S. I. N. U. DOUBLES ENROLLMENT—RAPID GROWTH MAKES IT EIGHTH LARGEST TEACHERS COLLEGE IN U. S.

Where shall I count cattle? The question has been asked by hundreds of small school people. Where shall I count my pupils? The answer is given by S. I. N. U. The doubling of the enrollment in this short period is the largest growth in the history of the college. Projected capacities of the new buildings will be full housed.

The college, which is located in the heart of the state, is already overcrowded. The new buildings will provide ample space for the students. The administration has made every effort to accommodate the growing student body.

President's Greeting

In this specific edition of The Egyptian Southern Illinois State Normal University, we express our gratitude to all students who have contributed to the success of the institution. As President of the college, I am proud of the exceptional work our students are doing in the high school and college levels of the region from which come our students. I believe that the students are the backbone of our institution and that they are the ones who truly make the college what it is today. The students are the ones who bring the college to life, and we are proud of them.

We believe that an education is not just a series of lectures and classes, but a comprehensive experience that includes participation in extracurricular activities and community service. We are dedicated to providing our students with a well-rounded education that will prepare them for success in their future careers.

We encourage our students to take advantage of all the opportunities available to them, both academically and socially. We believe that a strong sense of community is essential to a successful educational experience. We are proud of the diversity of our student body and the strong bonds that are formed between our students and faculty.

We are committed to providing our students with the best possible education and to helping them achieve their full potential. We are proud of the accomplishments of our students and we look forward to seeing what the future holds for them. We are proud of our institution and we are committed to ensuring its continued success.

S. I. N. U. FURNISHES AMPLE OPPORTUNITY FOR CULTURAL IMPROVEMENT AMONG STUDENTS

An opportunity for cultural enrichment is offered to all students on the campus of S. I. N. U. through a variety of music, art, and theatrical events. These events provide a platform for students to express their talents and showcase their creative abilities.

For students interested in music, there are numerous opportunities to participate in various music programs, including choirs, bands, and orchestras. The college also hosts regular concerts and recitals featuring both student and professional performances.

In addition, the college provides a variety of cultural events throughout the academic year. These events range from art exhibits and dance performances to film screenings and literary readings. These events are organized by the college's cultural organizations, and they offer students a chance to explore different cultures and perspectives.

Moreover, the college also offers opportunities for students to engage in service learning and community outreach. This includes volunteering at local museums, galleries, and cultural centers. These activities not only provide students with a sense of purpose and fulfillment but also help them develop valuable life skills.

Overall, the college's emphasis on cultural enrichment and diversity provides a unique and valuable experience for students. It fosters an inclusive and vibrant community that celebrates the richness of human expression.
