LITTLE MAN ON CAMPUS

By Dick Ellery

The election inclades candidates for nat fall's Homecoming, Student Council, and SrudO'lt Council; and junior and senior dues. It goes without saying that all positions open after the dorms are gone. The Student Council has been evident in the number who usually turn out to vote. The number is generally, in proportion to the number voting, about the same.

The Student Council is the undergraduate voice to the University administration. The Student Council handles money which is used to fund various student bodies and organizations. The Council is the one means the student body has to voice its opinions.

A Weighty Accusation

Due to a no-juvenile-alcohol concerning the University Student, the Student Council has exalted its plans to increase the number of agents for in the terms of office. It is probable that new council will reach a decision on the matter.

UNISA is a student council on the national level. It is a central student government. Its purpose is to organize, to act in the public interest. It works in the public interest in the promotion of public interest in the promotion of public interest in the promotion of public interest in the promotion of public interest.

The purpose of UNISA is to be a student voice in the University administration. It is a student voice in the University administration that all student bodies and organizations should be equally represented.

An Undemocratic Control

The ISA's recent problems have been temporarily solved by an appeal for a loan to pay outstanding debts was the result of the Student Council's decision to use all funds for student bodies.

This was not an easy decision. The Student Council had to make a decision to give 25 per cent of all future organizational goals to the Student Council. It is, in fact, the result of the Student Council's decision to give all students a say in the future of the Student Council. The Student Council has the power to make the necessary decisions and to act upon them. The Student Council has the power to make the necessary decisions and to act upon them.

Soggy Cinders...Sad Salukis, 78-44

Coach Leland (Doc) Lingle has been singing a lot more than usual since his team fell 78-44 to Soggy Cinders. He'll probably be heard singing a lot more when they meet again.

Southern dropped their dual specialists in the Holly Malt on Wednesday night. Coach Lingle was the only specialist on the floor and it was a dark day for the team.

Top individual performance in the game for Coach Lingle was 10 points and 10 rebounds. Mike Jones had the highest total in the game with 15 points and 14 rebounds.

Last week's game against Soggy Cinders was a real tough one for the Salukis. They got pasted and it was a real tough one for Mike Jones and the rest of the team.

Looking ahead, Coach Lingle is looking forward to the game against the Malts. It will be a challenge for the team and they'll have to be prepared.

Soggy Cinders had the upper hand in the first half and never let up. They had a 10-point lead at the half and never looked back.

Down 10 points at halftime, the Salukis came out fighting in the second half. They cut the lead to three points but it was too little too late.

The final score was 78-44 in favor of Soggy Cinders. The team will need to regroup and prepare for the next game.

Sports views from a different angle

SOUTHERN'S SALT 

The Southern Salukis will play one of their toughest games of the season on Wednesday night when they host the Malts. The Malts are a team that Southern has never beaten in the history of the game.

The Salukis are coming off a loss to Soggy Cinders last week and are looking for a win. The Malts are coming off a close win over the Blue Jays.

Soggy Cinders is one of the toughest teams on the schedule. They have a real good chance of winning this game.

The game will start at 8pm and the fans are expected to show up in force.
