FIRST MEETING OF THE YEAR WAS HELD LAST THURSDAY

With the appointment of a committee to plan the handling of student programs in assembly every Friday, the School Council adjourned its first meeting of the year last Thursday.

According to President Shayrock, these entertainments are designed not only to add variety to the chapel exercises and to reveal the talent of the college but also to develop in student understanding the quality of social leadership.

During the eight hour Friday the committee met to organize the plan, and the report is as follows: Dean Mrs. B. O. Bowman, Dr. Willis Swartz, Dr. R. L. Beyer, Mrs. McRoy, Elizabeth A. Smith, Mildred Smith and John Stanfield.

Because the meeting was the first of the members of the administrative Council, addressed the group briefly and assured the student members that everyone was invited to take part in the deliberation. He announced the policy of not holding assembly meetings but assembling on the call of business. He also explained that the allotment of business included the appointment of Rhoda Mae Baker, senior woman representative, as secretary, and the ratification of the changes made recently in the Egyptian staff.

According to custom the Council includes eight faculty members and eight students—one woman and one man representing each class. The members this year are: Dean G. D. Wham, Dr. Mary Steagall, F. A. A. M., Miss Emma Bowman, Willis Swartz, Dr. J. W. Nokes, Dr. R. L. Beyer, Dean Lucy K. Woody, Rhoda Mae Baker, Paul McRoy, Elizabeth Ann West, Harrison恬, Mildred Smith, John Stanfield, Pauline Fisher, and Earl Dabney.

New Study Group Is Organized by A.A.U.W. Members

A study group of international relations has been organized by several members of the A. A. U. W. The group will meet every Thursday evening at 7 o'clock to be held in the political and economic, in the major countries as a background for a future study of relations between these countries.

The study group will be conducted by a seminar, with one member presenting a report each time to be followed by a round table discussion. Members of the group include: Miss Madeline Smith, Mrs. Katherine Fox Allen, Mrs. W. R. Wadlow, Mrs. C. W. Blakely, Mrs. Kenneth Kenne, Miss Fay Hare, Miss Frances Barbour, Mrs. Marvin Garfield, and Miss Esther Fower.

COUNCIL PLANS STUDENT PROGRAMS IN FRIDAY CHAPEL

BULLETIN

According to custom, there will be no edition of the Egyptian on the Wednesday following the Thanksgiving holiday. This omission is made in order that members of the staff may spend the vacation at their respective homes.

W. A. A. TO INITIATE FIFTEEN GIRLS AT BANQUET WEDNESDAY

At a banquet to be held Wednesday, December 4, W. A. A. will add to the list of thirty-five members recently elected the points necessary for initiation. Most of these girls have already taken part in the volleyball tournaments, and their points may be earned in numerous ways, either in sports competition, your good service to the group, Mrs. Marbury declared, or some other prescribed activities.

At 5:00, immediately preceding the theme of a good game, at around 5:00, the girls, these fifteen girls, will be installed as members. They will be initiated by Madeline Smith, Mrs. Beyer, Dr. Willis Swartz, Mrs. Kuhn, Newton, Stamps, A. Parks, V. Kieger, R. Gurley, V. Kuhn, I. Turner, Blakely, V. Williams, A. Vaughan, H. Martin, R. Stark, M. Edmonds, M. Tippy, and M. Womack.

Mrs. Marbury Talks on "Red Apples and Dramatics" Thursday

"Red Apples and Dramatics" was the subject of Mrs. Edina Cawley Marbury's talk before the members of Strut and Pelt Club last Thursday night. Mrs. Marbury, prominent for several years in Carbondale as an instructor in expression and coach of local plays, was graduated from the Academy of Dramatic Art at New York. Later she was for a short time at the Juilliard at New York. In May, she was featured in the "Man of the Match" in a dramatic production at Hurler College in Maryland.

Opening her talk with the story about the "Burr-a-burras" each receiving a red apple on the night of their stage debut, a tradition developing from an old experience when an "apple" was a basketball, the players will get a "red apple," Mrs. Marbury discussed from the stand-point of the writer to the "spicing of a piece good.""The first fundamental is that of each day sharpening and practicing, and the two kinds of acting being your body and your voice. The two essential elements are the expansion and délineation of character and the appropriate arrival at a climax."

