Student Tickets for Aces Game To Go on Sale Friday Morning

Gus Bode

Saluki Down Oklahoma 69-60

The big break came for the Salukis with about eight minutes left to play. Ralph Johnson, who had come off the bench for Randy Gin to score 11 points in the second half, lunged in a three-point play to put the score at 58-50 in Southern's favor with 8:40 left to go. Dave Lee followed him later with a pair of free throws. Johnson added a tip in to boost the Salukis on a 6-2-3 run.

Oklahoma State made a last-ditch effort in the final minutes and cut Southern's lead from 66-53 to 66-61. But McNeil's three-point play in the final minute ended the scoring and gave the Salukis the 69-60 victory.

McNeil ended up as the night's high man with 20 points. O'Neal, who had one of his better nights, wound up with 17 points while Dave Lee had 10. Johnson's 11 points in the game marked one of his best games since being slowed by a torn cartilage and kidney infection in December.

Bill Fisher was tops for the Cowboys with 13 points, followed by Ward Sherrill and Jim Fonkema with 11 apiece. The game got off to a disastrous start for the Salukis as they fell behind 8-4 in the first three minutes. McNeil got the Salukis' first goal about a minute later, and by the middle of the half the Salukis gained a 13-14 lead on a drive by Clarence Smith. The score tightened up at that point and the game was played four times and the lead changed on three other occasions.

Season Passers Get Seats Today

Students without a season ticket but with an athletic pass can purchase game seat tickets today and Thursday for the SIU-Evansville basketball game.

The tickets will be available from 1-4 p.m. at the athletics ticket office in the Arena. The game is at 8 o'clock Saturday night in the SIU Arena. SIU defeated the Aces 79-65 in the first encounter this year at Evansville.

On Friday, students with winner activity cards may purchase reserved seat tickets for 50 cents.

These tickets will be on sale from 9 a.m. to noon and 1-4:30 p.m. at the main entrance to the Arena.

All tickets that are not picked up by holders of season tickets will be put on sale Friday on a first-come, first-served basis.

No seats from the student sections have been sent to Evansville, according to Neoma Kinney, WSIU-TV sports staff.

WGFB, Evansville radio station, will broadcast the game, and WTVW Channel 5, for broadcast at 11 p.m. on Saturday.

Student Tickets for Aces Game To Go on Sale Friday Morning

Cycles for SIU Symbol

Cycles will be the 1970 entry of a design contest open to students.

The Campus Senate will be asked to recommend a design selected by Larry Bockman, General Studies student, to introduce a bill Thursday night to award 25, 15, and $10 to first, second, and third place, respectively.

The contest was sponsored by the Senate to design a new University seal.

Bockman has been conducting a program for the Campus Senate to evaluate the design prepared by Larry Bockman, General Studies student, and students.

Bockman also placed Mitt's design on display in the Magnolia Lounge of the University Center. A group of students gathered in the lounge Monday when an art student began drawing suggestions from the crowd for the seal.

Some of the suggestions included using a torch, shield, Old Main, HIM cards, and even motorcycles.

Mitt is a member of the University Center Ballroom Monday night to explain his concept design.

He said he chose the circle because it represented the sun and because it is symbolic of the learning process, having no beginning and no end.

The three circles of his proposal represent learning, research, and analysis. His orderly arrangement represents the seal.

The seal will depict the sun and the earth. The sun represents order and light, two key words in SIU's stated objectives.

Mitt's design represents the sun and the earth. The sun represents order and light, two key words in SIU's stated objectives.

Mitt's design represents the sun and the earth. The sun represents order and light, two key words in SIU's stated objectives.

Sorority Initiates Pledges, New Class Elects Officers

Sigma Sigma Sigma social sorority has initiated 12 new pledges. They are: Charlotte R. Smith, Marion; Pamela V. Lindsay, Park Forest; Elizabeth A. O'Boyle, Amboyville; N.Y.; Sue E. Christian, St. Louis; Denise A. Meyer, Jerseyville; and Terry J. Perlman, Chicago. The pledge officers elected are Miss Linda W. president; Miss Myers, vice-president; Miss O'Boyle, secretary; Miss Perlman, treasurer; and Miss Christian, social chairman.

