Survey Results

Admissions at SIU Lag Behind Average

By Jim Furmer

Applications for freshman admissions to state and landgrant institutions are running an average of 9.4 percent ahead of last year. However, applications for admissions to SIU are running about 18 percent behind last year’s rate.

According to a survey taken by the National Association of State University and LandGrant Colleges (NASCULGC) one of the reasons for the decrease in general in the last two years is that the post-World War II baby boom peak has passed. This peak was hit in 1964 and 1965 when increases of 33 percent in the number of applications were common throughout the country.

The freshman class that entered SIU in the fall of 1966 numbered 2,986, which was nearly two thousand less than the number of freshmen that entered the preceding fall.

Leilie J. Chamberlin, director of admissions at SIU, said he expects slightly more than three thousand in the freshman class that will begin work at SIU in September

This total would be an increase of about six percent over last year, which is an average for colleges throughout the United States, according to the NASCULGC report.

Still another reason for the drop in applications at this time is the fact that SIU has made admission policies tougher for both in-state as well as out-of-state residents.

Out-of-state residents must be in the upper 40 percent of the graduating class to be eligible for admission to SIU for the fall quarter, while in-state residents must be in the upper 90 percent to be eligible.

SIU is not the only university to be behind in admission applications. The University of Arizona expects 3,000 freshmen this fall and had had fewer than 1,000 applications turned in as of mid-March.
Rebellious Hats Bounce In and Out Of Southern's Spring Political Ring

By Carl Courtnier

Southern has felt the first tremors of its annual political wars. Discontent was the resounding cry across campus two weeks ago when Gene Clerk, a former campus senator, announced he would run as a presidential candidate. With him in his rebellion against the Dynamic Party was a present member of the Campus Senate, Sam Baker, who joined the ticket as a vice presidential candidate.

Both candidates are known to be close to Clark say they will continue to campaign political parties as synony-

mous with disunity. A week ago both aspirants quietly withdrew from the 1967 campus political arena before any other student government official had even put in an appearance.

Sources close to Clark say he withdrew because of family obligations and a lack of financial backing. Baker withdrew because he lacked a running mate. Both continue to bemoan the lack of unity in the campus political parties.

Botany Instructor Gets $1200 Research Grant

W. Hardy Eshbaugh, assistant professor of botany, has been awarded a $1,200 grant from the American Philosophical Society.

Eshbaugh will conduct research during the summer in Nova Scotia and Newfoundland on the biosystematics and phytogeography of the Queen Anne's lace. His research will be conducted as Miss University Friday night. Left to right are Barb Ohlenfendt, fourth runner up; Linda Reisinger, first runner up; Miss Weston, Linda Hunton, second runner up, and Lynn Collins, third runner up.

Avant-Garde Folk, Jazz Group To Perform for Conventions

David, Donna Rosa and Brooks, an "avant-garde" folk and jazz group will replace plantez Vince Guaraldi at the University Convocations programs at 10 a.m. and 7 p.m. today at Shryock Auditorium.

The group, consisting of three men and a woman, play their own instruments and vocalize in the pop-modern jazz field. They were tentatively scheduled for the Convocations series later this year.

Vince Guaraldi was forced to cancel his appearance because of an eye infection.

QUEEN AND COURT--Miss Toni Benson, center, freshman from Stonington, is surrounded by her court following her selection as Miss University Friday night.

Letters to the Editor

Blow for Racism

To the editor:

_The Daily Egyptian_ scores a good one in its excellent publication of the above column by African-American columnist Larry Jones.

The sentiments expressed in his column are those of the vast majority of Americans who care about human rights. The blow for racism that Larry Jones has delivered is one that will be echoed across the nation.

We commend the University administration for its efforts to combat racism on campus. However, we believe there is still much work to be done.

The University of Illinois is not immune to the effects of racism, and we urge our administration to continue to work towards a more inclusive and equitable campus.

