REBUILD HOLEN HOSPITAL

ALL STUDENT DANCE HALBED IN GYM TONIGHT

The dance committee of the Student Council announced last night that the annual student dance, to be held Saturday night, will be halved in the Wessel gym. The dance committee, which is responsible for the student dances, has decided to reduce the size of the dance due to the large amount of construction work in progress on the campus.

HELP REBUILD HOLEN HOSPITAL

The drive to raise funds for rebuilding and remodeling Holen hospital is undoubtedly of direct concern to every B. S. N. U. student. There are at least two good reasons.

In the first place, any intelligent person realizes that the hospital must be in good repair if it is to serve the health needs of the students.

In the second place, Holen hospital is the only institution in Carbondale which provides hospital care for students. During the past year, hundreds of students have used the hospital services, and it is evident that the hospital must be kept in good repair if it is to continue to serve its present function.

The drive has been well under way for several weeks, and the hospital committee has received a number of donations. The hospital committee is confident that the drive will be successful, and it is hoped that the hospital will be ready for use by the end of the year.
