Area Would Back Big-Time Football

SIU Farm
To Be Retitled For Research

SIU has called for bids on a construction and improvements project at its 183-acre experimental farm near Scott Air Force Base. To be built is a multi-office building combining office space and living facilities for SIU student members who must stay overnight on the farm for research work.

Also scheduled are alterations on one of two 60-foot-long concrete "igloos" on the site and installation of water and sewer lines.

The land was acquired as surplus from the government in 1962. Formally part of the air base, it included two of the igloos, used for munitions storage, and a 10-by-40-foot block building.

The farm is being developed as a research experiment station in crops and forestry.

No Word Heard On Destination Of SIU Evacuees

The exact destinations to which SIU's evacuated Near Dependencies are being evacuated from Carbondale has not been reported Tuesday, according to a State Department official in Washington, D.C.

Monday it was known they would be moved to Manila.

In Bangkok, United States Ambassador Thomas E. S. Bode, and in Hong Kong or the United States. As of Tuesday a record number of evacuees are being evacuated from Carbondale and Carbondale, the SIU Alumni Council has been asked to clear several dormitory rooms for the evacuees.

Mrs. Morgan also noted that the SIU Alumni Council has been asked to clear several dormitory rooms for the evacuees.

Under-21 Liquor Law Is Put to the Test Beneath 'Good Citizen' Sign in Tavern

By Larry Lorenz

Second in a Series

The sign above the jockey reads "Be a Good Citi­zen...Protect Your Future...Obey Illinois Law." A couple who appear to be under 21 enter the door, squinting to read the sign through the screen. They don't notice the sign, or pay any attention to it.

The scene occurred in a Carbondale tavern one night recently. The jockey was there, seeing whether students under 21 would be served, as alleged in statements made by the Office of the Dean of Students.

Plugs for this trip are not final.

Gus Bode

Gus Bode says when he doesn't get the busy signal on a call to a women's dorm, he always wonders why he called.

Under-21 Liquor Law Is Put to the Test Beneath 'Good Citizen' Sign in Tavern

By Larry Lorenz

Second in a Series

In nearly all the bars the same sign is hung in plain view, placed there at the request of the Illinois Liquor Control Commission, a trade group, in cooperation with the Illinois Liquor Control Commission.

The Liquor Control Commission, faced with enforcing liquor laws, is encountering mounting problems. In a move to remove minors with the law prohibiting them from drinking and with the penalties if they ignore the law.

A letter to parent-teacher organizations, church groups, leaders of civic organizations and school and college administrators, the commission urged help in carrying out drinking laws. Specifically, it appealed for aid in prosecuting all persons under 21 under liquor law, imposing or possessing alcoholic beverages and in distributing pamphlets it hoped will discourage youths from drinking before they are 21.

Addressed to minors, the pamphlets state, "if you are under 21 the law forbids you to purchase or possess alcoholic beverages. It goes on, "there exists a mistaken notion that drinking alcoholic beverages is an act of maturity. Nothing could be further from the truth. MATURENESS EXISTS IN OBSERVING THE LAW, not in breaking it."

Then it sets forth the penalties: youths under 21 will be subject to arrest, prosecution and penalty; conviction means a criminal record that will dog the violator for the rest of his life; persons serv­ing alcoholic beverages to minors can lose their livelihood and life savings and go to jail or face a heavy fine.

Five Mrs. Southern Finalists To Be Named Tuesday Night

Five finalists for the 7th annual Mrs. Southern contest and dance will be selected at 8 p.m. Tuesday in a preliminary judging contest in the University Center.

Approximately 25 contestants wearing bathing suits, evening gowns and street wear will compete for finalist titles. Preliminary judging is open to the public.

Judges for the event will be Charles E. Richardson, associate professor of health education; John M. Pollock, associate professor in the School of Technology; Charles Young, Carbondale; Mrs. William O'Brien, research associate in home economics education; and Mrs. William Bowden, Carbondale.

When the search for Southern contestants will be selected Feb. 20, the night of the dance, at the Hotel Vernon in Carbondale. Each contestant will receive a trophy.
The KINSMEN SING—SIU's modern folk music group, composed of Mike West (left), Dennis Jackman (center), and Larry Brown, have recorded the song they sang at the New World's Fair. The record "Land of Lincoln," and its reverse side "Shenandoah," is beginning to take hold in the southern midwest.

Written by Ex-SIU Radio Man

"Land of Lincoln," the song written for and performed by the Kinsmen at the Illinois Pavilion at the New York World's Fair, has been recorded and is gaining popularity in the southern Midwest.

