3 Firms Repeat Interviews

To Meet Additional Demand

Students who were unable to attend the recent interviews with representatives of three firms who will be on campus next week will be eligible to attend the Placement Office as soon as possible, a Placement Office spokesman indicated.

"All three of the firms have agreed to send additional interviewers to campus next week and we will be able to accommodate students who were unable to make appointments, he said.

The firms and the dates their representatives will be on campus are:

- Nov. 19—Western Electric, Nov. 20-Illinois Bell, Nov. 21—Marathon Oil.
- The spokesman explained that the firms each originally planned to send only one interviewer to campus, but so many students applied for interviews, the firms agreed to send additional representatives to handle the overflow.

- "We also wish to congratulate (sic) the Southern Students, since we enjoyed the pleasure of talking with you," the spokesman said.

- "Enclosed is the portion of the remaining tickets. We suggest that you do not try to use them,

**Saluki Hopes For 500 Record**

To Be Determined In Toledo

SIU Head Coach Carmen Piccone realizes tonight, for the first time this season, a novel situation that all coaches hope for throughout the football year, but seldom see.

Piccone’s offensive weapons have a chance to go into action in the Toledo State game that Saturday and actually forget to handle the ball.

The Salukis put their hopes for the 500 season of the line at 9 p.m. in Toledo, and they meet the Rockets in the University of Toledo Glass Bowl.

The stadium derives its name from the extensive TV and radio publicity and the professional press in the team offices, press box and scoreboard.

**Madison County**

**Tops All Others**

In SIU Enrollment

Cook County leads all others in the state in the enrollment of students attending classes on the Carbondale campus.

As a story in yesterday’s Daily Egyptian indicated that it was the leading county for all of SIU — including Carbondale and Edwardsville.

Jackson County is second in number of students on the Carbondale campus — but Edwardsville is third, (Vic.) Carbondale and the southern counties.

As stated, Madison County, where the Edwardsville campus is located leads in total enrollment figures in Carbondale, while St. Clair, which adjoins Madison, is second with 2,092 students.

Final figures for the fall quarter show 15,210 students are registered at the Carbondale and Edwardsville campuses, an increase of 4,967 over last year, a gain in enrollment in the Union and in 61 foreign countries.

**SIU Scrapbook**

**Contest Closing**

Sigma Pi and Sigma Kappa, last year’s Egyptian scrapbook winners, entered the current contest barely meeting this week’s deadline.

Registration forms should be sent to the Egyptian office by Saturday.

Other residence halls entered the contest include Mecca Dorm, 506 E., Theta Xi, Small Group of College Station, Omega Phi, Alpha Xi, Sigma Sigma Sigma, 1000 S. Thompson St., Delta Gamma, 1002 S. Thompson St., Delta Phi Epsilon, 1004 S. Thompson St.

Any organized living unit may enter the contest.

Students from the men’s and women’s divisions will receive plaques next spring.

Cellist Will Play Sunday
As Shryock Guest Artist

The Music Department will present another program in its guest artist series. It will be Sunday in Shryock Auditorium.

Henri Honegger, cellist, will be the guest artist assisted by two pianists, one of whom will play the piano.

Honegger was born in Geneva where he began his musical studies at the Conservatoire. From there, he went to Leipzig and continued his study under Julius Kneifel. He then was with Dr. Hofmann, and Pablo Casals at the Ecole Normale in Paris.

At the Edinburgh Festival in 1949, Honegger gave the British premiere of the "Sonata da Camera" for Cello and Orchestra by B. Martinu. This work dedicated to Honegger, was also performed by him at the Biennial Festival in Venice and the festivals of contemporary music in Berlin and Paris.

Honegger has also appeared with orchestras in North and South America and Africa. Walter Robert, who will assist Honegger on piano, is a professor of piano at Indiana University.

He was born in Trieste, Italy, and educated at the Conservatorio Conservatorio Musicale di Trieste.

SIU Agronomists To Make Trip

Members of the SIU Plant Industries department will attend the annual meeting of The American Society of Agronomy, Nov. 18-21, in Denver, Colo.

Approximately 2,000 soils and crops experts from all parts of the nation will discuss problems and hear the presentation of approximately 600 research papers, four of which were written by members of the Plant Industries department.

"The Effect of Several Air Pollutants on Asparagus From Surface Applied Fertilized Soils" will be presented by William B. Gushin, Robert McLeish, a former faculty member of SIU. "The Effect of Chemicals on the Reduction of Water Stress in Plants in Illinois" will be presented by H. L. Ports, professor of Agronomy.

"Relations of Meteorological Conditions to Incidence of Fusarium Seedling Blight in Soybeans Plants in Illinois" will be presented by J. P. Vavra, associate professor of Plant Industries.

"Freezing Chambers Investigation of Frost Activities in Winter Vegetables" will be presented by J. A. Thompson of the United States Forest Service.

Neddy Negro Aid Sought In Drive

A food and clothing drive for Negroes in the "black belt" of the area has been launched by the Student Nonviolent Freedom Committee at SIU.

The drive began Sunday and will continue through spring term.

