Anthony Hall Entertains

Wednesday evening, Nov. 17, 1926. 5:30 p.m. "Mac" and the football team of first and second teams, entered Anthony hall, their faces beaming and their voices ring out in every direction as they were greeted by the "old girls" of the hall. The purpose of their coming, you might like to know—Well, partly because of the help playing our boys have done partly because the old girls want to do it. A banquet was served to the boys of the squad and to the girls of Anthony Hall. But as a part of the occasion, certain rules were laid down by the old girls for the new. The old girls were to be allowed to sit with the men. New girls were not allowed to have conversations with the men; and so on. Wasn't it cruel? The boys and the old girls took their places at the table first and then the sound was sounded and the new girls pushed in. When they were seated, they quite (I'll say it) sang "The Father's Song." The tables were prettily decorated for Maroon and White. A large football served as a centerpiece on each table. A red and white streamer came from the football to each place, to which was attached a tiny football filled with nuts. The placecards had tiny football painted on them. The first course of the dinner was fruit; real fruit. For second course, hot baked Cornish ham, potatoes au gratin, framed cauliflower, Waldorf salad, ice cream, hot rolls and butter, and coffee were served. Third course was each plate ala mode.

Between courses, our toastmistress, Bill Beasley, led the songs and songs, suitable to the occasion. When every- one was finished, the new girls were traced. Then the guests and the old girls went into the living room, where they were entertained by a short program. Violin solo—Helen Lyle. Reading—Gall Beasley. Vocal solo—Erwin Kelly. Talks—Coach McAndrew, Captain Bob. Ned Foley, Walter Willis (and Alice wouldn't talk). Ukulele selections—Helen Urbanith.

Let's Bring Back Our Shield

On turkey day when everybody gets to chew on a drum stick or a neck, our football boys will have a very, much better dinner due to the fact that they are going down to Cape Girardeau to bring back the bacon (the shield) that Cape took away from us last year.

Why worry about a little thing like a shield anyway? Well, in the first place, there is a good old tradition about a shield—maybe some of you freshmen don't know what it is. Last year for the first time Cape took home the trophy. Now let's bring it back this year.

The 1926 graduating class of the University High school presented a beautiful bronze shield to Cape Girardeau and St. Louis. The idea was to create a school spirit that would cause rooters to cheer their teams on to victory. The shield had been kept in the president's office until last year when Cape scored more points than we did. This year, let's see it return to stay!

The rules for the acquisition of the trophy are as follows:

I. The trophy shall be awarded each year to the victor in football.

II. The victor to be determined as follows:

(a) If only one game is played—
(1) The winner shall be declared victor.

(b) If two games result the trophy shall remain with the team then holding it.

(c) If two games are played—
(1) The winner of both games shall be declared the victor.
(2) If both teams win one game each, the trophy shall go to the one having the most points.
(3) If the points are even it shall remain with the team then holding it.
(4) If there is one victory and one tie it shall go to the one that was victorious.

(d) In the case there is no game played—
(1) If one school does not have a team for three consecutive years it shall be the property of the other school until the next contest.
(2) If both schools have teams but do not compete against each other the school holding it shall retain it.

Maroons-McKendree Tie, 0-0

Playing in three inches of snow on a field marked off with red line the Maroons battled the McKendree College eleven to a scoreless tie on the Lebanon Township High school field last Friday. The McKendree field was covered with ice and the McKendree construction company swung into action Friday morning and built a 90-yard line with red stringings on a vacant lot adjoining the Township High school. Despite the adverse conditions the game was well played throughout. However, the Preachers were never closer than 30 yards to the Maroon goal line, while in the fourth quarter with the ball on the McKendree 8-yard line, Floyd's mighty toe was called on, but his best efforts on the snow blanket ed field were too low and was returned by Kolesa to the 30-yard line.

During the second quarter Foley and Willis both bolted for the end of the arms of the safety man on the slick field. Had there been solid footing the speedy Maroon backs would undoubtedly have got away for a touchdown.

