ALPHA UPSILON OF KAPPA PHI KAPPA
INSTALLED MAY 14

Dr. Young Elected as Chairman of Physics Section

Arthur D. Wright of Washington, D.C.
Presides

The Alpha Upsilon chapter of the Kappa Phi Kappa education fraternity was officially installed on the S.I. T.C. campus May 14. Twenty-five members were initiated into the new chapter.

The installations took place Saturday afternoon at the Association room of the Chemistry Building. Professor Arthur D. Wright, of Washington, D.C., national secretary of the Kappa Phi Kappa, addressed the initiates and later in the installation, he was assisted by Dr. Beyer and Dr. Curran, of the junior and senior faculty, and members of the Beta chapter of Allegheny College, Montsville, Pa., Roy Liver, of Indiana, member of the Alpha Xi Chapter of the University of Illinois, acted as conductor.

As instructors, Mr. C. A. Greene, Mr. R. J. Roberson, of the Junior Illinois State Academy of Science, which was held in conjunction with the Science Institute.

Four other faculty members of S.T.C. delivered addresses. Mr. R. C. Cox of the Geography department, spoke before the assembly on the subject, "Southern Illinois as a Foral for Potential Peoples Because of Geographic Features."

Following Mr. Cox, Dr. Bruce Merwin spoke on "Some Afghan Social Sites in Southern Illinois."

Dr. Merwin has been following the University of Illinois in its research in the southern part of the state.

Eunice Tietjens to Lecture Here

Tomorrow Night

Eunice Tietjens will lecture on "Modern Poetry, Including Myself," at the Shady Auditorium tomorrow evening. This event is sponsored by the Poetry Club.

Miss Tietjens will read and discuss a number of modern poems with whom, as a resident of the Poetry Colony in Vichy, she has had personal contact and will be able to give interesting facts about poets' lives and ways. Miss Tietjens was educated at the University of Geneva in Switzerland, at Sarbonne in Paris, and at Dresden, Germany, where she received a degree in Interior of China, and was a war correspondent for the Chicago Daily News.

Miss Tietjens has written one novel, a play, several textbooks and a number of juvenile books. "Profile From China" is considered her best volume of poetry.

Before appearing in Carbondale, Miss Tietjens will speak at the Matrix banquet given by an honorary junior, scholastic society at Northwestern University.

Plans for Prom in Senior Week

Leo Brown

In accordance with the program suggested for Senior Week, the plans for a Junior-Senior Prom to be held Tuesday night, May 31 at the Elk's, have been definitely announced by Leo Brown, chairman of the prom. According to Mr. Brown, the prom will be more than the usual prom and will be another one of the Junior-Senior Obelisk for 1933. As in past years, the prom will be one of the most important events of Senior Week. It will be the first time that the juniors and seniors have combined to sponsor a dance, and it will be the only ball that promises to be.

The committee has shown May 31 as the date for the dance. The plan will be made known to the students with the schedule of events.

The students will generate interest in the Junior-Senior Prom, and the junior and senior classes have the privilege of inviting one couple each as a member of the Junior and Senior classes.

An advance sale of tickets will probably begin today and continue for a week. All juniors and seniors who wish to purchase tickets are urged to buy their tickets immediately in order that the committee may collect the advance of all the tickets.

No decision has been reached concerning the orchestra or the chemists.

(Continued on Page Two.)

Doris Curran of Champaign Leads Y. W. Cabinet Literary Clubs

Doris Curran, secretary of the branch Y. W. C. A. at the University of Illinois, was the leader of the Y. W. Cabinet retreat held last week and end at Miss Carpenter's and Dr. Brown's cottages at Midland Hills.

The retreat was conducted mainly with the reading of the books in which the local Y. W. W. and reports and discussion of the plans to be carried out during the next year, at which time each department of the organization was to have its share in the field of Y. W. C. A. organization.

The retreat of the Young Women's Christian Association is an annual spring affair, and is held solely for the sponsors and the cabinet members.

