Presidential Powers

Debated Last Week

By Cape and Illinois

Making their debut in intercollegiate debates for 1934, the Illinettes, the women's debate club of Cape Girardeau, took first place in the debate events held Friday night. Two debates, one at Cape and one at Carbondale, were held; both were decided by the Illinettes, both of whom were non-decision affairs.

Approximately 50 persons attended the meet held in the Sacred Heart Church. The affirmative side of the question was that the powers of the President of the United States should be substantially increased as a settled policy. In this debate Virginia Spalding and Varjorie Wambach represented Carbondale and opposed Ellen Burnham and Mary Virginia John of the Illinettes. Ellen Burnham of the Illinettes and Mary Virginia John of Carbondale debated. The Illinettes won.

Dean Wham will present Professor Olalie M. Clemm, of Syracuse, New York, retiring vice president of the national sorority in Illinois. The Illinettes have forty-five chapters.

The MacDowell Club

Present Program at

I.S.T.A. Friday Night

The MacDowell Club which includes fifty students under the direction of Mr. David S. McIntosh, will present a program of A Capella music at tomorrow night's session of the Illinois State Teachers Association. The program begins at 7:30 and is composed of the following numbers.

1. "New Let: Every Tongue Adore thee"—John Sebastian Bach
2. "Little Fugue in the Minor"—Franz Joseph Haydn
3. "Beautiful Savior"—J. Melius Christiansen
4. "The Yowel's"—Vaughn Williams
5. "Take, Oh! Take These Lively Wasp;"—Edward G. Moore
6. "Ecumenical Choral Festival"—Russian Folk Song

The MacDowell Club has done a great deal of work on these numbers. States should adopt the essential feature of these numbers on this campus, and have been accorded a very favorable reception.

Du Quoin School

Takes First Place

In Debate Events

Victorious for the second consecutive year, the Du Quoin high school took first place in the debate events of the annual intellectual meet held on the campus last Friday. The final round was that of the three schools which entered the competition were: Du Quoin, Granite City, Dupo, Vandalia, Carlyle, Carbondale, and West Frankfort.

The debates, under the direction of Miss Mary Crawford, were conducted in three sessions, one in the morning, one in the afternoon, and one in the evening. Following the morning debate in High Schools, the teams debated the question: Resolved, That the United States should have high representatives in the cabinet. After the debate, a三角 debate.

The results of the morning and afternoon debates are as follows:

Enrollment For

Spring Term now

stands at 1281

At the close of registration last Friday, the enrollment of the S. I. T. C. stood at 1281. This number is less by 135 than the figure for the winter term.

Upon receiving this information to the Egyptian, Miss Marjorie Shank, registrar, and, "Although the enrollment is less than it was for the winter term, it remains the largest ever, except last year. It is to be remembered that the spring term is always the term of smallest enrollment. Considering everything, I think I might have done better in three sessions, one in the morning, one in the afternoon, and one in the evening. Abandon Plans for Spring Minstrel Show

Meeting at the Chi Delta Chi house last Wednesday evening, the Interfraternity Council decided to abandon the minstrel show which was to be given this spring. Original arrangement for the performance were made in January, but because so many activities were scheduled for the rest of the winter term, it was postponed. The Council hopes to take it up early next year, after the schedule is set some time in September or October.

To consult with the College’s social committee, the Interfraternity Council is planning to give an informal meeting, Mike Malch will serve in this capacity, and Seve’l Sw, and Seve’ser, will be added to the University Cafe, a

Since about 1923 there has been a remarkable interest in the publication of collections of war photographs. Since the war itself pictures have come out spasmodically—each one more or less an isolated item according to the purpose it was to serve. But with the publication of a small book, 'The Horror of It,' a distinct period was inaugurated in the publication of war material.

Hereforth, so far as we can judge, there will be no pictures of pacifists to prevent war, but war and a romantic war, according to some of the real cold reality of the war on the miltiary—the result has been that we have been interested in the publica-

STUDENTS EVALUATE THEIR INSTRUCTORS
The editor of the Concordiensis, the semi-weekly campus newspaper of Illinois College at Jacksonville, set the students and faculty there buzzing when he began to investigate "to see how many instructors are adding strength to the college and not many in vainable attites and..." Without mining any words, he has declared in editorials that "a college is only as good as its worst professor" and has asked each instructor to "show them how closely they approaches the ideal" by his answer to questions of this sort: 1. Does he try to introduce his students to life and intellectual pursuits? 2. Does he try to introduce his students to life and thought, not coach them to pass examinations? 3. Is he enthusiastic, alive, free from all dull pedantry and dogma?

The comment was received indignantly in many quarters, of course, and several professors were thoroughly irate. They phoned the editor, but even when the process and addressed criticism the faculty was houey! Yet the students have every right to examine and to criticize their instructors. It is the student's right to know how much money that is being thrown away, if the student should be as interested in value received educationally, as he is commercially. He should demand his money's worth, from a professor just as insistently as he does from a tailor or a restaurant proprietor.

LIBRARY MORONS
"The place is over-run with tradition now," you say. "For heavens sake don't say anything more." But we need desperately at least one more, if we intend ever to have a convenient, handsonf library in the halls. And the library would not be the same if the students would just throw in their own suggestions. The library is low on so many things, however, that the students would not be in the least reluctant to offer a series of suggestions.

