Pope Paul Decrees Reform In Worship

VATICAN CITY -- Pope Paul VI decreed Roman Catholicism's greatest reform in 1,700 years and then told his bishops they must assume a greater share in Church government.

Addressing the Vatican Ecumenical Council on Wednesday, he also revealed plans for an unprecedented personal pilgrimage to the Holy Land -- the first by a reigning pontiff.

The three stage were set on the path to Church unity and Roman Catholic renewal, a path charted by Pope John XXIII.

In a three-hour meeting of the council, its last until September, the Pope and his assembled bishops made sweeping changes in centuries-old traditions and practices.

Their liturgy reform, in the first Roman Catholic council decree since the proclamation of papal infallibility by John XXIII, last previous council 93 years ago, opened the way for the use of modern languages in the Mass and sacraments. Latin had been used since the 3rd century A.D.

Pope Paul's appeal to the bishops to clarify their role in Church government put him on the side of progressive prelates advocating such a review in the interest of Christian unity.

His announcement about a trip to Palestine was more than just a travel plan.

Implicit in it was a basic decision to promote a relatively new policy of openness in the Roman Catholic Church, whose post-Vatican II reforms have been most of this century as voluntary prisoners in the Vatican.

Even before the second session opened in September, Pope Paul had set up a system of council moderators or presiding officers, appointing four cardinals close to him to get the council moving faster.

In terms of specific business, the council's second phase produced far more than the opening session under Pope John.

The worship, or liturgy reform, was the most profound change in the history of the Church since Latin replaced Greek in the Western part of the Church 17 centuries ago.

Ring Returned To Mrs. Kennedy

WASHINGTON -- A White House source confirmed Wednesday that Mrs. Jacqueline Kennedy did get at the wedding ring she had slipped on the finger of her dead husband in Dallas, Tex., after his assassination.

Life magazine reported that Mrs. Kennedy had wondered afterward whether it was right to leave the ring to be buried with her husband.

And, the magazine said, later, at Bethesda, Md., Naval Hospital, Kenneth O'Donnell, the late President's appointments secretary, slipped into the chamber where Kennedy lay and brought the ring back to Mrs. Kennedy.

The White House source, confirming the report, said Mrs. Kennedy herself had read over the account before it was made public.

Illinois Senators Split

WASHINGTON -- Illinois' two Senators split Wednesday in their vote on the House version of a bill extending for one year the law permitting inspection of farm labor from Mexico.

U N Votes Embargo Of South Africa

UNITED NATIONS, N.Y.-- In a rare show of unanimity the U N. Security Council voted Wednesday to impose a worldwide arms embargo against South Africa to curb enforcement of that country's white supremacy laws.

The 11-nation council approved a Norwegian resolution representing the toughest stand in U N. history against South Africa's policy of apartheid, or rigid segregation.

Objections by East and West to various portions of the draft were dropped at the last minute to clear the way for the unanimous approval which previous resolutions on apartheid failed to receive.

The Norwegian resolution asked that the nations halt shipments of supplies to South Africa's arms industry as well as end political aid.

U.S. Chief Delegate Adlai E. Stevenson gave the draft a cold reception but said the United States would have to approve the arms embargo independently, even without council approval.

The U.S. ambassador has agreed to halt all arms shipments to South Africa by Dec. 31.

Johnson Honors Youngblood For Nov. 22 Heroism

WASHINGTON -- President Johnson thrilled through conference in farm, civil rights and African affairs Wednesday -- and honored a Secret Service man "for courting his life to save mine."

Johnson started his official day with his first ceremonial appearance in the White House Rose garden outside his office.

The ceremony honored Secret Service man Rufus W. Youngblood, who was riding in Johnson's limousine in the same procession with President John F. Kennedy in Dallas, Tex., when Kennedy was assassinated.

