Salukis Defeat Western Kentucky - 88-79

The Salukis defeated Western Kentucky 88 to 79 last night at Bowling Green but the score doesn't really tell the story. Virtually all the Southern players could do to stave off the determined Hilltoppers. And it wasn't until the last minute and a half of the game that the Salukis could be sure they have the game in the bag. It was the Salukis second win in a row over a major college team. They defeated Kentucky Wesleyan Saturday night 99-68.

Almost 10 minutes of the game went by before either team showed any real spirit. And from that point on the score see-sawed back and forth until the closing minutes of the half when SIU manager pulled out points in front. Half-time score was 42-32. The Salukis scored first in the second half and moved out in front to a 51-44 lead. But the determined Hilltoppers put on the press and quick-picked back up to within one point of SIU.

The Hilltoppers kept on the Salukis tail, never trailing more than a couple of points, until the closing two minutes. Then they managed to close up the comfortable winning margin. Here's how the scoring went:

For the Salukis - Lou Williams, 17; Rod Linder, 15; Harold Hood, 14; Eldon Bigham, 13; Joe Ramsey, 10; and Paul Henry, 7.

For the Hilltoppers - Bobby Jackson, 25; Jim Dunne, 16; Darrell Carrier, 15; Ray Roby, 10; and Ray Keaton, 9.

The Hilltoppers will come to Carbondale on Feb, 19 for a return game.

Debaters To Take Over TP For Spring Break Convention

Pi Kappa Delta, national forensics fraternity, will hold a week-long convention on the SIU campus during the spring vacation. As many as 1,000 visitors may be on campus for the event.

The visitors will be housed at Thompson Point which will mean that nearly all students will have requested housing from their rooms for the vacation period. The Pyper, head resident at Thompson Point, said certain rooms will be reserved on all floor for students to store things, so they won't have to move the articles from the buildings.

This is nothing new, Pyper said, because vacating the dormitories has been required in past years to accommodate convention and workshop groups. Some students may be aggrieved, he added, but as yet he has heard no objections.

Frosty Air Freezes Out Fragile -Hardy Take To Kookie Costumes
Some Kind Of Nut?

Freshman To Prove Point To Kennedy - The Hard Way

In an age when the automobile is the epitome of status symbol, to most of the youth of America, James L. Hunt might well be considered "a nut or something" by his contemporaries.

Hunt, an SIU freshman likes to walk.

In fact, he likes to walk so well he's going to walk from San Francisco to New York just for the heck of it. Hunt, who lives in Carbon Falls, Illinois, noted he planned the trek in 62 days, breaking the 66-day record held by a pair of British paratroopers.

"To my knowledge," said Hunt, "There has not been an American to walk this. A woman from Britain recently tried to break the record, but took 82 days for the trip."

Although Hunt hopes to break the record, it is not his reason for taking the summer hike.

"The main reason I am planning this walk," Hunt explained, "is that since President Kennedy took office, he has been talking about youth fitness, and I would like to prove to him that all the younger people aren't really as soft and flabby as he thinks they are."

Hunt said he will probably camp out most of the time. He hopes to have a friend in a car to keep him company. The car will be used to transport camping equipment and what clothing he will need for the walk. On his local walks he uses regular shoes and clothing, but for the cross-country travel, he will use special shoes.

"I have an appointment with Jay Bender of the Physical Education Department to get his advice on the matter of walking shoes," said Hunt.

When questioned about dietary plans for the hike, he said that he will have no special diet. "I do get hungry on my tripe," said Hunt. "This will be a problem on the long walk, too, especially in the desert. We will have to carry our own food. Usually I carry a candy bar or some type of sweet with me."

Hunt has a local sponsor for his area trips who supplies his equipment for him. Although his equipment is not unusual, he does wear a ski suit for warmth during the winter months.

"I will have to get a sponsor to finance the cross-country walk before I can make the trip," he said.

Hunt, whose unusually long legs have carried him over 400 miles of planned hiking to date, makes these trips for the pleasure of walking itself. Scenery and sightseeing are of secondary interest to him.

"On the way back from New York, I do hope to do some sightseeing. I really enjoy scenery, but I haven't had a chance to see much variety. Most of the trips have been local so far."

Does Hunt have some magic formula for entertaining himself on his jaunts?

"I don't think about anything in particular during my trips. On these long walks such as this one to St. Louis, I was getting bored and I thought about everything from beating the next car to the next sign to what I would do when I got into St. Louis."

