ZETETS STAGE ONE OF THE BEST PLAYSTHISSEASON

Murphy's Football Champs Win Another Game

Another Game—Over One-third of School Entertained by the Society

Last Friday night was the occasion of the Zetetic Society shinning forth with renewed brilliancy. The Society have presented this year some excellent programs consisting of talented music of various kinds, plays that dealt with Japan, with South Sea Islands, and many other subjects. A good attendance is always made to any of these performances, but last Friday evening by actual count over three hundred and fifty students were entertained by what has been since pronounced by many as the hit of the season.

This play, "The Poor Married Man," was coached by Gladys Bradley, is a play of about two hours in length. It is not a usual thing to have plays as long as that presented on the society stages. We know that a play is always successful with Miss Bradley as coach but we hadn't expected the treat we did witness. Miss Bradley also had one of the leading parts of the play, being the mother-in-law. We feel like saying that she makes a wonderful mother-in-law in play that may not be just quite a compliment if mother-in-laws are as ferocious as they were pictured to be in the play. Corom Walker took the part of poor married man. We are sure he has gained from this play some valuable experience in how to handle mother-in-laws and wives, etc. He certainly did his part well, especially in politely refusing any lobster salad. But where did he learn to act as he did as the result of toothache medicine? Grace Eagleson was the pretty wife of the first part—first part of the play. She doesn't look at all like a person who has married all the men in the telephone book and then fed them all on lobster salad. She looks more as though we think the husband ought to have rejoiced to have such a pretty little wife. But he evidently didn't for as soon as he got the chance he married some one else. The same one else was Agnes Lents. We were glad that the professor at least found one who

Murphysboro's 1922 Southern Illinois football champions surely intend to have another brilliant season this year. With five of last year's Maroons in line the Noge opened spring practice against U. High last Saturday night in the Normal Gym and won by a score of 12-15. With their old motto of "hit 'em hard and when you get a man take him down on the lips" they plunged into the game and after a bitter struggle succeeded in ending the game three points to the good.

Murphy's weight and experience won from the U. High in a game that could have been better played on the gridiron.

The High's "air tight" defense was crushed back by the fierce line plugging of French and Isom and rang up six points (a touchdown) before the U. High realized what kind of a game was going to be played. Then we began to give all and more given what we took and chased Murphy's offense and when they were wondering where we learned to play football we worked through them for 4 points. Then couldn't get satisfied with being rough so they go rougher and were promptly foiled with what long--slow. The quarter both teams mutuallyecided to rest up and recessed to long range shots and we gained one point on them in this and the half ended a tie. For some reason no one could explain there was a bell during third quarter but U. High scored four points to Murphy's one. The fourth quarter was all action. Murphy'sboro played a better floor game than quarter in spite of her size and weight—that is, they were on the floor most of the time.

This cost us five points on free throws and then the game ended with the M. T. H. S. points in the lead.

We had used a little discretion the last quarter we could have won easily but—well we didn't. Hahemelhi of Murphy and Capt. Hickey of U. High led the scoring with 6 points each and Isom and Meffert each made four points. U. High lineup was: Hickey, Meffert, forwards; Bridges, Brimm and White, center; Renfro and Loy, guards. Murphy'sboro's lineup was: Johnson, Hahemelhi and Shoeb

Maroons Humble Charleston in Fast Contest 21-17

Defeat Ancient Enemies for Second Time This Season—Seniors Kid Faculty Into Defeat in Feature Preliminary

The Normal Whizzes wound up their season of '23 last Friday night when they defeated the speedy Charleston quintet on the Normal Court. The game was closely contested and was played by Coach McAndrews of the Normal refereed and Coach Lantz umpired. Clark of Mt. Vernon was engaged to referee but failed to show up.

The strong defensive work of both teams featured the play, and consequently limited the attack of both for the most part of long shots from near the center of the court. Charleston men played a five man defensive that thwarted the Whizzes attempts to work under the basket for dummy shots. The Normal's defense was equally strong. Allen was back in the harness again and Carter was playing his regular position. Both men started with their brilliant defensive tactics. Towels was the scoring star for the Charleston five, gathering a total of 11 points from five field goals and one free throw, Greathez accounted for the remainder of the scores with three field goals.

The Whizzes led the scoring for the Maroons, puncturing the hoop for a total of 13 points, caging six field goals and one free throw. Brooks and Chance, each rang up two field goals.