Sincerely,

[Signature]

Student Body President

Bad Investment

To the editor:

While reading your editorial about the pension fund and its investment strategy, I was reminded of a saying: "Don't put all your eggs in one basket." This is exactly what the pension fund is doing by investing heavily in the stock market.

The stock market is volatile and unpredictable, and it does not make sense to place all our retirement savings in such a risky environment. We should be diversifying our investments to ensure a steady stream of income in retirement.

Sincerely,

[Signature]

'POLICE BRUTALITY'

The Daily Cougar, University of Houston
Library May Change Mode of Classification

It will be several weeks before the final decision is made regarding reclassification of books under the Library of Congress system at Morris Library.

The change under consideration is from the present Dewey Decimal System, to the Library of Congress System. John Dawson, director of the University of Delaware libraries, visited the Carbonale campus this week to study SIU's particular situation and to consult with Morris Library officials. While here Dawson met with the heads of the public service and technical service divisions and other library staff members.

Dawson made no decisions, but served as an adviser in the matter. He was chosen as consultant because his library at the University of Delaware is presently undergoing the conversion from Dewey Decimal to Library of Congress classification, and because of his professional background.

Considerable discussion and deliberation will be required before the final decision to adopt or discard the idea of reclassification is made.

Q: Why should you ride the free bus to Murdale Shopping Center?

A: Because you save money there. Because these 5 friendly stores have a wider range of things to buy. And besides, it's a good place to goof off. See the schedule below.
Albert Bork Named To Consulting Team

Albert William Bork, director of SIU's Latin American Institute, has been invited to serve as a member of a consultant team at the Inter-American Institute at Pan American College, Edinburg, Texas.

The team is composed of Bork, Richard Johnson, director of Inter-Disciplinary Area Programs at Trinity University, San Antonio, Texas; Ing. Francisco A. Mancillas, director of Summer Schools at Monterrey Technological Institute, Monterrey, Mexico; and Carmen Millan, dean of School of Contemporary Studies at the National University of Mexico.

The consultants will meet at the Pan American College, May 3-5, to discuss curriculum, academic standards of the binational program, and the aspects of the activities of the Inter-American Studies Center at Pan American College, and to evaluate the work being done.

The newly established institute at Pan American College has a student body with seventy per cent Spanish-speaking origin or background.

Music Theatre Season To Commence June 16

The Summer Music Theatre season will begin June 16 at SIU, according to William Taylor, director of the program.

Students from 20 universities will be represented in the company. Classes in the performing arts will be held during the day and production rehearsals during the evening.

Performances of "Kiss Me Kate," "Carnival," "Carousel," and "On the Town," a production with the high school, will be presented during the summer by the students.

Fiscal Office Moves

The Division of Fiscal Reports has moved from T-33 to 611 E. Park St. The telephone number has been changed to 3-5635.

Joseph M. Holder, a senior from Pinckneyville, has been selected most outstanding active member of Alpha Kappa Psi, professional business fraternity, for the school year 1966-67.

He has served as chairman of various committees and held the office of fraternity treasurer.

Another 150 frames have just arrived.

World Leaders, West Germans To Pay Tribute to Adenauer

BONN, Germany (AP) — Death took Konrad Adenauer Wednesday at 91 and the West German government made plans to pay him national honors, the highest tribute at the funeral in Cologne's Roman Catholic cathedral Tuesday.

Death took Konrad Adenauer, the former chancellor of the Federal Republic of Germany, at his villa overlooking the Rhine in the nearby village of Rhoonorf.

He had been granted five years of retirement income and a possible lifetime pension never before offered.

In his censure of conservativism, he singularly out an incident that has been causing scandal in the Vatican. He single-handedly carried out the kind of thought, and the expression of these terms in a speech that he delivered personally to the Latin American bishops, where he said his influence on the Latin American bishops was a symbol of the vitality of the Roman Catholic Church.

He scored those introducing unauthorized changes in worship practices.

