Trustees Promotes 12 To Full Professor

**$5 Proficiency Fee Dropped By Board**

The SIU Board of Trustees yesterday voted to drop for all students the $5 fee which has been charged to students taking proficiency examinations.

In addition to proficiency examinations taken for credit, there are also proficiency exams under the General Studies Program which permit students to advance in standing without credit.

The fee of $5 for each proficiency examination administered was originally established in April of 1961 at the recommendation of the Faculty Councils of both campuses. Then, in June of 1962, the policy was amended to exempt from the fee those students who ranked in the top 10 per cent of approved scholastic aptitude tests.

It was also stated that there needs to be a period of time to develop more meaningful guidelines as to who should be exempted from the fee.

Southern Illinois History Chair Created By Board

A newly created Chair of Southern Illinois History at SIU was approved yesterday by the Board of Trustees. At the same time, faculty members were asked to submit names of highly qualified research professors for consideration for appointment to the post "to increase our research and interests in our regional history."

The Board in creating the post pointed out that since the death of Professor Norman Caldwell and the retirement of John Allen, "our work in this field has been somewhat restricted."

**Illinois Prof New English Head**

Bruce Harkness has been appointed as the new chairman of the SIU English Department. The appointment was made yesterday by the SIU Board of Trustees.

Harkness, who holds a Ph.D. from the University of Chicago, comes to Southern Illinois from the University of Illinois. At Illinois he was an assistant chairman of English.

Harkness will replace William B. Schneider, who last month requested to step down as English Department chairman at the end of summer quarter.

Schneider, who has been chairman of the English Department for 16 years, will be eligible for retirement at the end of the next academic year.

Schneider came to SIU in 1936. During the war he was appointed by President Roosevelt to be chairman of a state-wide campaign organized to help pass the original bill authorizing expansion of SIU from teachers' college to university status.

Two other new full professors for the Carbondale Campus also were appointed by the Board.

They are Abdul Majid and S. Shafi, who has been appointed as the new chairman of the SIU English Department yesterday.

In addition, 13 faculty members were elevated from the rank of assistant professor to associate professor and four were promoted from instructor to assistant professor.

The Board stated in making the announcements that the promotions are the result of prolonged review between department chairmen, the academic deans and division heads, and the offices of the vice presidents and president, and that in all attempts to maintain standards for the ranks comparable to those in use at the major universities.

Those named to the rank of associate professor are:

James C. Austin, Humanities Division, effective Sept. 25, 1963. Austin received the Doctor of Philosophy degree from Western Reserve University and joined the SIU staff in 1960.

Jacob O. Bach, College of Education, effective July 1, 1963. Bach received the Doctor of Philosophy degree from the University of Wisconsin and joined the SIU staff in 1951. He organized and has administered the Educational Research Bureau.

Mary Margaret Hrdy, Business School, effective Sept. 25, 1963. Miss Hrdy received the Doctor of Education degree from New York University and joined the SIU staff in 1957.

John J. Glynn, Business School, effective July 1, 1963. Glynn received the Doctor of Philosophy degree from St. Louis University and joined the SIU staff in 1957.

Jack W. Graham, Office of Student Affairs, effective July 1, 1963. Dr. Graham received the Doctor of Philosophy degree from Purdue University and joined the SIU staff in 1951.

Stanley E. Harris Jr., College of Liberal Arts and Sciences, effective Sept., 25, 1963. Harris received the Doctor of Philosophy degree from the State University of Iowa and joined the SIU staff in 1949.

William McDaniel Herr, School of Agriculture, effective July 1, 1963. Mr. Herr received the Doctor of Philosophy degree from the University of Wisconsin and joined the SIU staff in 1960.

Andrew J. Kockman, Fine Arts Division, effective July 1, 1963. Mr. Kockman received the Doctor of Philosophy degree from the University of Michigan and joined the SIU staff in 1960.

Irving Kovarsky, School of Business, effective Sept. 25, 1963. Mr. Kovarsky received the Doctor of Philosophy degree from the State University of Iowa and joined the SIU staff in 1957.

