## Student Government Vote Today

### Council, IC

**Meet, Discuss Rail Needs**

Methods to improve Illinois Central Railroad rates were the topic of a meeting called Friday by railroad officials.

William H. Murphy, University Student Council president, and Pat McJune, IC student president, met with five Illinois Central representatives and discussed their mutual problems, centering around food service rates.

Murphy said that the next step is to try and implement the policies arrived at in the meeting.

Some points discussed included a system whereby students could be loaded on the "Saluki Special" step is on the train.

Reduced rates for students on the train.

The polices arrived at in the "Saluki Special" will be explored.

More items of consideration.

President Morris accepted the recommendation and dismissed the meeting.

## Firebugs' Opens Friday at Playhouse

The Playhouse will be blazing with action on Friday, May 30, when the Southern Illinois University continues its production of Max Frisch's "The Firebugs." The fiery play, which has the director bills as a sensation of funny, will run through Sunday and Tuesday, May 1-5.

Wednesday, May 30, performances will begin at 8 p.m. in the Playhouse.

"The Firebugs" was prepared by Metodex, Corell, research professor of theater, and director of the Illinois Central Railroad. The play is being conducted by the board of directors.

The author, a Swiss, is an inhabitant of a country which has managed to stay out of two World Wars and the Cold War.

Frisch's play, which has the director bills as a sensation of funny, will run through Sunday and Tuesday, May 1-5.

Wednesday, May 30, performances will begin at 8 p.m. in the Playhouse.

"The Firebugs" was prepared by Metodex, Corell, research professor of theater, and director of the Illinois Central Railroad. The play is being conducted by the board of directors.

Richard B. Johnson leads the cast as Gus Bode, Biedermann's man, in whose home and at the action takes place.

Judith Drayton portrays Babette, Biedermann's woman, and other characters in the cast.

**500 Communicators to Meet Here**

Three years ago, the newly formed Communications Area for the Typographic Arts of New York started "talking" a message to all the communications explosion, a phenomenon which has many communicators worried.

On October 21-23, 1965, a year of hard work and effort as a result of this communications explosion.

Call for a congress in which implications and meanings of new ideas and techniques relative to communications will be explored, demonstrated, and evaluated.

Through the efforts of Herbert Roan, lecturer of mathematics and chairman of the Department of Mathematics at the University, a congress will be held from 9 a.m. to 5 p.m. at four different locations.

The congress is to be entitled "Vision '65," with Burt that, a New York designer and program chairman, said, "The time has come when we must question the usefulness of an opportunity and essentially essential attitude toward employment, content and design forms in mass communications."

Among the 500 communicators attending will be top communicators from all over the globe who will serve as speakers and directors at the congress.

Schottman, Senior in Animal Industries, Given Merit Trophy at Block, Bridle Fete

Larry A. Schottman, a senior majoring in animal industries, was presented the Block and Bridle Club Merit Trophy at the club's annual awards banquet.

The award is given for outstanding scholarship and leadership in University and club activities, Schottman, son of Mrs. Cora Schottman of Teutopolis, Ill., will be the club's nominee for the National Block and Bridle Club Merit Award.

P.J., White, Dyersburg, Tenn., cattle breeder, spoke at the dinner in the Giant City State Park Lodge. Awards also were given to winners of collegiate livestock, poultry, meats and dairy judging contests sponsored by the SIU Department of Animal Industries.

Center to Remain Open
On Memorial Day

The University Center will be open from 7 a.m., until 11 p.m. on Memorial Day.

The bookstore will be open, but the bowling alley will be open from noon until 10:30 p.m., the Olympic Room from 8 a.m., until 10:30 p.m. and the cafeteria from 7 a.m., to 6:45 p.m.

Gene Schmidt received the St. Louis National Stockyards Co. trophy for first in overall livestock judging. Larry L. Jones and Oliver H. Dorns received second and third place ribbons.

Jones also won the beef judging trophy presented by the Beau Brem't Ranch, Belle Rive, James J. Benz was second.

The Green's Hatchery trophy went to Barney Larry for first in poultry judging. Lloyd G. Hubbard and Richard R. Stots tied for second place.

The Block and Bridle Club swine judging award went to Schmidt. Kenneth W. Kleinig received second and Gary R. Johnson third.

The Block and Bridle sheep trophy was given to John Beckner. Homer R. Jenkins, Dorns and John R. Page tied for second place.

In the meats judging division, Jones won the Two A.A. Cutlery Co. award, William J. Debatin won second place and James A. Seibert of Carbondale won third.

Debatin won the Prairie Farms Inc. trophy for overall dairy judging. John H. Spears won the Holstein-Friesian Award; Robert A. Godke the American Jersey Cattle Club Award; and Benz, the American Guernsey Cattle Club for placing first in each of the respective breed categories. They ranked behind Debatin in overall judging.

