Police Investigate Campus Break-Ins

Four break-ins, three of them on campus, were reported by campus police for the past weekend. The lone off-campus offense involved illegal entry into the University Drug's Monday morning through a rear window and the theft of $500 in cash. A bar was broken after the window could be used for entry.

The campus break-ins were at the Alumni Office, the University Cafeteria and the University Book Store. Two cigarette machines in the cafeteria and one in Old Main were robbed of cash and cigarettes. Another entry into the book store was made in the basement bicycle shop but nothing was reported missing.

An inventory had not been taken at Egyptian press time to determine the stolen amount from the vending machines.

University Police are investigating the break-ins.

13 LAS Students Join Honor Society

Thirteen SUCI junior and seniors have recently been named to the Liberal Arts and Sciences Honor Society. A junior must have at least a 3.5 grade point average to be eligible for the Society. A senior is required to have at least a 4.25 average.

Academic excellence on the part of the members has been the key to being named. This group, chosen from 650 junior and senior students in the College of Liberal Arts and Sciences, includes the following: Frances Malcom, Linda Funkhouser, Carol Goldsmith, Robert Rausch and Alayna Rota. Charles Taylor, Charles Branch, Martha Strain, Gail Hayes, Joan Green, Thomas Seabury, David Kammer, Mary Lackey and Michael Bender.

Meet In Student Center

SUCI's University Center has been packed as site for the 1961 convention of the Illinois sisterhood of FOE. Over 700 convention delegates are expected to attend the June 19-21 sessions of the organization as they meet to discuss business of the Illinois division.

Student Protest Reporter Hanged, Burned In Effigy

SUCI students numbering approximately 400, voiced dislike Tuesday night of anti-Southern articles written by Ernest Thom, reporter for the Chicago Daily News.

Thom was hanged and burned in effigy at the intersection of Geared and University Avenues. A parade of students started at Small Group Housing and carried the Thom "dummy" across campus to Woody Hall, where it was hoisted on a metal light pole and burned. The dummy was made of clothing stuffed with paper, rag and wood by Phi Sigma Kappa Fraternity. The demonstration, which began about 10:30 p.m., was over by mid-night.

According to Don Raptopol, assistant security officer, the dispersal was quick and orderly. He explained that traffic was blocked for only a few minutes.

Dean L. Clark Davis, director of student affairs, said his office is trying to get a true picture of the incident. He explained that the incident is probably publicized by the University. The Chicago Daily News received a picture of the hanging.

Orderly students view the end. (Photos by Jon R. Blaisquies.)

Beazley Invited to Oxford Seminar

Dr. Ronald Beazley, SU professor of forest and land resources economics, has been invited to attend a five week advanced summer seminar entitled "Land Use for Forestry and Agriculture" at Oxford University in England.

The course, beginning June 27, will feature nationally and internationally recognized authorities in various problems of forestry and other land uses. They are especially interested in countries where population density is high, as in England and elsewhere in Europe.

Dr. Beazley will be the only U.S. forestry educator among the 18 persons participating in the seminar. Most of the others will be senior forestry officers and land administrators from the British Commonwealth.

Mrs. Taylor Awarded Phi Beta Kappa Prize For 1961

Mrs. Alphred W. Taylor has been awarded the 1961 Alumni Association Phi Beta Kappa Community Award for 1961.

The award is given annually to the member of the Phi Beta Kappa community who has shown the highest grade point average and the most outstanding work during the past academic year. Mrs. Taylor was graduated from the university in 1919 with a degree in education and taught school in Illinois.

The award will be presented at a formal dinner on June 20.

Editor's Opinions

...Accuracy And Fairness...

Abraham Lincoln once said, "If you seek the confidence of your fellow citizens, you can never regain their respect and esteem. It is true that you may feel all the people some of the time; you can even fool some of the people all the time; but you can't fool all of the people all of the time."

Suddenly last week, the minor grumbling about the automobile bar, rocks, final examinations and inclement weather was underscored by an edition of the Chicago Daily News, normally a very discerning newspaper. As journalism students and erstwhile editors, we accept our errors—both of style and of inexperience—as an evil which faces all students.

But when a well-known, respectable newspaper such as the Daily News, which won the Pulitzer Prize for meritorious service in 1957, suddenly weakens to the point of allowing inaccurate, biased reporting, it makes us wonder about the security of our future.