Charles L. Lange, College of Liberal Arts and Sciences, effective July 1, 1963. Mr. Lange received the Doctor of Philosophy degree from the University of New Mexico and joined the SIU staff in 1958.

Herbert F. Smith, College of Education, effective July 1, 1963. Mr. Smith received the Doctor of Philosophy degree from the University of Michigan and joined the SIU staff in 1957.

Donald L. Taylor, Social Science, effective July 1, 1963. Mr. Taylor received the Doctor of Philosophy degree from the University of Michigan and joined the SIU staff in 1957.

Charles R. Smith, College of Engineering, effective July 1, 1963. Mr. Smith received the Doctor of Philosophy degree from the University of Michigan and joined the SIU staff in 1957.

Gus Bode...

Gus Bode...

Gus says if he can manage to flunk his math course another time or two, he'll have all the data he needs to write a Ph.D. dissertation on comparative teaching methods.

NSF Gives SIU $6000 For Biology Workshop

An additional $600 grant by the National Science Foundation has been awarded SIU in support of a summer institute for biology teachers now in progress, bringing the total NSF financing to $60,300.

Thirty-four high school teachers, many of whom are enrolled in the institute, each received a National Science Foundation stipend to finance the summer study at SIU, with course work offered in anesthesiology, botany, bacteriology, microbiology, and zoology.

Gus says if he can...
Schwartz To Become Dean
Of International Students

A long-time friend of students from other lands has been named to head a new office at SIU. The board of trustees asked Willis G. Schwartz to become the first dean of International Students. Schwartz, who has been dean of the Graduate School in its early stages of development, developed a particular interest in students from other countries and is largely credited for Southern's having become a midwestern center of attraction to such students. The number of foreign students at Cardenale is now so large as to require a special organization for their handling, President Delyre W. Swanz told the board.

"Because of Dean Schwartz's experience and his sympathetic insight into the special needs of these students, he was asked to give the major part of his time to them," A campus residence will be renovated to provide reception area and office space for Dean Schwartz and Mrs. Mary Winklake, foreign students advisor.

Foreign students in American universities have several basic problems, Schwartz said.

Co-op Workshop

The fifth annual SIU Farm Cooperative Workshop will be held July 10 in the Agriculture Building.

WILLIS G. SWANZ

WILLIS G. SWARTZ

Addresses Grad
At Menard Prison

Willis G. Swartz, dean of the SIU Graduate School, was guest speaker Thursday at graduation exercises for inmates of Menard Penitentiary who have completed educational training in special programs provided at the prison.

More than 200 prisoners received certificates of some kind—high school and grade school diplomas and vocational training certificates.

A 33-year-old convicted forger was valedictorian of the class of 91 inmates who, in caps and gowns, walked proudly into the prison chapel to receive his high school diploma. He and the 23-year-old saboturin, convicted for burglary, addressed their fellow graduates.

Educational programs were initiated at the prison five years ago by Warden Ross Randolph to help prisoners lead useful lives upon release from the penal institution.

Southern, along with Chester High School, assists the prison in their educational program. Several special courses, taught by SIU faculty, have been offered at Menard.

Dean Henry Rehn

Hospitalized

Speakers at Doctors Hospital reported yesterday that Dean Henry Rehn, administra- late Thursday afternoon, "has reared well."

Dean Morrison said Rehn complained of a sharp pain in his chest about 3:30 p.m. Thursday. He was then taken to the hospital. Doctors believe he suffered a mild coronary.

Reappointment of 26 Faculty Members
Reappointed For 1963-64

Reappointment of 26 faculty members was announced Friday by the Board of Trustees.

