Information On Summer Work, Foreign Study Now Available

Like to study in Europe this summer? Here's how about something as much as in the United States or Europe.

For students who are interested in studying in Europe, there are two main options: the United States and Europe.

The United States option includes universities such as Harvard, Stanford, Yale, and the University of California. These universities offer a wide range of courses and degrees, from undergraduate to graduate level.

The Europe option includes universities such as Oxford, Cambridge, and the University of Paris. These universities offer a unique opportunity to study in a foreign language and culture.

For both options, it is important to plan ahead and start the application process early. This will ensure that you have the necessary documents and funding in place for your summer studies.

Plan For Exams

The last edition of this equipment promised to be the major event of this quarter. But now we actually need a respite of some sort. And if you are a senior, you've learned that this is the last exam quarter before you leave, well, you're done.

Exam season is a time to be endured, not celebrated. You've known about finals for months, and you've been preparing all semester. Now, as the end of the semester approaches, you're faced with the realization that you have one last hurrah to go before you can actually start enjoying the benefits of your hard work.

But don't let this stress get you down. Remember, finals aren't the end of the world. And if you do your best, you'll be fine.

Across The Desk...

By Bill Epperheimer

The weather was warm and the sun shining as we walked through the front doors of the library, leaving behind the cold and rain. The smell of freshly brewed coffee filled the air, and the sound of pages turning was a soothing melody.

As we walked, I couldn't help but think about how much I've grown since I first started here. It's been a rollercoaster ride, with ups and downs, but I wouldn't have it any other way.

I took a seat by the window and ordered my usual latte. As I sipped my coffee, I couldn't help but feel grateful for this place. It's my sanctuary, my escape from the world.

I hope you find some peace and solace in these pages as well. And if you don't, I hope you find something that makes you happy. After all, life is too short to spend it on things that don't bring you joy.

WHAT IS THE SLEIGHT-OF-HAND THAT MAKES A PACK OF UNKICKS VANISH? (SEE ANSWER INSIDE)

MEAT PEAAT! Not Slick Trick! A thousand times not! When a magician makes a pack of Unkicks vanish, it's a plain case of 'Drug Magic.' Commissions chairmen claim there's nothing to the trick. But when we ask them to let us see the trick, they can't do it. Why? Because the Unkicks are in the smoke (Yum!) every last one of 'em! That way, you get the wonderful taste of One of the best tobacco that's ever been invented. But, Dear, am-nominate, observe a pack of Unkicks closely, then carefully remove one (1) cigarette out of the pack. Then you'll find there's no cigarette left in the pack! That's the best advertisement you ever smoked!

Easy Down Big Ten Squads

Touring in one of their finest performances of the season, third-ranked Indiana defeated Wisconsin in Bloomington's first five-set match in 17 years.

The victors were a surprise almost everyone including UI News, but the win would not be enough to say that they were "buying in" anything.

Almost everyone on the squad was排出一排一排的, the first set appeared to be finished, but it was anything but. The Hoosiers prevailed with a 17-15 lead, breaking up a 15-15 tie with a 7-1 run to take the set.

Wisconsin had been mono-patterned in the 1st game, and Indiana countered with a 5-1 run to lead 14-9 in the 2nd set.

In the 3rd set, Wisconsin started to fight back, but Indiana kept the lead at 17-15. The Hoosiers won the 4th set 17-15 to clinch the match, and the 5th set was 15-6, making the final score 3-1 in Indiana's favor.

Grapplers Keep Winning on "Rolling On"

Continuing on to win every thing that they have, the Hoosiers soundly won Great Lakes and walked off with an NCAA meet in Owatonna. But last weekend.

Ohio The IAC conference championships will be held at St. Mary's University in Duluth on November 18, 1978.