The following members of the sorority have been inducted: Sue J. Christian by David J. Husted, Theta lavaliered: Miss Myers, Theta. The pledge officers elected are: Faye E. Caraway by Andrew C. Bernhardt, Theta Xi; Tommy L. Williamson by Howard B. Herrin, Theta Xi; Linda L. Clayton announced.

ApPointment Deadline

All students in General Studies should make an ad­ vancement appointment for spring registration by March 1 in the General Studies office.

VEGETABLE LAB SESSION—Students in an advanced commercial vegetable production class receive a practical lesson in transplanting greenhouse tomatoes during a winter tense laboratory session under the supervision of Irvin G. Hillyer, instructor (standing right). Class members are (from left, kneeling) Kenneth C. Hofer, David D. Beekenrige, Billy L. O'Brien, Gary Walton, Ronald Becherer and William L. Taylor; (standing) Robert J. Kindey, Russell E. Sans, John A. Caputo and Harold G. Hauckner.

Hearing Set for March 8 on SIU Offer
To Purchase Property in Renewal Area

A hearing on a proposed cooperative agreement be­ tween the Carbonado Community Conservation Board and the SIU Board of Trustees will be held at 10 a.m. on March 8 in City Hall.

The hearing concerns an offer by the University to purchase property from the city in the Project 1 urban renewal area.

The property situated south of Lincoln School, would be sold to the University at $1.50 a square foot and developed in accordance with the urban plan for the campus.

Another hearing will be held at 7:30 p.m. on March 10. This meeting concerns a pro­ posed five-cent increase in taxi fares.

Other council business in­ cludes a decision to erect two banners at East Main Street and Illinois Ave. They will advertise the National Security Seminar that will be held at Southern, March 11-12.

According to Bill Bowden, chairman of the Carbonado Chamber of Commerce's community development com­ mittee, the seminar will deal with topics of mutual interest by the U. S. is involved in Viet Nam, Communist infiltration in Latin America, new weapons being developed and pro­ posals of the United States nuclear attack.

The Council heard a pro­posal from the Greater Egypt Planning Commission seeking cooperation in regional development and among the city, the high school district, the elementary school district and the University.

Education Board Plans Meeting

The Illinois Board of Higher Education will meet Tuesday at the Illinois Teachers Col­lege-North in Chicago.

A luncheon meeting will be held at noon in the library, followed by a 1 p.m. meeting.

Today's Weather

Mostly sunny and a little warmer today with the high in the low to mid 30's. The record high for this date in 1971 set in 1917 with a record low of 7 set in 1910, according to the SIU Climatology Laboratory.
Activities

Meetings, Recital, Rehearsal Top List

Inter-Varsity Christian Fellowship will meet at noon today in Room C of the University Center.

The housing staff will meet at 1:30 p.m. in Room E of the University Center.

The Gymnastics Club will meet at 5 p.m. in the Large Gym.

The Women's Union will meet at 7:45 p.m. in the University School Pool.

The University Center Programming Board development committee will meet at 6 p.m. in Room E of the University Center.

The Ahrurza Club will meet at 6:30 p.m. in the Home Economics Building Lounge.

Theta Xi variety show rehearsal will begin at 6:30 p.m. in Furr Auditorium in the University School.

Women's Recreation Association house basketball will begin at 7:30 p.m. in the Large Gym.

The Modern Dance Club will meet at 7:30 p.m. in the Small Gym.

Toupe Crab Orchard Kennel Club training classes will meet at 8 p.m. in the LH Building.

2 Photographers

Will Speak Here

Two photographers, both former SIU students, will speak at the Kappa Alpha Mu photographic society meeting, at 6 p.m. Wednesday in the Agricultural Seminar Room.

The speakers are Robert Miller, staff photographer for the Milwaukee Journal and James Klepuch, staff photographer for the Chicago Tribune. They will talk on "Newspaper Photography Today."

