Baptists Start on Final Plans For $871,000 Foundation

Property Swap With SIU Reaches Concluding Stage

Preparation of final plans for a new $871,000 Baptist Foundation building complex at SIU will be started immediately.

Developments this week have included approval of the preliminary plans by the Board of Directors of the Illinois State Baptist Association, and exchange of deeds between the association and SIU.

When the transaction is completed, the Baptist Foundation will own a 1.7-acre tract of University-owned land located in a triangle immediately north of University Auditorium.

In return, the Baptist Association will surrender its present Baptist Foundation building at the corner of Grand Avenue and Thompson Street, and the Baptist-owned Johnson Hall.

The Baptist Foundation building will be held as security for a loan by the Baptist Association to cover the construction cost of a new building.

The Baptist Association has named the Baptist Foundation building by April 15.

President Johnson would like to have a relationship with the Republican presidential nominee like the one he had with former President Dwight D. Eisenhower when Johnson was Senate Democratic leader.

He had and Eisenhower was able to discuss foreign policy matters and reach understandings on the way to defeat them publicly.

The information to be offered, Johnson said, would include background material and motivating reasons for the administration's foreign policy steps.

Goldwater Says No
WASHINGTON—Sen. Barry Goldwater bluntly rejected President Johnson’s offer to provide intelligence briefings on foreign affairs to candidates for the Republican presidential nomination.
11 Ag Students Join Fraternity

Eleven SIU agriculture students have been initiated into Southern Illinois University chapter of Alpha Zeta, scholastic agricultural fraternity for men. Alpha Zeta aims to promote the profession of agriculture, to establish, foster, and develop high standards of scholarship and fellowship, according to Don Robinson, chancellor of the SIU chapter. To be eligible for membership, sophomore and junior agriculture majors must have an overall grade average of 4.0. Seniors must have a 3.4.

Melvin Sims, president of FS, Inc., was speaker at a banquet following the initiation ceremony. New members include Donald Paulson, Donald Knop, Larry Kennedy, Roger Kiefling, Norman Schnake, Brian Bremer, Raymond Bosecker, Donald Kloeh, David Jacobs and Donald Knopf.

Noted Metalsmith Will Talk To Art Classes Next Week

Richard Thomas, a noted metalsmith whose primary interest is in liturgical art, will conduct a series of lectures before Art Department classes, according to Louis B. King, associate professor of art. The Thomas lecture demonstrations, at 3 p.m. Tuesday, at 10 a.m. and 2 p.m. Wednesday, and at 9 a.m. Thursday, will be open to any interested persons, Kingston said.

Head of the metalsmithing department at Cranbrook Academy of Art, Bloomfield Hills, Mich., Thomas has excorted some 900 liturgical objects, ranging from pectoral crosses to complete chancel groups. His work, which is done only on commission, appears at the Collegiate Chapel in Harvard University, Concordia Senior College, St. Paul’s Cathedral, and elsewhere. He will also be represented at the New York World’s Fair.

Kellogg Will Hold Recognition Party

Kellogg Hall will hold a recognition party for all dormitory residents at 5:30 p.m. Friday, in dining room 5 of Lentz Hall. Larry Kennedy, Mary Randolph, Larry Lentz, Mary Knepp, Donald Paulson, Donald Knopf, Larry Schnake, Raymond Bosecker, Brian Bremer, and Donald Kloeh have been selected as dormitory residents. A gift will be given to these students from the dormitory. The party is to recognize dormitory residents with over 4-point average. A gift will be given to the one girl from each floor who has the highest grade point average. A trophy will also be given to the floor with the highest average. Miss Kloth, Mrs. Wyman Fisher, the resident counselors, and all resident fellows will be given special honors.

The highlight of the evening is the announcement of the “Bear All-Around Girl.” The title in the dormitory vote for the one they think has contributed most to dormitory living.

The 1964-65 school year officers will also be announced at the party.

Dear Ka:

I'll rise to your bait, after reading the recent editorial in Ka concerning the "arty-crafts," generally presenting a picture of these endeavors as so easily readily comprehensible reality, I can't bear to see our future decision-makers so deceived.

Boards, run-over shoe, etc., while not necessarily indicating any depth of thought, intellect, or creativity, very often do. While they are often rebellion against the mores of a society seen as overly concerned with outward appearance of the student body, a lack of money combined with a very real lack of concern--the pattern of the times--is in keeping up on style, and comfort is comfort.

As a transfer student, I have been pressed by the level of the students who would fall into the "arty-crafts" category. Many have a social concern revolving around the notion of whether or not they are a stereotype far removed from a movement, civil rights, or the art department is getting some traction, and the way a student should be considered dealing with the moral issue involved in the murder of a young person, it should have been directed, not merely with an opinion on how well the play was conducted or whether it should have been designed, or acted by someone else. The play has been picketed because pickets don't like the style of signs or the casting.

There is reason as a number of students have noted a parallel between the letters from Miss Mordecai Gorelik and the murder at Kew Gardens, New York, so many would misinterpret the killing of a person as a generalization based on a generalization on the murder of six people. In my mind, if one is continuing your publication and maintaining the desired level of quality upon your journal, journalism is getting more and more trite. The majority of people continue to be regarded as grade schoolers.

Dear Ka:

As a college student, a member of Southern Illinois University's political science department, I am glad to get a chance to express my opinion in Ka.

A secured... again...

Again, the editors of Ka need to feel the defense feel a few. It was a rather the entire point of the review, discussing the ideas, and its importance to the current generation. Should everyone have the right? No, the desire to take a stand is in keeping up with the current level of the students. I am glad to have the opportunity to express something to Ka.