They are Frances M. Barbour, Neil L. Dillard, Norman Kembel, Wilbur R. Venerable, Ralph St. John, Mrs. Denise Malakawi, Gene S. Schmidt, Leon B. Segedy, James N. Cummins, Sanford Elwin, Mrs. Marcie Frankline, Miss Donna Fay Prout, Mrs. Mary Hartzog, Lewis J. Hilliard, Mrs. Frances Huff, Mrs. Betty S. Hughes, Eugene S. Lawler, Barron Kelly Letter, Mrs. Marie Louches, Mrs. Joan W. Breech, and Mrs. Hazel Brunner.

Two State Agencies
Move Offices Here

Two state agencies are moving their downtown offices to SIU's Cardenale campus, to be opened to Paul well, executive director of Business Affairs.

They are the juvenile parole office of the Illinois Youth Commission and the district office of the Illinois Division of Services for Crippled Children.

The parole officer has been assigned a former residence at 318 W. College Ave., and plans to move from Marion July 1.

The Division of Services for Crippled Children will move August 1 from Mt. Vernon to quarters which will be promptly occupied by the department of journalism offices at 600 W. Grand. The parole officers will move to Barracks 100 in the Chautauqua Housing Area.

The moves were ordered to enable fuller use of facilities offered through Southern's Center for the Study of Crime, Delinquency and Correction and the Clinical Center including associated special projects which have been soliciting clinic it was reported.

26 Faculty Members
Reappointed For 1963-64

Foley Martin, Thomas Oliver, Joseph Simmons, Mrs. Mary W. Stone, Thomas Paul Van Rooy, Mrs. Katherine Vergette and Francis Young. Continuing a long association with the Board of Trustees were the following leaves of ab-

Edwin C. Gallbraith to study student rodents; Robert J. Reisman to write his book on the juvenile court and to be visiting professor at Berkeley, and John Merck to conduct his research at the University of California.

The board adopted the following agreements:

Bond Agreement

Approved By Board

A loan agreement with the federal Housing and Home Finance Agency for the sale of $4,750,000 in bonds for financing a new Student Center at the Menard campus was approved yesterday by the SIU Board of Trustees.

The agreement was for $2,250,000 in bonds to be sold through the Investors and Home Finance Agency and for $2,500,000 in bonds to be sold to the First National Bank at an expected interest rate of 3.5 per cent or less.

In other action, the Board awarded a contract for the new residence halls, known as the Housing Center, with the following builders:

The Robert A. White Co., for providing housing and air conditioning in the build-

The Usher Brothers Co., for the building of the new Edwardsville Campus.
Something is planned for the whole weekend to help students keep cool and entertained while they relax from study.

Saturday Night at the Movies, a continuing series, will feature Alec Guinness and Jack Haley in "The Pim­ponnier." The show will open at 8 p.m. in Mackelroy Auditorium. Charge will be 25 cents with Activity Card, 50 cents without one.

The campus Saturday night party will move to the beach. Call it a ship-wreck, the Activities people said. Records will go on the turntables at 8 p.m. Dance and relaxing will carry on until 11 p.m.

SUNDAY

The second Salahi Safari of the summer season will leave the University Center at 1:30 p.m. Saturday, July 25, from Columbia University. Effective Sept. 25, 1963, he received the M.A. degree from Michigan University. Paul R. Miller, associate professor of Chemistry, plans to make an additional trip attended by over 200 students and faculty members.

The second of a series called Philosophical Picnics will be held Sunday evening at Picnic Dome Number one next to the Boat Dock at Lake - On - the - Campus. Claude Coleman, professor and director of Plan A Curriculum, will lead the unstructured discussion. Hot dogs and lemonade will be furnished. Everyone is invited.

The play, "The Guardman," performed by the Southern Illinois Theatre Company, will be presented at the Southern Playhouse (air conditioned) for the last time at 8 p.m. on Saturday, July 25, 1963.

The second degree from Columbia University.

The Dr. David A. Farnon, Student Union, effective July 1, 1963. She received the M.A. degree from the University of Michigan. George W. Grace, College of Liberal Arts and Sciences, effective July 1, 1963. He received the Ph.D. degree from Columbia University.

