Music Under the Stars To Feature More Than 2,000 Area Musicians

"Music Under the Stars," a galaxy of more than 2,000 Southern Illinois music students. will be presented in the second stadium tomorrow night at 7:30, under supervision of Floyd W. Wakeland, associate professor of music at Southern.

Later the student violin at Milan and Prague, and spent several years in concert work and as soloist upon her return to the United States. At present she is a music critic for St. Louis, Chicago and other mid-western newspapers.

SOUTHERN ALUM Mrs. Harriett Taylor, who has distinguished herself in concerts here as a vocalist, will be featured student of the honors college. In evidence of her versatility by playing two violin solos, accompanied by Mr. Hunter.

While student at Southern, Mrs. Taylor played with the orchestra and sang in both the capella choir and Madrigal. Upon graduation she has taken seven years—an the university on a part-time basis for three. She is currently a student in the Southern Illinois Symphony orchestra.

The Southern Illinois Symphony orchestra will play the overture to "Oberon," by Weber, and the tone poem "Finnland," by Sibelius, un conducted by Music at the 1951 International Fair. In 1933 he became director of elementary school instrumental music and has since introduced thousands of Herrin students to their first experience in formal music.

FOLLOWING the orchestra, a massed Madrigal group of 100 singers dressed in Elizabethan costumes will sing three numbers, including "Now is the Month of Maying," "Rest on Sweet Nymph," "Dillingham," and "Three Delightful Pensive Groves," by Purcell.

The honored soloist of the evening, Miss Helen Spann, is a native of Herrin, who has appeared on radio, television, in operas, and in movies. Miss Spann has been hailed by critics as one of the most versatile of America's young artists. She appeared on a program over NBC for two years, has sung in the Studio in New York and Los Angeles, and was the singing (continued on page 3)

New Orleans Painter To Have Exhibit Here Representative works of Leon Delacroix, talented young New Orleans painter, will be exhibited here at Southern for two weeks beginning Sunday in the artist's first major show outside his home state.

The exhibition in the art gallery of Old Main building will include 22 oils and about 15 sketches.

Fleisch's paintings are versatile, offering a wide range of form and color, but the artist's motives are consistent. He paints only for religious themes and there is an element of tragedy in all of them, either expressed frankly or inferred with subtlety.

Burnett Shryock, chairman of the art department, engineered the show here. He was director of the New Orleans Academy of Art a few years ago when Fleisch was on the art teaching faculty.

Fleisch will be on campus during part of the exhibit and will give lectures to art students.

TO BROADCAST RECORDINGS OF SYMPHONY ORCHESTRA

Recordings of the Southern Illinois Symphony orchestra made at a concert on March 21 will be broadcast over station WILL, Suay day at 3 p.m. standard time.

The concert to be broadcast was the one which featured "Peter and the Wolf" with Dr. Robert Foner of the English department as narrator. The same concert was broadcast over the same station yesterday at 1 p.m.
No Affidavit Required

Nominations for Student Council members and for homecoming chairman, will be held Tuesday, May 15.

Don't just say, "I'll wait until the last minute," because everyone always gets nominated anyhow. In the past, some really promising prospects have been cut off in the nominations because they received eight or nine votes, instead of the required ten—because some would-be voters took it for granted that their candidate would be nominated without any personal help from them.

However, don't you even have to sign an affidavit swearing that you are a Carbondale resident. You just have to have your activity ticket with you.

Better check page 1 of this issue for requirements of candidates for nomination.

ALSO IN CONNECTION with voting, another problem always arises—the problem of which class in which to vote.

The answer is: If you are a freshman now, but will be a sophomore next fall or junior, vote for sophomore student council members. (Don't worry about next year's freshmen representatives, They will be chosen next fall by the personal deans from the new freshmen.) If you are a sophomore now, but will be a junior next fall or winter, vote for junior representatives. If you are a junior, but will be a senior next fall or winter, or if you are now a senior who will be back in school next year, vote for senior class representatives.