The Kinsmen, a trio composed of Larry Brown, Carbondale; Dennis Jackman, Lawrenceville, and Mike West, Champaign, made the recording during Christmas vacation.

"Land of Lincoln," was written for them by Jim P. Scott, formerly of the SIU Department of Radio-Television, and now with Lakeside Records. The flip side of the record is "Shenandoah."

The group was featured at the Illinois Pavilion on "SIU Alumni Day" in July, 1964.

The Kinsmen went into show business several years ago after winning the Theta Xi variety show.

Professoral Panel to Take Honest Look at Advertising

Alpha Delta Sigma, professional advertising fraternity, will take an "Honest Look at Advertising" as the advertising Recognition Week goes into its second day.

Professors from various disciplines will take part in the informal session, to be held in the Agriculture Building Seminar Room, to discuss the contributions of advertising as well as the problems it faces in our economy.

Professors making their "honest look" will be Thomas P. Cassidy, assistant professor of English; David Ehrenpreis, chairman of the Department of Sociology; Charles Hidnarski, associate professor of marketing; Betty Johnston, chairman of the Department of Home and Family; and Arthur E. Prell, director of the Bureau of Business Research.

16 Meetings Shown
On Calendar Today

Inter Varsity Christian Fellow­
sips will meet at 8 p.m. in Room E of the University Center.

The Judo Club will meet at 5 p.m. on the Arena Concourse.

The Aquettes will meet at 5:30 p.m. at the University Press.

Tryouts for the Theta Xi Var­
ty Show will be held be­
ginning at 6 p.m. in Furr Auditorium of University Center.

The Residence Halls Council will meet at 7 p.m. in Room E of the University Center.

The Women’s Recreation As­

sociation will sponsor house basketball at 7:30 p.m. in the Large Gymnasium.

The Mosim Dance Club will meet at 7:30 p.m. in the Small Gymnasium.

SIU Will Skip

Holiday Routine

On Feb. 12, 22

SIU students and staff will not receive time off for the annual holiday season of Feb.

12 and 22, dates marking the birthdays of Abraham Lincoln and George Washington.

A spokesman for the Per­

sonal Office said only six holidays are recognized by the University.

New Year’s, Memorial Day, Independence Day, Labor Day, Thanksgiving and Christm.

as.

The only other holidays must be called by the Pres­

ident of the University, acting for the Board of Directors.

For the coming “holidays,” however, students, faculty, staff and personal em­

ployees will be expected to follow their usual weekly routines.

Testing Service

To Offer Exams

The Graduate Student En­

rollment Office, given by the Counseling and Testing Services Office from 1 p.m.

Saturday in Furr Auditorium.

Graduate students who wish to report the objective part of the test on a conditional basis will be required to take the home portion. Letters have been sent to those students to re­

alize them of the test.

Other tests to be given Sat­

urday are the Computer Data Processing Examination from 8 a.m. to noon in the Studio Theatre of University School; the Dental Hygiene Aptitude Test from 8 a.m. to noon in the Testing Center; and, for students who have prerre­

quisites for the Law School Ad­

mission Test from 8 a.m. to 5 p.m. in Morris Library Auditorium.

Famous Gunfight in Arizona

To Be Dramatized on WSIU-TV

“The Fight at the O.K. Cor­

ral” will be the feature on “You Are There” at 7 p.m. on WSIU-TV. It is the struggle in 1881 in Tombstone, Ariz., between a cowboy gang and Marshall Wyatt Earp and his friends, Doc Holiday.

**The Siamese Twin**

The confrontation between University of Illinois President David Henry and Illinois Higher Board of Education Chairman Richard G. Brown last week brought out some pertinent observations about university branch campuses.

Henry was appearing before the Board to present his plan for establishing University of Illinois campuses in population centers across the state. Chairman Brown, in addition to opposing this plan, leveled some criticisms of branch campuses in general during the meeting. Some of the included: tendency toward leadership, administration of unequal divisions of funds, poor service programs on branch campuses, duplication of services. He also stated, "The development of branch campuses tends to foster a spirit of competitive empire-building among the major institutions in.