However, we suggest that Southern officials and students maintain their dignity and not allow the stories to achieve what some groups hope it will achieve—busts and verbal counterpunches which might tab Southern as a "dumb" university.

We ask the publishers of the Daily News, however, why they have allowed such slanted, inaccurate stories to appear in one of the Midwest's leading newspapers? A newspaper which in the past has led fights for better outdoor recreational facilities, for better mental and educational institutions—a responsible newspaper led by competent publishers and able reporters—caught many people by surprise by printing several gross inaccuracies.

Southern officials have repeatedly emphasized that their records are open to the public: that any person or group is invited to examine the records. But when figures, statements and reports are taken out of context, practically any desire result can be obtained.

We point out just one of several inaccuracies. In the Wed-

nesday, Nov. 5 edition, it was reported that "the school of jour- nalism reportedly was directed to keep a tighter rein on what goes into the paper, or else" after a letter to the editor had mentioned the fact that more books and less rocks should be purchased.

Officials of the journalism department have yet to hear of the "threat." It might be pointed out also that the department has little to do with the Egyptian.

Burned reporters in effigy will not gain for Southern. We refuse to dignify the reports as a huge amount of denial. We must rest our defense, as it is, by Thomas Paine's words: "These are the times that try men's souls." and a sentence from the journalist's Creed: "I believe that the public journal is a public trust; that all connected with it are, to the full measure of their responsibility, trustees for the public...that clear thinking and clear statement, accuracy and fairness are fundamental to good journalism."

CULTURE CORNER

Of Rocks And Scholars

Gus wonders what Thurm is to be the matter.

Gus sez all English students should now refuse to write Thurm.

Gus wonders whether the Daily News is being printed in Chicago or Urbana.

Gus sez after reading the Daily News, he wonders if Orelle really was guilty.

Gus wonders why Woody Halff officials expected to find with the 1.4 r.m. bed-check or what they expected to find.

Gus sez someone should inform the Student Work Office that Lincoln freed the slaves 100 years ago.

You When you have our lovely stones. Our chance of sweet stability Among the student drudges. Then you clearly haven't learned as yet What some of us have suggested. That our path to education Is a rocky one at best. Mrs. Cleo Rushch

Dissonance

My mind stands alone, although 'round is my emotions We can easily imagine patterns of ecstasy. Once I was complete as mind and soul. The day welcomed me with clean, clear rays of sun and the scent of freshly fallen dew. Inspiration filled my body, for there was purpose in life and life was beautiful. Then one day when I arose, the sun no longer glanced on the roof tops and a sweet fragrance no longer filled the air. Divine Entity! Creator of the universe! Hast thou forgotten to compose a concert for my being? If not, where is the harmonious color scheme? The notes of a thousand and one bars have tumbled my discoid! They give me no rest... Yes? Then mind and soul must blend as one in order to compose my... But this can never be! My soul is ever removed! Janet Tanner

THIS YOUNG MAN IS A BUSINESS ANALYST FOR THE TELEPHONE COMPANY

When Gene Bernier received his degree in Business Administration at the University of Michigan in 1957, he had top offers from several businesses.

Gene chose Michigan Bell Telephone Company because "This job was tougher to get. There was no doubt in my mind that I was being carefully evaluated for a responsible management job. Just getting this job was a challenge."

One of Gene's early assignments was writing a training manual for new employees which would explain telephone accounting in simple everyday terminology and words even for a seasoned wristy. But Gene did it. And his next step was a natural.

In November, 1958, he was transferred to the Michigan Bell Economic Studies Section as editor of a monthly publication, "Michigan Business Trends." In this work, Gene analyzes and reports business trends in Michigan as aid to telephone management people in decision making.

Gene proved his skill in reducing complex economic problems to simple terms. And, sixteen months after his transfer he was promoted to Senior Statistician.

Today, Gene sums it up this way: "The idea around here is to get the best of all men has in him. To use that spells opportunity."

"If you want a job where you will get real responsibility and have a chance to move ahead as fast as your ability will take you — then you'd want to find out more about the Bell Companies. Your Placement Office has literature and additional information."

**SIU Presses For IIAC Title**

Five out of the next six games have to be in the win column for Southern to claim an unprecedented fourth straight IIAC baseball crown. The Salukis take on Western Illinois in a three-game series this weekend with a single contest today at 3 p.m. at Carbondale and a twin bill tomorrow at 1 p.m. Currently, Western is riding in fifth place in the IIAC race.