If you are graduating student, don't vote. Period. Just accept our congratulations for a successful struggle. V. M. M.

voice of Linda Darnell in the movie, “Everybody Does It.”

Miss Spann will also be accompanied by her grandniece, who will sing “Un Bel Di Vederamo,” from “Madame Butterfly,” by Puccini; “When I Was a Window,” an Appalachian folk song; “I Misunderstood” by Niles; and “Love Went A-Riding” by Bridge.

THE ELEMENTARY chorus was the largest of the groups and for the festival performance were selected from the top 20 percent in the respective organizations in the area schools. From these lists, a group of 1,000 singers from elementary schools (fifth to eighth grades), and elementary bands and 210 high school bandmen were assembled.

Mrs. Glen Morris will direct the elementary band: First as a teacher of piano and later in the public schools, Mrs. Morris has been teaching music for 30 years. She has served as director of instrumental music in the Carbon Hill area for 20 years, and is chairman of the southern district of the Illinois Grade School Band Association. The elementary chorus will sing “Bless This House,” by Brahms; “Sleeping Beauty,” by Tschaikovsky; and “The Star-Spangled Banner,” directed by Mrs. Mary Swindell, who has devoted herself to public education and is the present director of vocal music in the Carbon Hill elementary schools, she has more than 100 students in four schools under her supervision. She also directs an elementary school choir of 125 voices, a junior high school choir of 76 voices, and junior high school boys choir of 40 voices. As this year’s program is a high school vocal association, she made arrangements for the annual festival and concert.

Mrs. Swindell and Wake-land will conduct a combined element­ary, junior, senior, and band men’s chorus, including “Snow White Fantasy,” arranged by Wilson; “List the Cherubic Hosts,” Gould; and “The Lord Bless You and Keep You,” edited by Mr. W. Spann. This will be followed by two dances: “The Spanish Circle” and “Blow the Man Down,” a folk dance group, under direction of Miss Roberta Wheeler.

Under the direction of John W. Spann, the high school choir will sing “A New World,” Savino; “15th Psalm,” Lewandowski; and “Sleeping Beauty” by W. Schοen. Schοen has been contributing to Southern Illinois music since 1932, following his graduation from Hinsburg high school as director of vocal music, he was director and supervisor of public school music work in the area, and at the same time he sang leading tenor roles in productions of “Faust,” “Bartered Bride,” “Martha,” and several other operas as well as operettas. During the war he directed military choirs for both Catholic and Protestant churches, and supervised his entertainment for the service men, including USO activities.

THE HIGH SCHOOL band will sing “The Drinking Song” of Theodore Paschen, who has played an important role in Southern Illinois music since 1930. He organized many of the bands which have become some of the finest in the state, including organ­izations in Southern Illinois, near Vinton, Benton, Du Quoin, and Golconda.

Miss Spann began her career at W. Frankfurt in 1931 and is still serving as director of instrumental music there. He has also served as principal of several schools, and is director of the University Band and Advanced Bands, and has been a member of several state organizations.

Jim Alexander, Track's Versatile Point-Getter

By Jim Turpin

Probably the most valuable man on the 1951 track team of Coach Leland Lingle is singer Jim Alexander, who has been consistently rolling along this year piling up team points and going virtually unnoticed.

In the first meet of the season with Cape, Alexander's stellar performance was overshadowed by a record breaking two mile run by Phil Coleman.

In the Eastern meet, three weeks later, Alexander was easily the outstanding performer of the meet as he captured the broad jump, the high jump, and the low hurdles for fifteen team points.

In the second meets with Cape, Alex again took three first places, but again it was Coleman's record run and a great half mile by Larry Taliana that took the glory from his wins.

Last week the Herrin Wonder Boy did it again with three first places in his specialties against Illinois Normal. In three meets he piled up 45 team points, a great record.