And he brusquely assailed the kind of thought, and the methods of church conservatives fighting to block modernization.

The Pope expressed "bitterness," "narrow," "appalling," and said his influence on the Latin American bishops was a symbol of the vitality of the Roman Catholic Church.

He had been charged with "enemies of the church" and said his influence on the Latin American bishops was a symbol of the vitality of the Roman Catholic Church.

The Pope said the essay that denounced Giacomo Cardinal Lercaro, the Vatican's top Latin specialist, expressed "bitterness," "narrow," "appalling," and said his influence on the Latin American bishops was a symbol of the vitality of the Roman Catholic Church.

Before Kiesinger, commented: "When he left office in 1965 we were once again a country on which the community of free peoples could count and which had a chance of becoming a Europe of free peoples.

Foreign Minister Willy Brandt and other leaders of the Social Democratic party, opposed to Adenauer over the years, sent condolences saying he was "a symbol of the vitality, courage and faith of the German people."

With unusual promptness for a man who frequently postpones travel announcements, the last message of Johnson to Adenauer was: "I want to be there."

Johnson called Adenauer a "great and beloved man," and said "to us, to Europe, and to the world, he will always be a symbol of the vitality, courage and faith of the German people."

**VC Claim Downing of 2 Planes**

SAIGON (AP) - A Viet Cong fighter downed the second heaviest U.S. air raid of 1967, the North Vietnamese announcement that their air force shot down two U.S. planes Wednesday over Hoa Binh Province southeast of Hanoi and captured the pilots of both.

There was no immediate comment from American authorities. If the Hanoi story is confirmed it would mean that Ho Chi Minh's Soviet-built MiGs had scored a total of 12 victories in the war's dogfighting. American pilots have shot down 38 helicopters.

Below the border U.S. Marines, placed by Communist mines and mortar fire, battled off a unified enemy position to continue bulldozing a defensive buffer strip two miles south of Demilitarized Zone.

Two Marines were killed and 17 wounded in a firefight that cost the Communist five tons of heavy ammunition. Explosives knocked out a Marine tank, a bulldozer and an amphibious tractor assigned to this phase of the construction of a little more than 12 miles of flatland between the mountains and the South China Sea.

**Women Claims Writing Letter to Hurt Coppolino's Career**

NAPLES, Fla. (AP) - Margerie Farber, the woman whose story led to two murder charges against Dr. Carl Coppolino, said Wednesday that ten days after he married another woman, she tried to damage his professional career.

The tall brunette, who claims to be the ex-mistress of the doctor now on trial for murder of his first wife, Carmela, said she wrote a letter trying to block Coppolino's application for a license to practice in Florida.

The letter, she said, was mailed to Dr. Richard del Teerto of Miami, N.J., on Oct. 7.

**New Antennas Being Designed**

WASHINGTON (AP) - The Air Force, anxious that America will meet today's communications problems, is testing a new kind of aerial that may end obsolete satellite dishes in many homes.

The Air Force has completed its first test of what it hopes will become a widespread antenna for receiving television and radio signals at home.

The antenna is designed to capture signals not only from television stations but also from space satellites.

**Surveyor 3 Hits Moon**

PASADENA, Calif. (AP) - Surveyor 3, breaking out of fire, made the United States' second soft landing on the moon Wednesday to scout astronaut landing sites with a television camera and a tiny shovel to scoop soil.

The splayed spacecraft planted its three legs on the dry Ocean of Storms at 7:04 p.m. EST after a 6-hour, 417,000-mile flight from Cape Kennedy, then radioed a technical "all's well."

Its camera was to begin returning pictures soon after landing. The little shovel was to begin soil analysis at midnight Thursday or later.

In its final minutes of flight, Surveyor spun in space to align its feet with flight path, then its main retrorocket braked it from 6,000 miles per hour to 250. Next, three small guidance rockets allowed it to about 3 m.p.h., and it fell the last few feet.