In her experience in concern with the every day efforts to improve body and voice, Mrs. Marbury has seen that simple pantomime and continuous practice are two of the most effective means of improving the body, while reading aloud will also become voice conscious. Mrs. Marbury declared, "Make your voice pleasing and convincing. Strive for relaxation—practice yawning."

"James Newton Wins Turkey in Run Held During DeKalb Game" Finishing in a burst of speed that won him a fife turkey. James Newton of Carbondale won the first intramural cross country race held on the college grounds this Friday morning during the DeKalb-Carbondale football game. The play the ticket-office at the field, five contestants ran down the Thompson Lake road, running down Churchill street and circled the field. Newton's time was 19 12 seconds. This time is considered good and he will likely have good showing in the track this year. The other students who finished in the run were: Grisom, sec, second, Henson, third, Lambert, fourth; and Odum, fifth.

"Four-day Vacation Precedes Opening of Winter Term"

Ending the fall term with the Thanksgiving vacation, S. I. T. C. will close this afternon for a four-day holiday. As usual, the interlude comes between the Fall and Winter terms, and whereas some have a practice writing for the winter term, the others are designed not for initiation.

Application Made to State C.W.A. for New Athletic Field

Plans have been drawn up for a new athletic field for S. I. T. C. The Athletic department has submitted an application to the Works Administration, asking for sufficient funds to do the grading of the proposed field.

"The lay-out will consist of a football field, baseball diamond, track, and a stadium large enough to seat 5,000 persons. In applying for the funds, the Athletic department asked enough money to do the grading and also to buy a few Implements. The application did not include a request for money to build the fencing, stands, track, or playing fields, because of the fact that the administration wishes to raise the appropriations for wages instead of materials. It is not certain whether the money will be granted, but the project has been passed by the Relief Committee, and is now before the Administration."

"The field will be south of Facelry Row. There will be 24,000 cubic feet of dirt removed before the field can be built."

Dean G. D. Wham addressed the Peaks and the United County in a series of lectures yesterday. The Institute was held at Anna-Jonesboro.

EXPRESSION OF SYMPATHY

On behalf of the college, the Egyptian extends sincere sympathy to the parents of Randall Goins, a student of the School of Home Economics, who was killed in a car accident at the Mem- oir hospital, Thursday, November 16. Mr. Goins, who was a resident of the city, will be missed during the absence of an attack of appendicitis.

Kappa Delta Alpha Takes House on South Normal Ave.

The center of Kappa Delta Alpha activity for the remainder of the term will be the Eturninger house on South Normal Avenue. Last Wednesday, they are two students who have been given the opportunity to house on the occasion of the house at the beginning of the winter term.

The last activity of the organization for the term was a smoker held at the Van Buren house on Friday. At that time a photographer from the St. Louis Post-Dispatch came to take a picture of the group for that purpose. It is to be hoped that the students will be able to get with those of established elicits from Plate to Croce."
Carl Renshaw is 
Elected President of Socratic Society

The Socratic Society elected Carl Renshaw as its president for the winter term. The election was held last Wednesday night. The other officers elected were: Aubrey Land, vice president; Mrs. M. S. Miller, recording secretary; and Marian Richards, corresponding secretary. All of these offices were filled during the election.

Parliamentary practice was observed by the society at this last meeting of the winter term and several new cases had been reported known in the early history of this college.

CHI DELTA CHI ENTERTAINS
AT PROM IN GYMNASIUM

One of the outstanding social events of the season was the Chi Delta Chi annual Fall Formal held at the Old Gymnasium last Friday. The basketball court was covered with a canopy of the fraternity's colors, blue and white, with spotlights playing on a large glittering ball hanging in the center. At one end of the hall was the fraternity's emblem. A unusually feature dance was the highlight of the evening. Music was furnished by Oral Harris and his General Ambassadors.

The catherine of the affair were Dean and Mrs. G. W. Thum, Miss Frances Arora, D. R. A. Scott, Mrs. Julia Chase, Mrs. R. R. Fancer, and Dr. and Mrs. R. L. Beyer.