All interested students are invited. Refreshments will be served.

Comedy Topped Fare

On WSIU Viewing

"The Inheritance," a comedy of a family mix-up over an estate, will be shown on "The Stories of Gay de Maupassant," at 9:30 p.m. today in the Home Economics Building Lounge.

Other programs:

4:30 p.m. Industry on Parade.

5:30 p.m. "The Big Picture: Army documentary.

6 p.m. Great Decisions.

8 p.m. "Passport to the Kingdom of the Sea: 'Tackle Busters.'"

Illinois Council to Meet

The Illinois Joint Council on Higher Education will meet Monday, at the University of Illinois campus in Chicago.

Wind Instruments Program

To Be Presented on WSIU

Robert Resnick will present "Masterworks for Wind Instruments" on "The Department of Music Today," at 8.55 a.m. today on WSIU Radio.

Other programs:

9 a.m. "General Electric.

10 a.m. Pop Concert.

12:30 p.m. News Report.

2:30 p.m. "Virtuoso: 'Brymer.'"

3:05 p.m. "Concert Hall: Rachmaninoff's Piano Concerto No. 4 in G minor, Saint-Saens' Septet in E flat major, Op. 65, and Barber's 'Medea.'"

5:30 p.m. News Report.

7 p.m. "Their Other World: Produced for the National Aeronautics and Space Administration."

8 p.m. "GeorgeTown Forum."

Pass this difficult and challenging 7-part test and win a free GENIUS button!

**DIFFICULT AND CHALLENGING 7-PART TEST**

1. Write your name and school.
   
2. Write your street address.
   
3. Write the city where you live.
   
4. Write the state where you live.
   
5. Write your year in college?
   
6. What field do you plan to major?
   
7. "Room for GENIUSES," General Electric Company, P.O. Box 215, Church St. Station, New York, N. Y. 10016

General Electric is passing out GENIUS buttons. What's the point?

We want to spread the word that there is room at General Electric for talented people who want to take on big challenges. We like to call these people GENIUSES. But what they are called isn’t so important as where they’ve headed. And at the General Electric Company, there’s plenty of room for GENIUSES, no matter what their particular field of interest.

If you want to be recognized for your talents come to General Electric, where the young men are important men. And be among the first on your campus to own a genuine GENIUS button. It will serve as a reminder that G.E. ... and GENIUS... and important challenges... all go together.

Progress Is Our Most Important Product

"...I...am...a...atheist...A...diy...idea...of...)

Southern Illinois University denies undergraduate students driving privileges granted by Illinois law; SIU uses extra-legal coercion to prevent students from driving licensed personal cars off campus. Why? Three principal arguments are presented to philosophize this disgrace.

1. Assistant Dean Zealski articulates an argument in the Daily Eupony:

"...SIU is designed as a low-cost school. A student can get an education at a minimum expense. Unessential cars would be incompatible with this governing poli-

2. Student ownership or use of cars has no relation to SIU's campus evaluation of SIU. Assume SIU has one million dollars for educational pur-

3. No statistical evidence exists that the administration can cite which logicists can see the non sequitur in this argument.

"In retaliation, SIU will enforce a policy of "no cars" for students who desire a valid unrestricted driver's license.

"There is something in the shape of a bombshell in speaking of the next two conferences with the next two professors."

"Who is speaking before President Dummy's words, expressed gratitude for the debts from peaceful domestic and foreign policy, towards that the SIU administration has paid those por-

"Prof. S. J. D. is speaking before President Dummy's words, expressed gratitude for the debts from peaceful domestic and foreign policy, towards that the SIU administration has paid those por-

"I'm Ron Hirshein, I'm here today to talk about the use of motor vehicles upon the campus. By the way, I hold a valid, unrestricted operator's license in the State of Illinois and I legally drive any kind of motor vehicle in this state."

"If you have strong Virgo or Libra influences, that's what you have. These zodiac signs indicate that you are a very goody-goody person, and this is the precise time when you are most likely to be goaded, so you should stand clear of all vars full of boring stuff.