The upstaters took a lead in the first quarter when they scored on Brooks foul. The Normal's team work stood out consistently, while Charleston staked with their man defense. Towels boosted the visitors' score with a field goal, netted from close under the basket. From this point the Whizzes took mastery of the situation and gaining a lead were never headed by the Northern loopers. Slats tossed one in, and Brooks repeated the act. Slats again got in the clear for the soul and the Whizzes were off with 6-3 score standing in their favor. Charleston took time out, to stop the offensive. Valentine again dropped the sphere through the lace for an additional marker. Greatheze and Towles scored for Charleston, giving the teams a standing of 87. Chance scored...

G. A. A. "TACKY-BACKWARD PARTY"

Last Wednesday evening a most grotesque crowd of girls met at the Gym. Such costumes were worn that have never been decreed by Game Fashion and the girls who wore them never have been recognized as the same calm, studious, young ladies that we usually see about the campus. It is even rumored that these girls in their "outlandish" costumes went over to the Stumble Inn and really frightened some of the fellows there and that the boys have never quite recovered from this shock.

At any rate we met for a good time but, alas, the gym doors were locked and the night watchman couldn't be found. After some time and a lot of persuasion on our part he was finally made to believe that we were harmless and so emerged from his hiding place and let us into the gym.

The organizer of the G. A. A. at S. I. N. U., and formerly a member of the faculty, Mrs. C. B. Gunn, was the guest of honor. After all had arrived the committee in charge served refreshments and being a very elaborate affair, it was served in courses as follows:

First course—Toothpicks.
Second course—Crackers.

Third course—Spoons.
Fourth course—Wafers.
Fifth course—Ice cream.
Sixth course—Napkins.

After refreshments a short program was given as follows:

Vocal solo. ............................... Opal Douglass
Reading ................................... Barrett Magvia
Reading ................................... Ruth Landheer
Reading ................................... Sarah Carter

"The stunts were great, but space does not allow it to be told here.

Next, was the game—and such a time!! Frances Goetsman learned that high heels are very inappropriate for G. A. A. party games. While the games were in progress, mournful music was heard and to our horror we saw six pall-bearers coming into the gym, carrying an imitation coffin. The "coffin" was placed in front of Mrs. Gunn. After a short talk by our president the coffin was unveiled and found to be a beautiful oil painting which was presented to Mrs. Gunn on behalf of the service and help she has given the Association. The picture was painted by Mrs. Herbert Patterson's sister, who resides at Rock Ford, Colorado.

Shortly afterwards everyone greeted everybody else as though they had just seen them (in backward fashion) and then all departed, having enjoyed themselves immensely.

Janette Burr has been confined to her room on account of a touch of the grip.

WHAT DO YOU RADIATE?

"There are lots of good things in this old world of ours, There's plenty of sunshine comes in twist the showers; Old Earth, isn't stingy and Heaven's liberal too, And they pay us prompt for whatever they do. But I like to sort out the good things of earth And mark them and tag them for just what they're worth. And in my estimation, the world's greatest boon— The best of them all is—the man that's in tune."

In other words, the man who radiates perfect harmony with his fellowmen and with his God. Sometimes we speak of a person being discordant; out of tune with life's melody and harmony. Such a person radiates only pessimism, jealousy, hate. Life has no unexpected little thrills; no daily joys and pleasures, is your life like that? And do you radiate only discontent and unhappiness?

Or, does your presence show a glow of gladness on all those around you? Do you continually radiate joyful living, purposeful living, fruitful living? Instead of pessimism, hopefulness; instead of jealousy, helpfulness; instead of hate, love. If so you are in tune; and you will inspire others to wade right out of the mine of selfishness into the bright and shining path of love.

When a man feels the wonder and beauty of the presence of God in his fellowmen; in the glow of an evening sky, in the song of a bird, in the sparkle of water; in the blossoming of a flower; in the smile of a little child—he strives to express this feeling in high ideals which in turn color every word and action so that he at least attains that oneness of life which radiates only love, faith, truth and contentment. Does your life radiate these things?

The following classic epic was written by a young, modest poet of the school in the year 1821 in an outburst of indignation and poetic feeling roused by a circumstance similar to the one that causes us to reprint it on this memorable Friday, 1923. This poem seems to have so affected the minds of those who were primarily concerned in the horrible occurrence that they stopped their shameless action and the modest young poet again lived in peace of mind and spirit and he will now be found in the top of the Senior College Class:

The night of a glorious sun, ..