Illinois State Redbirds are trailing SLU by two full games. Southern has won eight of its 10 conference starts, while the Redbirds have a 10-11 record. The IIAC championships will be a battle right down to the wire. Illinois State would have to sweep a three-game series with Northern Illinois. Southern would have a chance if they lose just two of their remaining six contests.

Wally Westbrook is shaping up to be the offensive standout for the Salukis this season. Banging out seven hits in 15 trips to the plate against Eastern last week, the stout right-hander leads the club in both hits and run-batted-in.

Wally needs five RBIs to top the record of 39 set in 1959 by Fred Loeckama. The mark for extra hits belongs to Roper Bryan, who hit 46 in 152 times at bat. Westbrook now has 29.

Pitcher Harry Gourley, 7-0, is two games away from tying the record for pitching with Larry Tucker, who won 9 as a freshman, co-holder of the mark with Wayne Grandolata.

**Baseball Team Wins 6-3 In 10th**

Coach "Al" Martin's nine downed the St. Louis University Billikens, 6-3, in 10 innings Tuesday in Busch Stadium, St. Louis.

Tied at three apiece in the top of the tenth, shortstop Jerry Marting blasted a triple scoring one man and pitcher Jim Woods followed with a sharp single to send Marting across the plate. A third run that in turn was scored on a Billiken miscue.

Woods picked up the win after coming on in relief for Larry Tucker in the ninth. Woods' record for the season stands at 4-3.

Taking the lead 1-0 in the first on a double by leadoff man Bob Hardcastle and a single by Mel Patton, the Salukis collected two more runs in the fourth on two walks, an infield out and an error.

The Bills tallied two in the first on a triple by Don Spencer, followed by a walk and an error. Richer singled home a run in the fourth after a walk and a sacrifice to account for St. Louis' third score.

Tuesday's game marked the third time this season the Salukis have come from behind in extra innings to close out a win.

Freshmen Golfers Shy Four Points Of Diving Varsity

Freshmen golfers narrowly missed dropping the varsity Wednesday in an intersquad meet at 12½-8½ at Jackson Country Club.

Two varsity and one freshman carded 73’s for medalist honors. Dick Foulk and Gene Carelli were low for the varsity and Jerry Kirby matched the effort for the freshman.

Governing for the IAC championships, Bill Barnett closed out the last three holes with straight birdies. The average of the top four varsity players was an even 74.

“We’ll have to bring that down a little for the Conference,” remarked Coach Lynn Holder.

**Results**

Foulk vi 36-37-73, 3
Barnett vi 37-36-73, 3
Place 38-41-79, 6
Carelli vi 38-32-70, 2½
McNair vi 43-31-74, 2½
McDonald vi 41-33-74, 2½

---

**Divotmen Host Western, Eastern**

Southern’s golfing aces will put their 39 consecutive home-look victories on the block today as they host the Eastern Illinois Panthers, and again tomorrow when Western Illinois joins the pair for Thursday.

Eastern has been playing at a 500 clip this season. With Northern virtually out of the running for Conference honors this year, a battle is shaping up between Southern and Western Illinois.

---

**Thinclads Meet ISNU**

SIU’s thinclad travel to Bloomington today to meet Illinois State Normal in their final meet before the IAC Championships.

Coach Lew Hartung will be gossipy for his squad for what might be the school’s first Conference track crown since the Michigan schools—Central and Eastern—joined the league in 1954.

After completing the State Meet title, Southern has been given an outside chance to take the IAC. SIU had to down the powerful Northern Huskies to gain the state victory.

Hartung has narrowed his field for the Illinois State meet, working the men into shape for their specialties. John Flamer and Don Reppenbourn will concentrate on the mile today. “Sonny” Locker will run the 140 and Bonnie Shelton will run the 180 and join Locker in the 220. Evans will take care of both hurdle events.

---

**Montross Pitched IM No-Hitter**

Carl Montross led his Alkies to a 10-3 win over the Dymax Devil Sunday in Intramural softball by holding the Devils hitless throughout the seven inning contest.

Montross fanned 10 men and walked seven, holding the Devils hitless. Three unearned runs were scored on a walk and a series of errors early in the game. After gaining three-chare scores, the Devils fell into a triple play to retire the side.