KA Horoscope

The last week in February is a dangerous time for you if you have strong Virgo or Libra influences. This is what you have. These zodiac signs indicate that you are a very goody-goody person, and this is the precise time when you are most likely to be goaded, so you should stand clear of all vars full of boring stuff.
DAILY EGYPTIAN

The University Center, or, Footstools are for Sleeping by Ann

A student is sitting in the Magnolia Lounge, quizzically studying with his feet propped up on a large square cushion supported sixteen inches above the carpet by four metal legs.

A badge approaches, pinned to a sport coat. The officious, self-styled autocrat speaks: *Get your feet off!*

*Off what?* the student asks.

*Off the FOOTSTOOL,* the badge responds, then realizes the stupidity of his remark and hops away, foot in mouth.

The scene above should not be a strange one to those who frequent the crowded corridors of stately Dougherty mansion. Innumerable, similarly innane restrictions characterize the operation of our "University Center.

This architectural masterpiece—five floors on the outside and two on the inside—is a self-liquidating construction built with money from student fees and, presumably, for students. Needless to say this is not the case. The second floor is occupied by advisors and sectioning (sophomores. (lest there be those who would maintain that Slater's is incapable of preparing a palatable meal, we submit the following as proof of their having done so on at least one occasion—Ed.)

To KA and Bard: Thanks for the compliments

Since you were kind enough to give Bardwell Cross space in your last edition to answer my editorial of Feb. 8 concerning our student body president, I am requesting that you offer me the same courtesy to answer Mr. Grosse.

I would like to begin by thinking him for the lovely compliments he showered on me to the effect that I am a sensationalist in the style of McCormick and Hearst (both very rich men when they met their final reward).Secondly, I thank him for apologizing in his letter for using, what he termed, the ad hominem argument that he claims I used against George Paluch. The ad hominem is used, according to Mr. Grosse himself, "when one cannot argue or support his own position any more." It was awfully nice of Mr. Grosse to allow himself to sink to my level. Lastly, I expect that we will be reading many more letters from Mr. Grosse in the light of the last one he wrote. If the ad hominem argument offends him so deeply I assume that he will be writing off letters to this dear page, KA, whenever the editors use this type of argument as they have in the past. So, Mr. Grosse, the next time KA calls former student body president Pat Micken, Micken Mouse, or applies some similar sobriquet to any individual or division in the university community (like the Daily Nothing), be sure to get off a letter of censure.

Saturn-Apollo Launch Delayed by Weather

CAPE KENNEDY, Fla. (AP) — The space agency called off today's scheduled launching of the first unmanned Apollo moonship because of a forecast of heavy clouds and showers in the Cape Kennedy area. A decision will be made today whether to reschedule the launching Thursday.

On the chance that the Saturn-Apollo shot will slip until Friday, a weather satellite launching scheduled that day was moved up to Thursday morning.

Officials kept a close eye on rainy weather here all day, hoping for a hint of encouragement from the Weather Bureau. Meteorologists polled over their charts at a 5 p.m. meeting and informed NASA officials that conditions probably would be unacceptable in the planned launch time—from 7:45 to 11:15 a.m.

The countdown on the Saturn III, most powerful rocket ever assembled by the United States, was held at 11 a.m. It will be resumed at that point when a decision is made to try again.

Up to the moment of postponement the lengthy 321/2-hour count had proceeded with no hitch.

Earlier, NASA was ready to continue the count up until midnight before making a postponement decision. At that point, the launch crew was to have begun loading highly volatile liquid oxygen into the first stage of the 22-story tall rocket.

Once the oxygen starts pumping into the tanks, any postponement must be for two or three days instead of one because of safety considerations in cleaning the tanks and fuel lines.

Soviets Orbit 2 Dogs

MOSCOW (AP) — The Soviet Union has launched two dogs into space, with indication that they might be used to gather information for landing men.

An official announcement said the dogs, named Zvezda (Swan) and Zvezdochka (Little Swan), were launched from the Baikonur cosmodrome.