Johnson received the Ralston Purina Grand Champion Showmanship Trophy as best overall showman at the annual Block and Bridle showmanship contest.

Other winners in the showmanship contest included the club's annual rodeo also were presented awards at the banquet. New officers of the club were installed.

Engineering Club
Elects Officers

Kenneth A. Olsen of Chicago has been named president of the Engineering Club for the 1965-1966 school year.

The Engineering Club is composed primarily of students enrolled in the professional engineering program. The club is affiliated with the School of Technology.

Other officers elected are George Mike Lacy, vice president; Douglas D. Colclasure, treasurer, and Neil Jenkins, secretary.

Today's Weather
shower

Partly cloudy and continued warm. Showers and thunderstorms affecting 30 to 40 per cent of the area. According to the SIU Climatology Laboratory, the high for this date in 1966, was 101, set in 1911, and the low is 37, set in 1925.

High 86
Low 72
Activities

Radio Club to Meet
Technology Seminar,
The Inter-Varsity Christian Fellowship will meet at 7:45 p.m., in Room C of the University Center. The School of Technology will sponsor a seminar at 3:30 p.m., in Morris Library Auditorium. Women's Recreation Association softball will begin at 4 p.m., at the corner of Wall and Park Streets. Women's Recreation Association tennis will begin at 4 p.m., on the northbank of the University tennis courts. There will be a Pi Sigma Ep-silon display from noon until 5 p.m., in Room H of the University Center. The Judo Club will meet at 5 p.m. in the arena course.

New Student Week leader
Speech
In-stalls Slate
Tho.
A Faculty Recital (brass and organ) is being sponsored by the Department of Music at 8 p.m., in Shryock Auditorium. The Zeta of the Year award will be presented at 7 p.m., in Room C of the University Center. A Faculty Recital (brass and organ) is being sponsored by the Department of Music at 8 p.m., in Shryock Auditorium. The Zeta of the Year award will be presented at 7 p.m., in Room C of the University Center.

New Student Week leaders will install as president of the Alpha Iota chapter of Zeta Phi Eta, national professional fraternity for women. They will meet at 7 p.m., in Room 300 of the University Center. The University Center Programming Board development committee will meet at 7 p.m., in Room C of the University Center. The Jewish Student Association will meet at 8 p.m., in Room 201 of the University Center. New Student Week leader training will begin at 9 a.m., in Browne Auditorium.

Speech Fraternity for Women
Installs Slate of New Officers
Priscilla A. Henshaw was installed as president of the Alpha Kappa Psi chapter of Zeta Phi Eta, national professional fraternity for women. They will meet at 7 p.m., in Room 300 of the University Center. As the chapter's last meeting of the year at the University Center.

Also installed were Donna Arling and Charles Hall.

Alpha Kappa Psi will meet at 9 p.m., in Morris Library Auditorium. The Anthropological Society will meet at 9 p.m., in Room B of the University Center.

Class Will Observe
St. Louis Market
Irvin G. Hillyer, associate professor of plant industries, will lead the class in an observation of the St. Louis fruit and Produce Market Thursday morning during a field trip to St. Louis.

Ensemble Featured
In Concert Tonight
"Jesu" (1644) by Will Git Botje, associate professor of music, will be featured in a concert at 8 o'clock tonight in Shryock Auditorium.

Faculty members of the ensemble are Clarence Ledbetter, instructor in organ and theory; and James Graham, instructor. Student members are Larry Franklin, Eugene Haas, Harry Arling and Charles Hall.

SUI presents the French opera "On Stage" to Present
4 Freshmen This Evening
The works of Barroth, Bach and Coates will be heard this afternoon at 3 o'clock on WSIU's Concert.

WSIU 'On Stage' to Present
4 Freshmen This Evening
The works of Barroth, Bach and Coates will be heard this afternoon at 3 o'clock on WSIU's Concert.

Other highlights:
10 a.m., France Applauds: French popular music from the stars of the French stage and recording industry. 2 p.m., Anatomy of a Satellite: The contribution of electronic computers to the space effort.
7:30 p.m., On Stage: The Four Freshmen will be featured, with Marty Jacobs as host. 11 p.m., Moonlight Serenade: Late evening mood music.

Lawmakers
To Discuss
Government
Four Illinois legislators will discuss our state government at 8:30 p.m., on WSIU-TV's "Conversations." They are Rep. Clifton Boone from Anna; State Sen. John Gilbert from Carbondale; Rep. Wayne Fingers aid from Seneca and State Sen. William Grindle from Herrin.

Man Seeking Dog
That Bit Him
Edward L. Bencini, graduate student in education at the University in the School Co-operative Research Center, is seeking a dog that bit him May 18 in the vicinity of the Lake-on-the-Campus beach.

