MOVIE OF FORD PLANT
Entertains C. of C.

An unusual program of entertainment, including a moving picture of the Ford plant in operation was presented at the regular meeting of the chapter intended to help toward a better understanding of the process. An vocal solo by Mr. McKinley and a demonstration of the monotony by Selma Nelson completed the program.

The membership of the club is rapidly increasing. At the present, the group includes approximately sixty students. All those interested in commercial work are encouraged to attend the next meeting, which will be held on the evening of October 29.

MISS KAUSE TELLS Y. W.
OF NATIONAL MEETING

The members of the chapter, 600 East Oakcliff St., met at six o'clock dinner last Wednesday, at Anthony Hall Tabbies where Helen Crisp and Winifred Wham were hostesses. Miss Krause reported on the National Council meeting which she attended recently in Chicago. She discussed the new policies of W. C. A. C. which were considered at this convention.

McDowell Club to Present Chapel Program Friday

Friday morning, the McDowell Club conducted by Mr. McLain, presented their first chapel program.

ORCHESTRA MUSIC EXPLAINED WEEKLY

This is the first of a series of articles exploring the background and understanding of the music rendered in chapel.

The girls’ debating society, the Illini, met at the Strut and Rect room at 7:30.

Following a short discussion, the officers were elected. They are: Jane Campbell, president; Ruby Oller, secretary; Essie Overmyer, treasurer; Mary Smith, parliamentary officer; and Helen Winter, program chairman.

The club then took charge and appointed the program chairman for the next two weeks, which is as follows: Georgia Stocum, chairman; Francis Locke, Eleanor Mullenau, and Lois Sander.

This has been the only meeting so far to organize the Illini, but it seems that the interest decreases each year.

Illini Club Elects Officers for Year

MOVIE OF FORD PLANT
Entertains C. of C.

Movie of Ford Plant

Entertains C. of C.

Over two hundred Carbondale residents, including students, the band, alumni, and faculty members of the college, and townpeople attended the Carbondale-Champaign game at Carbondale last Sunday and skillfully an accommodation initiated on this occasion for the students, was highly appreciated. The group were furnished by the Green Mill and University Cafe. Courtesy, Miles entertained the travellers with his banjo.

The strong spirit of enthusiasm, which was evident at the pep meeting held Friday noon continued at the game well after the game. In Carbondale, the L. T. C. band, followed by a good part of the Carbondale fans, marched to the business district. At the square and on the steps of the court house, the corps held short pep meetings.

A bus trip similar to the one held last week will be made to Lebanon next Saturday, when the Carbondale fans will accompany Col. in the Barracuda homecoming. The charge of admission has been reduced to $2.50, and the bus fare will be only seventy-five cents. Those who expect to go should see "Chick" Harrius by Thursday, in order to insure themselves a seat on the game and bus transportation.

McDowell Club to Present Chapel Program Friday

Friday morning, the McDowell Club conducted by Mr. McLain, presented their first chapel program.

Due to the absence of Dean Wham from College during the latter part of the week, the work of the Council was postponed. Further consideration of the committee on the program was left until next week.

STUDENT DOES NOTHING FOR REVISION OF CUT SYSTEM

The Student Council, composed of eight faculty members and eight representatives, met on Tuesday, October 12, with Dean Wham presiding.

The subject under discussion was the revision or readjustment of the present cut system. A report from the committee was read and discussed, but the Council came to no decision.

The student body has been divided into two sections, number one and number two. The number one section is under the leadership of Miss Krause, while the number two section is under the leadership of Mr. McLain.

Orogea Music Explained Weekly

This is the first of a series of articles exploring the background and understanding of the music rendered in chapel.

One of this week's selections is "The Dance of the Banyan" (pronounced: ba-nen-der). A banyan is a female dancer, generally of India.

In addition to the above, the following selections were presented:

- Beautiful Savior, Christensen.
- Every Tongue Adores Thee, Bach.
- Torrents in Summer, Elgar.

The Student Council will meet on Thursday at 7:30, with Dean Wham presiding.

STUDENT SAYS "ROSE PINK AND DIRTY DRAB"
TITLE OF TENNEY'S WORK

In its latest issue, the Student Review published an article by Dr. Charles D. Tenney, a member of the English Department. Dr. Tenney's article is entitled "Rose Pink and Dirty Drab," and is a defense of an exquisite piece by George Meredith as a critic of the school. The chief concern of this article is not with Meredith's status as a critic, but rather with his final worth as a philosopher and critic of humanity. Dr. Tenney says, "He was able to keep his vision clear in spite of the world, but was not able to carry his philosophic enthusiasm and insight adequate to the problem." In sum, Dr. Tenney concludes, "Meredith was, as Chesterton put it, a Titan, not a plante."

