Trackman Injured Seriously In Auto Wreck

Ray Brandt's Skull Fractured, Jaw Broken

Ray Brandt, SIU trackman injured in an auto-truck wreck, remained in satisfactory condition Monday afternoon with a fractured skull.

To Meet Charges

Ray Brandt was one of five SIU athletes in a University car which collided head on long into a truck Sunday morning on Illinois highway 3.

They were returning from Austin, Texas, where the Texas Relays were held Saturday.

Brandt was reported "suffering well" by the hospital. He was under sedation. He is in the intensive care unit of the hospital and is being observed by doctors from St. Louis, Mo., a hospital spokesman said.

George Wood, Alan Gelso, Joel Beachell and Jack Leydig were all treated at the hospital Sunday morning and then brought back to Carbondale.

Woods suffered a broken toe of the right foot. Gelso sustained fractured ribs in the accident while Leydig and Beachell escaped with only bruises.

State police said Brandt was attempting to pass a truck which was signaling to turn when the accident occurred. He turned the truck he was driving around the truck he realized he was at an intersection and veered back into the lane hitting the truck. The driver of the truck was not injured.

Brandt, 25, a former student, is a cousin of Assistant Director of Student Affairs Clifford Shaw. He is a former Carbondale High School star.

Strike Halts Campus Construction

Work on all major construction projects on the SIU campus has been brought to a halt because of the expiration of the Carpenters Union contract.

Failure to negotiate a renewal of the contract before the expiration last week has led to the carpenters not having a contract to work under.

Willard Hart, associate University architect for the Carbondale campus, said the carpenters did not report for work last Monday, but other unions continued on the job, until Friday when the carpenters put up a picket line. The picket line was up again late Monday.

Major construction projects now stand at a standstill on campus. Brandt, 25, is a sophomore construction management major and the Education Building, Construction projects throughout the School of Southern Illinois are affected by the work stoppage.

Work Halts - A striking carpenter picketing the Physical Education building site talks with an idle worker.
Does a man really take unfair advantage of women when he uses Mennen Skin Bracer?

All depends on why he uses it.

Most men simply think Menthol-Iced Skin Bracer is the best after-shave lotion around. Because it cools rather than burns. Because it helps heal shaving nicks and scrapes. Because it helps prevent blisters.

So who can blame them if Bracer's crisp, long-lasting aroma just happens to affect women so remarkably?

Of course, some men may use Mennen Skin Bracer because of this effect.

How intelligent!

CLOSED MONDAYS
Bus To Pro Tennis Meet
Will Leave Center At 7

Masters of student activities around the campus today con-
centrate on planning for Spring Festival, conducting Zoology
Seminar, and planning for more planning.
Student leaders like profes-
tional tennis can catch a bus to a
demonstration meet held tonight at the Carbondale
Community High School. The event is to be held at 7:30 p.m.

The Thompson Point Social Programming Board will meet in
the Thompson Point Student
Government Office at 7 p.m.

The Executive Council will
meet in the same place at
8:30 p.m.

Two Seminars have been
called by the Zoology Depart-
ment at Southern Acres for 9:30
p.m.

The Displays and Service Committee of the Center Pro-
gramming Board plans to meet
in Room F of the Center also
at 9 p.m.

Help with filling out income
tax returns is still being of-
tered free to students by the
members of Alpha Kappa Psi,
the University Committee
for Economic Education.

The Baptist Foundation is
sponsoring a lecture at 7:30
today in the Baptist Founda-
tion Speaker, the Rev. Ross
Coogles will discuss "War
and Peace in this Nuclear
Age."

The Christian Science Or-
ganization will show a film
episode at 7 in the Studio
Theater.

The Angleletras have called
a rehearal in Room 114 of the
Women's Gym at 5 p.m.

Other events in the Women's
Gym include WRA volleyball
class and varsity, from 4 to
5 p.m., and the more junior
varsity at 7:30 p.m.

Fencing matches, which are
activity in the sports
Center, will be in session in
Old Main at 7:30 p.m.