Youngblood, in the words of a citation for the Treasury Department's highest award, "instantly vaulted across the front seat of the car, pushed the vice president to the floor and shielded the vice president's body with his own. His prompt response in the face of great danger and his readiness to sacrifice his life to save the vice president were in the highest tradition of the Secret Service."

The ceremony ended, Johnson walked back into his office and talked in turn with James Farmer, head of the Congress of Racial Equality, Secretary of Agriculture Orville E. Freeman, and Princeton history professor Eric Goldman, director of the American Society of Historians.

Farmer was the fourth civil rights leader Johnson had brought in. Farmer told reporters he was impressed by Johnson's "firm conviction and depth of feeling" on the civil rights issue.

Young people might benefit from this charming autobiography, if the book persuades them to keep adequate records and be very sensitive to use for their life sketches in the twilight years.

Parents and grandparents were interested in the story of another era will find little place in Mrs. Lee's commentaries.

Experience Aids Varsity Gymnasts, Victors Of Inter-Squad Meet

SIU's freshman-sophomore gymnasts are planning on a winning season, thanks to their heralded junior-senior colleagues in the fifth annual intersquad meet Tuesday night, yielded to experience in the upperclassmen, 65 1/2 to 49 1/2.

Southern's Men's Gymnastics was nearly filled with area enthusiasts, and had to watch the Salukis warm up for their first regular meet of the season. SIU will complete this Friday and Saturday in the Midwest Open in Chicago.

Varsity stalwart Rusty Mitchell captured two victories, in the free exercise and tumbling competition, with perfect performances. The West Covina, Calif., senior scored 94 points in free exercise to tie for the highest average of the evening.

The varsity squad won first place in all but one event, the trampoline, which was taken by brilliant fashion by Frank Schmitz, a freshman from Lafayette, La, Schmitz and average score of 93, nearly 10 higher than the second-place performer, freshman-student Williams, of Miami, Fla.

Schmitz, a 1962 national AAU champ from Seattle, displayed his standout potential as an all around artist by placing second to Mitchell in tumbling and third in free exercise.

Coach Bill Meade allowed just three of the upperclassmen to compete for team scores in each event, in order to give his frosh a better-than- even chance against the veterans, SIU's reputation is solid contender for a national championship this year.

Bill Wolf, Junior transfer from Paseo, Calif., got the win in the high bar, with a mark of 93.5, Friedman Joe Napoli, Columbus, Ohio, wasn't far off that performance, marking an even 90.

In the P-bar, it was Dennis Wolf's turn to catch the brass rings, with sophomore Ken Wiegand, Harvey, right behind him and Mitchell finishing third.

Chuck Ehrlich, a still rings star from Dayton, Ohio, triumphed in that division, but his 93.5 marking was just enough to edge the Wolf brothers, who topped the next two spots, Bill had 93 for runner-up honors and Dennis tallied 92.5 as the varsity swept the first three places.

The varsity's margin of victory might have been larger, had not Meade imposed the three-man limit on their team totals. In several events, those varsity representatives whose scores weren't counted had higher marks than those which were used in team scoring.

IM Basketball Managers Set Policy Decisions For Season

Managers of SIU's Intramural Basketball League teams met in organizational meeting Tuesday night and voted on several policy decisions concerning scheduling of games for the coming season.

Approximately 110 to 120 are expected to participate in the program this year, within the framework of three individual leagues. There will be circuits for men's varsity, for men's residence halls and for off-campus squads.

The managers reached a decision to play some of the games on Fridays, but only those teams which voted to play on that day will be scheduled. There will also be some games scheduled at Carbondale Community High School gymnasium, and these contests will be played on Saturday afternoons.

Several problems were resolved in relation to scheduling games when Southern's varsity teams are engaging in competition on campus. The managers decided that games should be scheduled and played when there are varsity wrestling meets here, and also when junior-varsity basketball games are being played at home.

On the other hand, they plan not to schedule any intramural tilts when the Saluki varsity gymnastics and basketball squads are playing at home.