The dog was described as a medium size, approximately 20 to 24 inches tall, had short black hair and wore a chain choker collar. A woman, assumed to be the animal's owner, accompanied the dog. She was described as being of medium height, having brown hair and wearing blue slacks. She spoke with an accent.

Anyone having information about the dog is asked to contact the SUI Security Office at 1-2231, or Bencini at 684-4044.

guys and dolls

May 12, 1965

It is very exciting and encouraging to see what is happening to the Student Daily Workers. As a former worker in Missis­
sippi, and also as a stu­
dent worker, I have been noting the developments in a deal of identification with RAM, because it is really the same thing.

I see it, what the civil rights movement, the free speech movement, and the demands for equal­
demands in the same thing.

I'm going to make a say in actions that affect our lives. We are demanding that those who have some­
individuals who have some­
functioning in our environment. We are say­
that no one person or group should make decisions for

It is on this basic point that there is a unity with all students. I am demanding equality and a means of participa­tion-making that affects one's life, whether it be in the

Santo Domingo Quiet, Normal, Junta Claims

SANTO DOMINGO, Dominican Republic (AP) - The civil­
ian-military junta asserted Tuesday "absolute normal­
ity" had been restored to the Dominican Republic. It lifted martial law and a dusk-to­
dawn curfew throughout the country, except in the capital.

At the same time, rebel con­stitutionalist sources re­
ported their forces had at­
tacked junta troops in the cen­
tral part of the country. This
report could not be verified.

With the fighting war all
but halted, for the moment, the contending factions in the
Dominican conflict each in­
tensified efforts to secure U.S.
recognition for themselves. The stated U.S. policy is to
withhold formal recognition of
either side.

It was learned that the junta is seeking $3.3 million from the United States to meet gov­ernment payrolls coming due in the next two weeks. The request may give the United States additional leverage in the political negotiations. U.S. officials said the request is being reviewed.

Meantime, Gen. Jacinto
Martinez Arana, army chief of
staff, reported large caches of
arms and ammunition were
being kept.

Gen. Martinez Arana said a preliminary check showed about 1,000 weapons, including three .50-caliber machine guns, nine .30-caliber and about a dozen rocket launchers. He showed reporters a storage room where the rebel
arms and ammunition were
being kept.

There also were numerous steel and plastic helmets which he said the rebels had taken from police officers they captured and later killed. Martinez Arana estimated that about 1,000 riot policemen had been "assassinated" by the rebels in the first days of the conflict that began April 24 with an uprising against the government.

Martinez Arana, junta per­
missions chief during the
battle in the northern suburbs, said junta troops suffered 24 dead and 106 wounded in the five­day fight.

On the political front, high
rebel sources reported nego­
tiations still were continuing
for approval of a list of Cab­net officers probably to be
headed by Antonio Guzman,
former minister in the over­thrown June Bosch govern­
ment.

It was reported that offi­
cials were discussing the Cab­
net list with rebel repre­
sentatives and were "very
close" to agreement.

Johnson Plans to Ask Congress
To Ban Highway Billboards

WASHINGTON (AP) - President Johnson told a con­ference on natural beauty Tuesday he will ask Congress to ban highway billboards and auto junkyards from within 300 feet of the nation's busiest highways.

There would be exceptions only in commercial and in­
dustrial areas along the well
traveled interstate and pri­
mary roads.

Johnson speaking to about 1,000 congressmen and observers gathered in the White House East Room, said he also will seek to "require the use of some of our highway funds for landscaping, beautifica­
tion, scenic roads and recrea­tion along our road system."

South Vietnamese Outpost Hit
By Four Unidentified Aircraft

SAIGON, South Viet Nam
(AP) - A four-plane raid on a South Vietnamese outpost near Communist North Viet
Nam's frontier took top hit­
ing in the air war over stronger strikes above the
17th Parallel as a whodunit
Tuesday.

U.S. spokesmen disagreed
among themselves as to
whether the jets that strafed
the outpost, at Gia Linh, were
enemy MiGs making an initial
strike across the border or U.S. fighters that strayed off
course on another mission.

Officials in Saigon, closest
to Gen. William C. West­
moreland's American head­
quarters, said they were 99
percent sure that U.S. pilots
shot up the outpost by mistake.

A U.S. spokesman at the Da
Nang air base, 380 miles clo­
er to the scene of the inci­
dent, said the planes presum­
ably were MiGs. He added,
however, that base intelli­
gence officers still were
checking.

Though the Soviet-built
warplanes have figured in
three incidents north of the
border in the last three
months, U.S. and South Viet­
namese pilots have not in­
countered any recently and
none is known to have in­
truded into the South.