The announcement did not name the artificial satellite on which the dogs were being trained to go, but Communist General Titov, chief of the space agency, said the dogs would become the first animals to travel into outer space.

To Negotiate Contracts

Union for Priests Is Proposed

LOS ANGELES (AP) — The Rev. William H. Dublay, the "priest-principal" who once asked the Pope to remove Los Angeles' archbishop, has come up with a new idea:

A collective bargaining union for the nation's 6,500 Roman Catholic priests.

"We need an American Federation of Teachers because priests, like teachers, are employees," says the chaplain of St. John's Hospital.

Through collective bargaining, he says, "priests can arrive at a formal contract with their archdioceses on the issues of professional standards and rights, personnel practices and wages."

He favors AFL-CIO affiliation, but: "We can hardly ask the AFL-CIO to charter us until we get our union off the ground. Only priests can organize priests."

Father Dublay, 31, described his proposal in a speech at the Catholic Federal Credit Union in Los Angeles.

All clergy are involved in it" and the union is called "a fit vehicle for the priests' rights and needs." He also recommended that the union work "as closely as possible" with the AFL-CIO.

In Los Angeles, the union is called the "Los Angeles Clergy Association."

The Rev. Daniel J. O'Brien, a priest who is president of the AFL-CIO's religious section, has helped to organize the union.

Father Dublay was transferred to a white parish in suburban Alhambra and left the priesthood in 1964 to become the director of the Archdiocese of Los Angeles' program of lay education. He was reordained in 1965.

He was suspended in 1966 for "serious moral transgressions," including failure to observe Church discipline, by the Los Angeles archdiocese with the exception of his services at the Kennedy space center.

It will be resumed at that point when a decision is made to try again.
SAIGON, South Viet Nam (AP)—Two big American drives stabbed ahead in South Viet Nam Tuesday in massive hunts for hard-core Communist troops. The enemy fought back with mines, snipers and ambushes, but not his main fetters.

American B-52s softened up the areas ahead of the advancing U.S. forces with heavy bombing attacks. U.S. Air Force and Navy planes probed targets in the Communist North.

One of the drives, in the Mekong Delta, involved 7,000 aircraft in 30 missions. The other, in the Central Highlands, involved a commando raid 20 miles south of Hanoi.

The new kills brought to 8,200 the number of Communist dead since the division began operating in the Mekong Delta in the South China Sea area last Jan. 23.

At times the troopers, who met only token resistance, advanced only two or three miles behind exploding 500- and 750-pound bombs from the Guam-based B-52s.

In the jungles 35 miles northwest of Saigon, thousands of other American men in Operation Starlight, perhaps 5,000, were engaged.

River-borne U.S. units were on the move in the Mekong Delta, covering 30 miles in Operation Mockingbird.

The drive by the I st Infantry Division met short bursts and took some casualties. As it moved down the river, enemy fire started from helicopters, armored cars and tanks. Two guerrilla dead were reported.

Although the Viet Cong again offered little resistance, American officers said the operation, the division's first in the war, should result in a major battle.

More South Korean Troops Likely to Go to Viet Nam

NEW YORK (AP)—U.S. college and university campuses—many already bursting at the seams—are bracing for a surge of student veterans under the new GI bill.

Estimates of the number of ex-service men who may take advantage of the educational benefits by next fall range up to 200,000.

The bill is expected to mount steadily for years. A peace sentiment in Viet Nam could create severe educational overcrowding.

Reaction to these and other possibilities were brought out by an Associated Press survey of institutions of higher learning throughout the nation.

Many school officials are short of classroom space and housing and can handle few extra applicants. Others foresee that the government's 'unforeseen' draft deferments will ease the strain by removing some GI students.

In general, authorities throughout the country voiced determination to fit the GI into their student bodies without doing violence to the quality of campus thinking.

School officials predicted that the returning of veterans would place a strain on the facilities and quality of campus thinking.

The length of the GI's stay on campus is likely to fall on institutions already hard-pressed for students, because virtually all GI folks who do not provide their own boards or housing must give the veterans grants.