Hunt is like many other hobby enthusiasts; he prefers to pursue his pastime when the elements are right.

"Spring is the best season for walking. The weather is better. Summer is too hot and winter is too cold. Also, winter clothes weight you down and slow your time down."

Hunt admits that his hobby has evoked some unusual responses.

"On a recent trip to St. Louis I was stopped by a state trooper. He recalled, "When I told him I was walking to St. Louis, he asked why. I told him I was training for a cross-country walk. He had his doubts and drove up to the car accompanying me."

"He checked the story, then shook his head and drove off," Hunt smiled.

Tournament Week Swings Into Action Today

Pairings have been announced and play started Monday in the SIU tournament Week games which will reach the finals Jan. 27.

Students who signed up are responsible for looking up their opponents and making arrangements to meet for games, the recreation committee announced.

About 200 signed up but some were dropped because they did not meet the required 3.0 grade point average. All others can report to the clerk in the Olympic Room, pick up equipment and play their games on presentation of LD, and Activities cards.

Finals for each event will start at 1:30 Jan. 27 in the Olympic Room and the Bowling Alley.

All of the duplicate bridge will be played on that day starting at 1:30 in the Olympic Room.

In the bowling finals, two games will be permitted and winners will be determined on the basis of total score.

The Recreation committee chairmen, Al Kramer and Carolford, said members of their committee will be on hand at the control desk in the Olympic Room to answer questions about the tournament arrangements for men and women are-participating.

Billiards and Bowling players have their eyes on regional and international tournaments which are offered through cooperation with the Association of College Unions, A national tennis regional tournament has also been scheduled.

An important meeting at 9 will be a get-together of new winter quarter students in Group H and the student leaders who first helped them with orientation two weeks ago. Marion Dean, New Student Chairman, said the leaders are willing to continue meeting with the new students until they feel adjusted to the SIU campus. The meeting will be held in Room C.

"Other meetings include; A foreign language lecture to be held in the Library Auditorium at 7:30, Carey Davis, Professor in Language, will be the speaker. His subject will be "From A to Z."

Pi Delta Epsilon, a college publication fraternity, will meet in Room B of the University Center at 9:30 p.m. The Pan Hellenic Council will meet in Room F of the Center at 9 a.m.

The International Night Committee of the Center Programming Board will meet in Room F from 9 to 10 p.m.

Counseling and Testing Center will give student employment tests in Barracks T-32, Room 103 at 4:30 p.m.

Meetings and affairs around campus today include fraternity rushing which started Sunday and will be in progress for a week.

HOW: IF YOU NEED TRANSPORTATION CALL 457-8713 OR 457-6698

BEVERLY JOHNS, vice president of the University Center Programming Board announced theappings for two committee co-chairmen.

They are: Eva Messenger, co-chairman of the Dance Committee and Pat Knaier, co-chairman of the Cultural Education Committee.

ROTC Honor Guard Seeking Sponsor

The Air Force R.O.T.C., Honor Guard is in the process of selecting a coed to serve as sponsor.

The Honor Guard sponsor will be present at all Honor Guard functions and her duties will include serving as an official representative to guest personnel and accepting trophies. A special all-weather uniform has been designed and will be tailored for her.

Honor Guard members are allowed to submit nominations and nominations will not be accepted after 5:30 p.m. today.

Selected nominees and their selection will meet the judges and Honor Guard officers at a time to be held in the Home Economics Lounge Thursday morning.

Two Important meetings at 9 a.m. to 8:15 p.m. Wednesday at the Newman Center.

Howard J. Stains, associate professor of zoology, was guest speaker at a semi-monthly meeting of the Thompson Point Hunting and Fishing Club Thursday night. Stains outlined the life history and management of the Cottontail Rabbit to the group of Thompson Point sportmen.

Students Need Activity, ID Cards

For BB Ticket

Students who want to obtain tickets for Wednesday night's SIU-Southeast Missouri baseball game at Carbondale Community High School must present both their activity and identification card.

No longer will the athletic department honor fee statements.

Athletics held on all its slim one-point lead in the faculty bowling league with 30 points. Industrial Education is in second place with 29 points.

Chemistry II and Rehabilitation Institute are tied for third place with 27 points.

The Thompson Point Executive Council will sponsor a Judicial Board Council Jan. 19.

The council will be an all-day workshop for all students who are members of the judicial boards of the various Thompson Point residence halls.