CLASSIFICATION
A number of students have put a very important question before their representatives of the Students' Council, and this question is under discussion in that body at the present time.

It has been recommended that all students be classified according to the regular college classification. For instance the High School graduates entering here would be classified as college freshmen. Normal Seniors, as Sophomores, Juniors of Senior College, etc.

To some it seems inconsistent, or to say the least, unsound, to explain how or why we have two Junior classes and two Senior classes.

It is not the intention of this paper to say yes or no to this question but to tell the students it is under consideration. If you have any particular interest in the subject see your representative or you might give us a line for or against the paper.

SOME FOLKS ARE A SIGHT

Is America progressing? Some people affirm that it is. That the people from the rural districts are not so backward as they were a few years ago. That the people are much better able to catch on to the ways of the city than they were in the past.

Owing to the fact that Coach M. Andrews had heard these statements so much he permitted the team to return from McKendree by way of St. Louis.

As they were getting ready to return they were startled to see a youth with a modest, gentle and kind face, in fact he reminded them of a dove on a nest, approach the show window in order to buy a railroad ticket.

When this youth turned around they were more surprised to see that he was one of their number, namely the mighty guard, Ed Carter.

Were you at Y. W. last Tuesday—That's a good joke on you if you weren't.

The program was good.

There isn't the regular meeting this Tuesday but Thursday Miss Pierce will offer something pretty, interesting and really worth while—Come!

GIRLS' BASKET BALL GAMES

The Fight and Battle is on. Since first week of February a number of class tournament basketball games have been played by the girls, each girls playing her best for her class and team. In case of any insouciant person who wishes to know these games are played every Wednesday and Friday from eighth to outh and two games are played each of these two days.

The first games of the season were played February 7th, the 1st and 4th years and the 2nd vs. 3rd year. In the former game the score was 12-5 in favor of the 4th year, but the Freshmen have an unusually good team. From the present outlook Madelyn Scott. Wof, Stevenson and Irene Sturm will become the future basketball champions. The 3rd year team left with the prize bacon in their game with the 2nd year, beating them 12 to 0.

The following the 6th vs. 3rd and 1st vs. 2nd played. Two of the strongest teams this year Juniors and 3rd, fought a hard battle for the much coveted larger number of the score, but when the game ended the score was tied. The second year in their game W6s the Freshmen seemed to have a lead on them and were unable to get out enough of their players for a team. They were allowed to put in substitutes from other teams and a short defeat game was played, but finally was forced to the Freshmen with a score of 2 to 0 in their favor.

On Valentine's Day the 1st and 3rd and 5th and 6th played. The 3rd year, with their star player, "Skinny Boston," proved victorious with a score of 17 to 8. A surprise came to the 4th year team when they beat the Juniors 13-0. The game was disastrous in that the Freshmen seemed to have been thoroughly and much cred's must be given "Bob" McCarthy, who made twelve of the fifteen points in the winning score.

The following Tuesday the Seniors played the 2nd year and Juniors and the Freshmen clashed. Ruby W6s, a member of the 12 all-star team, was easily one of the best centers again this year. Of course the mighty Seniors beat the 2nd year and the Juniors left the Freshmen with the small end of the score 18-3.

Be loyal to your class team and come out and yell for them when they play.

We are sorry to say Alberta Nelson has been sick for the past two weeks. While her illness was not of a serious nature it was thought best to have her leave school for awhile. She is with her parents in Mounds but we are hopeful of having her with us at an early date.
NORMAL BREAKS EVEN WITH CAPE AT CAPE

The Maroons divided honors with the Cape Girardeau quintet at Cape Feb. 9 and 10, when they dropped the first encounter on Friday night 26-19.
The second game was a thriller and the Normal by dint of super-human effort nosed out the Missourians 20-19.

This was the first time that Cape had been defeated on their own floor since 1917, when the Normal quintet of that day defeated them. Splitting the honors at Cape gave the Normal a seasonal record of three games to one over the Missouri pedagogs, having won the two-game series played here earlier in the term.

FROM CHARLESTON

The Teachers College at Charleston enjoyed a breathing spell last Thursday when they were dismissed for the whole day. We enjoyed one-half of a breathing spell.

U. I. TO BATTLE PINCKNEYVILLE IN INITIAL TILT OF THE DISTRICT TOURNAMENT

The University High quintet drew the fast Pinckneyville Five for their first game of the tournament to be held at Murphysboro, Thursday, Friday and Saturday. The Sycamores will not have to play until Friday afternoon at 4 o'clock. The Community High drew Dongola for the second game of the contest.