Mr. Hoshiko, School of Communications, effective Sept. 25, 1963. He received the M.D. degree from the University of Michigan. Morton R. Kenner, College of Liberal Arts and Sciences, effective Sept. 25, 1963. He received the Ph.D. degree from Columbia University. Donald G. Myer, Science and Technology Division, effective Sept. 25, 1963. He received the Ph.D. degree from Ohio State University.

Phillip H. Olson, School of Fine Arts, effective Sept. 25, 1963. He received the M.A. degree from Chicago Conservatory of Music.

C.G. Oustad, Science and Technology Division, effective Sept. 25, 1963. He received the Ph.D. degree from the Illinois Institute of Technology. David C. Coastal, Science and Technology Division, effective Sept. 25, 1963. He received the Ph.D. degree from the University of Pennsylvania. Miss Elise Synder, College of Liberal Arts and Sciences, effective Sept. 25, 1963. She received the Ph.D. degree from Pennsylvania State University.

Howard J. Staine, College of Liberal Arts and Sciences, effective Sept. 25, 1963. He received the Ph.D. degree from the University of Kansas. Milton F. Sullivan, School of Fine Arts, effective Sept. 25, 1963. He received the M.A. degree from the University of Missouri.

Eugene S. Wood, School of Agriculture, effective July 1, 1963. He received the Ed.D. degree from the University of Missouri.

Faculty members promoted to associate professor follow:

Robo E. Smart, General Library, effective July 1, 1963. She received the M.S. degree from the University of Illinois. John E. Griswold, Vocational-Technical Institute, effective Sept. 25, 1963. He received the M.A. degree from the University of Missouri.

Faculty members promoted to assistant professor follow:

Ruth E. Darnell, General Library, effective July 1, 1963. She received the M.S. degree from the University of Illinois. John E. Griswold, Vocational-Technical Institute, effective Sept. 25, 1963. He received the M.A. degree from the University of Missouri.

Glen E. Farnon, Fine Arts Division, effective Sept. 25, 1963. He received the M.S. degree from Fort Hays Kansas State College.

Joseph Lette, Vocational-Technical Institute, effective July 1, 1963. He received the B.S. degree from the University of Illinois.

WSIU-FM radio offers a variety in listening enjoyment this weekend and Monday.

The first picture is "Russian Life Today. Inside the Soviet Union." The second, by a different film, producer, Julian Bryan, is "Yugoslavia." Tuesday, July 28, 1963.

The theme of the picnic is "get acquainted." Details of the picnic have been announced by Mrs. Mary Wakeland, assistant foreign students advisor. In addition to American dishes which will be brought by the host families, preparations were made to have foreign dishes also. Mrs. Deryl D'Silva, from India, married to a South American, will prepare an Indian dish. Mrs. Enrica Low, from Japan, also married to a South American, will prepare a Japanese dish. Persian and Panamanian dishes will also be served.

Young Scientists Seek Life's Keys In The Laboratory

Summer Workshop Draws 65 Students For Experiments In What Interests Them

It has become the old who have to do, but what I want to do, for 65 high able, high school students from 18 states, is what is enrolled in the National Science Foundation (NSF) Summer Science Workshop.

These college-bound, college-level students, are being offered eight weeks in three of nine scientific disciplines of their choice. They are all from last year's junior and senior classes with some experience in science, but are also interested in the possibility of pursuing a scientific career. George H. Gage, associate professor in Psychology and Director of the workshop, said that he had a total of 1,000 students who applied for this summer's workshop.

The workshop's most popular this year are Mathematics, Chemistry and Females. Those who are interested in these fields are able to become acquainted with the latest developments in the sciences.

Gage said that the emphasis on these three areas is to be able to introduce students to the latest developments in the sciences.

Throughout the country, there are 6,000 openings for the summer science workshops, which can be filled by any student who can stay from one to six months.

One of the ways to participate in this workshop is to bring one's own materials, to have one's own ideas, to try something new. The emphasis is on the development of creativity and the ability to think independently.

There is no limit to what one can do, Gage said. The emphasis is on the development of creativity and the ability to think independently. The emphasis is on the development of creativity and the ability to think independently.