Members of the Newman Club will vote for new officers from 10 a.m. to 8:15 p.m. Wednesday at the Newman Center.

SEeks CROWN—Leslie Green, 18-year-old SIU freshman, will be seeking the crown of Miss Rural Electric Co-op tonight in Los Vegas. Miss Green is representing Illinois in the contest.

The Home Economics Club will meet today at 7:30 p.m. in the Family Living Laboratory.

All Freshman girls are urged to work towards the annual Outstanding Freshman Award presented in May. Report forms may be obtained in Room 131B of the Home Economics Building.

Judging Team To Texas

SIU's Dairy Judging Team will travel to Fort Worth, Texas, Jan. 28 to participate in the Southwesterns Exposition and Livestock Show.

Members of the team are Dean Cullins, Steve Cornelison, Ronald Kiehna, and Keith Weatherall.

EXHIBITION AND LIVESTOCK SHOW

The International Night Committee and Pat Knaier, co-chairman of the Cultural Education Committee.

Council Committees To Investigate Bills

- The Student Council sent a number of new bills to committees after it found champions for three of the previously non-functioning work groups.

The new bills concern the creation of an official student government newsletter, investigation of entertainment facilities, and the acquiring of money, and representatives for domestic peace corps coverage in Washington, and a resolution concerning athlete Jim Dupree's suspension.

New chairmen for Council committees are Ron Hunt, rules and coordination; George Graham, finance, and Bob Gray, campus development and services. The Council also approved the appointment of Asenath Dixon to the judicial board, a branch of student government.

Appointments to university committees were Bill Seaway and Karen Davies, proficiency examination; Bob Allison, development of advisement; Nolan Nakamura and Anita Anderson, human rights, Alimia Aiken, and Dee Wood, lecture and entertainment, Bill Murphy, council intercollegiate athletics, and Linda Foster, convocations.

In the Council's old business, Bob Gray refused to make a recommendation on a bill asking for bus service to Southern Hills because he said he was given inadequate information. Chairman Ted Hutton directed Gray to investigate the need for bus service at Southern Hills.

Doctoral Grants Available Here in Three Fields

Doctoral fellowships in English, psychology, and elementary education which were recently made available to SIU through the National Defense Education Act are outright grants not loans, officials explained this week.

The grants include stipends of $400 the first year, $2,200 the second year and $3,400 the third year plus $400 for each dependent. The grants are designed to make it possible for a student to do work toward a doctorate degree without interruption.

400 Obelisks Still Unclaimed

Some 400 copies of the 1962 Obelisk are still unclaimed, editors of the yearbook said yesterday.

They urged persons holding receipts for the 1962 book and persons who asked to be put on the waiting list last June and in September to pick up their copies immediately.

Any other person wishing to buy a copy of the 1962 yearbook may do so, they added. If the student was in SIU one or more terms last year the price will be $2. If he wasn't in school last year but is now, the price will be $3.

Copies may be bought at the Obelisk office on Harwood Avenue, next to the Housing Office.

Murphysboro Bus Group To Make Suggestions

Several items relating to the Murphysboro student bus will be discussed at a meeting of the Murphysboro Bus Committee Thursday afternoon, according to Bill Fenwick, student body president.

Fenwick said he will report on the subsidy for last quarter and on the justification for discontinuing the Sunday and midnight runs. Also to be considered at the meeting are the possibility of changing the present 6:30 p.m. run to 5:30 p.m., and the merits of the buses making a loop in Murphysboro rather than going into town and out of town on the same street.

Members of the Murphysboro Bus Committee include Marion Nash, secretary of the Murphysboro Chamber of Commerce; Mrs. Anita Kuo, SIU supervisor of off-campus housing; Miss Elizabeth Mullins, coordinator of student activities; Fenwick; and another representative of the Murphysboro Chamber of Commerce.

Plan 'A' Students Set Own Curriculum

A committee of Plan 'A' juniors is currently setting up a curriculum for next year's Plan 'A' students.

Members of the committee are Nicholas Pasquel, Robert Allinson, Frances Finch, Jacqueline Kline, and Robert Rath.

Greek Sanctions Approved

The IFC-Panhellenic Scholarship Commit­
tee has taken steps to comply with President Morris' request for better grade perfor­
mances by the Greeks. A list of proposals was presented to the administration and adopted.

This plan to revolve social and voting privil eges of individual Greeks for failure to poll a 3.0 average during one quarter. The following quarter the member in question is required to make a 3.0 average for the two quarters. If he fails to do that, the plan calls for his eviction from the fraternity or sorority house.

