Separate Board Bill For S.I.U. Approved By Senate Committee

Two measures of importance to Southern—a bill to set up a separate board for the institution and the $5,000,000 bond issue and operating budget—were dealt with at state Senate education committee May 12.

The separate board bill, sponsored by Sen. E. G. Crosbymore by a 6 to 1 vote.

The committee's approval sent the measure to the Senate floor.

In her keynote address, the chair of the committee that a separate board is necessary due to Southern's "special problems." Later, the chair urged the state legislature's use of the board as a way to avoid the current problems of overcrowding and by-passing the school's board of trustees.

Crosby's bill, sponsored by Sen. S. L. I. U., is introduced to address the issue of overcrowding and the lack of facilities for students.

For a number of years, the state has been plagued by the problem of overcrowded classrooms and lack of facilities. The committee has recommended the establishment of a separate board to address these issues.

The committee's support for the bill follows a similar recommendation made by the Southern Illinois University president in a recent speech. The president noted that overcrowded classrooms and lack of facilities are hindering the quality of education at Southern.

"We need to find a way to address these issues," the president said. "We have to provide a quality education for our students, and we cannot do that with overcrowded classrooms and lack of facilities."

Crosby's bill, if passed, would create a separate board to address these issues and provide additional funding for the institution.

The committee's approval of the separate board bill is a positive step towards addressing the issues facing Southern. The bill now moves to the Senate floor for further consideration.

Summer School Vets
Must Make Application
Reinstatement
At veterans planning to attend Southern this summer, it is important that they fill out and submit a form asking for reinstatement of their status. This form will be available at the veterans' office.

For those who do not wish to have their status reinstated, they should notify the veterans' office by May 31.

**The juego del campo:**

A separate column was written about the upcoming elections for the Student Council, as Burns had made plans to run for President on the Southern ticket this year. It was suggested that he might well win, as all students had been enrolled in the University for nearly two years, and they were all ready to vote. The students were in a mood to support Burns, as he had been their President for the past two years, and they knew him well. They were also glad to have a change, as the other candidate, Jones, had been President for the past four years, and they were tired of his boring speeches. They were in the mood to try something new, and Burns seemed to promise more excitement and change.

**The moonlight madness:**

The moonlight madness was in full swing, and the students were all out to have a good time. They had been working hard all day, and they were ready for some fun. They were all dressed up in their best clothes, and they were all out to have a good time. They were all out to make a great party, and they were all out to have a good time.

BRENZEL AND MAROONS DEFEAT CINCINNATI 6-3

Errors Cost Southern Hurler Shutout; Bryan and Bauer Aid With Homer and Triple

Balded by the thrilling heroes of Fred Brenzel and the fine hitting of Bobby Bryan, the Southern baseball team chalked up their fourth victory of the season with a 6-3 victory over the Western team.

Brenzel pitched a no-run game if earned runs were taken into consideration. After conceding three runs on four hits in the seventh inning, Brenzel, without a score to show for it, went on to strike out the ninth batter he faced in the seventh inning.

In the bottom half of the seventh, a couple of men got on base, with Bryan being a hit to start the inning. Bauer then walked a couple of men to load the bases. After a couple of more men were put on base, the umpire called time for the inning.

Tally 24 Straight In Dual Meet Competition

Southern's track squad easily added to the cumulative points lead by turning in a wind-aided 24-2 victory over Western.

In winning, the Maroon track crew extended its deal to 24-2, a win streak that has won the most winning streaks of any track squad in the country.

Jester Harris, co-captain of the track team, said the victory was a result of hard work and dedication from the team.

Record-Breakers

As expected, the Southern University track team easily won the meet, but the real story was the performance of the athletes. One of the most impressive performances was that of James Alexander, who broke the school record in both the 100 and 200 meter dash.

James Alexander

Alexander, a senior on the track team, set a new school record in the 100 meter dash with a time of 10.1 seconds. In addition, he broke the school record in the 200 meter dash with a time of 22.0 seconds.

The feat was an impressive display of Alexander's athleticism and work ethic. It was a testament to the hard work and dedication of the entire track team.

The Maroons, however, will be out to continue their winning streak as they look to add another victory to their record.

Sideline Chatter

By Bill Helms

The need for strong leadership is a common theme in any sports team, and the Southern University track team is no exception. In the wake of a recent injury, the team has rallied around the injured athlete and shown their support.

The track team, under the guidance of coach Joe Bodee, has been a model of teamwork and determination. The players have been shown to be able to work together to overcome challenges and achieve success.

The Maroons will face a tough test in their next game, but with the support of their fans and each other, they are confident they can come out on top.

Track Squad Will Seek Undefeated Season in IAC At Macom This Weekend

Northern's well-balanced track squad will be after its second straight undefeated season in the IAC. The team has shown dominance in the conference throughout the season and is looking to continue that success.

The track meet will take place on Saturday, with the winning team earning the right to host the next meet.

Joe Bodee, star sprinter who has been on the sidelines for the past month due to injury, is expected to participate in the meet.

The meet will also feature a few other key competitors, including the University of Wisconsin-Stout, who are currently in second place in the conference.

The Maroons are looking to take the lead in the conference and solidify their position as the dominant team.

Baseball Team Loses Three Games Up North To Normal and Millikin

Southern's baseball team had a rough time of it on a three-game road trip. The team lost all three games to Normal and Millikin. The team is now 0-3 for the season.

Northern's offense was too much for the Southern team in the first game. Normal scored 10 runs to the Southern team's 2 in a 10-2 victory.

In the second game, Millikin took control early and never looked back. The team scored 12 runs to the Southern team's 1 in a 12-1 victory.

The final game was a close one, with Millikin winning 4-3.

The team will return home for a three-game series against Illinois this weekend.