In April, Larry Moore, a Product Design engineer, joined our College Graduate Program and began work in brake design. Simulating assignments followed in product evaluation and disc brake development. Later, he learned production techniques while supervising one phase of the Mustang drum assembly line operations. An assignment in our Tools, Sales Promotion and Training Department added still another dimension to his experience. The "big picture" of product development was brought into focus for Larry when he became associated with Thunderbird Product heading. From there he moved to the Special Vehicles Section ... into the exciting world of high-performance cars! Currently, Larry Moore is on leave of absence, studying to acquire his M.I.A. degree at Michigan State. He feels—rightly so—that under 100 percent behind his desire to improve his educational background. Young men with talent, initiative and ambition can go far with Ford Motor Company. Think about it—and talk to our representative when he visits your campus.

David R. Williamson, a sophomore and Nina M. Kirn, a junior, both 1965 International Wheelchair Olympic champions, are already training for 1966.

The Olympics are sponsored by the United States Wheelchair Athletic Association. Qualification at a national meet in New York is necessary to compete in the International Olympics in London. Williamson and Miss Kirn were accompanied by Lowell R. Craven, who did not compete internationally. The three competed in the shot put, javelin throw, discus, 100-yard dash, slalom race and the precision javelin.

Craven took first place in the shot put, Williamson won first place in the javelin throw and the slalom race, setting a new record of 27 seconds. Miss Kirn took first place in the shot put, javelin throw and the discus.

Williamson and Miss Kirn, having qualified for international competition, joined the American team July 26, and began a one-week tour of France, Spain and then to London for the Olympics. The team won a practice game in France.

The 48 members of the American team took 16 gold medals, eight of which were won by Williamson and Miss Kirn. Great Britain was second with 23 gold medals. Poland was the only Communist country in the competition.

Williamson won first place in the javelin throw, setting a new world record of 74 feet, 10.5 inches. This was 15 feet, 10.2 inches past the old record. He also set a new world record of 26 feet, 2 inches for the shot put.

Williamson also set a new world record for the 100-yard dash, 22 seconds. He played on the U. S. basketball team which took first place. He won second-place silver medals for the discus and the club throw.

Miss Kirn won gold medals for the javelin throw, discus, club throw, and the 240-yard relay. She set world records in the discus and javelin throw: 100 feet, 10 inches for the javelin, 18 feet, 8 inches for the discus.

Miss Kirn took second-place silver medals for the shot put and the 60-yard dash.

The two practice 15 to 20 hours a week if weather permits. They have the volunteers, but need space, equipment, traveling money and an experienced coach. The two have so far been supported by contributions from various local organizations. "We begged, be-gged," said Williamson, as he spelled it out.

The two presently need $500 for United States demonstration in Jamaica sometime in April. They also want to practice in Mexico, to get a shape for the higher altitude World Olympics which will take place there.

Spring Sign-Up

Procedure Told

(Continued from Page 1) expected to have advance registration by this date.

March 28

Registration for new and returning students only. No continuing students will be admitted to the Sectioning Center, registrations will be processed on an alphabet-time basis.

Advisement and registration offices will be in their usual locations. Registration offices will be open from 9 a.m. to noon and from 1 to 8 p.m.

All students will be expected to have completed registration by this date. Any registrations after this date will carry late fee charges.

Students who advance registered but have no secured their printed class schedules may do so at Browne Auditorium.

March 29

Program change processing will start. The Sectioning Center will use an appointment system. Any student who has not completed registration must go through the same appointment procedure as used by students making program changes.

Sectioning Center will be open until 8 p.m.

April 2

Registration for the spring quarter closes. This includes the processing of program changes which are not currently.
JOB INTERVIEWS

Job interview appointments should be made at Placement Service, Anthony Hall, as soon as possible.

PALUCH vs. BOYDSTON

As Professor of Professions Resolution Stated

As Argument Against Activity Fee Increase

Student Body President George Paluch has stated a policy of the American Association of University Professors (AAUP) on athletics scholarships as another argument against the proposed activity fee increase for athletics.