The second section establishes the Scholar­
ship Committee as a permanent body to set up and enforce busy plans for chapter houses.

The last section would sanction an entire chapter which falls below a 3.0 average for three quarters in succession. "The commit­
tee would recommend that the authorized unaffiliated chapter house be closed by the chapter.

According to Bill Griffen, co-chairman of the Scholarship Committee, the plan would be retroactive, thus requiring the sanctions proposed for poor grades made last quarter. Making the Greeks liable for last quarter's grades may seem unfair, but how long can we expect the Greeks to be lax in their studies? As in the case of SIU's campus, could a chapter house be closed without the sanctions formerly given to the chapter?

Erik Stottrup

Better Course Planning

Editor:

While there are still long lines of SIU students waiting to go through advisement and sectioning for this term, ap­
propriately selecting their courses for the next term have already been given to most students. I suppose that this policy of very early advisement is accep­
table, but what's the use of selecting our class, if there is no class to represent. The only unifying property of the Freshman Class is that we all hope to graduate in 1964.

If this is all we can claim in our honor, I think it's about time we were disband ed. (At least in high school we sold popcorn at the basketball games.)

And don't you upper-class­
men laugh. What have you done that is worthwhile?

If you see the class any­
where on campus, please let me know.--I'm thinking of run­
ing for president next year. If the class fails to improve in the meantime I'm going to adopt a campaign slogan used by a recent U of I Senior class president candidate: "Elect me and I'll abolish the office." He did, too.

Richard Cox

And There Was Light

Southern Illinois University co-eds should now feel more secure when walking east on Park Street.

A number of complaints were received last quarter, because the street was almost totally without lights. A resolution was finally introduced to Student Council during fall quarter asking the university to install lights on Park Street east to the Wall Street section. The resolution asked that the city of Carbondale install lights on the rest of Park east of Wall Street.

The problem, of course, has not been one for co-eds only. Students who live in Carbondale, and all others interested, face the same hazards day and night. I am almost sure that quite a small number of people would have to toil their advisers and the sectioning center in making program possible. However, this is not the proper solution to the problem, but surely there is a better system available for use. Perhaps one of these that takes place entirely too early in the term.

Barbara Jett

Bookstore Denies Cutback In Books

The University Bookstore definitely has no plans to decrease its stock of hardback books, according to Joseph C. Trobaugh, manager.

It has been rumored that the bookseller was planning to lessen the number of hardback books offered for sale. The false notion probably resulted from the reduced price on books that was held last quarter to clear out some books that had been in stock for a considerable time, Trobaugh said.

Iowa Coach Describes Salukis:

'The Best Gymnastics Team In The Country'

"They're the best gymnastics team in the country," was the comment of Iowa-coach Dick Holzeapel after watching his Hawkeyes go down in defeat--77-1/2-39 1/2--at the hands of the Salukis in the Men's Gym Friday afternoon. Holzeapel had a right to be impressed with the runner-up NCAA champs. SIU captured five of the seven events before the largest crowd ever to attend an athletic event in the Men's Gym.

The standing room only crowd of 1,800 saw Rusty Mitchell pace the Salukis with wins in the free exercise event and tumbling. The West Covina, Calif. ace, who is the defending NCAA champ scored the highest average of the meet with a 94.5 average in the tumbling event.

In a personal dual, Iowa's fine sophomore, Glen Galles, edged out Denny Wolf, 93.5 to 93 in the still rings. The Hawkeye's only other first of the afternoon came when George Hery, just did manage to get by Southern's Hugh Bloomsburg on the trampoline.

Another sophomore, Steve Pasternak took first place honors on the side horse as he was pushed by veteran Or­lofsky.

Other sophomores, Chuck Erlich and John Rush turned in creditable performances as Erlich was right behind Galles and Wolf in the still rings and Rush was third in the tumbling event.

The turning point in the match came when Southern's Dave Holidorn lost a 4-1 heartbreaker to Ed Paule in the 157-pound weight class.

Southern's next meet is against Miami of Ohio at Oxford, Ohio, Jan. 20.