The current plea for a baseball diamond with an ample outfield should not be ignored. It is true that until recent years there was not sufficient interest in baseball here to warrant the payment of a field, but events last year certainly showed that enthusiasm is on the increase. A league was organized to play softball baseball, a commencement week feature of a series of games between the faculty and the seniors was introduced, and during the summer a three-club league was formed that attracted attention throughout the entire area. Many people who benefit from the sport, request for the field is altogether sensible and should be given some consideration.

A BASEBALL DIAMOND, PLEASE

TEN YEARS AGO AT S.I.T.C.

What Do You Think?

In many schools, or perhaps it would be permissible to say in most schools, through the country, the administration has been held responsible for lack of standardization for spring concerts by the musical organizations of the institutions. Mr. E. E. Boomer is not, true to a very great extent. The usual opera by the MacDowell Club and a hand concert on the orchestra of the spring concerts have been the only performances of this sort given. Students' opinions on this matter vary; Mr. Richard Hampelmann thinks that concerts in the spring should be as high in standard as the fall concert is. He considers that this is due to the fact that we have so few of these cultural programs in the spring. Such programs would also help to establish a valuable program for the ending of the school year.

Chapel Notes

The orchestra entertained last week with two light compositions, "The Tin Soldier's March" by Pachet, and "Valte' Pondre" by Puyo, both being given acceptable performances.

Wednesday morning the band in an exceedingly fine program, including "Goldman's Band," by King, and Alford's "Colonel Bogey," of which the latter was especially good, the baritone solo being a point that could not be surpassed upon the clarinet. Renewed's "Rhinoceros" band, under the baton of Russell Gray, was another success. Russell Gray's interpretation of the solo into one of the features. The lower section was tuned up, and the climax satisfyingly emphasised.

S.I.T.C. PLACES SIXTH IN INDOOR MEET HELD AT NAPERVILLE, ILL.

NORTH CENTRAL COLLEGE WINS TITLE FOR SECOND TIME

The Carbondale Teachers in their opening track meet of the season, captured sixth place in the thirty-five team indoor track meet held at Naperville, Ill., last Saturday. North Central College annexed its second consecutive indoor title when its tenders gathered 48 1-3 points.

Four indoor meet records were smashed by the tracksters. Obed Newberry, of St. Vitor, tossed the 16 pound shot 42 feet 11 1-2 inches to break the former record of 41 feet 2-1 inches. Lloyd Siebert vaulted 12 feet 8 1-3 inches to top the previous jump of 12 feet 8 inches. Baker, of Illinois College, broke the Little Ninety 60 yard dash record with a run of 6.1 seconds. Blood is equal to the world’s best, but it is doubtful if it will be accepted.

The North Central 8.1 mile relay team broke its record with a run of 29.99 seconds. Cole and Reeves placed third and fourth in the high jump, while Blood took fourth place in the shot put.

Faculty News
The performances of Romeo and Juliet, Candide, and the Barretts of Wimpole Street by Katharine Cornell and her repertory troop at the American Theatre in St. Louis last week attracted many townpeople, students, and faculty members. The following faculty members saw one or more of the plays: Miss Elizabeth Cox, Miss Esther Power, Miss Frances Babcock, Miss Anna Marie Krause, Miss Sarah Baker, Miss Hilda Stein, Miss Alice Gaffney, Miss David Fleischer, Miss Doris Kingsley, Dr. Vera Louis Peckover, Jr., and Mrs. R. A. Bredel, Mrs. Ted Bogardus, Miss Adaum Carpenter, Dr. Charles Tenner, and Mr. Robert Fair.

Dr. and Mrs. O. B. Young are the parents of a baby girl born Sunday, March 25.

Dr. Richard L. Beyer spoke to the Marion Rotary Club at its regular Tuesday luncheon last week. The occasion was in recognition of Intercollegiate Relationships Day. Dr. Beyer addressed the Rotarians on Austria Since the War.

Miss Suzanne Creasy, sister of Mrs. Clarence Grauer, left her home in Columbus, Ohio Tuesday after a short visit here. On Sunday, Miss Esther Power and Miss Frances Babcock entertained at an informal tea for Miss Creasy.

W. A. A. Banquet Initiation Set For Wednesday, April 4

At an important meeting Friday afternoon, the W. A. A. board selected Wednesday, April 4 as the date for the annual basketball banquet and spring initiation. At this banquet, given each year in honor of tournament players, it is customary to begin with the initiation of those girls who have completed membership requirements by participation in the basketball tournament. Margaret Ann Cummins, president of W. A. A., will appoint committees to arrange program and decorations, which will be in keeping with the basketball theme.

The board also voted to continue the practice of an annual payday for high school girls of surrounding towns. The Play Day chairman has not yet been selected, but she will have charge of selecting the date, entrants and program for this occasion. Last year about seventy-five girls from surrounding high schools were present and participated in the program of volleyball, basketball, and track events. The Play Day will probably be some time in April or early in May.

DU QUINN SCHOOL TAKES FIRST PLACE IN DEBATE EVENTS (Continued from Page 1)

The termn debate was as follows:
Du Quoin: won 4, lost 0; Carlyle: won 3, lost 1; Vandalia: won 2, lost 2; Vandalia: won 1, lost 0.

In the case of the tie for third place the scores were worked out in percentage, resulting in Vandalia 85, Vandalia 48, Du Quoin 42. Thus Du Quoin, Carlyle, and Vandalia went to the final.

In the triangular debate Du Quoin placed first, Carlyle second, and Vandalia third. As a result of this decision Du Quoin and Carlyle are eligible to attend the stage meet to be held at Macomb in April. The Du Quoin team has a record as excellent debaters, having won the state championship last year.