The sponsors, Miss Alvin Carpenter and Miss Annamarie Krause with the following cabinet members attended the meeting: Colleen Waden, Virginia Hueston, Mary Koranda, Ruth Stevenson, Mildred Werkmeister, Lucile Schleimer, Winifred McCall, Helen Cram, Dorothy Reichenbach, Gertude Clark, and Mary E. Ehrman, Helen, president of Y. W. C. A.

To Co-operate in Sale of Tickets

The Sorority and Zetetic Literary societies will co-operate in the ticket sale for the annual spring plays. Never before have the two societies combined forces in such an enterprise.

An unusual feature in the ticket sale is the contest in which the two societies are sponsoring. The individual who sells the most tickets, proving the number is more than that of any other one sold, will receive a prize of $5.00 in cash. A prize of $5.00 has not been definitely decided. The winner, however, cannot limit his sale to just one of the two plays, and therefore, it is quite possible that either society will have the honor of selling over 60 tickets each.

In previous years, there was no combining of the two societies in the ticket sale, nor was there such a prize offered. The prize consisted of a free ticket which was awarded to the person selling eight or ten tickets.
I Will Vicki Frances defied the spite stinking' smelly 'ball formed June 2 in the dimly room, which was artistically decorated.

Students of Junior High Held Basketball Banquet

The students of the Junior High School held a basketball banquet in the Lutheran church, Saturday, May 15, at which time the members of the basketball team were the guests of honor. Although the annual basketball banquet is an old custom at Junior High, the players have never before been honored in a banquet fashion as they were this year.

There was a large group of students and faculty members in the dining room, which was artistically decorated in Maroon and White, the school colors.

Mr. Lawrence Frazier, the basketball coach, and members of the team, gave speeches. A program including a piano solo by Elizabeth Kason and a song by Sammie Lash, was presented.

The S. I. T. C. Wins Cash Prize in Band Contest at Cairo

The S. I. T. C. band was awarded twenty-five dollars in gold as first award in the adult division of the band contest sponsored by the Rotary Clubs of the 25th district at their annual convention held at Cairo May 12.

The local band and many bands from high schools and other organizations throughout Southern Illinois participated in the Rotary parade through the streets of Cairo.

Housing Entertainers

Virginia Huxley had as her visitor last week the mother, Mrs. Huxley of Belleville. A dinner party was given in her honor Wednesday evening at the home of Mrs. Huxley, and the guests included Mr. Carpenter, Mrs. Taylor, Mildred Werkmeister, and Elsa Keller were guests of honor.

English Department Tea

The English department inaugurated Wednesday afternoon what promises to become a tradition when it entertained the English majors and minors of senior college at tea. An impressive tea table at which Miss Power and Miss Barbour presided, was set in the living room.

Dr. Kellogg addressed the group in the evening, and the Tea Stout cested to be held tomorrow evening. Hosts were: Miss Bowyer, Miss Jenks, Miss Fawcett, Miss Beus, Miss Logue, Mrs. Krupp, Miss Burke, Miss Crawford, Mr. Fifer, and Don Tenny.

Delta Sig

Margaret Hockel and Edna Berger, both of Belleville, were the guests of honor at the successful bid dance, at which they danced and entertained the English majors and minors of senior college at tea.

Delta Sig pledges and actives entertained with wainote roast at Mill Hill's last Thursday evening.

Alpha Delta Chapter, located at Clarion, Pennsylvania, was formally installed in the Delta Sigma Pi on May 11, 1932.

Dr. Henrietta Larson was the guest of the faculty at luncheon Tuesday afternoon at the Delta Sigma Pi house.

School Council Selects Hill as Obelisk Editor

Hill, as Obelisk editor.

Of experience to enable him to handle the business end of the annual, he was business manager of the Clarion, the school community newspaper. High School's year book, and has acted as assistant business manager for the Obelisk during the past year.
SCIRBALOY

There has come to our attention within the past week the ancient and time-honored custom of "tearing up mattresses" or as the occupant is better known, "stacking rooms." Only used and experienced veterans are able to do a really professional job of "stacking," but nearly anyone should be able to do a fairly presentable job of "tearing up" after reading these instructions. Of course, one must bear in mind the fact that practice makes perfect and that no one should expect any disastrous results of destruction with the first attempt.

