To Hold Student Council Nominations Tuesday

Dates have been set by the Student Council for the nominations and elections of next year's Student Council members and Homecoming chairman. Nominations will be held Tuesday, May 6, according to Doug Shepherd, Student Council president.

Polls for Tuesday's nominations will be located in front of Old Main, or in case of rain, in the eaves of Old Main.

This year's freshmen will nominate two men and two women for next year's Student Council representatives. This year's sophomores will nominate two men and two women for junior representatives on next year's Council.

Junior this year will nominate students for next year's Student Council representatives. This year's seniors will not nominate or vote for Student Council representatives.

Student in all classes will nominates one person for next year's Homecoming chairman.

In order to be officially nominated, a student must receive at least ten nominating votes, must have a point over-all scholastic average of 70, be a full-time student, and must have the correct number of quarter hours credit to be classified in the class which is to be represented.

In the final elections, which will take place May 6, the newly revised Student Council constitution will be put before the student body for vote. The revised constitution must be passed by two-thirds of the number voting before it can go into effect.

**KNAU'S LECTURE TO STUDENT COUNCIL**

"Advertising Art" will be the subject of George Knaus' talk at the Student Center's Sunday Squeeze, April 27, at 8 p.m.

Knaus, who is a S.U.I. lecturer in art, said that he will analyze a current ad, showing some devices and techniques which artists use to play up the important parts of an advertisement.

Jim Walz is in charge of equipment and seating arrangement.

Ranch stated that since a maximum of 400 people are to be seated, everyone is advised to purchase tickets in advance.

**ARCHITECTURAL PLAN**

Pulley said that the plans for the expansion of S.U.I. involve a general southwest movement with playgrounds to be the approximate center of the campus.

Pulley stated that progress of the present and future building projects paves the way to depend upon the availability of materials, weather, labor, and especially upon the appropriation of funds from the state.

Pulley continued by saying that the contractor of the new girls' dormitory, located near the Canteen, is striving to complete the dorm the dormitory will be completed as soon thereafter as possible.

**THE CANTER IS TO BE TORN DOWN AND REPLACED BY A NEW CAFETERIA, WHICH WILL BE LOCATED NORTH OF THE GIRLS' DORMITORY. THIS IS PLANNED TO TAKE PLACE DURING THE CURRENT YEAR.**

The cafeteria will be made up by all other S.U.I. students as well as dorm residents.

Erection of a new industrial education and physical education building is a part of the new University School is now in progress. The building is to contain two swimming pools—one for wading and the other for regular swimming.

The building project which is taking place east of the veterans housing at Chautauqua St. is the Life Science building, which will house the botany, zoology, and microbiology departments. This will group these departments from their present scattered confines into one central unit.

It is hoped that the Life Science building will be completed by the fall of 1953. Three green houses and one animal experimental house will be located at the rear of the building.

The speech department will have its new class rooms located in this building.

An Open Letter To The Student Body

To: The Egyptian

From: J. Clark Davis, acting director of student affairs

During the past year there has been a marked increase in the number of students who have been smoking in University classrooms, laboratories, and in the corridors of the buildings on campus. As each of you realize, the danger inherent in smoking in these buildings is great. The safety of many students is at stake as well as the safety of our own buildings.

A number of groups have discussed the problem and solutions have been difficult to arrive at. I am appealing to the sound judgment and the splendid cooperative attitude of our student body to request that students do not smoke in corridors of the buildings or in the classrooms and laboratories of the University. Smoking will continue to be permitted in the Cafeteria, the Student Center, the Residence Halls, Cafeterias, and in offices which permit smoking.

The State Fire Marshals Report has indicated very strongly that smoking should not be permitted in the classroom buildings and it has been hoped that violations would be held to a minimum. However, the increase in number of students smoking cigarettes have brought the attention to such a point that repeated violations have been reported from all quarters of the campus.

Last weekend one small fire was reported in a permanent building. The fire was extinguished quickly, but it would have been a real catastrophe if the fire had gone unnoticed.

Regardless of what type of no smoking regulations are set up, in the final analysis it must be the responsibility of each student to care for the property and facilities of his University. I know that you are proud of Southern and want it to grow and develop as much as anyone of the faculty. Perhaps it might also be well if each student could think over his responsibility in terms of campus cleanliness. Bill Marberry has done an excellent job in bringing some plantings to the campus which give it a very distinctive air. The Physical Plant has spent extra time this spring on major improvements about the campus which have beautified it. Students discard paper on the campus without thinking of the effect an accumulation of paper will have on the campus.

