Assembly to Highlight SIU Brotherhood Week

Dr. Paul Hunsinger, speech instructor, will bring Brotherhood Week on campus to a climax when he speaks at an all-school assembly program in Shryock auditorium Thursday morning at 10 o'clock.

Hunsinger has worked in an inter-racial situation in south-side Chicago where he and his wife set up a recreation program for the children of the various races in the vicinity. He has also written two articles on this subject.

The title of Hunsinger's talk will be "Remember to Forget." He is the only member of the SIU fraternity who will fulfill his program who will furnish music for the assembly.

Lloyd Bitzer is student chairman of Brotherhood Week at Southern, which began Sunday at 10 a.m. with a dinner sponsored by the Student Christian Association.

The films, "The House I Live In," starring Frank Sinatra, and "D.O.A.", are to be shown in Main 203-A today at 1 p.m. In order to give everyone an opportunity to see these films, they will also be shown again at 9 a.m. and Thursday at 10 a.m.

Poverty Of The Mind

Now Theta Xi
1952 Marks Fifth Year For KDA Variety Show
by Teresa White

"Abolish Compulsory Student Assembly," was a headline which appeared in a 1947 issue of the Egyptian, thus giving birth to a series of all-school Variety Shows sponsored by the KDA (now Theta Xi) fraternity.

The reason for the abolishing of the student assembly was the fact that Southern Illinois University, a university, and therefore, had more students than could be reached at one time. This halted the practice of giving students the opportunity to perform, but gave vent to the annual Variety Show, which will celebrate its fifth anniversary Feb. 28, 1952.

The first Variety Show was presented Feb. 23, 1947. The performance consisted of quartet singing, impersonations, dancing, trick cartoons, and trimming. John Mulkin, now a graduate student here at SIU, was in charge of the first show.

The Service to Southern award was initiated at the first Variety Show. Many honors were being passed around, such as to the most valuable sorority woman and fraternity man, and scholarship awards to students with high grades, so it was decided to give an all-around award to the man and woman student who had contributed the most service to Southern-thus the Service to Southern award.

Winter term was chosen as the season for the Variety Show in order to fill the gap in social activities since no major event is held during this term. It was decided that all the proceeds were to go to Southern.

The Theta Xi Variety Show has come a long way since 1948. In 1949 there were fifteen acts, and in 1951 "twenty-one of the best acts on Southern's campus" were presented. And now this year an award will be presented to the best act in the show.

It could go so far as to say that the Variety Show itself is truly a service to Southern.

TO APPLY FOR RESEARCH

The period in which applications for individual research grants will be accepted has been extended to Wednesday, Feb. 20. Forms and information may be obtained in the Graduate Office.

Brotherhood Week

(Editors note: The following editorial was written by Irving Dillard, editor of the editorial page of the St. Louis Post Dispatch, for the National Conference of Christians and Jews, Inc., sponsors of Brotherhood Week, Feb. 17-24.)

It may sound futile to talk about brotherhood when half the world is doing its best to deny the meaning of the word. On the contrary, this is precisely the time to begin talking about brotherhood. That is, if we hope to retain a decent sanity in this country and later to serve as an effective healing agent for Europe.

The National Conference of Christians and Jews, founded by Charles Evans Hughes among others, is now engaged in the celebration of Brotherhood Week. It is an annual observance, built around Washington's birthday. Surely it is more meaningful this year than ever before.

The avowed purpose of the National Conference, which looks after religious, racial and cultural relationships among Protestants, Catholics and Jews, is to "make America safe for differences." Is it overstressing the importance of Brotherhood Week to say that America will be safe for democracy not one moment longer than it remains safe for differences?

Matmen Lose To Navy Air Station

An invading Memphis Navy mat team spilled Southern's grapplers 20-11 in a match held in the SIU gymnasium last Saturday night. The loss was the second this year for Coach Jim Wilkinson's boys to Memphis, but it came only after the Navy had come from behind to score victories in each of the final three bouts.

The match followed closely the pattern set by the two teams in their earlier meeting when the Memphis boys also came from behind to win the final four tussles. The score in the January meeting was once 14-0 in favor of Southern before Memphis made its move; last Saturday Southern's lead once stood at 11-7, but once again, Memphis finished on top.

THERE WERE THREE pins scored in Saturday's match—all by the Navy. The only three victories scored by Southern came with the efforts of Halbert, Schwinburg, and capital Jake Stoudt in the 157-pound class. Art Hargis settled for a draw with his Memphis foe. The final results showed:

136 lbs.—McAdoo (M) pinned Cutrell (S), 5-0.
138 lbs.—Halbert (S) decisioned Willis (M), 3-0.
147 lbs.—Schwinburg (S) decisioned LeBlanc (M) 3-0.
157 lbs.—Stoudt (S) pinned Keidings (M).
167 lbs.—Perrine (M) decisioned Williams (S) 5-0.
185 lbs.—Black (M) pinned Silville (S) 5-0.
Totals—Navy 20, Southern 11.

Salukis Battle Bears
Here Tomorrow Night

by Jack Netland

Southern Illinois' Salukis defend their home court tomorrow night against the Bears of Washington University. Though the foes are from nearby St. Louis, it will be only the sixth meeting between the two in an interminister that started back in 1915.

That's right, 1915. The two teams met twice during that season and then they parted ways until the next match in 1939. Since then there has been one game played in 1947 and one more just last year.

The standings in those five contests show SIU leading three games to two; they show their possession of a three-game winning streak since Washington won the two openers in 1915.

TO INDICATE HOW modern-day basketball stresses a potent offense one can compare the 1945 scores of 28-18 and 29-13 with last year's 60-58 struggle. In 1945 they scored about one point per minute combined. Last year they scored somewhere around two and one half points per minute.

Though Southern does have the edge in the win column, Washington has one of the top scoring teams in the country. The Bears average almost one point per minute more than half the teams.

Salukis, if they can out hustle Illinois Normal for second place in the IAC, stand a chance of being picked.

Members of the selection committee, besides Martin, are Jack Horenberger, Illinois Wesleyan; Ralph Allen, Millikin; Charles Janitz, Eastern; Ray Hamon, Western; Paul LaVonn, Eureka and Robert Wall, Monmouth.

The 20 member schools of the NAIB in Illinois are:

PIONEER: Eureka, MacMurray of Lebanon and Shurtleff of Alton.