Meredith was akin to them in vigor and genius with which he built up his whole world, and in the other hand, he was essentially absent of his age in that he was able to assimilate the modern world. It is not easy to think of his as a modernist, and the carping of his detractors, and the delightful of the final aesthetic combination."}

Zeets Hear Review of Thursday Evening

Virginia Cune’s review of Christopher Morley’s "Thursday Evening" was the outstanding number on the program of the Zeta Kappa, Wednesday, October 14. This play gives an excellent motto for married men. It is "Don’t run away with addicts." Harold Bailey sang "Many Happy Returns of the Day" and "Sometimes I’m Happy, Sometimes I’m Blue." With "Miss Kipling’s L’Envol" song in the opening scene, "I Don’t Know Why" and "O, Ain’t God Good!"

The president, Paul McRory, read for the opening poem, Kipling's L’Envol.

In the business meeting held after the program, plans for the next week were discussed and new members were voted into the society. A rule of the society this year provides that when three meetings in succession, he is to be automatically dropped.

**Alumni**

Helen Stiff spent the week end in St. Louis.

Mrs. J. H. Boos is visiting her daughter, Mrs. Paul Young, of Springfield, Illinois. Mrs. Young was formerly Miss Boos of this city.

Helen Kibrett, who teaches at Dowell, was a Carbondale visitor Friday.

Mary Marberry of Marion, visited her parents, Mr. and Mrs. W. L. Marberry, over the week end.

Margaret Hansen spent the week end visiting her parents, Mr. and Mrs. Thomas Hanson.

Helen Ruching was a St. Louis visitor Saturday.

Harry Lutz who teaches at Vienna, spent the week end in Carbondale.

Don Hauge spent Saturday and Sunday visiting his parents, Mr. and Mrs. Arthur Hage of this city.

Helen Nage, first grade teacher at Pocahontas, spent the week end in Carbondale visiting relatives and friends.

Carmen Dickson spent the week end in Carbondale.

Katie May Kerstine was a Herrin visitor Sunday.

Gusina Brewer of Willowville visited her parents over the week end.

Dorothy Farr spent Saturday in St. Louis.

---

**Delta Sigma Epsilon**

Word has been received from the National Council concerning the visit of Mrs. Orel see to Alpha Delta, the local chapter, from October 25 to 28.

Mrs. See is the national president of Delta Sigma Epsilon. In addition, she is president of the Association of Educational Sororities of which Delta Sigma Epsilon and Sigma Sigma Sigma are members.

Kathryn Cavelia was the guest of Elma Treib at her home in Belleville last week end.

Mrs. Manuel Smith of McLeansboro visited at the Delta Sig house Wednesday. Before her marriage last summer, Mrs. Smith was Jean Anderson.

The actives and pledges of Delta Sigma Epsilon who spent the week end at their homes are: Maureen Webb, West Frankfurt; Helen Crisp, Marion; Elma Treib and Rita Brown, Belleville; Helen Delling, Benton; Isabel Boyd, Kathryn Sloan, Audrey Roberts, McLeansboro; O’Gara Chance, Mounds; and Carolyn Shoemaker, St. Louis.

---

**High School Notes**

The senior class, at a recent meeting, unanimously elected Miss Frances Their spon sor for the year.

The junior class officers for the year are as follows: President, Charles Montgomery; vice president, Pauline Hoyle; secretary, Ellen Hooley; and treasurer, Lula Hughes. Mr. Logan was elected class sponsor and Anna Louise, Mary Sanders, and Harold Jones compose the social committee.

Mary Batson was elected high school editor of the Obelisk for this year.

---

**Faculty**

Mrs. Muzzy spent the week end in St. Louis.

Mrs. T. B. F. Smith and Mrs. W. A. Furr attended the play, “The School for Scandal,” in which Ethel Barrymore plays at the Shubert-Belle in St Louis, last week.

Miss Grace Hartley was hostess at a dinner last Thursday evening, complimentary to Miss Tillie Saltor, a former member of the S. I. N. U. faculty, who has been visiting Carbondale friends. Those present were: Mrs. H. J. Kenady, Miss Florence King, Miss Mary Crawford, Miss Lulu Roach, Miss Saltor and Misses Anna and Grace Hartley.

