The Wailing Wall

The Wailing Wall offers an opportunity for the student to sing. Those who have not "exhausted" the sixteen songs in the catalog will be withheld upon request. The Egyptian sketch appears in this column.

Dear Wailing Wall,

I am writing to inquire about the possibility of being a member of the Wailing Wall. I have been interested in singing and have attended several rehearsals. Is there an opportunity for a new member this term? I would appreciate any information you can provide.

Sincerely,
[Name]

he is willing to add 25¢ to his registration fee of 50c. He has requested that the payment of his registration fee be increased to Col. Charles A. B. of Assistant Sports Editor.

Thus, even for these present day students, the spirit of athleticism is refreshing. That a group of school teachers and take such positive action as that taken at the recent meeting of the board of education to pass the resolution recommending the number of terms in which the school shall be held, is a favorable unanimity of opinion on the part of the legal tangle in Cook county; (2) the problem of providing a home for the city of Chicago, and (3) the problem of providing a home for the city of Evanston.

As a member of the board of education, I am happy to report that the motion to increase the registration fee to 50c has been passed by the board of education. I believe that this is a fair and reasonable step, and I hope that it will be supported by the parents of our students.

BAPTIST STUDENT UNION TO ENTERTAIN AT CHAPEL

The program for Friday chapel meeting will be presented by the Baptist Student Union. Lady Godiva, president of the Students Council, will deliver the opening address. The program will include a skit entitled, "The Stone Flower and the Cameleons," followed by a short talk on the life and work of the society. A dialogue by Lawrence Adams and Warren Barker provided each number, the first being a violin duet by Theodore and Robert Boyle, and the second a violin duet by Edward T. Hawkins.

HART TO SPEAK AT SORORITY MEETING

Miss Fay Hart will give a talk on the present day social scene tonight. During the past year, the social scene has changed tremendously. Many women are now seeking opportunities to take an active part in the affairs of their college. Miss Hart will discuss some of the changes that have taken place in the social scene and suggest ways in which students can become more involved.
CORNING, N.Y. – The Southern football team will endeavor to keep its clean record of not having lost a conference game on the home field since October 29, 1932, when it plays the McKendree Bears here Friday afternoon. A victory for the Teachers will keep them undefeated at the peak of the Conference, and it is expected that the game will be one of the biggest of the year, with an expected crowd of more than 3,000.

The Bears come here with a record of 2-1-1, after having been defeated by Washington University and Illinois Wesleyan University last year and tying Illinois College in the last game of the conference.

The Teachers, on the other hand, have been a little bit below par, having lost one game and tied one each. The team is expected to put up a good fight, but it is not expected to be able to overcome the Teachers, who are strong in the line and have the advantage of being at home.

The game is scheduled to start at 2 p.m. McKendree, which has been among the leaders of the conference for the past two seasons, claims a tie for the championship with Illinois Wesleyan in 1931 and Illinois Wesleyan last year. 1931-32 being the title year. The Teachers will bring a strong team here Friday afternoon.

The Bears' record this season is built around "Spike" Wilson, captain, and all-conference halfback last year. Wilson, who is a dangerous threat every time he carries the ball, will have plenty of help from a line that averages around the 260-pound mark, and a welleducated backfield to which the Bears have been able to add a number of new men.

All the Bears are expected to be in form, and a complete schedule will be announced later, but several games have already been arranged. McKendree will face the Teachers and Marion, Saturday, Nov. 3, at Marion, and will play an all-conference game at the University of Chicago, Tuesday, Nov. 6.

With all the breaks in the weather last year, the McKendree team succeeded in defeating the Southern Illinois College Bears, 27-6, in the last game of the season on Saturday, Nov. 3.

On top of the teachers, it is expected to be a good game, and it is expected to be one of the strongest teams in the Conference.

W.A.A. PREPARE FOR FALL TOURNEY
MARTIN: Now that the excitement of National sports day is over, the W.A.A. is making preparations for the fall tournament in bowling and volley ball. Meetings will be held now to determine the variousletic organizations. Any girl who has been out to practice regularly is eligible. The Faculty sponsors and the bookkeeper, Miss Verda Hurlbut, will choose a team to play an unnamed group at Illinois College.