A Journalism lecture by
Herbert Davies, a British
visiting lecturer, will be given
notices in the College
Laboratory at 8 p.m. on "The
British Press: What it is,"
Volleyball will be in session in
the Men's Gym at 8 p.m.

Wrestling, which has been
delayed at the Quoquet Hut at
7 p.m.

A golf match between SIU
and Illinois State Normal

LITTLE MAN ON CAMPUS

teams will be held at the Jack-
son County Club starting at
1:15 p.m.

The Thompson Point Social Programming Board will meet
in the Thompson Point Student
Government Office at 7 p.m.

The Executive Council will
meet in the same place at
8:30 p.m.

Southern Acres Executive
Council has called a meeting
at Southern Acres for 9:30
p.m.

The Displays and Service Committee of the Center Pro-
gramming Board plans to meet
in Room F of the Center also
at 9 p.m.

Help with filling out income
tax returns is still being of-
tered free to students by the
members of Alpha Kappa Psi,

**Disciplinary Action:**

**Sophomore Suspended For Mixed Drinking Party**

Edward Crooken, 20, a sophomore from East St. Louis, has been suspended from the University for six months, effective immediately, for permitting mixed groups to visit and party at his trailer, at which alcoholic beverages were served, and for malicious destruction of property.

He was ordered to make restitution for damages, totaling $98.55, to a neighboring trailer. Some windows were broken in the trailer during a disturbance last weekend, authorities said. The trailers are located at 319 E. Hester St.

**My uncle.**

In this case, nepotism’s a pretty good idea. And the best way to get it is through Air Force ROTC—because the Air Force prefers to commission its officers directly upon graduation. But if you couldn’t fit AFROTC into your schedule, you can still apply for Air Force Officer Training School.

OTS offers college men and women an opportunity to assume great responsibility. When you complete the three-month course, you’ll be commissioned a second lieutenant, and become a part of a vital aspect of our defense effort. As an Air Force officer, you’ll be a leader on the Aerospace Team.

We welcome your application for OTS now—but the same may not be true next year. So if you’re within 210 days of graduation, get full information from the Professor of Air Science.

Pan American Festival Turns To Agriculture

Latin American Indians will lead the way Tuesday as SIU celebrates the 10th Annual Pan American Festival with a round table discussion on the "Contributions of the Indians of the Americas to Agriculture."

Participants of the discussion will be: Dr. Charles B. Heiser, Jr., professor of botany, Indiana University; Dr. Carroll L. Riley, associate professor of anthropology, SIU; and Dr. Melvin L. Fowler, Curator of North American Archeology, SIU Museum.

Dr. Heiser will give an illustrated lecture on "Collecting Rare Plants in Ecuador," at 7:30 p.m. in Muckleroy Auditorium.

On Wednesday, Jesse P. Perry, Jr., will discuss "How Can We Make Agricultural Improvement Programs Work in Latin American?" at 7:30 p.m. in the Family Living Lounge of the Home Economics Building.

To wind up the Festival Thursday, a round table discussion will be held on: "Gymnast Wolf Leaves School"

Dennis Wolf, SIU gymnast from Pico Rivera, Calif., has withdrawn from school this quarter to return home.

He plans to work and save the money earned and return to Southern next fall. Wolf was one of the few bright spots at the NCAA Gymnastics Championships which Saluki fans could cheer about. He tied for second place in the high bar and also placed in the still rings and parallel bar events.

Two years ago Wolf won the National Junior AAU All-America title as a freshman. Bill Meade, SIU gymnastic coach, is expecting bigger and better things of the diminutive 5'-4" gymnast.

Dennis hopes to bring along his brother next fall to SIU. His brother has been working out with the Southern California squad and is regarded to be better than Dennis.

Jane Johnston, SIU student, is expected to be in the spotlight as she displays her dancing and singing talents at the Pan American Festival.

The Festival will open with a parade through the streets of Carbondale and end with a spectacular fireworks display at the Sports Stadium.

The theme of this year's Festival is "Pan-Americanismo." The purpose of the event is to promote better understanding and cooperation between Latin American nations and the United States.