Most of these faults can be found in SIU's multi-campus system, and particularly the last item which apes both Southern and the U of I. Students on this campus can find these faults here as the current reorganization committee. The duplication and inefficiency because of this has been widely criticized, and attention has been drawn to the administration into the old separate, two-campus concept. As far as managing the two campuses is concerned, favor this measure. But the thing most overlooked is that probably in years to come Edwardsville campus will be more important than Carbondale campus because it is located in a greater population center. Under these circumstances, it is conceivable that the two will be separated, but with the center to the North larger and more important. In this ever-increasing Carbondale campus will become the "other" branch to contend with.

John Everheth

**Matter of Party Expediency**

Dean Burch's resignation as chairman of the Republican National Committee, effective April 1, came about in such a way as to show all over again what was so fatally wrong with the campaign.

When the first demands for Burch's scalp went up among Republican moderates almost immediately after the November debacle, the Goldwater national committee stood at the idea that he should resign. He said flatly that he would be in the chair at the time of the 1968 Republican convention. He said he was voted in by the party by the national committee and he was not getting out because of some complainers who had not elected him anyway.

Goldwater, who had handicapped Burch, backed him uncompromisingly well into January. The defection rumors said that Burch's resignation would be a repudiation of the Goldwater campaign. In the second week in January, Burch told the National Press Club in Washington that he would keep his job, that if he gave it up the Republicans party would lose "millions of the best workers and contributors." The implication was that he was never so well-

3 Days Later, He Quits

Yet only some three days later Burch had announced his impending resignation. Moreover, he said to Barry Goldwater, leaving off the press conference and the explosion.

Why the sudden change? Obviously because they had found out that they did not have the voice they needed in the national committee. What happened was that in 12 midterm states from the Dakotas and Michigan to Indiana and Oklahoma, Republican National Committee commitments of convention delegates either in person or by telephone. Twenty-one of 32 adopted a resolution to have Burch work to be the first step toward rebuilding the party.

That was a two-thirds and a no-confidence vote of what he had been or Old Guard strongholds—long before anyone ever heard of Goldwater was a button down vote that the Goldwater faction would ignore.

And as Goldwater and Burch swallowed hard and reversed themselves. After all, there is no other show, this time altogether within their own party.
A Preview of International Night

International Night actually is more than just a night. It is a two-day effort of the part of SIU’s international students to foster brotherhood through understanding.

Through dances, songs, food and educational and artistic exhibits they hope to give other SIU students as well as faculty members an insight into life in their various countries.

The displays and an international coffee house will be open from 8 p.m. until midnight Saturday and from 1 to 9 p.m. on Sunday in the University Center Ballroom. There will be talent shows at 8:30 and 10:30 p.m. Saturday and at 2 p.m. Sunday.

The coffee house will feature beverages from Holland, Ireland, Belgium, France, Russia, China and various parts of the United Arab Republic.

The talent show will include dancers, singers and musicians from Mexico, Thailand, Pakistan, Greece, China, United Arab Republic, Jamaica, Lithuania, Japan and several Latin American nations. In addition there will be a style show, judo demonstration and, for good measure, American Indian dances.

All events are open to the public.
U.S. Forces in Viet Nam Tighten Defenses Along Northern Borders

By Peter Arnett

The U.S. Air Force P-305 fighter-bombers struck again at Communist supply lines in neighboring Laos, maintaining a campaign launched more than a month ago to stem the flow of recruits and munitions for the Viet Cong. By early this week, the planes returned, though the planes returned, though sizable results were reported.

Katzenbach Urges Speedy OK

Of Amendment on Succession

WASHINGTON (AP) — Acting Atty. Gen. Nicholas Katzenbach called Tuesday for quick approval of a constitutional amendment that would permit the vice president to take over the duties of a disabled president.

1,000 Students Attack Embassy
In Moscow Protesting Air Raids

MOSCOW (AP) — Nearly 1,000 screaming, sign-waving students marched on the U.S. Embassy Tuesday, smashed windows and left splattered blood with ink to protest American air strikes in North Viet Nam. Led by 250 Mos­cow nationals, the protesters held American flags and sang: "We're not the enemy, we're the victims!"

They smashed the embassy windows and ink-stained embassy walls.

Such demonstrations cannot take place without the consent of Soviet officials.

A Vietnamese student leader tried to read a speech but was drowned out by the noise of the crowd screaming insults and anti-American slogans.

Students tried to reach the barricaded embassy gates in a second assault, but were blocked by Soviet police.

A Vietnamese student wrestler in the snow with a police­man in the 14-degree weather before he was pushed back into the crowd. The demonstra­tion lasted 40 minutes.

