Paging Mrs. Deer!

Who is Mrs. Deer? Why, haven’t you heard her the last of the ‘huh, huh, huh’ crowd? She has been the prettiest little fairy of the woods since the first day of last December. The story of her adventures has been kept alive for months by the stories of the children who have met her on the trails of the Fields of the Fog. The last week she was seen in the Fields of the Fog. The children were sure that she had disappeared, and there was great disappointment among the children who had been watching her for months.

The old lady was taken by Mr. Stark again on Monday and put in a box for safe keeping. She has been taken to the State Fair where she is now being cared for by Mr. and Mrs. Stark.

Mrs. Deer, you are sure to feel bad about this, but you have been too much fun to keep hidden away. You will be missed by everyone who has known you, but you will be happy in the box where you can’t bother anyone else.

The children are all very upset about this, but they know that they will have to let Mrs. Deer in peace. They promise to come and visit her whenever she is in the box, and they hope that she will get well soon.

Mrs. Deer, don’t forget us! We love you and we will come to see you whenever you are well again.