The University's prospects for going to the finals are not as bright as they might be. Unfortunately they are pitted against a team in the championship jousts, that has twice defeated Murphysboro. Pinckneyville has a strong team and is fast, but the University may hope for a victory if they will open up with a real brand of basketball. Should the U. I. defeat Pinckneyville they will go against either Anna or Cairo and a victory there would put them on a greased path to the finals.

No one team seems to have the championship clinched, as the teams are nearly equally matched, and surprises may be looked for. Marion is the logical winner, judging from her wins, but Murphysboro has a strong team and is fast, and has also twice defeated Murphysboro. Pinckneyville has a strong team and is fast, but the University may hope for a victory if they will open up with a real brand of basketball. Should the U. No one team seems to have the championship clinched, as the teams are nearly equally matched, and surprises may be looked for. Marion is the logical winner, judging from her season's record. However the U. I. all but defeated Marion on the Normal court and may leave the "all but" off if they should progress to the finals against the district champions at Murphysboro. Carterville and Murphy hook up in the second game and a hot battle is expected. Either of these teams are capable of going to the finals and the result of the play-off between the two will have considerable bearing on the final results.

Community HI stands excellent chances of going to the finals but it doubtful if she will get past her game there.

Judging from records and general opinion, the dope has it that Marion should play Pinckneyville in the finals. But it must be remembered that Murphysboro, Carterville and University HI are all formidable teams and may spring some surprises.

The schedule for the tournament is as follows:

Thursday Evening

8 p.m. — Carbondale Community vs. Dongola
9:15 p.m. — Murphysboro vs. Carterville

Friday Morning

FIELD SECRETARY TO VISIT Y. C. A.

Miss Florence M. Pierce, Student Field Secretary of the Y. W. C. A. will be here March 1, 2, 3 and 4, conducting a Training Council for the New Cabinet, which has just been chosen. In addition to the regular council special meetings will be held for all the members on Thursday and Friday afternoons at 3:30. After the meeting on Thursday, which will take the place of the regular Tuesday meeting, there will be a social hour and all girls are cordially invited. Miss Pierce will have very interesting and important things to talk with us about and we are sure that all the girls will greatly enjoy meeting her.

NOTES FROM LAST ISSUE

After reading the article entitled "A Roommate Farce" we are reminded of the Indian who cut a piece off the bottom of his blanket and sewed it on the top in order to make it long enough. We see the Socratic banquet article mentioned the hundred odd Socratics who gathered. We knew some of them were odd but we didn't know a hundred of them were.

Professors Wham and Pierce have been forced to miss a few days of school on account of illness.

Dear Aunt Min:

Why did the "Forum" change their meetings from Monday night until Sat­

suggest that you look around and see
some others of the girls in your class­
ese. For all you know there may be
some who are just finding away in sad­
ness and loneliness because you won't
look at them. Yes I know you are good
looking and why not try to be friendli­
ly with say, for instance, Mabel
Brown. She's a real good looking girl
and friendly. And there's Grace W. I'm
sure she likes you too. And Lu
cile Parrish. Forget about A. M., if
she spurns your love for these there
others and then report to us your
success.

AUNT MIN.

DEAR AUNT MIN:

Why did the "Forum" change their meetings from Monday night until Sat­
day morning? Is it because they are
afraid we won't be sociable?

HOPEFULLY ILLINA.

Dear Illinae Gills:

Don't be too hard on the Forum for it isn't their fault but they
many
are married and their
hair
is too brittle to let them out nights.

AUNT MIN.

Dear Aunt Min:

Dear Aunt Min, I am well and hope you are
the
same. Well I think I would
ask for some advise. I, as ye already
know went with A. M. but she is
for a spell of rest as far as I am con­
cerned so I want to know what ye
would do about it. I am good looking
and have a little dough. If my gals
are out for a young gent kindly let me
know thru the paper.

Yours, most respectful,

KENNETH MASSEY.

Dear Kenna:

We sincerely sympathize with you
but maybe A. M. has gotten over her
spell of rest now. If not I would
suggest that you look around and see
some others of the girls in your class­
ese. For all you know there may be

Inferior goods are never cheap! No matter what they cost, they prove expensive in the long run. On the other hand, good merchandise is never expensive, if it is sold at a reasonable price.

The merchandise sold at this store is up to the highest standard of quality. We do not handle "cheap" goods, though our prices on good merchandise are never high.