Reds Break Cease-Fire In Laos

VIETNAM, Laos

Pather Lao battle groups have launched fresh thrusts on the Plain of Jars Monday in a campaign apparently aimed to pin the Communist undisputed control of all northern provinces.

In Pans, U.S. Secretary of State Dean Rusk accused the pro-communist forces of obstructive tactics and called on the Southeast Asia Treaty Organization to be vigilant.

Laos is not a member of that eight-nation alliance, but is in the territory offered SEATO's protection.

The U.S. State Department in Washington said the pro-communist forces have committed "a serious violation of the cease-fire" and called on Britain and the Soviet Union, as co-chairmen of the Geneva conference, to take prompt action to stop the shooting.

The 14-nation conference in Geneva agreed on a treaty imposing a cease-fire in Indochina in March of this year.

SPRINGFIELD, III.

Former French Premier Georges Bidault yesterday left for Rio de Janeiro after he was granted a visa. The fee of President Charles de Gaulle agreed to abstain from political activity, the Brazilian Embassy reported.

SPRINGFIELD, III.

The Illinois Senate approved bills Monday appropriating $350,000 to Southern Illinois University and $28,000 to the State Teachers College Board to build buildings constructed under the state's bond issue program.

The House has not acted on the bills.

The Issue

A story in the Egyptian of April 4 concerning activity fees is based on the question that is significant, and of interest to students of Southern.

The facts are this: The amount of money that has been requested by the advisors of programs partially or completely financed by student activity fees totals slightly more than $475,000. This figure is much lower than the figure reported earlier, the result of a more precise examination by Student Council.

Second, the amount of money that can be spent on the activity fee assessment is approximately $552,000. This figure is based on approximately 37,000 students paying the activity fee during the first quarters of 1984-85. The difference between expected revenue and actual expenditures is about $123,000.

Although Student Council deliberated on the matter at length, no conclusion could be decided as to whether the present fee is adequate or if it is enough to sustain an increase in expenditures close to $123,000 has not been made, it is probable that the cost of programs will exceed expected revenue. Therefore, the question looms: Where will the money come from to make up the difference?

Outside the climbing allocation requests, the expected activity fee intake total of $352,000, a number of alternatives present themselves for consideration by the Student Council and inevitably the student body by way of referendum.

The choice is to increase the activity fee. An increase in fees amounting to about three to four dollars per student, per term would be required.

The second alternative involves expanding the basis support concept of the activity fee. If this alternative were adopted, it would be recommended that a number of different fee columns receive smaller activity fee allocations, the reduction of the amount being financed from another source.

Among all the other sources that are being looked at are university funds and a faculty activity fee. The recommendation for a faculty activity fee would have to come from the Faculty Council.

The feeling is that SIU activities may have outgrown the scope of the activity fee structure and to continue demanded growth, support from another area may be required.

It is important to remember that there has not yet been a decision to expand or contract programs. The simple situation is that students agree that certain programs be expanded to extant message, the present activity fee will not be enough to finance them as the situation looks now.

The recommendation for support from other sources would be significant, and a student referendum would be essential. The students would be voting on whether they value expanded programs or a departure of support of the programs from new sources.

IRVING DILLARD

5 Significant Court Mileposts

It has been a long time since the Supreme Court has done as much good work on one day as it did last Monday. In at least five decisions of significance, the justices either unanimously or by majority reversed decisions that concerned the lives of the individual American citizen. One of those decisions, at a time, is a landmark on the side of strict adherence to the Bill of Rights.

In a case from Illinois, the Supreme Court ruled out drug-induced confessions. In a case from the state of Washington, the court held the defendants in such cases must be provided with counsel with an adequate trial record for appeal. In a California case, the justices decided that the indigent had an absolute right to appointed defense attorneys when appealing a state criminal conviction.

Udumal Voting Losses

A decision was held that all votes in state-wide elections must have equal weight. This knocked out much of Georgia's unit voting system which has the county units to defeat the popular majority. It also does as much to the Mississippi and Maryland unit voting systems as the equalizing system. The effect of this is to say, "One vote, one vote— and may vote is cast well.