Senate Resolution Authorizes
Commission Probe of Pep Pills

SPRINGFIELD (AP) — The Illinois Senate approved Tues­day a resolution asking that a legisla­tive commission be created to study the need for tighter controls over sale of go­daff pills and pep pills.

The resolution, offered by Sen. Arthur Swanson, R­Chicago, is expected to be presented to the House today.

Swanson said some recent crimes in Chicago by young persons using godaff pills pointed up the need for an inves­tigation to determine if laws on dangerous drugs should be changed and penal­ties stiffened.

Mayor Richard J. Daley of Chicago said Monday he hoped the federal and state govern­ments would pass laws to cope with the problem.

In a session lasting only 90 minutes, the House unan­i­mously passed an $8.4 million emergency appropriation for school transportation claims and special education programs through the end of June.

Voter Registration
March Turnout Small

MONTGOMERY, Ala. (AP) — The Rev. Martin Luther King Jr. had a widely publicized right-to-vote march within the shadow of the state Capitol Tuesday, but failed to get the turnout he had hoped for.

He got no resistance from voter registration officials. Less than 50 Negroes joined the 1964 Nobel Peace Prize-winner in the four-block walk along Dexter Avenue, and only 100 of them got in line to apply for registration. All of them had been given their applications within the first hour.

Unlike the racial tensions which hung over Montgomery during the bus boycott of a decade ago which projected King to national renown, the march Tuesday was tranquil.

Police Commissioner L.B. Sullivan attributed that to the "responsible leaders of both the white and Negro citizenry" here and to city and county officials who promised in ad­vance "no law and order would be preserved.

The county voter registration board hired extra clerks to handle the Negro applicants and other county officials opened a courtroom adjoining the board's office to give the prospective voters a place to fill out their applications.

Police stood guard at street intersections along the route of march.

Eight white men leaned against a parked truck outside the church where the march began, but made no attempt to interfere.

King, who had urged his followers to join him by the Anti-American Signa

Postmaster Plans to Ask
for Abolition of Air Mail Rates

WASHINGTON (AP) — Post­master General John A. Gro­nouski Tuesday plans to ask Congress to abolish the concept of air mail to let the Office of Postmaster move first class mail "the fastest and cheapest way we can.

He said the nation "is on the verge of overnight mail service that money can buy," but he told a news con­ference that goal cannot be realized if air mail rates are changed and penal­ties stiffened.

Mayor Richard J. Daley of Chicago said Monday he hoped the federal and state govern­ments would pass laws to cope with the problem.

In a session lasting only 90 minutes, the House unan­i­mously passed an $8.4 million emergency appropriation for school transportation claims and special education programs through the end of June.

Physicist From Iowa State To Give 3 Lectures Here

Three lectures involving the physics of metals will be presented Thursday and Friday by Richard G. Barnes of the Department of Physics at Iowa State University. He will also conduct informal discussions with students and give assistance to faculty members concerning curriculum and research problems in physics during his two-day stay on the Carbondale campus.

Barnes will be visiting under the auspices of the American Association of Physics Teachers and the American Institute of Physics as part of a nationwide program to stimulate interest in physics. The program is now in its eighth year and is supported by the National Science Foundation.

Barnes has been at the Ames, Iowa, campus since 1956. He received the Ph.D. degree in physics from Harvard University in 1952. His fields of interest include nuclear magnetic resonance, electron diffraction and electron bonding in solids.

Barnes' lectures, to be held in Room 308 of Parkinson Laboratory, will be at 10:30 a.m. Thursday concerning "Nuclear Hyperfine Interactions in Metals," and at 3 p.m. that same day "Resonance in Non-Cubic Metals."
The final lecture at 9 a.m. Friday will be "Mossbauer Effect Research Involving the Rare Earth Metals."

During his visit here, Barnes will confer with representatives from the Department of Chemistry and the School of Technology on a graduate program in molecular physics.
4 Performances, Starting Friday

Cast of 115 Students to Present 'Faust'; Horner and O'Niel to Sing Title Role

More than 115 SIU students have been cast solely for the forthcoming Opera Workshop production of "Faust." Produced by Marjorie Lawrence, former Metropolitan Opera star and now director of SIU’s Opera Workshop, with dance direction by Katherine Dunham, internationally acclaimed dancer and choreographer, "Faust" will have three performances at the Carbondale Campus and one in the Edwardsville Campus area.

Public performances are scheduled for 8 p.m. Saturday and 3 p.m. Sunday in Shryck Hall. After a brief rest, the entire cast will go to Monticello College Feb. 17, where an 8 p.m. performance will be given in Hathaway Hall.