The Alkies are leading their division of off campus league 50. In first place for the second division of off campus are the Trojans with a 10 record. Too many rainy days have set us behind schedule,” said Bob Hite, head of the office. After this weekend’s games, on a week of play remains.

Montross is leading his league at Sig 7th, and Sig Pi 14, tied for first in the fraternity class. Chauquaque Cowboys 3-4, leading “A” division of off campus league 50. In first place for the second division of off campus are the Trojans with a 10 record. Too many rainy days have set us behind schedule,” said Bob Hite, head of the office. After this weekend’s games, on a week of play remains.

Wednesday, June 8
Five hour classes which meet during the second period—7:50
9 p.m. on Monday, Wednes-
day and Thursday — 9 p.m. on Tuesday, four, three, and two o'clock classes which meet during the first period (5:15 or 6:25:25) on Monday and/or Wed-
nesday and Thursday — 6 p.m. for classes which meet only on Wednesday night, examinations will start on the same time as the class sessions ordinarily start.
Thursday, June 8
Five hour classes which meet during the first period—6:15:25
p.m. on Monday, Wednesday, and Thursday — 6 p.m. : four, three, and two o'clock classes which meet during the first period (5:15 or 6:25:25) on Monday and/or Wednesday and Thursday — 6 p.m. for classes which meet only on Thursday night, ex-
aminations will start at the same time as the class sessions ordinarily start.

Monday, June 12
Four, three and one hour classes which meet during the first period (5:45 or 6:25:25) on Tuesday and/or Wednesday — 6:25 p.m. for classes which meet only on Monday night, examinations will start at the same time as the class session ordinarily starts.

Tuesday, June 13
Four, three and one hour classes which meet during the second period (7:50:50 or 7:15 p.m. on Tuesday and/or Thursdays — 6 p.m. for classes which meet only on Thursday night, examinations will start at the same time as the class sessions ordinarily start.

General Information
Examinations for three, four, and five hour credit classes will begin at the class sessions and will run for two hours. Examinations for one and two credit hour classes will run for one hour.

For example, an 8 o'clock class carrying four hours of credit will have its examination at 7:50:50 a.m. on Wed-
nesday, June 7. An 8 o'clock class carrying two hours of credit will have its examination from 10:11 a.m.

A student who finds he has more than three examinations one may petition, and a student who has two examinations scheduled at one time should petition his academic dean for approval to take an examination during the make-up exam-
up period on the last day.

For such a make-up examination period on the last day does not mean that a student may decide to miss his scheduled examination time and expect to make it up during this make-up period. This period is to be used only for a student whose petition has been approved by his dean.

A student who follows the procedure above may have his final examination not taken an examination before the time scheduled for the class exam-

ination. In the event a student misses a final examination, and is not involved in a situation covered in the preceding para-

graph, a "W," followed by the tentative grade with "121" in-
dicating the number of weeks attended, should be recorded on the grade report by the instruc-

A "W" grade must be com-
pared within one year of the end of the quarter involved; otherwise, it will remain as an incomplete grade.

A special note needs to be made relative to examinations for evening sections for those classes which have been grant-
ed a special time for examin-

ing all sections. As some stu-
dents attending at night may not be able to attend the special examination period scheduled for the daytime, each depart-

ment involved will have to ar-
range special examination peri-

ods for such students.

This problem involves those students who are fully employed during the day and who are tak-

ing night courses because they only the time they are able to do so.

Pulitzer Prize Winner Blasts SIU

(Related editorial—page 2)

Pulitzer prize winner George Thiem and his employer, the Chicago Daily News, have launched an attack against SIU expansion and educational policies.

Thiem, who was awarded the Pulitzer prize for exposing the Hodge scandal in the state capitol, has described Carbondale as "a boom town" and the University "in a country club setting."

The general theme of the Daily News articles features the "old reliable Illinois taxpayer" as the rubbed and the University as the villain.

No One Flunks

The Daily News two series points out the University policy of allowing no student to fail out. Thiem explained that when a student's grades fall below average, he is transferred to another department or switched to "unclassified.

Thiem's article Wednesday noted that when Vice President Charles Tennery wanted to change the requirements so students who were falling would be dropped, President Deyle W. Morris "directed him to continue the liberal policy."