These wins have come as a reward to Jim Alexander, a climax to long and tedious training grinds that have kept him in the best of shape and ready to go whenever and wherever the coach and team needs him.

He gave notice in 1949 when he leaped to a new broad jump record of 23' 1½". Observers say that he fell back on this jump and thus did not receive credit for the actual distance.

Since then he has not approached this mark and sometimes jumps only far enough to win, because he knows that he must save some energy for the other events. In one meet this year he jumped once and won.

It is time that credit be given where credit is due, a salute to a great trackster, Jim Alexander.

Tennis Team Wins Third in a Row

The Southern Illinois University tennis team downed Cape Girardeau 5-2 last Monday as all five singles men swept to overwhelming victories.

The win made it three in a row for the Maroon menbers. They had previously dumped St. Louis U. 4-3 in a return match and had whitewashed Cape 7-0 in their first meeting at the Missouri school.

None of the matches in singles play were even close as the Maroons were too classy for Cape. The best set was the opening one of the Omar Winter-Bob Howard match that was won by the Cornmen freshman 6-1, 6-2. He changed hands several times and Winter fought hard with expertly placed shots to win a well earned victory.

Apparently the long match tired off in the second set 6-0.

Jack Norman was also an easy two set winner 6-1, 6-1. Norm lost the opening game of the deuce and lost all six in the second set all the way after that. His opponent exclaimed after the match, "Jack has a great forehand, it just hit him and dies, doesn't hardly bounce at all."

Start Cooper and Jim Siddals, the other two of the freshman trio from Carmi, won without any trouble. Cooper didn't hardly work up a sweat in beating his opponent, but later received a shoulder injury while batting the ball with Winner. The extent of the injury is not known, although it is believed to be not serious.

Bob Burnhart looked good in a two set win over his number four opponent.

With Southern leading 5-1 going into the doubles matches, Coach Bill Freeburg decided to let some of the other varsity tennis candidates play in the doubles. Bob Wachman and Carol Carr teamed up in number one doubles and Bruce Lape and Charles Rodgers were the number two men. Both combinations were beaten by Cape.

Greek Week Tourneys Held in Four Sports

By Jim Kahmann

Plans for competitive sports, in conjunction with Greek Week, May 16-20, officially got underway this week, and will continue through next Thursday, May 18, according to Jim Throgmorton. Throgmorton, chairman of Greek Week sports, announced that playoffs will be held in tennis, softball, volleyball, and track.

In addition to the men's sports, there will also be a women's archery tourney held under the direction of Roberta Wheeler, instructor in physical education for women.

A single elimination tournament will be held in tennis, softball, and volleyball. In track, there will be a regular meet held at 3 p.m. Wednesday, May 16 in McAndrew stadium. Preliminary matches will be run each morning at 10 a.m. from Tuesday, May 15, to Thursday, May 17. All fraternities wishing to enter are asked to contact Throgmorton at the Chi Delta house.

In the track runoffs, one man may enter only three events. If a man is eliminated in one event in the preliminaries, he can enter but two additional events, according to this plan.

Tennis playoffs are to be held on the agreement of the individual fraternities. Both singles and doubles matches will be held this year. The entire volleyball tournament will be held Tuesday, May 15, in the Men's gym at 7 p.m. A team will be composed of six men, and all the fraternities are asked to have their teams at the Men's gym next Tuesday promptly at 7.

Softball playoffs started yesterday, and are to continue through next Thursday, when the final game is to be held on the old football field at 4:30 p.m. All softball games will be held through the cooperation of the men's physical education department.

Points will be awarded in this manner: Tracks: 1st-3 points; 2nd-2 points; 3rd-1 point; 4th-99 points. Softball: Winner of each game—6 points; Loser—1 point. Volleyball: Winner of each game—4 points; Loser—¾ point; Tennis-Winner—6 points; Loser—¾ point.

According to this point system, the track meet possesses the largest possibilities for points. However, during Greek Week, the track events usually are given the most emphasis.