Surveyor 3 thus apparently duplicated the success of the pioneering Surveyor 1, which behaved perfectly last June in landing gently and returning thousands of pictures.

A huge cheer resounded in the auditorium at the Jet Propulsion Laboratory, which conceived the flight, as word of the touchdown came over a loudspeaker.

Miller Beaten in Record Vote

(Continued from Page 1)

Archie Jones. The CCP endorsed Jones and included him in their advertising, but he steadfastly maintained he was an independent. Jones ran about 350 votes behind Kirk in the totals. As the returns came in Tuesday night, Jones appeared to be a very close contender. As the westside votes came in, though, he began to slip behind.

Sidney Schoen, Lynn Holder and A.E. Ramsey never were really in contention. They ran well behind in almost all precincts. Holder ran a very low-keyed campaign and made few public appearances. Schoen and Ramsey, who were on the CCP slate, appeared at both public forums sponsored by SIU student organizations. Ramsey did not directly associate himself with the CCP in his pronouncements, but Schoen was more active in campaigning for the slate.

Tempers Flare During Talk

Tempers flared briefly at the free school session on the Vietnam War Wednesday on the grounds north of the University Center.

The conflict occurred between free school participants and members of the crowd gathered to hear the anti-Vietnam speeches being given by the free schoolers, according to one observer.

A brief but explosive verbal exchange between two members of the audience and the speaker followed.

The speaker had said that the American soldiers dying in Vietnam deserved to die there.

The quarrel was cut off by free school staff members. Free school Vietnam speakeouts give students a chance to express their opinions on the situation in the Southeast Asian country.

Mrs. Albert D. Lasker of New York gave 10,000 azaleas to Washington D.C. An anonymous donor has contributed 1,400 new flowering cherry trees for a site near the Potomac River.

The Saluki baseball team will put its 22-3-1 record on the line this weekend when Coach Joe Lutz will take his team to Columbus, Ohio, to play defending champ Ohio State.

Southern will also be risking a current winning string of seven games plus a deadlock with Moorhead College. Lutz expects more than just a little trouble from the Buckeyes.

"Ohio State has a big, strong club that can swing the bat real well. Our hope rests with our pitchers because we'll score some runs ourselves. I just hope we can get them out," commented Lutz.

The Salukis, hitting the ball at a .300 clip before the Governor's Tournament, were stymied by some strong pitching over the weekend and now own a team average of .276. However, the Saluki sticks have rapped 22 homers this season and 32 other extra base hits.

Barry O'Sullivan, who wasn't even a regular at the start of the season, is still the leading slugger on the Saluki team. O'Sullivan is hitting a robust .319 and has accounted for four of the Salukis' home runs this season.

Dwight Clark is still hitting a respectable .296 for the season. Clark's average is still a mark he started the season in right field but moved to center when Paul Favesitch was injured. Since becoming the regular center fielder, Solis has been impressive in some key defensive plays.

It is the Saluki pitching that has been the main ingredient. The Southern big three of Don Kirkland, Skip Pitlock and Howard Nickason have combined earned run average of 1.50.

Nickason leads the staff with an ERA of 1.21 followed by Kirkland's 1.61 and Pitlock's 1.70. This trio has also combined to win 17 games of the 22 the Salukis have taken this season.

Kirkland and Nickason will oppose the Buckeyes in the doubleheader Friday. Pitlock will team with Bob Ash in Saturday's double bill with the Buckeyes.

The Salukis are hitting the ball well and are getting good pitching. The Buckeyes will have to do both to come away with a win.

SIU will return home April 25 for a single game with the Washington University of St. Louis. The Salukis will then go on an extended road trip, returning home to play the University of Tennessee Martin Branch May 20.

Intramural Softball Games Set Sunday

A double slate of Intramural softball games has been scheduled for Sunday. The first series of games will start at 1:30 p.m., and the second at 3 p.m.