Several of the seven major vocal roles have been double-cast by Miss Lawrence: Douglas Horner and Jack O’Niel as Faustus. Barbara Maxon and Jane Bull as Marguerite. Brenda Bostain and Vincenzo Benestante as Mephistopheles. Martyn Leach and Susan Pohlman as Ecstac." 

The cast includes:

- Diana Balma, dancer;
- Douglas Kopecky, dancer;
- William R. Carroll, chorusing.
- Marlene Larue, Sylvia Green, Kathy Breeland, Janet Harris, Melvin Taylor, dancers.
- Arne McLeod, solo ballerina;
- Robyn Pelgenbaum, balletina; Joan Alley Kurle, majorette with dance group;
- Gillian Harrison, strongman and juggler with dance group.
- Push Ellen Moore, chorusing;
- Norman J. Meyer, Brian T. McCauley, Charles L. Hall, orchestra;
- Carrie Fornder, dancer.
- Curtis A. Price, Pam Kennedy, orchestra; Kenneth Neville, dancer; Dorothy Zarkovich, Vancell C. Boga, Sylvia Brown, chorusing;
- Gordon Chadwick, SIU music faculty, orchestra.
- Berta Maxon, Marie Varshou, Janille Hall, Carl Magruder, Carl Hinson, Elvira Wright, dancers.
- Jay Hergott, fencer with dance group; Carolyn Donaline, orchestra; Melody Beckler, dancer; Phyllis Weber, orchestra; David E. Gruenenfelder, chorus.
- Connie Hinton, orchestra; Court Rense, Marilyn McConiel, Laurie A. Frtach, chorusing; Horace C. Combs, fencer with dance group.
- Janet Jordan, dancer; Lynn Mathews, Lawrence Brannif, chorusing; David Carter, orchestra.
- Walter H. Warfield, fencer with dance groups; Martha Ann Williams, chorusing; Teddi Ayres, dancer; Joyce Redfearn, chorusing; Paul H. Horn, oboe in orchestra; Candace Holloway, orchestra.
- Dale Black, soloist with dance group; David Snelling, fiddler with dance group; Regina Timikias, dancer; Marcia Butts, dancer.
- Isabel Mattins, chorusing; Caralce Gulledge, dancer; Linda Clark, chorusing and rehearsal accompanist for opera and orchestra; Linda Wayne, dancer; Carter Bennett, chorus.
- Kristina Haedrich, Rosalyn Mae Smith, chorusing; Donald J. Campbell, orchestra; Cathy Beaudord, chorus; Lois Palet, orchestra.
- Kathy Kammel, Candace Loftchie, Tim Cavaustoa, chorus; Vicki Smith, dancer.
- Jon S. Doren, percussion in orchestra; Deanna Downes, Judith E. Lueker, orchestra; Margaret Jennings, William A. Lehmann, chorusing; Wanda Jones, first bassoon in orchestra; Dona Borden, David M. Johanson, chorusing; Alfred Turner, fencer with dance group.
- Mary Ann Hoke, chorusing; Harry J. Arting, orchestra; Mrs. Gail A. Purcell, first clarinet in orchestra; Bruce P. Miller, Lynn Rau, chorusing.
- George Saba, fencer with dance group; Linda Filippi, Yvonne Walsh, chorusing; Theresa Steingruby, chorusing and understudy for Siebel; Shartlett Wolfe, Theresa Gau-
Survey Shows Residents of Southern Illinois Would Back Big-Time SIU Football Program

(Continued from Page 1)

Big-time interest in SIU sports'Opening of the SIU Arena.

Tribune commented that "SiU is the biggest thing in the whole area," and added he could see no reason why the people wouldn't support a better team and better schedule at SIU.

"With proper publicity I think you could fill a 50,000-seat stadium if your team and its opponents were big-time," he added.

"I don't see why a major college football team at South ern wouldn't get support from this area," said Ed Miller, sports editor of the Harris burg Register.

"These people have a lot of interest, and if Southern would schedule some good teams and field a good team, a lot of people would come over," he said. "Many of them now go to Champaign or Peoria, and added he could see a good team.

Sam 'nith, editor of the Metropolis News, said that 'a lot of Illinois alumni drive up to Champaign, but if SIU were

big-time I think they would go to see Southern.'

"We have a lot of football fans here and I think their response at Carbondale would be favorable," he added.

Ray Owen of the Cairo Evening Citizen said he felt cer tain the real football fans in Cairo would support Southern if it had a big-time football team and schedule.