Boxes for contributions have been placed in residence halls on campus, and any individual, or churches and organizations have pledged help.

Anyone wishing to make contributions of food or clothing may do so by contacting any member of SNCF or calling 32307 to arrange for pickup.

The regular meeting of SNCF is at 4 p.m. Sunday in Room E of the University Center.

Kennedy Asked Labor To Help Push Tax Bill

NEW YORK
President Kennedy stood amid the sympathetic ranks of labor Friday, said there is no good reason to bar prompt passage of his $11-billion tax cut bill and appealed to the AFL-CIO for "your help, not now; now.

While he was at it, Kennedy offered some measure of support to the giant labor organization's hope for boosting the national minimum wage.

In a speech to the AFL-CIO National Convention, Kennedy took a roundhouse swing at his opponents, used a bit of rhetoric against Republican Sen. Barry Goldwater of Arizona, but passed up any open swipes at Gov. Nelson A. Rockefeller of New York.

The President drew roars of applause and a standing ovation at his appearance in the ballroom of the Americana Hotel. It was jammed with 4,000 people, with an overflow of 1,500 listening across the hall.

The major theme of the President's speech was that the matter of jobs "is the basic issue facing the United States in 1963" and that a tax cut is the prime program of the legislative week in the House.

WASHINGTON

Southern opponents of civil rights legislation won more time for preparation of a report on the bill and thereby all but ended hopes for action in the House this year.

Although the Southern members of the House Judiciary Committee were given only two additional days to prepare their dissenting views it amounts to the loss of another week in the race against a Christmas recess.

Chairman Emanuel Celler, D-N.Y., had announced earlier the report on the complicated 10-part bill would be filed with the House next Tuesday. The committee staff said Friday the filing date has been set back to Thursday, which is generally the end of the legislative week in the House.

U.S. Solvency Worries Public, Byrd Asserts

WASHINGTON

The people are worried about national solvency and may register their opposition to Kennedy administration expenditures in next week's election, Sen. Harry F. Byrd, D-Ind., said.

Byrd, who heads the Senate Finance Committee, said in an interview Monday more concern about the mounting national debt than he has encountered at any time in his 30 years in the Senate. His committee takes up next week a House-passed bill to extend the $315-billion debt limit.

Byrd challenged Kennedy's Thursday news conference statement that "the economy will suffer" unless the Senate acts quickly on the tax bill. Byrd made it clear the measure won't be ready for Senate consideration until next year.

Byrd has scheduled hearings to run through Dec. 15. At Friday's session, Sen. Vance Hartke, D-Ind., moved to amend the bill but lost 12 to 1. Byrd termed Hartke's motion "a publicity stunt."

Zorin 'Deplores' Negotiation Break In Culture Relations

MOSCOW

Deputy Foreign Minister Valerian Zorin deplored Washington's postponement of U.S.-Soviet cultural relations negotiations in an aftermath of the arrest of Prof. Frederick C. Barghoom on espionage charges.

"I do not understand how this single incident can color the whole range of Soviet-American relations," Zorin told Western newsmen at a meeting Friday.

Zorin made the statement at a meeting marking the 30th anniversary of U.S. diplomatic recognition of the Soviet Union. The U.S. Embassy boycotted the meeting in protest against the Yale professor's arrest.

BUZZARDS BAY, Mass.

The crippled oil tanker Dynafuel—a 20-foot hole gouged in her side in a fiery collision Thursday with a big Norwegian freighter—slipped upside down into a shallow sea Friday.

She sank slowly after being pulled from the deadly embrace of the 6,732-ton Feroview. No one was aboard the stricken tanker.

After Feroview was disengaged she backed off under her own power and stood by under anchor. Later she resumed her course to Boston.

WASHINGTON

The United States has fired its 100th announced weapons-related atomic test in Nevada in the last two years. The Atomic Energy Commission announced that the shot Friday was a low-yield one conducted underground.

A similar test was conducted Thursday. These were the 8th and 9th announced U.S. underground tests since the nuclear test ban pact was signed Aug. 5.

New Chill In Cold War;
Tieup On Capitol Hill
Compiled From Associated Press

The fluctuating temperature of the cold war gave a chill reading after the Russians arrested a Yale professor on a charge of spying. President Kennedy demanded the American's release and the United States broke off negotiations with the Soviet Union on a new cultural exchange agreement.

U.S. authorities said development of this latest plot plunged Soviet-American relations to their lowest point since the brief period of relaxation after the sign-

Freshman Grid Team To Fill Varsity Shoes

Graduation losses in SIU's football team will be slight next year—only eight will leave—but 18 members of this year's proud, unbeaten and untied freshman squad have already stepped into harness with veteran Communiqué's troops and will be first in line on replacement day next fall.

Southern's mighty yearlings enter their third year this week, all ready to take 1963 spring in workouts with the varsity.

Piccone likely won't use any of his youngsters, until next season.

Some inviting targets to shoot for the spring, in-field studies will end their 1963 season in workouts with the varsity. SIU has three sophomore quarterbacks on this spring team, as they await sensation Jim Hart. Also, next year's team will see eight of nine defensive backs.