BERLIN- Wild cheering from a million West Berliners greeted President Kennedy Wednesday on his visit to the outpost of freedom behind the Iron Curtain.

He spoke to an estimated 250,000 in front of City Hall and denounced the Communists' Berlin Wall as "an offense against humanity" and a symbol of Communist failure.

The President saw the wall twice, and at Checkpoint Charlie, an estimated 2,000 East Berliners decried Communist police; some of them waved when the police were not looking.

Kennedy's press secretary described the reception in West Berlin as the greatest the President had received anywhere in the world. Oldtimers said the American President had received the greatest spontaneous welcome in their memory--outranging even the carefully staged turn-outs for Adolf Hitler.

"YOU'RE WELCOME ANY TIME, JACK, BUT THE PLACE IS A MESS"

VATICAN CITY- Pope Paul VI has formally ordered the Roman Catholic Ecumenical Council to reconvene Sept. 29, the Vatican announced Thursday. An announcement by the Vatican's special council press office disclosed the date and said the text of the order will be sent to Roman Catholic bishops around the world.

More than 2,500 are expected to come to Rome for the assembly, the biggest gathering of Roman Catholic prelates in history.

The council convened last Oct. 11. Pope John recessed it on Dec. 8 until Sept. 8 but it was automatically resumed by Pope John's death.

Pope Paul, 24 hours after his election, announced his first message to the world that he would continue the council.

PARIS.- As President Kennedy captivated Wexford County, Ireland, home of his ancestors, with a whirlwind tour Thursday, government spokesmen in Paris commented on Kennedy's Frankfurt speech Tuesday.

They remarked France has never doubted President Kennedy's intention to defend Western Europe, but wondered if this policy would be carried out by his successors.

Information Minister Alain Peyrefitte cited Franco-American experience in the later American entry into both World War I and II as the future of the country that France should herself have control of the means of her own defense. "It is not reasonable for a country to abandon itself completely to another country for its defense," he said.

His remarks were interpreted as President De Gaulle's answer to Kennedy's speech Tuesday at Frankfurt, in which he clashed openly with De Gaulle's contentsions over the future of Europe and American willingness to defend it.

"The United States will risk its cities to defend yours because we need your freedom to protect ours," Kennedy said. Without actually naming De Gaulle, the President denounced "those who would dub our pledge" or deny that the defense of the West is "indivisible."

Men who would split the allies or separate Europe from the United States, Kennedy said, "would only give aid and comfort to the men who make themselves our adversaries and welcome any disarray."

An estimated million persons joined in Frankfurt's welcome to Kennedy.

"THE BOOKET STOPS HERE"

WASHINGTON- The "Cold War GI Bill" was approved Tuesday by the Senate Labor Committee.

It would give education and home loan benefits to veterans discharged since June 30, 1953, as a cost estimated by the Veterans Administration at about $3 billion. It was opposed by both Eisenhower and Kennedy administrations.

The bill was passed by the Senate in 1959 but died in the House. In the following Congress it was cleared by the Labor Committee but not called up for a Senate vote because of Kennedy administration opposition.

WASHINGTON- The Democrats will hold their 1964 presidential nominating convention in Atlantic city, N.J., the week of August 24. A site committee recommendation was unanimously accepted by the Democratic National Committee and will return the convention to the East Coast for the first time since 1948.

The GOP convention will open July 13 in San Francisco.

PINECONE-YVILLE, ILL.- Ronald W. Metzger was sentenced Tuesday to 100 years in prison for the murder of a service station worker.

Officials said he could be eligible for parole in 20 years.

Metzger, 20, of Belleville, sawed out of Perry County jail a few hours before he was to have appeared in Circuit Court for sentencing Tuesday. He was apprehended at an abandoned farm house 5 miles from Pinconeville.

He pleaded guilty earlier this month to the Feb. 25 shooting of Leo Johnson of Coello, who died while struggling with the man robbing the service station.

