**19 U. High Seniors To Be Graduated**

Even at the changing wind on the campus of the University of Illinois there are still 919 high school students entering the high school campus. The weather has brought a new outlook for the students who have been in attendance at the school. 

Jeanne Page, last week, took a trip to the city where there was a new outlook for the students who have been in attendance at the school. 

Loren Hennessey and her children will leave the University of Illinois and go to the city where there was a new outlook for the students who have been in attendance at the school. 

**J. Ward Barnes, Modern Problems Club Organizer**

J. Ward Barnes, the new organizer of the Modern Problems Club, has been a member of the club for the past two years. He has been an active member of the club and has worked hard to make it successful. 

Barnes is a senior at the University of Illinois and has been active in student government. He is currently serving as the president of the university's chapter of the Interfraternity Council. 

**RELECTIONS**

**Calendar of Events**

A few weeks ago the William Morris College "Record" was installed as the official organ of the college. The publication has been a great success and has been well received by the students. 

**Recognition at last**

S.T.C. has at last been rewarded for its hard work.

The group of students who have been working hard to improve the campus have been recognized. They have been given credit for their hard work and have been acknowledged for their contributions to the campus.

**Reeders**

A young man who works with quite a bit of energy and enthusiasm, a member of the class of 20, Mr. Reeders is an outstanding member of the college. He has been an active member of the college community and has been involved in many campus activities.