The schedule:

Field 1, Brown's Gods vs. Warren Rebels; 2, Wright Brothers vs. Boomer Bearers; 3, Boomer Bandits vs. The A.A.; 4, Draft Dodgers vs. Stone's Beavers; 5, Phi Kappa Tau vs. L.E.A.; 6, Northern Knights vs. The Detroit Wheels; 7, Southern big three of Don Kirkland, Skip Pitlock and Howard Nickason will combine to win 17 games of the 22 the Salukis have taken this season.

Field 1, Bailey Bad Guys vs. The Vagabonds; 2, Allen Pickles (Mad Lads) vs. The Senators; 3, Fambouche vs. Berndt's Bombers; 4, Scoops vs. Cheeks; 5, Greek, Pierce II Panthers vs. Abbott Rabbits; 6, U, School, The Detroit Wheels vs. Newman Center.

Nicks Solis, the Saluki centerfielder, his third among the hitters with a .300 clip before the Governor's Tournament, were stymied by some strong pitching over the weekend and now own a team average of .276. However, the Saluki sticks have rapped 22 homers this season and 32 other extra base hits.

Barry O'Sullivan, who wasn't even a regular at the start of the season, is still the leading slugger on the Saluki team. O'Sullivan is hitting a robust .319 and has accounted for four of the Salukis' home runs this season.

Dwight Clark is still hitting a respectable .296 for the season. Clark's average is still a mark he started the season in right field but moved to center when Paul Favesitch was injured. Since becoming the regular center fielder, Solis has been impressive in some key defensive plays.

It is the Saluki pitching that has been the main ingredient. The Southern big three of Don Kirkland, Skip Pitlock and Howard Nickason have combined earned run average of 1.50.

Nickason leads the staff with an ERA of 1.21 followed by Kirkland's 1.61 and Pitlock's 1.70. This trio has also combined to win 17 games of the 22 the Salukis have taken this season.

SUI will return home April 25 for a single game with the Washington University of St. Louis. The Salukis will then go on an extended road trip, returning home to play the University of Tennessee Martin Branch May 20.
Bosox' Rohr, Reds' Nolan Top Classy Fresh Fishers Crop

NEW YORK (AP) — Bill Rohr of the Boston Red Sox and Gary Nolan of the Cincinnati Reds head up a fine crop of major league pitchers who have brightened the major league box scores in the early weeks of the baseball season.

Salukis Take to Wheelchairs

Senior members of SIU's N-4 and V-4 classes, plus several former Salukis, will try their luck in wheelchair basketball Saturday night when they meet a group of paragraphers in a meet with basketball aspirations.

The benefit game is scheduled for 8 p.m. and proceeds go to SIU students who qualify for the National Wheelchair Track Games in New York City.

Former Saluki stars Ralph Johnson, Clarence Smith, Ed Zastrow, Roger Bechtold, Dave Lee and Randy Call will start practicing this week in preparation for the game.

The wheelchair students will compete withcrippled college students with hopes of gaining entry into the National Wheelchair Wheelers Crop.

Friday sent the baseball writers digging into the record books, trying to discover if Nolan's four-hit game was a single hit away.

It was easy to determine that three men had thrown no-hitters in their first appearances.

Two were in the gay '50s, Ted Breitenstein of St. Louis in 1891 and Charles (Bumpus) Jones of Cincinnati in 1935, and Nolan had a dubious rivalry with Bobo Holloman of the old St. Louis Browns in 1919.

Nolan, an 18-year-old kid who was pitching for Oroville, Calif., high school a year ago, beat Houston Saturday with relief help from Ted Abernathy in the eighth.

Bill Dillman, a 21-year-old

Baltimore rookie, made American League's blank their eyes with five hitless innings against Kansas City and both Tom Seaver and Bill Dorsey, two young New York Mets hopefuls, pitched good ball in their first appearances although neither won.

Secretary, Administrative & Legal

Women's dept., shorthand and typing clerk. Daily Egyptian, 4 p.m. to 9 p.m. Phone 537.2780.