Mr. and Mrs. E. W. Reef, Miss Alene Carpenter, Miss Julia Johnson, and Miss Frances Barbour spent the week end in Iowa City, Iowa, where they were the guests of Mrs. Carpenter’s parents, and attended the home-coming of Iowa State University.

Mrs. Edward Barnes, who attends school at Ames, Iowa, spent the week end with her husband. Mrs. Barnes was formerly Miss Mary Louise Frye and a member of the S. I. N. U. faculty.

Miss Emma Bowyer and Miss Hilda Stein attended the football game in Charleston, Saturday.

---

**Tri Sigma**

Miss Sara Baker, faculty advisor, attended a grammati Seminar at St. Louis University last Saturday.

Juanita Richardson and Lucille Edgar, pledges spent last week end at their homes in Sparta.

Elizabeth Ann West spent the week end at her home in Carterville.

Nancy Felts and Betty Furr were in St. Louis last Saturday en sorority business. While there they attended a performance of Miss Ethel Barrymore in Sheridan’s “School for Scandal.”

Carolyn Granau attended the world series ball game in St. Louis, Saturday, October 10.

Mrs. C. W. Whiteley and small daughter, Mary Beth, were guests of Jane Rose Whiteley last Friday night.

Aloha, No. 1 Farm Sigma Sigma entertained at a tea dance Wednesday afternoon, October 14, at the chapter house. Margaret Hill, Margaret Kelly, and Marion Piller were hostesses. Music was furnished by Paul McGee.

RADIO'S FUTURE

The use of radio in education has long been the goal of psychologists and educators throughout the United States. Word has just been received from the National Advisory Committee on radio in education that beginning last Saturday the Council will sponsor a broadcast each Saturday evening. These programs will be devoted to lectures on psychology and economics. The introductory address was given Saturday by Nicholas Murray Butler. Each Saturday for thirty weeks nationally known figures in the fields of economics and psychology will address students through the medium of the radio. The broadcast period covers the half-hour from 7:30 to 8 p.m. Central Standard Time. Pamphlets covering the entire series of lectures in brief are being printed and released by the University of Chicago Press.

There is no doubt that should this trial of radio be successful one of the greatest forward steps of the last quarter century will have been taken. Radio as a medium of instruction offers the greatest opportunity for reaching masses. Unlike correspondence it does not eliminate the appeal of the human voice.

Parent-teacher organizations, state superintendents, labor organizations, and other large groups are boosting this latest move in education.

BACK TO CONVENTION

History repeats itself indeed. Once again the old order hath changed. No more can sophisticated students prey on the ignorance (?) of unsuspecting row monitors.

In the past, now sadly alluded to as the "palmy days," certain students took advantage of the fact that their row monitors did not know the significance of the chapel roll cards. They wantonly absent themselves from chapel, knowing that their monitor believed the roll call card to be merely a formality. Little did he suspect that it should record all absences.

Now that the warning has been sounded, absences undoubtedly will be as scarce as water wings in the Sahara. Monitors will take a childish glee in their revenge of recording the absences of those who nefariously took advantage of their ignorance.

Simultaneously with the fall of the leaves of autumn has occurred the fall of the blade that has severed the infamous career of those who had a thirty or more chapel attendance.

Surely no one would absent himself from chapel, or from a class, merely to loaf. The chapel exercises are enjoyable, and if one does not attend them in a frivolous mood he will find them so.

Let's have as near 100% chapel attendance as possible.

WELL

Why is it that the Pan-Hellenic, supposedly representative of all Greek organizations, has not invited members of the Mu Psi Phi to sit with the council? How is it that equality of the sororities is not enforced? Can it be that this new organization has no real power?

Pan-Hellenic Associations are usually very important to the individual inasmuch as they have a direct bearing on student affairs. Thus they should be alert and at least ready to see that Greek clubs exercise equality in their own government. Neither should they dissemble the fact concerning the formation of a new fraternity on the campus. Journalists feel that they have either been slighted by this new organization or that the association is not truly representative of its function.