Definitely in the running until all varsities are filled will be back John Luketich, Statton; Berfel Ness, Rockwood; Wayne Thomas, Hattiesburg; Miss.; and Al Chemielecki, Cherry Hill, N.J., and Lenore Robert Toberman, Carbondale; Dennis Finney, Salem and John Warmelink, Hammond, Ind.

First In Midwest:

Women Gymnasts To Compete At SIU

Relaxed story on Page 8.

With the University of Illinois' Gymnastics providing the opposition, members of the Southern Gymnastics Club will make their competitive debut here Nov. 22. In the first dual women's meet ever held in the Midwest.

The contest, to be held in Men's Gym is set for 8 p.m. and will include matches in the four Olympic events—uneven bars, floor exercise, vaulting and balance beam—as well as tumbling.

Top marks for the host Southern Illinois squad will be Donna Schenman, Milwaukee, Wisc., Janis and Judy Dunham, Flilt, Mich., and Gail Daly and Irene Hawthor, both of Saakonett, Saskatchewan, Canada.

Miss Schenman, a 19-year-old sophomore at SIU, won the United States Gymnastics Federation's all-around title in Chicago last summer while Janis was second and Judy sixth. Miss Daly twice has claimed the Canadian all-around championship and her teammate was second this year. Both were also members of the Canadian World Games and Pan-American teams.

The U of 1, club, runners-up in both the 1963 USGF national championship and Midwest Open, is led by 18-year-old Linda Metheny. The suburb-haunted Metheny is reigning senior all-around champion of three states, Illinois, Wisconsin and Kentucky.

Also included on the six-member Gymnastics team is Cindy Wright who last year captured the all-around crown in the Illinois Open Invitational meet.

The meet is open to the general public. Admission prices will be $2 for adults, 40 cents for students.

SIU Delegates Dislike Tactics at Meeting

SIU delegates returned from the recent Student Association regional conference held last weekend in Chicago with serious complaints about how the conference was conducted.

Five student senators reported on Thursday's Student Council meeting that inaccurate and one-sided resolutions were "rammed through" the conference by the host University of Chicago delegation.

About 22 colleges and universities were represented at the Illinois-Wisconsin regional meeting. SIU council members attending were Howard Benson, Terry Cook, Mark Hockenos, Dennis Kircher and Ray Laird. Other delegates from SIU were Dale Klisc, Jerry O'Donnell and Charles Zeckler.

Thursday the council unanimously approved a resolution to express "disapproval and moral censure of the actions of the conference."

The resolution deplores "the apparent approval of civil disorganization" and the presentation of only one side of the issue. It also denounces the lack of objective, factual information in resolutions of the regional meeting.

The SIU resolution will be sent to Chicago city officials and superintendents of schools in the region.

The "Willis Resolution," which condemned Chicago Superintendents of Schools Ben­ jamin Willis and asked for his removal, "concerned us the most," Cook said.

"The so-called facts expressed in the resolution were distorted, one-sided opinion," Cook added.

"The people directing the conference showed prejudice against anyone who did not agree with their viewpoint and methods," Hockenos said.

Kircher said opposition speakers were bluffed and hooded by University of Chicago delegates. Debate was limited and roll call votes, which would have shown the minority, were not allowed, the SIU students reported.

Mollman Speaks

To Journalism Club

Editor of the Midland Eagle, Perry Mollman, will be featured speaker at the second Jobs in Journalism lecture this year at 10 a.m. Monday in the Agriculture Seminar Room. Mollman, 32, is the third generation of his family to be interested in the publication. His grandfather established the Enterprise in 1897.

Mollman was alumnus from Washington University in 1953. He is currently President of Sigma Delta Chi for Southern Illinois.

SIU Champion Traces Gymnastics To Dancing

In a manner of speaking, Donna Schaenzer danced her way to the title all-around Champion of the United States Gymnastics Federation.

Miss Schaenzer, an attractive, shapely hazel-haired SIU sophomore, said she started dancing as the age of three, and dancing just naturally seemed to evolve into acrobatics and tumbling which led her to developing into a gymnast, she added.

But she is obviously no modest as she is attractive for being all around champion she has to perform all the Olympic events: balance beam, free exercise, side horse vaulting and floor, uneven parallel bars, and took second on the balance beam. She also won another first in tumbling, which was entered in the special events.

Miss Schaenzer, 19, earned her first national competition four years ago, and since then she has competed in all the large meets such as the AAU National, Midwest Open, the United States Gymnastics Federation meets, Floor Open and many others.

Miss Schaenzer is excited to watch, she has beauty, agility, poise and balance, the gifts of a champion. She has competed against such competition as Muriel Davis, Doris Fuchs and Dale McElmurry.

College life for Miss Schaenzer is quite busy because she works 10 hours a week, practices two or three hours a day and also is carrying a maximum load of six hours.

She says, "I love the sport because it's such a challenge, and it creates an opportunity to travel and meet new people," she said "but most of all because it gives me an opportunity to represent our country."

At the moment she is content to be young and active to compete in the 1964 Olympics.

"I'm interested in teaching after I graduate, but right now my goal is the 1964 Olympics," the tryouts are held in August and the Olympics in October.
