights Commission permanently.

Title VI--Directs all federal agencies to act against racial discrimination in any state or local program receiving federal aid.

Title VII--Provides a fair employment practices commission.

The revised measure won support of the Southern lawmakers.

It began as an administration proposal, was made more sweeping by a House Judiciary subcommittee and then was modified at the insistence of President Kennedy.

A man around it, but I don't believe they will try to land a man on the moon and bring him back." When a reporter pointed out that Khrushchev's statement may have a different point of view, he told his aides to 'tune Thursday that he did not read into Khrushchev's statement any assurance that Russia intends to send a man to the moon.

Khrushchey's statement was very carefully worded and there is every indication the Soviet Union is proceeding with its space program, as added.

He said he would make no bets on Soviet intentions and that he considered it important to "stay with our program." He said there had been no Soviet response to his proposal for a joint U.S.-Soviet expedition to the moon.

The President also noted that the Soviet communists had been talking about a trip to the moon, and he didn't think newsmen should jump to the conclusion that Khrushchev had given up the race.

Lunars Planes

The on-and-off moon race has begun to look as changeable as the race of the celestial orb that is to be the target of U.S. and/or Soviet space craft.

First, President Kennedy said it was vital to U.S. prestige that Americans land there first—even if the odds would run into quite a few billions of dollars.

Then there was the proposal for a joint U.S.-Soviet effort, that was kicked around a bit, Premier Khrushchev said recently that Russia wasn't even racing the moon. And, said James A. Van Allen, the space radiation authority, Khrushchev was probably telling the truth.

Van Allen, who is a National Aeronautics and Space Agency consultant, told a press conference Tuesday, "A Russian attempt to put a man on the moon has never been more than a preconception on our part."

The discovery of the Van Allen radiation belt in space added that the Russians probably will continue their instrumentation flights around the moon and may send a man around it, but I don't believe they will try to land a man on the moon and bring him back." When a reporter pointed out that he did not read into Khrushchev's statement any assurance that Russia intends to send a man to the moon.

Southern's New Arena To Get Finishing Touches In May

Work On Interior Already Underway

Construction is proceeding at a steady pace on SIU's new Arena. The final completion schedule calls for May as the date for putting the finishing touches on the first phase of the mammoth building project.

Workers have completed most of the preliminary work on the roof of the dome-shaped building, giving them a covering that will enable work to proceed on the interior despite inclement weather.

When the Arena is finished it will represent one of the most unusual structural steel jobs ever undertaken in the Midwest — anywhere, for that matter. What makes this job different from most modern dome structures of this size is that it is steel, rather than concrete, as the prime construction material.

In fact, the steel skeleton framework would weigh if it could be found a scale to weigh it, 1,126 tons.

Scheduled for occupancy next summer, the SIU Arena will give the university one of the most modern basketball and football fieldhouses in the country, as well as providing a building that will be used by the Physical Education and Military Training Services as an auxiliary half for intramural, cocurricular and convocation events, stock shows and concerts.

The Arena is described by Hal C. Chappelle, SIU structural steel engineer on the job, as the biggest steel job ever undertaken in this part of the state. The critical job of joining four pairs of 10-ton steel struts to a 10-ft. wide compression ring at the crown of the dome was achieved with no unexpected developments and assembly of the remaining 28 ring-arched struts.

A similar job last year at Syracuse University went awry when the first roof strut and panel joined to the ring on a gymnasium dome. The ring distorted and the twisting effect caused a quick change in plans.

In addition, work will be started on the first phase of the massive building project.

Freshmen Gridders Shooting For Fourth Straight Victory

StU's freshman football team will shoot for its fourth straight victory and an undefeated season next Monday afternoon, when the Saluki young guns take on a fresh of Evansville College.

Kickoff time is slated for 3 p.m. at SIU's Main Stadium.

Chapman Frank Sovich's charges will be aiming to add another page to their book of impressive achievements. They already have matched the three straight wins produced by the 1960 Saluki freshman class.

Southern has knocked off Southeast Missouri State twice this year, also added Washington University's scalp to the list.

Sovich is expected to name most of his previous starters to face Evansville, with the opening kickoff, headed by his Starkville, Miss., quartet — Jerry Jones, 6-2 and 186, who sparked Southern's first-year men in cashing in their three wins with a veteran signal-caller's touch.

Another explosive bomb in the Saluki backfield will be halfback Don Thames, a 172-pounder from Philadelphia, who cashed in twice against Mississippi Valley State and added a couple more last week at Cape Girardeau. He also rapped out 160 yards in 12 carries in that last game, including 44 and 91-yard scoring scampers.

Ready for power plays in the fullback, left end, are Willie Wilkerson, Memphis, Tenn., and Gary Olson, Mattoon, Ill., who carry the load up the middle. Carl Woodson, Chester, and Bob Parry or Wayne Thames, Hattiesburg, Miss., are both starting possibilities at right end.

In the line, Robert Varsalone, Jersey City, N.J., who only came back from a touchdown last week, will start at left end and John Warmington, Hammond, Ind., should go at right end.

Starting tackles are expected to be Lewis Hines, Memphis, Tenn., and Jack Honegger, Forrest, Ill. Danny Laney, Philadelphia, and Edward Lightbourne, East St. Louis, Ill., are listed as second men.

The pivot man will be Robert Tobberman, Carbondale.

Newman Club Football

Newman Club will sponsor a halfback football game between a seven-member women's team and a seven-member men's team at 2:30 p.m. Saturday at the Thompson Point Athletic Field.

MATCHES IN SEVEN DIVISIONS

Intramural Wrestling Tournament Set For Nov. 12-14, Rules Listed

All entries for the men's intramural wrestling tournament, which will be held in the Olinnastrom gym on Nov. 12, 13 and 14 at 7:30 p.m., must be turned in to the intramural office in the Gyn by 5 p.m., Nov. 12.

There will be both individual and team competition.

Swimmers Invited To Intramural Meet

Individual and team entry blanks are now available for the men's intramural swimming meet which will be held Nov. 16 at the University School Pool.

All entries are required to have a medical permit from the Health Service on file in the IM Office by Nov. 15. Events will include the 50 yard freestyle, 50 yard breast stroke, 50 yard back stroke, 50 yard freestyle relay, and 200 yard free style relay. Three divers will be required in the diving competition with a front dive the only requirement and the other two optional.

Each entrant may swim or enter only two events including diving and the relay, and any person who has not lettered or is not out for training swimming in not eligible.

All entrants with physical examination slips must attend a brief meeting scheduled for 5 p.m., Nov. 15. Swim team planning to enter should read the eligibility rules in the intramural handbook. Any type of swimming competition is considered.