-Merivick, Tonawanda, Okla.

went over to the gym with some of the girls. We were out early, too, and there would have been plenty of room to go over to the Cafe. Tuesday I was feeling a little sore and decided if she didn't want to go to the Cafe with me, she didn't have to be too onerous. You can imagine how funny I felt when she walked in with a boy from her home town. We have went to the library, she said she was going, but she said and read the Egypti-

ian until some of her good girl friends came up and they began talking about what they were going to wear to some kind of a bridge party. • • •

—girls, but somehow she seemed to be different. Then Thursday we went to the library and studied American History. I couldn't keep from noticing that no one was in the hall or who she didn't look at. She went home the same night and didn't come back until Monday morning, with another funning. The usually comes back in time for date on Sunday night. What do you suppose is the matter with her? I know my imagination all stirred up, and that makes you notice every little thing that happens. I saw you together Tuesday night and you seemed to be having a jolly time. You didn't think about that, did you? As for not going to the Cafe on Monday, that's a small matter. And how do you know she didn't wish you for Tuesday? I hope you are not one of those boys who have the idea that girls can't have a good time unless men are present (although I hardly see how they'd be expected to). That's a very wrong notion, Jim. What do you do on your dates? If you made them more enjoyable, maybe she'd be more responsive to you. Anyway, don't worry. You can never do think she has her eye on another fellow, try a bit of the same thing. I know an awfully cute St. Louis girl who wouldn't be the least bit unresponsive to you. I hope you'll let me know how this turns out. Yours truly, THE SPHINX.
PANTHERS VICTIM OF TEACHER’S FOURTEENTH WIN

HOME-COMING SCENE OF BEARCAT BATTLE

SOUTHERN TEACHERS EKE OUT 6-0 VICTORY OVER E. I. PANTHERS

Faculty Members

as Human Beings

Dr. Tenney

Dr. Tenney is one of our new members on the faculty and consequently little known by the students. The Egyptian takes this opportunity of introducing him.

Dr. Tenney played baseball and basketball in school and is very fond of these sports. After every afternoon he and Dr. Crisler play back in on the school court.

His real hobby, however, is books. Just any kind of books and the interesting fact is that he doesn’t care whether he reads them or not — just likes to buy them and handle them.

Dr. Tenney has one book that dates back to the sixteenth century. He admits that he doesn’t know anything about art or music but appreciates a building and architecture very interesting. Here is a warning to his students — Dr. Tenney’s pet aversions are fish, the smell of fish, and people who are obviously untidy and inefficient. Possibly said students should not take the latter very seriously.

When asked about his favorite dishes, he admitted a childish fondness for hot dogs and watermelon — and the reason for both is that he loves the taste of them and doesn’t care for fish. As for pets — “I don’t like dogs, because they are stupid. But I do like cats. Cats are dignified — no matter what situation they are in, they never lose their dignity.”

For a major in English with a thesis concerned with Shakespearean drama, his ideas of the subject are interesting. “My feeling toward Charles Farrow, Janet Gaynor, and such screen stars amounts almost to idolatry. Really like the English actors better — they are more restrained. Both Colman and Daniil Markov, two of my favorites, are just the sort of actors I like.”

If George Bancroft’s picture is always right and not misunderstood, I suppose George Bancroft will say that he always think of him in connection with the stage rather than with the screen. I think the literature of the German is interesting, but I don’t care for drama on the stage, particularly. I would rather have my plays within the bounds of a book. It seems to me one can imagine the plays much more adequately than they can be imagined.

Thank you, Dr. Tenney.

Southern Teachers clean and kept it in a tie for the leadership of the Little Nineteen conference.

SOUTHERN TO FACE McKENDREE AT LEBANON NEXT SATURDAY AFTERNOON

FORAGING WITH FRENCHY

Fourteen.

Was das eine Hut? Is deen a haba? Sacrebleu! Eet mois be such!

The boys have only one regret after the Charleston game — Canada developed a “Red Male” complex — and persisted in throwing the express on the floor.

No question about that game being the best of the year from the Maroon standpoint. Experts agree that had Carbonlde played as it did against Mt. Morris it would have been decidely thrashed.

Now those drug store counter-clerks who argue as to the merits of this year’s team and last year’s squad may draw a final conclusion. Last year we beat Charleston 2-0.

And the biggest factor in raising the value of the squad’s stock is that scene wall line.

As old Friesel Wolf would have it, that’s the fourteenth “sucessive” win.

Latest Win: Back When According to Help? Can you remember way back when we lost?

Holder seems to possess some quality in which the opposition has a pet aversion to, but which said opposition can do nothing about.

