The Editors

Mr. Robin: Did you ever hear this saying before?

Mr. Burns: No, never.

Mr. Robin: Well, then, I think it's a good idea to put it on the bulletin board. It's very apt in this situation.

Mr. Burns: Thank you.

Mr. Robin: It's a saying that says, "Where there is smoke, there is fire." In other words, if we see something suspicious, we should report it to the authorities.

Mr. Burns: I see. Thank you for the reminder.

Mr. Robin: Of course, we should also be careful not to jump to conclusions. Sometimes, things are not as they seem.

Mr. Burns: That's true. Thank you for your advice.

Mr. Robin: You're welcome.

Letters to the Editor

Dear Editor:

Many of our students believe that the Student Council should have a greater say in the decision-making process of the university. They argue that since the Student Council is elected by the students, it should have more power over the university's policies.

I agree with this viewpoint. The Student Council should be more involved in the decision-making process. They are the ones who are directly affected by the policies, and they should have a say in how those policies are made.

Sincerely,

The majority of our students believe that the university should adopt an I.S.A. platform. The I.S.A. platform would provide students with a voice in the decision-making process and ensure that their concerns are heard.

Sincerely,

The seven-year-old pet of a radio comic... -- The Egyptian

"That's the end of our romance," he sighed, handing the pet to his brother. "I've always had a special place in my heart for the dog, but now I must let him find a new home."

"I understand," replied his brother. "But I'm sure there will be someone who will cherish him as much as you did."

"Thank you," he said, giving his brother a hug. "I'm sorry it had to end this way, but I think it's best for him to find a new home."

Second Grudge Game To Be Played Between Rookies And Old-Timers Tuesday

Experience versus youth will be the topic of the game, which is where the "old timers" will play a grudge game against the "rookies". The game will be played at noon at the university stadium. The NEA men gave the winner of the previous match a small trophy while the PDA student was named "Mr. Football".

Bob Korsch of the NEA was voted as the highest-scoring player with 17 points, but he received an official warning from Coach-on-the-field Leonard and was not allowed to play. Korsch radial of the NEA's winning team were Dave da Cal, Kevin Rudolph, and Leslie Shuggs.

The game will be played in two halves of 30 minutes each, with 10-minute halts. The NEA will receive the kickoff on both halves.