The best time for "stacking" or as the evening when the occupants of the room in question are away and blissfully engaged in the roundness of a date. It is also best to choose a time when the landlord and landlady are away from home. That these conditions are discovered to be in existence, then is the main job. With two or three good, full-scale attacks on the premises in question: you have the time you should have every move of destruction. That ultimate appearance will resemble a stormy sea suffering from a hundred mile gale, tidal waves, and gale in the air. The sheets will be left from the bed and range over the pictures, so that they may be blown away in gales and other gales. With this as a background for other interior decorations, the room is ready for our artists.

OUR CUTS, PLEASE
It certainly seems that after a myriad of editorials and months of work by the School Council resulting in the decision that each student is entitled to four cuts, instructors would eventually be awakened to the realization that that decision is official and not to be disregarded. Of course, when this institution was the size of your thumb, going to school involved little more than attaining your classes. But now this is S. I. T., old enough and strong enough to walk alone. The students demand that they be treated like college men and women, not like children.

The accused can, naturally, retaliate by stating that they allow students to cut; but there is more than one method by which they may express disapproval.

Yes, the topic is stale, but the students are going to continue to assert themselves until these faculty members whose fossilized ideas and childish stubbornness render them immovable have decided to give as well as take.

Students cannot obtain justice by appealing to the School Council; but there is a more pleasant alternative. Let us try to realize that the only way to prevent a feud is to work together, try to see the logic in the other fellow's argument, and admit defeat when we are defeated.

CAMPUS SPRING ACTIVITIES
Preparations for spring activities, traditional to the college, have begun, and commendable elaborations have been made. The literary societies have chosen plays for presentation that are first-class dramas, and they have selected casts for them with the utmost discrimination. In conjunction with the dramatic efforts, the art department is working on scenic effects which add immeasurably to the value of the performances. The Poetry Club has planned its initial venture in securing Mrs. Tietjens for a lecture here, and its members are exerting every influence to make the event successful.

The physical education department is working with freshman girls to prepare a May-fete. The music department will exert every influence to make the event successful.

Between the Lines
 sebuah
Let us now talk
Of those who live
From meal to meal
And hand to mouth.
Long years ago
When we did brag
That these
Could drive their cars
One-handedly
And smoke a pack
Of Camels daily
And when we thought
That Hist. of Ed.
Was biography
Our appetites
Were expected to
Be revenue
Since we were going
In theory to ability to swing a big party-right.

Why people persist in throwing things in the fountain. But I don't feel like a sermon this morning.

If my little yellow and black feather will bring me good luck on my final. It has so far. If so, I recommend free and unlimited purchase of little yellow and black feathers.

If anybody now doubts Anthony's ability to swing a big party-right, they must be crazy.

The Sphinx Wonders:
Why the masculine English majors and minors didn't show up at the tea.
Why the history cutter felt when he dropped his book.
Why they don't put cushions in the seats at the Beer Gardens. Rustic furniture is pleasing to the eye but not to the back.

At Donald Payne's capacity for food. If only he grew in proportion to what he eats he'd be the largest animal on campus.

What fellow in the Colonial Apartments is so bashful, and if he's the same one who keeps a diary.

Why people persist in throwing things in the fountain. But I don't feel like a sermon this morning.

Big Sister Plan Is Effected by Woman's League

One phase of freshman education which has been carried on successfully by many colleges throughout the country, but which has not received a great deal of attention in this college is the Big Sister work. At the meeting of the Y. W. C. A. last Tuesday evening, Dean Woody explained the plan which the Woman's League has adopted at S. I. T. C. The purpose of the Big Sister movement as described by Dean Woody at this meeting is "to help freshman girls to make desirable adjustments to the social and academic life of the school.

The plan of the organization to be used here is patterned after the one which has been successful tried out in the Michigan State Normal School at Ypsilanti, Michigan. It is as follows: a central committee of three and their chairman; ten captains and their chairman; and ten Big Sisters for each captain. Ruth Stevenson has been named chairman of the central committee. The ten captains have been chosen and are busy selecting their Big Sisters. Since it is necessary that only students with a good scholastic and social record be chosen to serve as Big Sisters, the final list of names must be submitted by the captains to Dean Woody for her approval.