First Quarter

Captain Hook won the toss and chose to be on the west goal. Foley lined up behind Kolesa's kickoff to the 25-yard line. Hook gets 4 tackle, Willis gains nothing at tackle. Foley fumbles but recovers and Floyd puts to Todd on the 45-yard line. Kolesa and Kaiser fall at the line, a pass falls and Kolesa kicks to Luts on the 30-yard line. Willis and Hook get a yard at tackle, Luts adds two at center and Floyd kicks to the 35-yard line, Kolesa gets 3 at end, pass to Goonola gets 6 at Kaiser and Mitchell get 2 at each tackle and Kolesa kicks to Luts on the 15-yard line. Willis gets one at end, Foley adds 2 at end and Floyd kicks to Kolesa, who returns to the 45-yard line, Kaiser gains 3 yards at tackle on the next three plays and Todd goes over for first down. Kolesa fails at end and Tyson recover a McKendree fumble on the 65-yard line. Foley gets 3 at end. Hick stops at tackle, Ferguson at end and Floyd kicks to Kolesa on the 15-yard line, Kaiser falls on line plunge.

Second Quarter

Kolesa makes 2 at end. He then punts to his own 30-yard line. The

G. A. A. Initiates

Last Wednesday evening the new girls of the G. A. A. met the old girls in the new gym and became full-fledged members. At 7 o'clock, dressed in their gym clothes, the girls were ready for the "ordinate." By nine they were ready to be "refreshed." If there is any one who would like further details about the initiation, just speak to any of the new members!!!

The new members went on their initial hike last Saturday. Since it was their first hike we went only five miles because we hated to make them miss Sunday school the next day.

Dr. Caldwell Will Speak

The regular business meeting of this week has been moved forward one day for the convenience of those who wish to go home on Wednesday. Dr. Caldwell will speak at this meeting on "The Benefit of Keeping a Health Chart." This talk has prospects of being of great interest to all girls so the G. A. A. extends a cordial welcome to all girls who would like to come Tuesday, Nov. 25, at 4:15 at the new gym.

FORUM

The Forum Debating society held its regular meeting Monday, Nov. 15, 1926, at 7:00.

It was especially honored by having as its visitors the "August Body of the Azora".

The program was a debate: Resolved, That United States should have a National Traffic Code.

Affirmative: Rove Bryant, Orgo S. Barnard. Negative: Ila Green, Oliver L. McIlrath.

The debate was very instructive, interesting and humorous.

If you want to know how it was proved, that the "Safety Razor" is the cause of all our traffic troubles ask Mr. Charles Neely.

Remarks were made by our visitors whom the Forum enjoyed and at the close of the program there was a feeling, not of antagonism, but of Brotherly Love.

The debate for Monday, Nov. 22, is: Resolved, That Chapel Attendance should not be compulsory.

Visitors are very cordially invited and Nov. 22, we especially invite Freshmen.

Mabel Jerome: "Who was hottest fiddler who ever lived?"
Mildred McLean: "Nero."

THANKSGIVING

"Students have many things to be thankful for" is a good old saying, but did you ever really stop to think how thankful we should be?

Why are we here at school anyway? It is because the state has provided us with the possibilities of a real school, and our parents have done their part that we might come here.

What if social distinctions made it impossible for one class of students to go to school with another. We know that this is true in some countries and why not be thankful that you can come to school here and know that you have the same rights as other students?

Why students who work their way through school are respected more than those who don’t?

We ought to be thankful that we can do something for our school as well as our school for us; for it is here in school that we learn to be leaders, and we will carry this valuable experience with us when we try to make a success of our vocation.

Let us be thankful that we have parents who sacrifice for us and our education. Why not tell "dad" that we appreciate what he is doing for us.

THE FLAPPER'S COLUMN

Esther Kell, better known as "Pat" Kell, was visiting her aunt in a distant town one day. Quite unexpectedly to her aunt, several out-of-town guests stopped in one day about noon. So, of course, Esther's aunt rushed about to gather up enough for lunch. However, she found that there was not enough bread; so she asked "Pat" to go to the store for bread.

When "Pat" with very rosy cheeks and beaming eyes appeared upon the scene some ten or fifteen minutes later, her aunt questioned her saying, "Esther, did you get that loaf of bread that I sent you for?"