The results:
115-:Fortney, Bloomsburg, over Ramos, SIU-7-0.
123-Melitiski, Bloomsburg, defeated Dan Davile, SIU-10-0.
130 - Robb, Bloomsburg edged Terry Finn, SIU-5-4.
137C-Connell, SIU, defeated Rolley, Bloomsburg-14-4.
147-Scurse, Bloomsburg, over Dan DeVito, SIU-7-0.
157 Paul, Bloomsburg, defeated Ed Paule, SIU-7-0.
167-Millard, SIU, defeated Vargo, Bloomsburg-5-0.
177-Hartwell, SIU, nipped Stetsel, Bloomsburg-2-0.
191 - Hall, Bloomsburg, edged Irv Johnston, SIU-5-3.
Heavyweights-Kristoff, SIU, drew Garson, Bloomsburg-1-0.

Quakers Pull 17-14 Victory In Saturday Wrestling Meet

Little Bloomsburg State proved to be too strong for Southern's wrestling team Saturday night, as the Quakers managed to pull out a last minute 17-14 victory at Bloomsburg, Pa.

The Quakers were leading going into the final match but Larry Krijeoff, Southern's heavyweight, could manage only a draw against NAIA champ Bob Garson.

"We just ran into a good team," commented head coach Jim Wilkinson. "And we just weren't ready for them."

"I don't want to make any alibis but we were not in top shape," added Wilkinson, "they competed over the Christmas holidays and consequently were ready."

The standing room only crowd witnessed an exciting match with the host team taking six of the ten matches.

The Salukis captured the 134-pound division with Chico Conigliio downing Jim Bally 11-4. Don Millard, Southern's All-American, won the 157-pound match over Don Vargo, 5-0.

Bill Hartwell was the only other victor for SIU as he edged Pat Stetsel, 2-0.

Chases Winter Blues With Thoughts Of Spring

Holder Banks On Winning Trio To Give SIU Its Best Golf Year

It might not be perfect golf weather but Southern's golf coach, Lynn Holder is looking forward with great optimism to the spring season.

A tournament-tested threesome, Gene Carello, Jim Place and Bob Payne, might lead the Salukis to its finest year ever, in 1963, Holder, who has guided SIU to 93 victories in their last 117 matches, including 45-46 at home, believes Carello, Place and Payne "will be able to hold their own with the top three golfers of any collegiate team in the country."

All have outstanding credentials in the form of titles and trophies won in amateur competition last summer, and are determined to maintain Southern's record despite the fact that the Salukis will be facing stiffer competition this spring in their first season as an independent.

Payne, a 180-pound, long-driving sophomore, was one of the summer sensations as he came from nowhere to cop the Fairfield Open and the Southern Illinois Golf Professional Association championships.

Carello established a new course record at Benton while winning the Gold Cup tourney and also capturing the Jackson County Invitations and the West Frankfort Fall Classic. Place won the amateur division of the Southern Illinois

GOLF CHAMPIONS -- Chief reason why Southern's golf coach Lynn Holder is anxious for the 1963 season to get underway is the presence of three proven veterans of area tournaments, averaging 73.9 strokes. Carello, who won 13, lost five and tied one, averaged 75.4. Holder's only immediate concern is development of second-liiners, but the veteran SIU coach claims top prospects in Leon McNair, Jerry Kirby, Roy Lee Gill, John Krueger, and Bill Muehleman.

Spila Quits BB Because Of Poor Season

Ed Spila, third-team Little All-American last year, quit the SIU basketball team Friday because of his "sub-par" performances this season.

Spila, who had never played a minute of basketball before coming to SIU in 1959, was disqualified with the way things were going so he quit rather than hurt the team anymore with his "poor" play.

Cagers Snap Losing Streak To Win 99-68

Rod Linder, a junior guard, came off the bench Saturday night to score 21 points in SIU's surprisingly easy 99-68 basketball win over Kentucky Wesleyan.

It was the most points scored this season by the Salukis as they snapped a two-game losing streak.

SIU fourth-ranked in the United Press poll before the game now must play two ranked quintets this week. Southern plays the 10th ranked Southeast Missouri team Wednesday night at Carbondale Community's Bowen Gym. Then Saturday night the Salukis travel to Nashville (Tenn.) to play third-ranked Tennessee State.

Linder played only 20 minutes of Saturday's game but hit five of five field goal attempts and 11 of 13 free throws for his 21 point total. Four of his five baskets came on early layups after stealing the ball from Wesleyan backcourt men.

SIU co-captain Dave Henson and Harold Flood tied for victory as runner-up scoring honors with 15 points each.

Jack Harman was "well-pleased" with the victory and expressed hope for the future. "Our next four games are tough," Hartman said, "I hope this win gives the boys the necessary mental lift to start on a winning streak."