Bill Palmer, of the West Frankfort American said it would help generate local interest if "SIU had some local boys on the team."

Couple that with a winning team and a big-time schedule, Palmer said, and the people from his area would support SIU in increasing numbers.

Bill Herbert of the DuQuoin Evening Call noted that the new Arena has helped generate more interest in SIU basketball in his community, and a larger and better football stadium would create more interest in football.

"If Southern had a schedule that would compare favorably with Illinois and University of Missouri, residents of this area would accept it and support it," he added.

Only Herbert and Bob Ted row of the Benton Standard expressed any doubt about the crowd turnout. Herbert's concern was whether the expense of a big-time football program would be justified by the turnout, and Tedrow said he wondered if the area's pop ulation is heavy enough to support big-time football.

However, Tedrow commented that "most Benton people are behind SIU all the way." And he added that he felt certain "bigger names and bigger teams would definitel y draw bigger crowds."

Area boys on the team, a new stadium and a winning team -- in that order would generate support for SIU in Mc Leansboro, Ed Kirkpatrick of the Times-Leader said.

He noted that McLeansboro is largely a basketball town but that a "winning team at SIU would create interest in football."

Ray O'Neal of the Carmi Times said that interest in SIU football is greater than ever because Don Shroyer, SIU's head football coach, coached in Carmi for several years.

The BIG Inch

The BIG Inch - handsome by itself, but when incorporated into a DAILY EGYPTIAN classified, it is mighty big. Let's see, 1 inch times 10,000 (that's our circulation) is 10,000 inches. At a rate of only $1.00 for 20 words, that's nearly 10,000 inches for $1.00!

Who will read your 10,000 inches? Students just like you - faculty members just like you - families just like yours - people just like the people you know.

You can plainly see that if you have something for sale, a service to offer or have merely lost your favorite roommate, the DAILY EGYPTIAN's the best place to look.

Better place your ad today, but hurry, deadlines are 2 days prior to publication. Today's DAILY EGYPTIAN is now noon Friday. Call 453-2154 for details.

Daily Egyptian classified

February 10, 1965

Almost lost in the impressive array of performances in SIU's swimming victory over Iowa State were two freshman records by fast- coming freestyler Ed Mossotti.

The freshman sensation from St. Louis chopped .9 of a second off his Freshman mark in the 100-yard freestyle and cut .1 from his 50-yard standard. He was clocked in 48.1 for the 100 and 22.0 for the 50.

Both were near sensational marks with the 100, probably outshining the shorter 50. The performance gave an indication that Mossotti stands a good chance of challenging the national collegiate freshman record before the season is over.

The national mark is only .7 of a second below that which the high school All-American splashed off Saturday. It's 47.3 held by Phillip Kevorkian of the University of Maryland.

The 50-yard record may be a little bit farther from the Saturday's record-shattering weekend than casey's tutoring of one of the nation's top freestylers, Ray Padovan, ended.

Padovan held the national collegiate freestyle record for nearly a year in the 100-yard event with 47.9 clocking he recorded during his sopho more year. The time still holds as the SIU record.

The big freshman over the record books. The big freshman over the record books. Mossotti may have to dig deep to match Padovan's performance, but the third didn't.

He decided he needed rest more than anything and so he was determined to get some. Saturday he was rested as the results show.

Swimmers Find Themselves

In Weekend 'Double Feature' It's seldom that SIU has two swimming meets in two days, as is last weekend. And its even less seldom that the Salukis would book an afternoon home meet after a long road trip.

But the situation was necessity when Iowa State contacted SIU for a meet, and couldn't swing any other time as well. Coach Ralph Casey's squad already had scheduled Indiana University Saturday.

But a quick check with the Hoosiers allowed the Indiana meet to be rescheduled Thursday, the Friday night meet was scheduled for 7:30 p.m. Indiana time, and, with a 300 mile trip ahead of them, the Salukis wasted little time in pulling out of Bloomington, Ind., after the contest.

Saturday's dual with Iowa State was scheduled for 4 p.m., and Coach Ralph Casey was eager to get his boys home as quickly as possible, so they could recuperate from the long trip.

But it never falls. When you're in a hurry, lady luck seems to turn her head. Two of the three cars in which the Salukis were traveling made it home on schedule, but the third didn't.

It had mechanical trouble five miles out of Bloomington, and was held over for nearly two hours before it could return.
Opposite Natures
To Meet in Arena

Two streaks of opposite nature take the forefront tonight when Southern plays San Francisco State at 8 in the Arena.

