FLOATING BAILEY RAFT CARRIES TANK OVER RHINE

The southern part of the American Expeditionary Forces has been the scene of a large-scale amphibious operation. The 2nd Armored Division and the 9th Infantry Division have been transported to the Rhine River by floating Bailey rafts. These rafts are made of steel and can carry tanks and other heavy equipment. The operation has been successful and has helped to secure the area.

EDUCATION DAY SCHEDULED FOR APRIL 15

The Student Council has scheduled an Education Day for April 15. The event will include a variety of educational activities, including lectures, workshops, and exhibitions. The day will be open to the public and is expected to attract a large crowd.

CLOTHING COLLECTION FOR OVERSEA RELIEF

The Student Council is organizing a clothing collection for overseas relief. The collection will take place on April 15 and will benefit the refugees from the recent war. The council is asking for donations of clothing, such as blankets, warm clothing, and shoes.

STUDENT COUNCIL PLANNING

The Student Council is meeting to plan for the future. They are discussing the possibility of organizing a series of events to attract more students to the council. The council is also considering ways to improve the council's visibility on campus.

C.P.P. DISCUSSION HELD ON S.R.U. BROADCAST

C.P.P. discussed the issues of the day on S.R.U. Broadcast. The discussion centered on the recent events in the war and the impact they have had on the campus. The council is planning to follow up on the discussion with a series of reports on the events of the day.

SOUTHERN SALUTES

By CLARE SHERWOOD

Student Union President A. E. W. JONES was the guest speaker at the annual Student Union President's Dinner which was held in the Western Dining Room on March 18. He spoke on the importance of the Student Union and the role it plays in the life of the University. A. E. W. JONES, a native of Georgia, is a senior in the College of Arts and Sciences. He has been active in student affairs and has held various offices in the Student Union.

JONES'S ADDRESS

A. E. W. JONES talked about the history of the Student Union and its role in the development of the University. He emphasized the importance of the Student Union in providing a forum for students to express their opinions and to participate in the decision-making process of the University. He also discussed the challenges faced by the Student Union and the need for continued support from the faculty and the administration.

JONES'S QUESTIONS

After his speech, A. E. W. JONES fielded questions from the audience. The questions ranged from concerns about the budget to the role of the Student Union in campus events. A. E. W. JONES responded to each question with enthusiasm and provided thoughtful answers.

JONES'S MESSAGE

A. E. W. JONES concluded his address by emphasizing the importance of the Student Union in the life of the University. He encouraged students to continue to be active in the Student Union and to work towards making the University a better place for all students.

The evening ended with a reception for A. E. W. JONES and his guests. The Student Union Officers and the faculty members present at the event were present to show their support for A. E. W. JONES and his work.

EASTERN ESTABLISHED IN 1895;
FIRST ENROLLMENT WAS 240

By DALE KITTLE

The Eastern Institute of Technology is located in the center of the city. It was established in 1895 and has been a leader in the field of education ever since. The institute offers a wide range of programs, from pre-engineering to advanced engineering. The campus is located on a beautiful hillside, overlooking the city.

The Eastern Institute of Technology is known for its excellent faculty and experienced staff. The institute places a strong emphasis on hands-on experience, and students have the opportunity to work on projects in state-of-the-art facilities. The institute also offers internships and co-op programs, allowing students to gain practical experience in their chosen fields.

The Eastern Institute of Technology is committed to providing a high-quality education to all students. The institute offers scholarships and financial aid to ensure that all students can afford to attend. The institute is proud of its diverse student body and its strong sense of community.

The Eastern Institute of Technology is located in a beautiful city with a rich history. The city is known for its culture, art, and history. The institute is close to many museums, theaters, and other cultural attractions.

EASTERN'S FUTURE

The Eastern Institute of Technology has a bright future. The institute is committed to providing a high-quality education to all students and to preparing them for success in their chosen fields. The institute is continually expanding its programs and facilities, and is committed to providing the best possible experience for its students.

The Eastern Institute of Technology is the perfect choice for students who are looking for a challenging and rewarding education. CUT THROAT TO STAGE ROUND-ROBIN TOURNAMENT

With the coming of the brighter weather, we players begin to drift to the east coast of the province. A number of our players have already returned, and we expect a large turnout of players from the east this season. A number of our players have already returned, and we expect a large turnout of players from the west this season.

Here are some of the players expected to participate:

- John Doe
- Jane Smith
- Robert Johnson
- Elizabeth Davis

A round robin tournament will be held on the east coast, and a tournament on the west coast. The tournaments will be held over a period of three weeks. The winner of each tournament will be determined by the number of points earned by each player. The tournament will be held in a large hall in the city center, and will be open to all players.

The Amazing Variety - a new way of getting out of the city and seeing the sights. A unique experience for those who are tired of the usual routine. A week long trip through the countryside, visiting the most beautiful spots. A unique way of seeing the sights and experiencing the local culture.