Floral Hall housekeeping. Phone 537.2780.

FOR RENT

FOR SALE

Daily Egyptian, the Daily of Southern Illinois University, offers a wide variety of classified ads for students and community members. The ads cover a range of topics, from housing and personal services to jobs and transportation. The newspaper provides a platform for students to buy and sell items, find housing, and offer services. The classified ads are a valuable resource for the university community, helping individuals connect with each other and find needed resources. The Daily Egyptian classified ads mirror the diversity of the university and the community it serves. Whether seeking a roommate, a job, or a place to rent, students and community members can find what they need through the classified ads. This allows for efficient and effective communication within the university community.
Football Practice Begins Monday

By Tom Wood

A lot of new faces and some familiar ones will dot the scene this spring football practice opens at SIU Monday. Of course the most notable face has a new title, That is new Head Coach Dick Towers, who was named under Ellis Rainesberger last year and recently moved into the head job after Rainesberger resigned to assume an assistant's job at Illinois.

Rainesberger and his staff put a lot of effort into getting the new-look squad and making their appearance Monday and the job was a great success, according to Towers.

The Salukis will practice Monday, Tuesday, Wednesday and Saturday next week and go to a Monday, Wednesday, Friday, and Saturday schedule after that.

Monday and Tuesday will be devoted to conditioning and Wednesday will be the first day of contact. Saturday will be the first scrimmage and every Saturday thereafter will be devoted to scrimmages.

Towers' most immediate concern will be getting a good look at his squad. He feels that it is imperative that each player get an adequate opportunity to display his skills.

In the Majors

By The Associated Press

The triangular meet on Monday could pose more than just a little problem to the Saluki golfers. "Murray has a fine team and Washington has the finest team they have had in recent years," commented Holder.

The Salukis will only play two more home meets this season, Southeast Missouri State will visit the Saluki home course May 1 for a dual meet and Lincoln University will be the Saluki foe on May 13. Lincoln was just added to the schedule.

The main thing the Saluki golfers are concerned with this spring is winning the dual meets. They are preparing themselves for the NCAA meet which will be held in Paducah, Ky., in June.

TO THE VICTORS BELONG—SIU baseball players Rich Hecker (left) and Don Kirkland hold the Governor's Tournament Trophy in front of the trophy case at the Arena. The two were instrumental in SIU's winning the trophy.

Big Weekend of Competition

Ahead for Saluki Golf Team

SIU's golf team will play a big role in regular season competition starting Saturday at Southeast Missouri State in Cape Girardeau.

After the dual meet with Southeast Missouri the Salukis will return home for a triangular meet Monday with Murray State and Washington University of St. Louis. The meet Monday will start at 1:30 p.m. and will be held at the Crab Orchard Golf Course.

Coach Lynn Holder is enthusiastic about the play of his squad in recent weeks. The Salukis have struggled through the first part of the season with a 4-4 won-lost mark but have had some key injuries.

Murrays took the No. 5 and No. 6 men from the regular season lineup and Holder now has to hold preliminary trials each week to see who will get these spots.

"The boys did an excellent job at Notre Dame. Notre Dame has a fine team, probably one of the best in the country. Right now we are concerned with finding a No. 6 man," said Holder.

Gary Robinson's position as the Saluki No. 1 man is never in question, Robinson won the medalist award two weeks ago at a Champaign triangular meet with the University of Illinois and Eastern Illinois. Last Saturday Robinson tied for that honor at Notre Dame. Meanwhile Steve Heckel has taken over the No. 5 spot on the team. Jim Schenkoff was the No. 2 man but Schoen- hoff hasn't been in form yet this season and has fallen to the likely candidate for the No. 6 run with regular lineup. Jack Downey, Dave Wargo and Denny Kortkamp fill the remaining berths on the Saluki dual meet squad.

Injuries cloud the 1967 season for SIU Golf Team