In the letter to President Morrisey in a postal debate between Paluch and Donald N. Boydston, director of athletics, Paluch quotes the following resolution passed at the 38th annual meeting of the AAUP in 1952:

"The payment of money or the granting of its equivalent to any student, by any institution, organization, or individual, where the primary reason is the participation of the student in intercollegiate athletics, is condemned."

Paluch added that this statement was reinterpreted to mean: "The payment of money or the granting of its equivalent to any student, by any institution, organization, or individual, where the primary reason is the participation of the student in intercollegiate athletics, is condemned."

In the letter to President Morrisey in a postal debate between Paluch and Donald N. Boydston, director of athletics, Paluch quotes the following resolution passed at the 38th annual meeting of the AAUP in 1952:

"The payment of money or the granting of its equivalent to any student, by any institution, organization, or individual, where the primary reason is the participation of the student in intercollegiate athletics, is condemned."

Paluch added that this statement was reinterpreted to mean: "The payment of money or the granting of its equivalent to any student, by any institution, organization, or individual, where the primary reason is the participation of the student in intercollegiate athletics, is condemned."

GEORGE PALUCH

Boydston had considered the student body's opposition to the fee increase and had asked if Boydston had considered the tuition and other costs at those institutions. According to Paluch's calculations, the activity fee would be equal to 14 percent of the tuition costs at Southern.

Paluch also restated a previous offer to appear before the University Council, an advisory body to the administration, to give his views on the proposed increase.

Faculty Member Joins Committee

All A. Moslemt, assistant professor of forestry, has been named to the educational committee of the Midwest section of the Forest Products Research Society.

Moslemt has also been asked to present a paper concerning his work on the tensile strength of hardboard at the society's international meeting in Minneapolis next July.
Saluki Frosh Extend Streak; Prepare for St. Louis Game

SIU's freshman basketball team extended its winning streak to eight games Saturday night with a 59-53 victory over St. Louis Baptist Junior College. It was No. 11 for the Saluki frosh.

The Salukis encountered considerably more trouble in winning Saturday than in their earlier 72-53 rout of the same over team. Southern's offense fell the loss of second-leading scorer Creston Whitaker. Whitaker suffered a fractured ankle in last week's victory over the Kentucky Wesleyan freshmenn.

Wille Griffin was the leading scorer for the Salukis with 18 points. Dick Garrett had 11 points, Craig Taylor 9, Rich Brueckner 8, Chuck Benson 3, and Lynn Howerton, Gene Watson, Carol Mauck, Leon Brown and John Rabbie 2 points each.

The Saluki freshmen have two games remaining on their schedule. They meet the St. Louis University freshmen Thursday in St. Louis and play the Evansville freshmen at home Saturday.

Southern has already defeated both teams. St. Louis fell to the Salukis 100-79 and Evansville succumbed 92-60.

Intramural Meet

Dates Scheduled

The free throw shooting tournament in Intramural basketball will start March 3, at 8 p.m., in the Arena.

The tournament will continue on March 6, from 1 to 3 p.m., and on March 7, from 8 to 10 p.m.

WOMEN'S BASKETBALL TEAM—Members of the 1966 varsity women's basketball team are (from left to right) Marilyn Harris, Joyce Niehnenski, captain, Linda Hofmeza, Virginia Gordon, Karen Brandas, Joyce Slaats, Tony Smith, Paula Von Gerichten, and Charlotte West, coach.

Women Win Five Games

The Women's Recreation Association varsity basketball teams won five games from Western Illinois University last weekend. The SIU girls' only loss in six games was in double overtime.

Southern's No. 1 team defeated the Western Illinois No. 1 team 26-21 and 53-34. Marilyn Harris scored 37 points in the second game to lead all scorers. Joyce Niehnenski was high scorer in the first game with 12 points.

SIU's No. 2 team won 35-26 and 41-24. Merripit Schultz rallied 16 points in the first game and Mary Goodman had 16 in the second game.