University High School
Dr. Caldwell Reports On Epidemics of Unusual Diseases

The physiography class taught by Mr. M. C. Brown was given a tour of the University of Illinois campus, Tuesday, November 21. Upon arriving at the foot of the bluff the class was led to the top, and many interesting things were pointed out by the practice teachers, Robert Finlay and Edward Timper. From there the class was led down to a Delta Delta gang party and after a long walk to the Devil's Bake Oven, they returned to Carbondale.

The senior class of the University High School, in celebration of "tangle party" given them by Mr. Logan at his home Friday, November 20. At a party given by Paul Brooks came later. On arriving, the boys found the girls had journeyed out to the train for the boys. After some search the girls were found at a nearby house. The evening was spent in games. Light refreshments were served.

FLOYD SMITH INJURED ON 
CAMPUS LAST WEDNESDAY

Floyd Smith, former, has been in the Holden Hospital during the past week because of a broken ankle. Mr. Smith was in the gymnasium on Wednesday, and has since been absent from school. His friends in the gymnasium can now be out at the first of the winter term.

Roland Hayes Club
Entertainers at Meeting of Zeteta

With the contributions of the Negro Race to American Culture, as given by the Zeteta Society, was an interesting entertainment last Wednesday. Elizabeth Jane White spoke the program with an account of the poetry of Paul Lawrence Dunbar, reading liberally from his collected works. It pointed out that while some of his verse approaches the Edgar Guest type, his writing in dialogue is quite admirable.

Following a talk by Ruth Mere on the "Negro in Education," the Roland Hayes Club entertained with a chorus of the famous Negro Club.

Paul Pry's Ponderings

I would pay tribute! Paul Pry, although often accused of being nothing but a seeker of dirt, can appreciate some things which rise above the shoe-black level. Wendell O alternatives, the writer of Chapel Notes, is a person deserving a much better hearing. Not only is O a musician, but he is a clever and versatile writer.

Benny Lewis may not pay income tax as yet, but he is beginning to be enough to allow him to afford taking girls out for a ride in his pop corn wagon.

Many things come from various COURSES, for example.

Practice teaching gives Richard Fleming and Jennie Lewis cause to “talk” to each other.

Dr. Toner's class is where the affection of Carrie Pugate and Hoyt Lemen was born.

A class in English 202 gave me opportunity to see a very strange ring, worn by Mary Elizabeth Owen. I came from Chicago Town in San Francisco.

Winnie Nooner and after hearing about the Anthony Hall fire--"I wish I had been there; I would have got to ring that damn fire siren."

Last Sunday night Margaret Hoc- kel paid a social call. Kicking over camp and loudly stating her opinions was the order of the evening.

Edna Berger is a greater reformer. Her latest accomplishment: stopping Gene Williams from chowing her fingernails.

Mr. Facer could hardly wait for Famous-Barr of St. Louis to open last Saturday. Bob Chapman, who was also in St. Louis, didn't know the reason.

Ed Mitchell has a new name--"T p." He got this name from a lady in East St. Louis when he, Al Roman, and Henry Hitt, were "exploring" that city.

Don Brummet has completely re- covered. I saw him and Helen Grant riding together in a Chevrolet Thursday afternoon.

On a very ancient desk I see this name, Mary Coward, Vienna, Illinois. The inscription seems very old. I wonder where this girl is now--what she is--and what she learned while sitting in this desk some long, dead day ago.

Pops Mac was fortunate on his last football trip--a red-headed waitress gave him two extra pieces of cakes. It happened in Mattoon.

Not only did Norris Beiderstein get drenched with water while yelling out of a window to a Mattoon girl, (Fox and Meerman did that) but he nearly got left by the bus while visiting the lady.

There is a roaming house in this town where a stauion is usually asked to leave because of his political beliefs. He was sincere enough to leave, and I admire him for it!

Speaking of such watchdogs who fear for Ann玲e Lewis, they are so distantly right from wrong, it would be well for some one to keep Kermit Chase from being contaminat- ed.

Next term Paul Pry's column will sport a cut. This may cause him to be bolder, and thereby increase his bank money income. Do you mind?

The Graduates

Jane Rose Whitley, who entered S. I. T. C. in 1930, is attending the University of Illinois at Champaign.