The Big Sister must be willing to assume certain responsibilities and to sacrifice a large part of her time during the first week of classes. She will be responsible for the social prospects in her charge. She must return from her vacation on the Sunday before registration in order to welcome the freshman with whom she has corresponded during the summer months. She must report in town Thursday evening, May 12, at 7:00 o'clock. She is expected to attend the Y. W. C. A. meeting that evening and to return to school the next morning. She should have a complete plan of her week before leaving for the campus.

Alumni News

Aileen Harris, who teaches school in Du Quoin, spent the week end here with her parents.

Mr. and Mrs. Carmen Dickey of West Frankfort spent the week end here with Dr. Dickers parents.

Mary Marberry, who taught school at Petersburg the past year, returned to her home here Friday to spend the summer.

Mary Shryock of Chicago was the guest of her parents, President and Mrs. H. W. Shryock, over the week end.

Dorothy Furr, who teaches at Centralia, spent the week end here with her parents, Professor and Mrs. W. A. Furr.

Annual Biological Tour Held May 14

The annual Biological Tour through interesting points in Southern Illinois, was conducted from the Teachers' College, Saturday, May 14. A large number of biology teachers, and other interested persons from the southern part of the state and several from Springfield were present. About fifty students and several faculty members of S. I. T. C. accompanied the excursion.

There was an inspection of开户 experiments and operations conducted by Mr. Chandler, entomologist of the Biological Survey, The Forest Reserve in Union county was then inspected. Here Dr. Po- poused gave information concerning plant life in that locality.

The group was then conducted to the Mississippi River at Grand Tower to see the work being done in aquatic biology by the Natural History Survey. One of the popular diversions of the tour was a ride on the Mississippi in the laboratory boat, Anox.

The Biological tour was conducted by the Illinois Natural History Survey; it was also sponsored by the Illinois Biological Surveys, assisted by the Science Club of the Southern Illinois Teachers' College.

FACULTY ARE GUESTS AT STRUT AND FREY MOCK THEATRE PARTY

A mock theatre party, presented May 3 in the Strut and Fret room and planned by Lillian Sitter, Margaret Watson, Rhoda Mau Baker, and Mrs. H. W. Shryock, brought to a conclusion the functions and activities of Strut and Fret, campus dramatic society.

This clever, unusual entertainment was Strut and Fret's annual party to which the faculty members were guests of honor.

Presentation of the film, "Lady Windermere's Fan," starring Ronas Coleman and Irene Rich, followed by a row of tall movies, taken by Mrs. T. F. Smith, were features of the party. Refreshments consisting of pink lemonade and ginger cocktails were served to the guests.

ALPHA UPSILON OF KAPPA PHI KAPPA INSTALLED MAY 14

(Continued From Page One)

were also initiated.

Three of the charter members, Richard Watson, Austin Mulkey, and John Wright, were unable to attend, are to be initiated within the next few days.

At 7:30 o'clock a banquet was served in the Varsity Tea Room, at which time congratulatory messages were received from Alpha Nu Chapter of the University of Illinois, Theta Chapter of Millikin, and the local sororities, Delta Sigma Epsilon, and Sigma Phi Epsilon.

Dr. W. G. Wright reports that this Wednesday, May 18, the forty-fourth chapter will be installed at Correll College, and the membership will pass the five thousand mark.

Dr. Young Elected As Chairman of Physics Sec.

(Continued From Page One)

M. Bailey addressed the Botany group, using his doctoral thesis, "Some Structural and Metabolic Effects of Physiological Predetermination." In a second address before the Education section Dr. Mervin spoke on "Tendencies of College Curriculum." Dr. Stengel, representing the Science Club of the local campus, attended the meeting. In recollection of her experience and accomplishments in the scientific field, Dr. Stengel was given a handsome picture in the now section of the Chir. Others attending the State Science meeting were Miss Charlotte Zimm.merschied, and Dr. Delia Caldwell.