Southern's No. 3 team won its first game 29-22, but lost 22-20 in the finals. The contest went into two overtimes before Western Illinois prevailed. Lynn Ibanz was leading scorer in both games.

The girls will close out their season March 5 when they entertain Principia College and Southeast Missouri State. The games will be played in the Women's Gymnasium.

Intramural Play Continues Today

The next round of the intramural basketball tournament opens tonight with four games in the Arena.

At 8 p.m., Glovers' Violators meet Abbott Rabbits on court 2 while on court 3, Pierce Second plays the Rejects. At 9 p.m., Kappa Alpha Psi plays the Hawks on court 3 while the Grade meet the Maulers on court 2. Scores of first round games played Monday:

B&B's 49, Warren-Valleys 35
Hawks 74, Felts Featers 45
Grads 52, Interceptors 44
Beadle Boys 67, Playboys 41
Maulers 55, Petunias 47
Kappa Alpha Psi 54, RailSplitters 44
Pierce Second 66, U. City Hatchermen 55
Glovers' Violators 47, Minitots 43

Salukis Down Oklahoma State
(Continued from Page 1)
ations before the Salukis pulled to a 30-28 lead in the final minute.
The Cowboys added a field goal and a pair of free throws, however, in the last 11 seconds to cut the gap to 30-32 at intermission.
The Cowboys tied the score early in the second half, but were never able to regain the lead before the Salukis began to stretch their lead and roll on to victory.

The loss was the 19th of the year for the luckless Cowboys, who have won only three games. Southern’s victory lifted its record on the road to 6-5 and gives the Salukis a 17-5 overall record heading into Saturday’s home game with Evansville.

Mardi Gras Party
Planned by Club

“Que’er Dir-A-Que’er,” the French Club, will meet at 6 p.m. Thursday at the home of Alice Foley, advisor, 413 W. Main St., Apt. R.

Club members are requested to wear costumes for the Mardi Gras party.

Riders to the party will be provided at 7:45 p.m. and 8 p.m.; members will meet at the Family Living Lounge of the Home Economics Building.

Prizes will be given for the best costumes and refreshments will be served.

ED MOSOTTI
Swimmers Deal’d 70-25 Loss; Mossotti Ties School Record

The performance of a 19-year-old sophomore softened somewhat the 70-25 loss dealt to the SIU swimming team by No. 2 ranked Indiana, Friday.

Ed Mossotti won the 100-yard freestyle in 44.9, which tied both the SIU school record set by Ray Edmonson in 1964 and the University School pool record, held jointly by Padovan and Ed Jackson of Miami.

The Salukis relay team of Mike Miles, Dan Stahl, Donald Miller and Mossotti beat off a powerful freestyle squad in the 400-yard freestyle relay, edging goals 46 other goals for SIU.

The other relay was timed at a 76.4, acquired in Indiana’s 1:54.8.

Tom McFerrin, who has been out for a month because of illness, returned to competition Friday, and finished second in the 100-yard freestyle with a time of 1:49.4.

Mike Miles managed a second in the 50-yard freestyle behind Indiana’s Bob Williamson and Bill Utley, who tied for first in the 50-yard freestyle.

Gerry Pearson tied for second in the 200-yard breaststroke.

Two Olympic champions, Kevin Berry and Bob Windle, led Indiana to victory in all the other events and Tom Tretheway, defending NCAA titles in the 200-yard breaststroke, added his share.

SIU, now 5-1, will face the Southern Conference Friday and Saturday in Athens, Ga.

The results:

50-yard freestyle: Williamson and Utley of Indiana tied for first in 22.7.

200-yard individual medley: Richardson and Berry of Indiana won in 2:04.22.

Diving: Noseor of Indiana won with 236.55 points.

200-yard butterfly: Berry of Indiana won in 2:11.55 points.

100-yard freestyle: Mossotti of SIU won in 44.9.

200-yard backstroke/oct: Berry of Indiana won in 2:04.7.

200-yard breaststroke: Windle of Indiana won in 2:11.55 points.

400-yard medley relay: Stahl, Miller, Miles and Mossotti won in 3:40.5.