Dear Ka:

I would advise you to get somewhat better observers to whom to "different" groups. Setting forth a stereotype that is so one who by your actions are wrong. One who desires to be seen as "arty-crafts" is in keeping up with the style, and comfort is comfort.

Sincerely,

Jane Adams

Dear Senator Parker:

Dear Ka:

Since your comment on my lecture is entitled "Where Was the Art in All This?" the answer is up to me. A College-Type Stengel 

Development of Rookies, Pitchers Is Abe Martin's Key to Success

In 26 years of coaching at Southern, Glenn (Abe) Martin can be considered somewhat of a Casey-Stengel of college baseball.

Although Martin is not as old as Casey and does not have the questionable distinction of managing the amazing New York Mets, Martin has had many surprises. Few of the pleasantries however, have been nicer than the development of two rookie infielders and a pitching combination that have given the Salukis to seven straight victories this spring.

Concerned with the left side of his infield after losing last year's MVP, Jerry Qualls, to the Detroit Tiger farm, Martin installed Bob Bernstein at third and named Terry Lynn Southern's number one shortstop. Neither player has been out of the starting lineup since and it is doubtful if any of them will be.

Bernstein, a sophomore from Chicago where he won the city batting championship in 1962 while playing for Lane Tech, is currently Southern's leading batter with a .419 mark. Lynn, a Edwardsville sophomore, is number three in the hitting list with a .295 average.

Dominating the mound chores have been righthanders Johnny Hotz and Gene Vincent and there's little doubt that they will be Southern's starters tomorrow when the Salukis are scheduled to host Cincinnati in a doubleheader at Murphysboro's Riverside Park at 1 p.m.

The Bearcats have 10 of 17 lettermen returning, including two-time Missouri Valley Conference choice Larry Sessa at first base and may be a much stronger threat than a year ago when the Salukis gained overwhelming 25-6 and 6-1 victories.

Golfers to Meet Evansville, St. Louis in Double Header

SIU's undefeated golf team, rammed out in an attempt to extend its current winning streak Monday, returned to the fairways today for a triangular meet with St. Louis University and Evansville College.

Coach Lynn Holder's Saluki golfers, 4-0 in dual match competition this season, will tee off at 10 a.m. at the Crab Orchard Golf course.

Southern, whose match against Evansville Monday was cancelled because of rain, will face its stiffest test of the year in the St. Louis Billikins. The Billikins, one of the best collegiate golf teams in the Midwest, feature a number of talented golfers and a fancy 6-0 dual match record.

The Purple Aces of Evansville, on the other hand, show a 1-3 season's record and a 3-nor expected to cause the Salukis much trouble.

Heading today's Saluki lineup once again is veteran ace Gene Carello. Carello, a West Frankfort senior, who owns a sparkling 4-0 dual match record this year, fired a hot 72 for 18 holes against Washington University last week and is expected to lead the Salukis attack against today's opponents.
Southern's tennis team, unbeaten in its first six matches, will try to add three more victims to its list this weekend when the Salukis play in a quadrangular meet at Kansas City, Mo.

Coach Carl Sexton's squad, which has shut out Cincinnati, Houston, Iowa and Western Michigan while beating Rice 5-2 and Northwestern 5-4, will face Oklahoma State, Iowa State and Wheaton in the meet.

Heading the Saluki roster are the Sprengelmeyer brothers, Bob and Roy, who have picked up this year right where they left off at the end of last season. Bob has won six in a row this season playing in the number three position. He was undefeated in 18 matches last year. Roy, the number four player, has also chalked up six in a row following a 17-1 mark last year.

Sophomore Al Pena of Bogota, Colombia, is also unbeaten this season. Besides Baptists Push Building Plan

(Continued from Page 1)

plans for the new complex, it will triple the Foundation's present dormitory facilities and will provide improved quarters for the foundation and the Baptist College of Bible. The complex will include a chapel, library, office space, classrooms, conference rooms, cafe teria, and large all-purpose banquet-recreation hall.

No definite starting time for construction has been decided yet, Queen said.

According to previously announced plans, the new dormitory facilities in the complex will accommodate 300 students.

Under the transfer agreement, the Baptist Foundation will continue to occupy both the foundation building and Johnson Hall until September, 1965, or until such time as the new structures are completed and ready for occupancy, Queen said.

Practice Scheduled For Girls' Softball

Practice for the Women's Recreation Association softball team is being held from 4 to 5 p.m. Monday through Friday. All girls are encouraged to play, but it is not necessary to participate every afternoon. Those with limited time can come out at their convenience.

The official season for the girls gets underway Monday. The season will include trips to Alton to play the SIU branch there and to Normal for sectional afternoon.

McKenna Elected Rifle Club Head

Phillip F. McKenna has been elected president of the AFROTC rifle team for the 1964-65 school year.

Others elected to office were: Robert G. Shoemaker, vice president; Lawrence W. Huseman, secretary-treasurer; and Bob F. Claybourn, chief range officer and sergeant-at-arms.

Saluki Net Squad to Try For 9-0 Mark in Kansas

The Salukis' toughest competition at Kansas City could come from Little Whiston College. The Crusaders have seven lettermen back from last year's squad which finished 9-7. Their record is deceiving, however, since the Crusaders won their last six matches and placed third in the NCAA college division meet.

The Crusaders are led by Dennis Bonanza, who was 14-4 last year. The senior southpaw was named to the number five spot on the 1963 college division All-American team. Southern met all three teams last yearblanking Iowa State and Wheaton while topping Oklahoma State 6-0.