All these decisions are important, but the one that stands out as the landmark is a unanimous decision in the case of Clarence Earl Gideon, who was sentenced to five years in prison in 1939 for breaking into a Florida pool hall with intent to steal. He could not hire a lawyer and counsel was not appointed in the courts.

Gideon knew nothing about the intricacies of criminal law. When he attempted to act as his own lawyer, he was unsuccessful. He was found guilty and imprisoned, notwithstanding the Constitution's guarantee of "the assistance of counsel."

The Supreme Court unanimously overruled the Gideon conviction and, in doing so, expressly reversed the decision in Betts vs. Brady, which had stood for 17 years. The reversal was a great victory for Justice Black, who wrote the decision, and also for Justice Douglas who was with Justice Black in dissent in the 1942 Betts case in which a poor, uneducated, tramp tried to plead his innocence on a robbery charge. He did not know how to proceed and was sentenced to eight years.

The Betts ruling established two kinds of justice—one for the defendant who had the money to hire a lawyer and another kind for the accused person who was too poor to hire counsel when zone was appointed. It was a shocking decision and came one day to be wipped off the books.

But as long as the retired Justice Frankfurter was on the bench, he held tightly to the Betts precedent even though it had in effect overturned the Supreme court's earlier re-sentance upon adequate counsel for the Negro defendants in the historic Scottsboro case (Powell vs. Alabama, 352 U.S. 496) as last April, in Carabelli vs. Cochran, seven justices had this basis in view, but did not expressly overrule the Betts precedent as Justice Black urged.

Fundamental Right

Now, as Justice Black so well says in the Gideon case, the Supreme Court recognizes this fundamental: "The right of one charged with crime to counsel or counsel may not be deemed fundamental in a fair trial, it is not in some countries, but it is in ours. This noble idea is the reality of poor men charged with crime to have his accusers without a lawyer to assist him."

The problem is that this space last year that the liberties of citizens would be more highly regarded with Justice Frankfurter and Whittaker off the Supreme Court bench. Here is proof as striking as it is welcome. A better day is ahead for the Bill of Rights.

Plink!

It must be spring. Kite-flying windos toss about the delicate magnolias blooms, and Southern tales of forming a tiddy winks league.

The University Center Programming Board announced recently that tiddy winks, popular in the ivy-league schools in the east, would soon be available to SIU students. Purchase of all four necessary equipment— little round chips, mats and cups to shoot at, is being purchased. Tiddy winks fans will be able to choose out the tools of their trade from the activities department in the University Center.

All indications are that the league is being offered on an experimental basis, to see whether SIU students have an interest in the game. Interest will be immense, of course.

Really, it is hard to think of a better way to kill time. It is less destructive than chopping up pianos, a cure which is being improved. It is less disgusting than eating goldfish. It is not as bruising as a ride in a clothes dryer.

Now no one can say Southern is not improving. We are just as good as Harvard. We play tiddy winks too.

Letter To The Editor:

Student Writer Asks For Temperature Control In Library Reading Room

Having been in the library the last three days, I have found it unbearably warm. This condition has not been present in the past and I don't think there is any reason for it now.

The library was built with the purpose of providing a comfortable, uninterrupted study area for students. Its whole purpose is defeated by not having the air conditioning on.

The Egyptian is one of the only organizations that gets things done on the campus. It seems that be should put some pressure on the library and make them turn on the air conditioning. If this is not done there could possibly be a very significant drop in student grade average. Action should be taken by the Egyptian for the benefit of the students it serves.

J. R. Farrell
Hampered By Rain:

Trackmen Place In Texas Relays

SIU finished second in the sprint medley and third in the two-mile relays Saturday at the Texas Relays in Austin, Tex.

Southern's half-mile relay team finished third in the event but turned in the fastest time this season for either the freshman or varsity squads.

The freshman mile relay quartet of Jerry Pedrich, Bill Lindsey, Bob Wheelwright and Gary Barr set an SIU record of 3:15.7. The team finished behind Athele Christian's 3:14.8 and Rice's 3:15.3.