The Salukis will be trying to keep their five-game winning streak alive as they defend their unblemished mark on the home court. San Francisco State, however, will try to bring an end to its three-game losing streak, which has left them teetering on the edge of the .500 mark.

The Golden Gators are 9–8, but they were 9–5 before heading east. In the first three games of their four-game eastern swing, the Gators did not come within 18 points of their victims. Ohio University, Southern's opponent on Feb. 20, whipped the Gators 97–75. Akron College followed with a 92–74 shellacking of Valparaiso with 87–66 Monday night.

The Gators are fairly similar to Southern in their offensive attack. They are averaging about 77 points a game to Southern's 79.

Leading the Gators' offensive unit is guard Everett Crawford, a backcourt man. He is the scorer of 13 points.

The Salukis' last game saw them whip the Gators 95–75. The Salukis' 13-point victory came as they seemed to have recaptured the scoring in recent games and also in recent games and Mike Wilhelm, a 41-year-old senior, scored 14 points.

Crawford, a 5'11 senior, is one of the Salukis' leading scorers and their leading rebounder. He is averaging 14 points and nine rebounds a game.

At the pivot will be either Bob O'Donnell or Jon Crawford. O'Donnell is a 6–6 junior averaging nine points and six rebounds a game. Crawford, also 6–6, is averaging only about five points.

The Salukis will probably go with the same starting outfit which has been successful in recent games. Starting at the forwards will be Joe Ramsey and Walt Frazier, with Dave Lewis and George McNeil at the guards and Boyd O'Neal at center.

O'Neal has picked up his scoring in recent games and seems to have recaptured the starting post at the pivot.

Terry Stogner, a forward, is somewhat of a midget compared to most men playing this spot. Stogner stands only 5–11, shorter than any of the Salukis, but is still capable of operating under the boards. But San Francisco State has three others under the basket to make up for Stogner's lack of height. One is 6–4 forward Joe Galbo, who in the Gators' second leading scorer and their leading rebounder. He is in averaging 14 points and nine rebounds a game. At the pivot will be either Bob O'Donnell or Jon Crawford. O'Donnell is a 6–6 junior averaging nine points and six rebounds a game. Crawford, also 6–6, is averaging only about five points.

The Salukis will probably go with the same starting outfit which has been successful in recent games. Starting at the forwards will be Joe Ramsey and Walt Frazier, with Dave Lewis and George McNeil at the guards and Boyd O'Neal at center.

Frosty Basketball Squad Takes Season's 8th Spinking 79–73

Southern's freshman basketball team dropped its eighth decision in 10 games to Kentucky Wesleyan 79–73 at Owensboro, Ky., Monday night.

The Salukis stuck close to the Panthers throughout the game, and were down only 40–37 at the half. But the taller and stronger Wesleyan forwards were able to control the boards to stay ahead for the victory. The height advantage showed up in rebounds where the Panthers had the edge over Southern 52–41.

Bobby Jackson played a fine game as he led the Salukis in scoring with 20 points. The six-footer from Harvery had a good shooting night as he sunk nine of 13 from the field and two of three free throws.

Guard Larry Underwood was right behind Jackson in scoring with 18 points. Bill Blanchard also had a fine job at the pivot, scoring nine points and pulling down 14 rebounds.

But Kentucky Wesleyan's Ernie Simpson grabbed the scoring honors for the game as he and three other teammates scored in double figures.

Simpson scored 26 points for the night on nine of 10 from the field and eight of nine from the foul line. He was followed by Gene Bonham, Jim Arrington and Dave Brown with 17, 15 and 13 points respectively.

The Panthers dominated the game department from the start and goals to rebounds. Although the Salukis attempted more shots than Wesleyan, they could connect on only 31 of 72 shots from the field.

Crow Feels Like Scoring TD, Hopes to Give 49ers a Lift

ST. LOUIS (AP) — John David Crow, who has charged for a lot of yardage on the football field, figures a step backward occasionally will give a runner enough room to move two steps forward.

He feels the same way about being traded to San Francisco. Moving from the contending St. Louis Cardinals of the National Football League to the last-place 49ers normally is no gain, but Crow feels like he’s just scored a touchdown.

The Cardinals traded him Monday to the 49ers in return for defensive cornerbacks back and kickoff return specialist Ace Woodson.

“IT’S WHAT I HAD BEEN HOPING FOR,” said the injury-plagued Crow, who had threatened to quit football if he was not traded. He felt he did not play enough last season.