But aunty was confronted with a very prompt reply from Esther. "No, the store was closed." "Why, it couldn't be this time of day. Did you try the door, Esther?" Again "Pat" promptly replied, "I because I saw a sign in the window and it said, 'Home Cooking'."

(To be continued next week.)

UNIVERSITY HIGH OPENS
BASKETBALL SEASON

For the first time since 1925 the University High school is putting a basketball team in the field. The newly organized U. H. S. team opened the season on last Tuesday night, playing Gorham H. S. at the old Normal gymnasium. The local team lead until about the middle of the last quarter when the visitors rallied and came from behind to win at a 13-11 count.

Otis Phillips, ex-Carbondale Community High star, is coach of the U. High lads and will undoubtedly develop a team that will make a creditable showing in spite of the small enrollment and lack of experience among the players. “Greasy” Green, rated as one of the best guards in the Junior High circuits of Southern Illinois last year, is captain of the U. High quintet. Martin and Moore are also ex-Junior High luminaries. Pheasants played a good game at guard, but the entire team will improve rapidly with experience. Line-up:

SOCRATIC SOCIETY

Homecoming was certainly celebrated at Socractic Society Saturday morning, Nov. 13. At 9:30 o'clock, the Socractic loyalists flocked into the old hall that has so many fond memories for former students. Socratic ribbons were handed out to each member as he entered. A beautiful sight was beheld by each one as he gazed about the hall. It was decorated in the "new Socratic colors"—blue and gold, or, as expressed by the president, "true blue and good as gold."
The meeting was called to order and the president gave a welcoming address to all former Socrates. Following the devotional exercises, the Homecoming program was given.

Music—Orchestra.
Selections—Quartette.
Reading—James White.
Talks—Mr. T. F. Felix.
Talks by old Socratics.
Music—Orchestra.

It was decided at this reunion that next Homecoming, rats and a regular get-together meeting would follow the program.

Last Friday evening, the program was as follows:

Selection—Orchestra.
Vocal solo—Lee Love.
Violin solo—Metha Davidson.
Talk—Fred McLean.
Vocal solo—Jessie Prosser.

THE FRESHMAN RHETORIC CLASSES

The Freshman Rhetoric classes are making war on hackneyed expressions. The word "wonderful" is at present one of the unpopular, and several other time-worn expressions are condemned by the classes—approaches of this we submit the following article which is taken from Scribner's. Farris Davis, in the Jacksonville Times-Union protests vigorously against certain overworked words:

"When I see that delicious refreshments have been served at a party, I suffer from nausea. When I read that the meeting was one of the most interesting of the season, I feel like a chicken with the pip. When I come across wonderful to describe a scene, I go into convulsions, but when the superlative moist is prefixed, I become unconscious. The city editor says if he reads again: "He died in a hospital in this city," or "the many friends of So-and-so will be pleased to learn," or "the outstanding feature," or "the members are urged to be present," or "the regular monthly meeting will be held," he'll go on a ten days' spree. One of the state news editors says if he sees the words unique or most unique he'll throw a fit. One poor state news editor almost went into hysterics when he read the word wonderful a dozen times one day.

When I go to a gathering of social workers and hear a man or woman say that he has vision or that some one else has it, I lose interest. If any word has ever been overworked that poor thing has. The propagandists wore it threadbare during the war, and since that time every public speaker, when ideas fail to come, substitutes vision. I haven't any confidence in a man or woman with vision. I hate 'em. The word service makes me see red. Just as surely as some speaker says his club or his society or his lodge is for the purpose of service, doubt as to his motives begins to gnaw at my soul.

There is one word I hate even more, and that is message. These people who write about Carlyle's message do not need a message; what they need is a massacre. Rose Macaulay wrote "Potterism" to help us to get rid of verbal hand-me-downs. It would be fine to attend a Y. M. C. A. convention where there were no forward-looking men.

E. Kelly: Someone took me for Doug Fairbanks today.

Bella D.: How's that? Your mustache?

E. Kelly: No, I gave my seat to a lady on the street car today, and she said, "Dou Q."