Carr turned the anchor 440 in 47.4 seconds to get the team an invitation to the Kansas Relays.

Rain forced schedule changes which put the sprint and distance medley events only 30 minutes apart. Lew Hartsoog, SIU track coach, scratched the distance medley in hopes of getting a good enough sprint medley time to get invintations to the Kansas and Drake Relays.

The Salukis lost the sprint medley to Oklahoma State, SIU's 3:24.5 was good enough to get an invitation to the Drake and Kansas Relays. Oklahoma State's winning time was 3:24.1.

Al Pulliam and Ed Houston led off with 220's, Bill Cornell ran the quarter-mile and Jim Dupree ran the half-mile. Anchorman Dupree got the Salukis in the finals 880 and raced to the lead with a fast 50 second first quarter. But Dupree could not keep up with the blustering pace and finished second to Wines.

The two-mile relay quartet had a little head luck. John Peters led off the relay and was running strong but well back in the 11-team race. He tried to break through a knot of runners but dropped the baton and fell to the ground. He finished his half in 2:06. Brian Turner was clocked in 1:52.5, Cornell in 1:51.6 and Dupree in 1:48.1. The Salukis were third behind Ohio University's 7:30.6 and Texas' 7:35.1. SIU received a 7:35.5 clocking.

Kristoff Wins

Wrestling Title

Larry Kristoff won the National AAU heavyweight wrestling title in San Francisco (Calif.) Saturday night. Bill Harste and Ken Houston also competed but did not fare as well.

Hartzet gained a draw in his first match with Art Mackenzie of Oregon State. Then he lost to Bill Jarnorovich of Navy and Russ Winer of Phoenix.

Houston lost to Charlie Tribble of San Bernadino College and to Jack Stanbro of the New York Athletic Club. Kristoff won his matches Friday and two Saturday to enter the finals.

In Bowen Gym:

Pro Tennis Stars Play Here Tonight

Three years ago the talk of the tennis world was a promising young man from St. Louis named Earl Buchholz.

Today he is ranked as one of the better professional players.

Buchholz is one of six pros who will perform here Tuesday night in Carbondale Community's Bowen Gymnasium at 7:30.

Admission is $1 for students and $2 for adults. Tickets may be purchased at the University Center Information Desk.

Buses will take the students to the gym and will be leaving from the University Center and Thompson Point, girls can get late leaves by checking with their house supervisor.

Buchholz handed Rod Laver an 8-4 setback earlier this week and will have a chance Tuesday night to repeat it.

Laver is only the second man in history to win the grand slam of amateur tennis.

Laver was a sensation in the amateur ranks just a year ago when he duplicated American Don Budge's feat of capturing the championships of Australia, France, Great Britain and the United States, in addition to Laver and Buchholz appearing here.

Barry Mackay, one of the more hotly-tempered pros, Andres Gimeno, Luis Ayala and Ken Rosewall will be here.

Rosewall is in first place and Buchholz second.

Rosewall is in first place and Buchholz second. He will have a chance Tuesday night to repeat it. Laver is only the second man in history to win the grand slam of amateur tennis.

Rosewall was a sensation in the amateur ranks just a year ago when he duplicated American Don Budge's feat of capturing the championships of Australia, France, Great Britain and the United States, in addition to Laver and Buchholz appearing here.

Southern Pitcher Sets New Strike Out Record

Walter Fans 19 Billiken Batters

SIU opened its regular season with two home victories over St. Louis University as Ed Walter set a new SIU strikeout record for pitchers. Walter, an 18-year-old freshman from Mt. Carmel, limited the Billikens to five hits while striking out 19 batters enroute to the 9-0 first game victory. Doug Edwards was the winning pitcher in the second game limiting St. Louis to four hits in the 5-3 victory.

Walter's 19 strikeouts broke Hurley's old record of 14 which was set in 1960. Hurley is now pitching coach for Glenn Martin's SIU baseball squad.