“I CERTAINLY APPRECIATE WHAT THE CARDINALS HAVE DONE FOR ME. NOW I HOPE TO GIVE FRISCO A LIFT FOR A COUPLE OF YEARS.”

The change probably means more time on the field for Crow, who still managed to pass his Cardinals in rushing last season with 534 yards.

Utah State Cage Star Killed

LOGAN, Utah (AP) — Wayne Estes, the first Utah State University basketball player to score more than 2,000 points, was electrocuted Monday night after playing what he said was the best game of his career.

Estes, 21, was killed less than two hours after the game against Drake, when he grabbed a high-tension wire knocked from a metal pole during a car accident on a corner of the Utah State campus.

Teammate Tim Smith said Estes discovered the accident as he returned on foot from calling his mother to tell her about the game in which he set an Aggie home-court record.

Estes, a 6-foot-6 senior, scored 48 points to lead Utah State to a 91-62 victory over Denver University, boosting his college total to 2,000 points. African Coach Ladell Anderson called time out while more than 4,000 fans gave him a standing ovation.

“That was the best I ever played in my college career,” Estes said after the game.

Logan police said three other Utah State students were injured in the automobile accident.

“They said the students’ car struck an island and slammed into the metal utility pole knocking loose a high-tension wire.”

Police Chief Eli Drakulich said ambulance had removed the three students when Estes found the accident.

Drakulich said attendants from a second ambulance attempted for a half-hour to revive the basketball star. He was pronounced dead at the scene.

Wichita Drops to Ninth Spot

On Top 10 Basketball List

By Murray Chass

Associated Press Sports Writer

Only ninth-ranked Wichita, which was upset by three points, failed to win Monday as the five other Top Ten College basketball teams which saw action continued their winning ways.

Michigan, the nation’s No. 1 college basketball team, defeated upset Iowa while fifth-ranked Davidson shattered West Virginia’s streak-stopping slump.

Michigan, 14-2, whipped Iowa 70-30 hours after the Wolverines again had been voted to top team in the country in the Associated Press poll. Davidson, 19-1, crushed West Virginia 103-80 for its 18th consecutive victory. Kansas shocked the nation.

Three other members of the Top Ten—seventh-ranked Indiana and Illinois, No. 10—were, but Wichita, No. 9, was upset by Dequesne 73-72.

Michigan extended its Big Ten record to 6-0 by spotting Iowa, a stubborn team that went into the crucial contest already, having achieved three major conquests.

The Hawkeyes knocked off Minnesota 76-74, Indiana 74-68, and Northwestern 87-82, each team having only one other defeat at the time. All three also went in the Top Ten with UCLA falling from the No. 1 spot because of the loss 10 days ago.

But Michigan made sure it would not be the next victim by scoring 19 straight points midway through the first half and keeping the Hawkeyes scoreless for eight minutes, 14 seconds.

The Top Ten, based on games through Saturday and total points:

1. Michigan 346
2. UCLA 309
3. St. Joseph’s, Pa. 298
4. Providence 263
5. Davidson 200
6. Duke 154
7. Vanderbilt 105
8. Indiana 100
9. Wichita 99
10. Illinois 96

Pekin Retains No. 1 Ranking, But Slip Shows in Upset Loss

SPRINGFIELD (AP) — Pekin’s Chinks were named the top high school basketball team in the state for the eighth straight week by the Associated Press.

But for the first time in several weeks they weren’t a unanimous choice. They received nine first-place votes, after being upset by Peoria Manual in weekend play. Thornton received three first-place votes and unbeat SanTech of Chicago received four nominations for first.

Moline’s Maroons, whose unbeaten skid was snapped by Galesburg, slilled from second to fourth. Galesburg advanced from fifth to fourth. Quincy, after a two-week absence from the standings, grabbed the 11th position. Jacksonville slipped out of the ratings following its loss to Springfield.

The top 16 teams are:

Pekin
Thornton
Galesburg
Moline
Peoria Central
Lockport
Center
Centralia
Proviso East
Mount Vernon
Streator

Next in order were Jacksonville, Chicago Marshall, Decatur Eisenhower and Danville.

Other teams receiving votes: Sandberg, Lincoln-Way, Cold City, Roanoke-Benson, De SlaLe, Lawrenceville, Fairfield, Prospect, Marion, New Trier, Newark, Tuscola, Morton East, Joliet Central, “springfield and Peoria Manual.”
