Editor’s Mailbag

Dear Editor,

I have just been engaged in a discussion with several other students concerning the merits of the quarter system over those of the semester system. We are interested in knowing the results of the opinion poll that was taken on registration day. This is of particular interest to all students as the majority of persons with whom I have talked are in favor of the quarter system and would like to know the possibility of a change to the semester plan.

Victor Oberheu

On Semesters for Southern

In answer to Mr. Oberheu’s letter concerning the results of the student opinion poll on the semester plan, we will very gladly print the tabulations of the answers from the 1001 questionnaires that were turned in.

It seems that the majority of students here at Southern are satisfied with the present quarter system, for out of the 1001 who filled out questionnaires, 702 voted against the semester system, 196 voted in favor of changing over to the semester plan, while 103 students said that they were undecided.

As for the possibilities of Southern changing over to the semester plan, we do not know exactly how close we are to a change-over. However, in view of the way the students voted on the questionnaire, it does not seem to us that the semester plan would be such a good idea.

We, the editors of the Egyptian, are inclined to agree with one educator who said that “whatever system you are now using is best.” Several tests and surveys have been made to help determine whether the semester plan or the quarter plan is best. Nothing definite has been determined in favor of either plan.

Therefore, we agree with the 702 students who voted against the semester plan. We hope that the faculty committee which is considering the semester plan also considers these 702 votes against the plan.

We of the Egyptian staff want to thank you, Mr. Oberheu, for expressing your interest in the semester versus quarter system and for reminding us to bring the results of the poll before the student body. Here’s hoping that you, the students with whom you have talked, and the 702 others who voted against the semester plan are permitted to remain satisfied.

Time Out

When Journalists Go On A Picnic

by Dave Stahlberg

Shining championship ball playing high-lighted the campus journalism picnic last Wednesday afternoon on the Giant City diamond, better known as the main shelter. Using a pair of wide-web 7-inch softballs, the two teams fought it out to a tight 22 to 7 finish.

Don Grubb’s Groovers were the hunting winners with Walt (Ace) Clay pitching and Bill Horrell’s, the losers, with Jim Davis behind the plate. The game is now using is against all, voted in favor of the semester last spring.

Don Grubb is head of journalism department at Southern in his space and he is the photographic service, head of the photographic service during his odd moments.

To spare the players untold difficulties in doing baseball talent scouts, a complete listing will be included. An accurate box score will be kept, due to the lack of a scorekepper. However, Mrs. Sherman Doonen did keep a record of the game.

HEROINE OF THE HOUR was student umpire Joyce Weece—now is qualified to dodge pitch balls better than the call, pitch and accurate game, and settled hot arguments, bordering on roots with a cool statement such as “Get that’s the way it looked to me.”

After the tough battle, the diamond-weary players hit the showers. Among those who showed up were: Jon Joerger, Bob Dexter, and Tom Bean, who called for a dinner. An exciting game was settled in the latters trying to slide into home. The crowd for this discussion will be “What Does the State of Illinois Offer to the Child with Problems?”

Students and faculty members are invited to attend the next discussion groups on both days.

THE UNIVERSITY BAND will also feature in the concert, held in the Little Theatre.

We have Experimented with the word "wet" in a number of ways, and have found that there is no better word for writer with wet ink. However, the use of "wet" for writer with wet ink is not acceptable, because it is not synonymous with the meaning of "wet." A more accurate description of the word "wet" is "written with wet ink" or "written with a wet pen."

SIU Sweeps Twin-Bill From Central Michigan
by Sherman Doolen

The Salukis scrambled to standings here last Friday by sweeping a three-game set against the visiting Bluejays. It was the first league competition for both teams.

Wayne Grandcolas, sophomore southpaw from Belleville, won his third victory in the closer 3-1, and righthander Ron Hagler, Murphyboro freshman, twisted a 6-2 victory in the second game, a seven inning affair.

TOGETHER WITH their creditable pitching and generally tight fielding, the Salukis won five runs during the afternoon, although they several times missed chances to boost their run totals with timely hits.

Southern thus hung up its sixth and seventh straight victories of the season after dropping its two opening games of a spring training jaunt. Bob Ens has been having occasional trouble seeing the pitch with his new specks on but he still is probably Coach Abe Martin's most dangerous hitter. Bob bashed a long homer into center field in the first game scoring Charles Vallerio of his best days in helping SIU to its fourth win in seven games.

In the singles matches, Pi- soni, Kilian, and Flota all won handily in the second set to give SIU a 3-2 advantage. Then in the doubles matches Southern's pair of Stoddard and Boilard combined to win both matches in two sets. This match victory spotted defeat for Rol- la.

Southern's record now stands at 1-2, not including the IAC opener in Charleston last Saturday against Eastern State. The Salukis will travel to Washington University this Thursday for the fifth match of the season.

Pisoni (S) beat Miles (M), 7-5, 7-5.

Beleksi (M) beat Lape (C), 6-1, 4-6, 10-8.

George (M) beat Meyers (S), 6-4, 6-4.

Kilian (S) beat Stoddard (M), 6-1, 6-2.

Flota (S) beat Abernathy (S), 6-0, 6-4.

Miley and Grey (M) beat Pisoni and Meyers (S), 6-3, 6-4.

Kilian and Lape (S) beat Stoddard and Boilard (M) 6-2, 6-3.

MEMBERS of the pace setting Chi Delta Chi team which finished with a record of 45-20 are Bob Coates, Chuck Weems, Mimi Alloc- ci, Bob West, Jim Throgmorton, Chuck Willey, and Doug Garber.

Tennis Crew Gains First Victory, 4-3

Southern's tennis squad "racketed" up win number one for the season last Wednesday when second set against Rolla, Mo., 4-3 over the Missouri School of Mines. Coach Jim Wilk- inson's team captured both final doubles matches to break a 3-3 tie and to take the victory.