JANE, ROSE WHITLEY

Miss Whitley has recently obtained campus distinction because of her selection by Paul Stone, a Chicago photographer, as one of the two most beautiful girls on the U. of I campus.

The Chicago Herald-Examiner carried a large photograph of Miss Whitley above the following caption: "An Illinois Rose..." She is from Harrisburg. A portion of the Herald-Examiner article follows: "Paul Stone, whose firm of Paul Stone-Raynor, at 430 N. Michigan Avenue is official photographer for the Illis, year book of the University, makes an annual selection of the most handsome man and the most beautiful co-eds at the down state campus."

Stone said there were so many beautiful girls that he had a hard time narrowing his final selections to..."

Elizabeth Newman, '32, is a substituting teacher for James White at the Maunie, Illinois High School. Mr. White has suspended his teaching duties temporarily because of the deaths of his mother and father.

Blanche Moyer, '30, is employed as teacher of music and English in the St. Joseph, Illinois, High School.

Leonard Will, '31, is engaged in teaching the Panama, Illinois High School. Mr. Will teaches mathematics and economics.

Gene Goforth, '33, is teaching a rural school near Willowisle.

William Rife, who entered this college 1929, is teaching in a rural school near Pulaski.

Harold Floyd, who entered S. I. T. C in 1931, is employed as teacher in a rural school near Keosauqua, III.

Francis Kittenger is attending the University of Illinois at Champaign. He matriculated at S. I. T. C. in 1928.

Ralph Hirsh, '38, Junior College, is employed as Superintendent of Schools and high school coach in Panama, Illinois.

Albert Patton, who entered S. I. T. C. in 1928, is teaching in the Panama grade school.

Marie Campbell, '32, recently had an article accepted by the New Yorker magazine.

Dorothy Dale, who entered S. I. T. C. in 1939, and Willis Malone, who entered 1930, were united in marriage about four weeks ago. Mr. Malone is teaching in a rural school near Macomb, Illinois.

Faculty News

Dean G. D. Wham presented Mr. Peter Street, who leaves for Europe December 10, with a traveling kit at the Friday evening meeting of the Discussion Club. Mr. Street is an Englishman who has made his home the Roberts Hotel for some years. Mr. Street is a retired civil official of the British government and at the present time an ardent student of languages. While in Europe, he will make a study and investigation of industrial conditions, wage scale, and standards of living among workers.

While in Carlisle, Mr. Street has been influential in organizing the Discussion Club so to which the following faculty members and Jennie Lewis belong: Dean and Mrs. Wham, Mr. and Mrs. Lentz, Mr. and Mrs. Pierce, and Dr. and Mrs. O. B. Young.

Dr. R. J. Pardy is planning to visit his home in Gambier, Ohio during the Thanksgiving vacation.

Mr. Robert Facer will spend Thanksgiving in St. Louis.

Dr. Thomas Keellogg is planning to spend his Thanksgiving vacation in Chicago.

Miss Elizabeth Cox will spend Thanksgiving in St. Louis.

Miss Julia Jonah entertained at a small tea Saturday afternoon for her sister and brother-in-law, Mr. and Mrs. Lewis Le Croix of St. Louis.

Mr. and Mrs. Ted Ragsdale entertained their guests, Mrs. Catherine Fox Allen, Miss Fay Stone-Raynor, and Mr. and Mrs. Ted Ragsdale at their home. Miss Stone-Raynor was a guest of the Pentwater, Michigan colony last summer.

Mrs. Catherine Fox Allen, Miss Fay Hart, and Miss Annameria Krause entertained at a tea from 3 to 5 at the Van Meter Park Sunday afternoon.

Dr. Vera Louise Peacock and Miss Allen Cameron are planning to spend the Thanksgiving vacation with Miss Mary Campbell at Carcassome Community College, Gandy, Ky.

Miss Gladys Williams will spend the Thanksgiving vacation in St. Louis. While there, she will attend the meeting of the College Art Asso- ciation.

Miss Mary Estamboe will visit in Lexington, Kentucky during the Thanksgiving vacation. Miss Estamboe plans to see the Thanksgiving football game between the University of Kentucky and the University of Tennessee.

Miss Ruth Husband will spend Thanksgiving at her home in East St. Louis.