"He must be teaching us too well," Walter quipped after breaking the record. "It was the best day of my life." In addition to striking out 19 Billikens, Walter collected three hits including a triple.

SIU collected 14 hits in the first game. The Salukis scored a single run in the second inning and then exploded for eight runs in the third inning. Rod Landrelb and Jim Long hit home runs, Walter and Mike Parente tripled and John Stebel doubled in the big inning. Landrelb's round trip per was good for three runs and Long drove in two runs with his circuit blast. In the second game, St. Louis jumped out to an early 2-0 lead but the Salukis came back in the fourth inning to take a 2-2 lead. Jerry Qualls drove in two runs and Dave Harris the other run for the Salukis.

Dave Leonard, captain, scored the fourth run on a wild pitch after advancing to third on Stebel's fly out to centerfield. He had doubled earlier in the inning.

Harris scored the final run in the sixth inning on an error by St. Louis second baseman Jerry Kozlinski. Harris collected two hits in the second game victory.

SIU hopes to extend its two-game winning streak to four Wednesday afternoon at 1 o'clock when it plays host to St. Joseph's College of Rensselaer, Ind. The two teams will play a doubleheader at the Chahtaqua baseball field.

Tennis Team Sweeps Minnesota Meet, 9-0

By boosting its season's record to an unblemished 5-0, Southern's tennis team scored a 9-0 clean sweep of Minnesota, Iowa State and Wheaton College in a quadrangular meet at Minneapolis, Minn., last weekend.

The only set lost by SIU against the three teams was by Lance Lumsden, Southern's number one singles player. SIU opens a six match home stand starting Thursday afternoon against Notre Dame and continuing to Saturday April 20 against Lamar Tech. During that nine day stretch, the Salukis host Iowa (April 12), Western Michigan (April 13), Wisconsin (April 18) and Lamar Tech (April 19-20).

Iowa State results: Lumsden over Tuck Vossburg, 6-0, 6-2.

Pacho Castillo, SIU; beat Dave Schelding, 6-0, 6-5.

Roh Sprengelmeyer, SIU; beat Lou Counter, 6-0, 6-1.

Roy Sprengelmeyer, SIU; beat Tom Line, 6-1, 6-0.

Wilson Burge, SIU; beat Dennis Kvieletis, 6-2, 6-2.

George Domenech, SIU; beat Bill Kikis, 6-0, 6-0.

Lumsden-B. Sprengelmeyer over Vossburg-Counter, 6-0, 6-2.

Burge - R. Sprengelmeyer beat Schelding-Line, 6-1, 6-1.

Castillo-Domenche beat Kikis-Kvieletis, 6-0, 6-0.

Lumsden-Kbikeletis, 6-1, 6-0.

B. Sprengelmeyer over C. Mikkelson, 6-1, 6-3.

Castillo over Mac Lust, 6-1, 6-3.

R. Sprengelmeyer beat F. Kleeckner, 6-3, 6-2.

Burge beat Holtvik-Kruehn, 6-2, 6-0.

Domenche beat D. Johnson, 6-3, 6-1.

Lumsden-B. Sprengelmeyer beat Lust-Mikkelson, 6-1, 6-2.

Burge-R. Sprengelmeyer over Adans-Kleeckner, 6-2, 6-4.

Domenche-Castillo beat Holtvik-Kruehn, 6-2, 6-0.

Wheaton results: Lumsden beat Dennis Bennema, 6-4, 6-2.

Castillo beat Tom Clausius, 6-2, 6-0.

B. Sprengelmeyer over Jay Jakes, 6-0, 6-1.

R. Sprengelmeyer beat Sam Macaluso, 6-2, 6-1.

Burge beat Ron Webb, 6-2, 6-2.

Domenche over Hal Peterson, 6-2, 6-0.

Lumsden-B. Sprengelmeyer beat Bennema-Clausius, 6-3, 6-4.

Burge-R. Sprengelmeyer over Jakes-Macaluso, 6-2, 6-1.

Castillo-Domenche beat Peterson-Webb, 6-2, 6-0.