Some students have had to resort to a cleaning day in which students participate voluntarily on the campus project. Perhaps Southern will not have to some to that because there will be a year-round effort to keep paper and other debries from getting on the lawn and the sidewalks of the campus. If there are not plenty of containers for waste paper, I should appreciate your telephoning me or one of the members of the Physical Plant staff and perhaps arrangements can be made to get additional disposal units.

I know that you want a clean campus; we can get a clean campus by assuming responsibility for our own actions.

Students Receive Raise in Salary

All Southern students were given an overall raise of five cents per hour. This was the starting wage for inexperienced students now stands at fifty cents. Students working here on campus now may earn between 50 and 83 cents per hour.

Employees who were formerly earning 45 cents per hour were raised to 50 cents per hour, and students working at 60 cents per hour now are getting 65 cents per hour, and so on up the scale. The maximum wage per hour has been set at 83 cents.

According to Dean I. Clark Davi,

WALTER SEBSON, head of the student employment service, said that he has had several reports of students who complained the raises and asked for an explanation of why they were overpaid. He added, however, “No complaints about the raises have been heard as yet.”

Saluki Spring Sport Season Ends May 31

After this week-end's activities, approximately two months of competition will remain on the spring sports schedule for the Saluki baseball, track, tennis, and golf squads. The baseball team will close out the season May 31, the track squad May 31. Activity with the conference meet May 24.

Coach Glenn (Abe) Martin's baseball team has 11 games remaining on its 16-game schedule, five of which are home games. Southern's home baseball field is located at Chaumoo st., west of the Veteran's Housing project. The remaining games are scheduled as follows:

Apr. 25—Michigan Normal at Ypsilanti, Mich. (2); 29—Washington

Ginger, Carl England, William Nesbit, and Bill Young.

England and Nesbit are members of the photographic service staff; Beverly Fox, Joyce Weece, and Helen Nance are members of the Egyptian staff; Bill Young is a journalism major, and Dulan Giniger is an SIU alien who major in journalism.

A business meeting was held following the initiation ceremony.

Baseball Squad Plays At Ypsilanti Today

Southern's baseball squad will be out to protect its perfect record in IAC play, and to extend its winning streak to eight games today in a doubleheader against the Michigan Normal Hurons at Ypsilanti.

Last season, Southern took two games from the Hurons, 7-4 and 6-5. Southern finished third in the conference, while the Hurons ended last.

Tennis Men Beat Eastern 5-2; Travel to Evansville Next

SIU's tennis team won its second match and first IAC outing of the season last Saturday, 5-2, at Eastern Illinois State, Charleston. The win gave Coach Jim Wilkinson's boys a record of 2-2 for the present campaign.

Charles Pisoni, Herrin, freshet the pace for the match with an opening two-set win over Hunt of Eastern. After returning singles defeats from the Charleston team, the Salukis snapped back with singles wins by Hallie and Fly, and doubles victories by Pisoni and Lane, and Hallie and Flota.

Yesterday, April 24, Southern's tennismen traveled to Washington University in St. Louis for the fifth match of the year. Tomorrow, the team will travel again, this time to Evansville College in Indiana. Evansville inaugurates tennis this year with a seven-match schedule. Not having a team last season, the Evansville team has little to show for its efforts to date. The prospects for 1952 are not good.

Results of the Eastern meet:

Piston (E) beat Hunt (E), 6-1, 6-1
South (E) beat Flyta (S), 6-1, 6-2
Schreck (E) beat Lane (S), 6-0, 6-2
Halle (S) beat Sharpe (E), 6-3, 4-6, 6-1
Fly (S) beat Park (E), 6-2, 6-2
Piston and Lane (S) beat Hunt and Schreck (E), 6-4, 6-4
Halle and Flota (S) beat South and Sharpe (E), 8-4, 11-9.

Normal Defeats

SIU Linksmen 8-7

Southern's golf team faced Illinois Normal last Friday afternoon, April 18, at home and was crippled 8-7 for the third loss of the season against one team. In fact, the Southern linksmen covered the Jackson County Country Club course in three consecutive strokes and the Normal men, but they lost out in the point total.

In the match Coach Lynn Holder's team was Mt. Vernon's Jim Wilson who scored a 38-36, 74. His low score, however, netted Southern just a half point as his opponent fired a 74. It was the second straight match in which Southern golfers had shot low rounds but had been defeated. An earlier Rolla match found the Salukis on the short end, though, shooting some of the year's best goals.

Next Wednesday, Southern will travel to St. Louis University in St. Louis to meet the Billikins. There will be a return match with them in Carbondale, on May 12.

Results of the Normal match:

Newkirk (S) 39-39-78