Miss Lulu Clark will spend Thanksgiving at her home in Crossville.

Mr. and Mrs. Leland Lingle had a fine weekend at their home in Carbondale, Illinois.

Miss Florence Wells and Miss Florence King were the guests of Dr. Vera Louise Peacock at dinner last Thursday evening.

Park College at Parkville, Missouri, says they don’t mean to be saccharine, but that their students really do spend more time working and less playing than those in other schools.

THANKSGIVING

Even prospective teachers, who are supposedly endowed with the "art of understanding," in their profession, are aware that tomorrow is Thanksgiving!

This year our minds are more concerned with the Blue Eagle than with the Thanksgiving bird. A year ago this emblem of the November festival appeared in The Student. What will it be this year? Our regular correspondents, Betty Jones and Elsie Brock, tell us that they expect it to be "Black and White with a bit of color." During the month of November, there should be a new student Advisor, who will put life on a material basis. Two previous Advisors, Betty Jones and Elsie Brock, have graduated this year.

We, the students of Esther Holshouser's School of Photography, are not interested in the fact that the Thanksgiving bird is killed, but we do put life on a material basis. Two previous Advisors, Betty Jones and Elsie Brock, have graduated this year. We, the students of Esther Holshouser's School of Photography, are not interested in the fact that the Thanksgiving bird is killed, but we do put life on a material basis. QUEM HOMINEM SAPIENTEM?

An article entitled "Mary With a College Education" appeared in the November issue of the "Illinois Teacher," written by a principal of schools, who tried in a pitifully weak way to prove that college students whose curriculum includes educational psychology, method work, Latin, Greek, mathematics, or English are "victims of classical tradition." It is not necessary to go through the rest of the article to see how incorrect the author's statements are. The teaching profession, accused of absent-mindedness, should be aware of the fact that an idea not thought sound a year ago, today seems salvation itself. We think that educators do not shut their minds to progressive ideas.

WE'RE THE LOWEST

A review of the lecturers and entertainers brought to other colleges in Illinois is conclusive proof that our activities are hopelessly narrow. Within the last month these numbers were heard in Ann Arbor: the Columbia University Glee Club, the University of Michigan Glee Club, a famous harpist, a Metropolitan Opera soloist, and the Chicago Symphony Orchestra. At Southern Teachers College, one entertainment, a lecture by Drew Pearson, was presented in a period of no six months. Such a check-up puts us at the bottom of the intellectual ladder. Do you like it?
S. I. C. WINS GAME BY DEKALB OUTFIT

Victory Marks climb of the Maroons in the state conference

Captain Davison, Wiggins, and Bricker have played their last college football game Saturday. S. I. C. is sorry to witness their departure from sport.

What a way to end the season—
36-13 in favor of the home lads. What said the DeKalb bunch was tough? Their two good men, N. and M. and Mustapha are plenty good football players.

Herb Bricker received a very bad eye injury in the first period of the game. Hands and feet were flying around while one of the plays was being executed, and when the signal piled up, Herb was badly cut below the eye.

Wolfenbarger stole the limelight. Saturday. His constant chatter of encouragement and his fighting game made him the Cardinal stand-out.

Mustapha is the best running back that has played on the local gridiron. He has a place among the top personal All-Expansion team and he is a good candidate for All-Conference honors.

It won't be long until we will be able to sit in a seat and write when our hands are warm. Basketball season is rapidly approaching the bat. What improvements are on the way. Over the top, 'Bonnies.'

The Cardinal players are leading the Conference standings when they turned in a percent. of 66.6. Louis Ford burst into the spotlight in his first appearance. He placed him next to his captain. The order of the individual bowlers are:

New Ruling Made

Affects Free Winter Term

With the beginning of the new term, a new system of "off-hours" will be inaugurated. The new ruling states that there are to be no "off-hours" on Monday morning or Thursday afternoon, and no faculty member may have more than one class off on any one day.

In the past there have been some days which were more popular with the faculty as off-days than others, and consequently the number of students present on the campus on those days was somewhat less than it should be. This made the location of the students by the office difficult, and it gave chance visitors to the campus on those days an incorrect impression as to the size of the enrollment. It is hoped that the new ruling will correct these conditions.