"I STILL SEE THAT EIFFEL TOWER!"
Varsity Sports Stop But Not The Coaches

CARMEN PICCONE

During the Summer: Varsity Sports Stop But Not The Coaches

For relaxation on the weekend, Hartman plays an oc-

castional round of golf. Although golf Coach Holder

keeps track of new players, he finds only four or five
times a year to play. He spends most of his time in-
structing his golfers and teaching. Holder’s summer is
primarily comprised of teaching his three summer courses,
which also include several tournaments, including the St.
Louis Professional Play. He spends additional time investing
incoming freshman prospects. Desire to play, ability to play
and grade averages are three basic ingredients for a suc-
cessful SIU golfer, he pointed out.

SIU Attorney Is NACUA Officer

C. Richard Gruny, legal counsel for SIU, is the new
secretary-treasurer of the National Association of Col-
lege and University Attorneys (NACUA).

Elections were held at the annual convention at Saranac
Lake, N.Y., June 20. Association membership includes
221 attorneys representing 153 colleges and universities.

Paul M. Peterson of the University of Missouri was
elected president; Edward C. Bryun of Duke University,
first vice and Ray Trammell, U. of Arkansas, second vice.

Gruny, 31, a native of Jack-
sonville, Ill., joined the SIU
staff in 1959 following graduation from the University of
Illinois College of Law.

GLEN MARTIN

He will attend the July
Federation of Gymnastics Meet
at Palm Beach, Fla., a training
camp for exceptional gymnasts. He is also on
the board of a National Summer
clinic held in Michigan Aug.
18-23.

Meade also keeps in contact
with his team members by
writing four or five letters
about campus activities and
future plans for the
gymnastics team. He is cur-
rently contacting boys
throughout the United States
who might be interested in
the SIU teams.

Baseball coach Martin
stated, “I think I spend more
money on the job in the sum-
mer than in other months
because I’m off campus so
much.” Hartman teaches three
courses and scouts new players, he cor-
responds with some 250 boys
representing nearly every state.

Martin will attend three
summer camps. He also at-
tended the Illinois State High
School baseball finals and the
Pittsburgh tryout camp held in
Mt. Vernon, Ill. He sum-
med up plans for the weeks
ahead by saying, “I’ll be re-
cruiting all summer getting
ready for next year.”

LYNN HOLDER

Basketball Coach Hartman
spends much of his summer
corresponding with players at
least once a month, schedul-
ing next years games, attend-
ing clinics and teaching.

He currently is helping plan
Grain Marketing Pamphlet Issued

“Marketing Grain in
Southern Illinois” is the title of
the SIU School of Agriculture
Publication No. 14 which is
now available.

It reports a recent study by
Walter J. Willis, professor of agriculture industries,
and graduate students Robert C.
Matthes, James Etherton and
Dallas Puckett under contract
with the Illinois State Depart-
ment of Agriculture.

A copy of the booklet may be
obtained at the office of the
Agriculture Building.
Kennedy Heads For Macmillan Meeting

DUBLIN

President Kennedy winds up his three-day visit to Ireland today in the counties of Galway, Limerick and Sligo.

He addressed the Irish parliament Friday and called on small nations to imitate Ireland's support of the United Nations as the surest guarantee of world peace.

Kennedy was the first American President to address the parliament Friday and today in the counties of Galway, Limerick and Sligo.

WASHINGTON

The nomination of Adm. David Lamar McDonald as chief of naval operations was unanimously confirmed by the Senate Friday.

HARRISBURG, Pa.

Thirteen cases of polio were reported in the past two weeks near this state capital city.

The Communicable Disease Center in Atlanta, Ga., said Friday there were only four other cases reported in the United States last week.

Pennsylvania Health Department authorities called the outbreak one of serious proportions and a second mass immunization program is planned for this weekend in a two-county area.

WEATHER FORECAST

A few scattered afternoon and evening thundershowers were forecast for today, otherwise fair with little temperature change. Today's predicted high for Southern Illinois was around 90.
