By ED HENFY,

Don't let those confederate from you just so you have a chance to see the truth. The only thing you can do is raise hell for the best two teams to go into the last two weeks before the end of the season. The last two weeks have seen more confusion than ever before. Some playing no statistic some never known.

I tell everything I know. Now you have as much as you can get. The best teams are doing.
The Model Bank Flex Cleaners are the only reason why cleaning prices have not already doubled in Carbondale.

The Carbondale Cleaners have had several meetings trying to raise prices but have failed because the prices of supplies have not advanced as yet, through any National or State Supply House.

WILLIAMS OF ART DEPARTMENT
TELLS OF BERMUDA TRIP
By Peggy Ryan, 

By Peggy Ryan, 

With a definite feeling to her eyes and a firm set to her jaw, she went to meet the local newsagent for the purchase of her regular magazine, but in her hand she was left with two undesirable works in progress

Miss Williams added that she was grateful for the chance to take a trip of relaxation and to enjoy some rest after her strenuous work. She said that she was looking forward to spending some time away from the city and to the beauty of the Bermudas.

"They take two days each week for the making of the magazine," she said. "So if I want to have a good time, I can always have something to look forward to." 

Thus the trip proved to be an excellent opportunity for Miss Williams to relax and enjoy the beauty of the Bermudas.

In reply to the question of why she chose Bermuda, Miss Williams explained that she liked the island because of its beautiful scenery and its mild climate. She also mentioned that she had been to Bermuda before and had enjoyed the trip very much.

The trip to Bermuda was a great success, and Miss Williams was pleased with the results. She said that she would definitely go again if the opportunity arose.