Well, I’ll have bananas.

Monday’s Performances.

Down town where saw big photo-discussing merits of Maroons. Maroons interesting as to the crowd and enterprising in their efforts. To the contrary there was bound to be the usual fanfare of drummer boys and cannon fire.

THIRTY-ONE FACULTY MEMBERS, 113 STUDENTS IN PRACTICE WORK (Continued from Page One.)

the student to his practice work. A rather higher scholastic standard is maintained. Three-fourths of a student's grades must be "C" or better. He must also have thirty-two college credits, including two in education. In only rare cases does a supervising teacher have more than eight studio teachers at a time, and in no case does a supervisor have two classes to supervise during one term. The supervising teacher teaches each class at the average of twice a week herself, thus assuring that the pupil will be well taught.

While the student teacher is doing his practice teaching, he is rated each six weeks by his critic and each twelve campus and provides teaching the faculty who devote full time to the teaching. The number of his practice teaching, and one-half of their time to the practice week. The average of twice a week under a supervisor of the faculty work in the training school system really two units, the senior high school, grades 10-12, with nearly a hundred enrolled, is located on the campus and provides teaching facilities for those in the four-year course. The next of these units, the Alliy School, grades 1-9, with an enrollment of nearly 200, consists of an elementary section of six grades and a Junior High School section of three grades. In the latter practice training is also given for four-year course students. There are now eighty-two teachers, in placements work of the men of nearly 200, located in the vicinity of the college. These furnish training facilities for the two-year students who are preparing to teach in the college. There are now eighty-two senior college and one hundred twelve junior college students enrolled in student teaching. The number of applications already received and filed for the winter term indicates that there will be nearly fifty per cent more students taking practice work.

Pan Association to Meet Each Thursday

The Pan-Hellenic Association of the Southern Illinois Normal University held a call meeting at 4:15 Tuesday afternoon, October 12. At this meeting it was voted to hold the regular meeting of the Association at 4:15 on the first Thursday afternoon in each month during the school year. Call meetings will take care of any immediate business between regular meetings.

real three romanticisms, one false, fantastic, kaleidoscopic: a strained and hypocritical smoothing over; the other truly imaginative and ideal: a spontaneous heightening of reality. There are two realities, one exaggerated, nasty-minded, and blind, the other in and of nature. In literature Meredith held to the last method as best. Even true romanticism must be used only when reality presents itself in a sublimity for which the words and thoughts of angels are the necessary expression." Dr. Tenney's intensive training in philosophy, as well as his work in English literature, has given his excellent equipment for explaining Meredith to an age that has neglected one of the great Victorian intellectuals because of his intellectual obscurity and possibly because he was a Victorian.

Dean Thomas Benner Speaks to School Men

Dean Thomas E. Benner of the University of Illinois spoke to a group of Southern Illinois school men in Carbondale, Friday evening, October 15. About thirty principal and teachers of the state met at the Baptist Annex for a "Get-Together" dinner. In addition to Dean Benner, President Shryock also spoke to the gathering. The group discussed the school problems of today.

THE EGYPTIAN

ARTICLE BY DR. CHARLES D. TENNEY PRINTED IN THE BREEZEWAY REVIEW (Continued from Page One.)

real three romanticisms, one false, fantastic, kaleidoscopic: a strained and hypocritical smoothing over; the other truly imaginative and ideal: a spontaneous heightening of reality. There are two realities, one exaggerated, nasty-minded, and blind, the other in and of nature. In literature Meredith held to the last method as best. Even true romanticism must be used only when reality presents itself in a sublimity for which the words and thoughts of angels are the necessary expression." Dr. Tenney's intensive training in philosophy, as well as his work in English literature, has given his excellent equipment for explaining Meredith to an age that has neglected one of the great Victorian intellectuals because of his intellectual obscurity and possibly because he was a Victorian.

Dean Thomas Benner Speaks to School Men

Dean Thomas E. Benner of the University of Illinois spoke to a group of Southern Illinois school men in Carbondale, Friday evening, October 15. About thirty principal and teachers of the state met at the Baptist Annex for a "Get-Together" dinner. In addition to Dean Benner, President Shryock also spoke to the gathering. The group discussed the school problems of today.

SUNDAY: November 15

NATIONAL SECRETARY'S DAY

DR. EDWARD E. EDMONDSON

Eyes, Ear, Nose and Throat

HAY FEVER, ASTHMA

Phone 216