Egyptian Warned

The Daily News item also said that when the Egyptian printed stories concerning excess expenditure on "rocks," the school of journalism was informed and asked to keep a tighter rein on

Dr. Albert Hedin, Charles Egypian Warned who were are said that the theme's is described '88 Pulitzer Prize in the Daily News University "poliq '" in the and educa tl onal partm('nt in Sunday

SIU Press Receives Printing Ceremonies

The SIU Press, directed by Vernon Sternberg, has been awarded a certificate of merit from the New York Em- ploying Printers Assn. for outstanding example of printing in the recent 19th exhibition of printing.

The citation was given for an exhibit of catalogues which the SIU Press issues semi-annually to announce forthcoming books which it will publish. The Press has also been re- ceiving annual awards from Midwest Books Exhibits at Lex- ington, Ky., and the Chicago Book Clinic for the production excellence of its books.

Organized Groups Planning Picnics, Meetings, Elections

Even though final examinations are less than three weeks away, organized groups are still planning future events. Many outdoor activities are scheduled to take advantage of the spring weather.

Gamma Delta, the Lutheran students' organization, will have a "painting party" tomorrow at 1:30 p.m. at the parish house, 108 S. Poplar St. All members are invited to attend.

In addition to the "painting party," Gamma Delta is planning a picnic at the reservation Sunday. Cars will leave the parish house at 3:45 p.m. The picnic will include a regular business meeting, panel discussion, and cookout.

The newly formed Saluki Flying Club will hold its first official meeting Tuesday at 8 p.m. in Room 114 of the Agriculture Building. Election of officers and a special program are planned for the meeting.

Alpha Gamma chapter of Kappa Alpha Mu, national honorary photomusicology fraternity, pledged 12 members last week. They are Ron Bowman, Dale Fleischer, Jack Philbrick, Jon Blomquist, Carl Brandon, Frank Salerno, Bob Sink, Carolyn Leach, Pat Bertram, Robert Kennedy, Frank Pratt and Danny Lyons. Each student wore a blackshirt on a ribbon around his neck and carried a can of photomusical Ellie-tubes for two days as part of pledging ceremonies.

Journalism Students' Association elected officers Wednesday. They are Linda Brooks, president; Bob Muller, vice president; Carolyn Leach, secretary, and Jean Tomalia, treasurer. Marlen Nelson of the journalism department is advisor to the group.

Barbara Downen, past editor-in-chief of the Egyptian, was initiated into Beta Tau chapter of Eta Sigma Phi, professional journalism fraternity for women, Sunday afternoon. Miss Downen is working for the Illinois State Journal in Springfield.

Now that the long hours of work and fun of Spring Festival are over for another year, the fraternities and sororities have settled down to a little more routine for a while. The spring pledge class of Tau Kappa Epsilon fraternity has elected officers. They are Tom King, president; Milly Ramser, vice president; Jim Castagna, treasurer; and Bill Wood, secretary. Other members of the pledge class are Jim Thompson, Don Klaiber, Dennis Greer and Conrad White.

Manners Are Pleasant

Emerson once wrote, "Good manners are the pleasant way of doing things, and become a little unmanly. This place is home. Nobody can be rude at home and mannerly in public without sooner or later betraying himself. Manners must begin at home, and they must begin sooner there than you think. That way, truly manly" person offers help at home when it is needed, has respect for the rights and possessions of every family member and respects the advice of his or her parents.

If you practice these pleasant manners at home, you will automatically find yourself practicing them in public as well. You will not only find more happiness, but will give more

Livestock Fair Opens Sunday Afternoon

Agriculture majors interested in livestock and anyone else who likes a good, old-fashioned county fair—this will interest him. The Black and White Club will present a livestock fair Sunday afternoon at the Beef Center south of Carbondale. Included in the fair will be a showmanship contest of beef cattle, dairy cattle and sheep. Livestock exhibits will be shown by the public. There will also be a show-stealing contest. Special contests for children will take place. A special attraction for the young ones will be a few decker rodeo acts. Anyone interested is invited to attend the fair.

Smithsonian Institution is one of the world's greatest historical, scientific and cultural museums.

The second Continental Congress was set up in 1775, a board of war consisting of five members.

FOR SALE

Carbondale 5 room house —large bright living room, large fireplace, bedroom, stoker, separate entry to garage (could be convert- ed into apt.) screen doors, storm windows, 60 x 100 yard corner lot, quiet street, short walk to University and downtown.