In any case, the physical
results of the attack on the
outpost seemed minor. Five
Vietnamese were wounded. A
bull dozer was set afire. One
truck was destroyed.
Committee Hearings Draw Pickets, Sit-in

CHICAGO (AP) — Pickets opposite the Senate moved on Tuesday to the House Committee on Un-American Activities blocked a police patrol wagon Tuesday by lying beneath its wheels.

The incident occurred during a luncheon break in the hearings that started Tuesday in the former U.S. Circuit Court of Appeals building on Lake Shore Drive, in Chi­cago's gold coast neighbor­hood.

A Negro youth attempted a one-man sit-in in the lobby of the building and was hauled out by police. When the patrol wagon arrived, nine picketers from between 600 and 600 marching around the building, crawled under the car and kept it from starting.

Police got down on their hands and knees to pull the demonstrators out and put six of them in the wagon. As the car moved along a woman was heard to be saying to the police carrier her into the wagon. Further along a man did the same.

While the congressional committee was taking tes­timony from one witness, demonstrators against and for the present proceedings paraded about the former congres­sional house. Some were in costume, many carried signs and there was singing and shout­ing.

A woman who said she was for the FBI told the commit­tee a Communist party worker who introduced her­self as a Negro civil rights campaigner led her into the party.

A woman who said she was for the FBI told the com­mittee a Communist party worker who introduced her­self as once a Negro civil rights campaigner led her into the party.

NEW SAIGON

Embassy OKd

WASHINGTON (AP) — President Johnson signed Tuesday a bill authorizing $1 million for a new embassy office building in Saigon, re­placing the present structure which was damaged March 30 by an explosion.

The Nat, triggered by Viet Cong terrorists, killed two Americans and 19 Viet­namese, wounded 150 persons, and seriously damaged the building and nearby struc­tures.

The new chancery will be built on a site already owned by the United States about a mile north of the present chan­cery. The State Department expects the building to be completed in 14 to 16 months.

To Meet in Washington

Foreign Ministers Plan Talks
On Latin American Situation

WASHINGTON (AP) — With three votes to spare, the Sen­ate passed Tuesday a bill to talk about President John­son’s voting-rights bill and cloture motion on its pas­sage.

For the seventh time in its history—and only the sec­ond time on civil rights legis­lation—the Senate voted to invoke its debate-curbing cloture rule.

The roll call was 70-30, three votes over the required two-thirds. The Senate Lim­its each senator to one more hour of talk on the bill that Johnson 10 weeks ago labeled No. 1 on his congressional pri­orities list.

The vote came on the 34th day of debate about Johnson’s call for legislation that would suspend state literacy and similar tests as a way to register Negro­n in much of the South.

The gallery was crowded—although not fully.

Darling of the Communist party,” said the first witness at the three-day hearing.

Inside the hot, crowded hearing room lawyers and committee members shouted at one another while a small gallery of spectators contrib­uted to the noise.

Miss Holmes, a Negro with graying hair, said she joined the Communists while working in the garment industry. She said she had spied as an FBI undercover agent from August 1957 to August 1963 when she testified for the FBI against Claude Lightfoot, former head of the party in Illinois.

Now a staff assistant for the Chicago Urban League, crutched into the party by a woman she met in 1941.

WASHINGTON (AP) — A number of hemisphere foreign ministers were reported Tuesday planning to confer here over the weekend on inter­est in Latin America includ­ing the Dominican situation. The meeting, coming as the crisis in the Dominican Re­public appeared to be easing off was promoted by strife in Bolivia approaching civil war proportions, an authoritative Latin-American source dis­closed.

There is also unrest in Col­ombia, Guatemala, Ecuador and Uruguay. While the unrest is due to many varying fac­tors, it is felt here that Com­munist elements could easily exploit some situations.

The United States and other hem­isphere nations are concerned and are therefore working jointly as they are concerned with the welfare of our own country.

Senate Votes to Bring End to Debate
On Voting Bill; Quick OK Predicted

WASHINGTON (AP) — The White House in effect acknowledged Tuesday that the FBI is conducting some type of investigation in the Domini­can Republic.

Senator一刀 voted Tuesday that President Johnson or­dered the FBI to investigate the extent and nature of Com­munist influence in the revolt there, press secretary George E. Reedy said. "The only thing I am going to say on this is that the FBI and the CIA— Central Intelligence Agency—are working jointly as they customarily do on activities that are concerned with the welfare of our own country.

Mayor Closes LBJ Inquiry, Will Tighten Enforcement

Mayor D. Blane Miller Tuesday closed the case involving charges that the Little Brown Jug served beer to three minor SIU students without first asking them for identification. After an investigation he announced he would not hold a formal hearing.

Miller, who is also city liquor commissioner, said, however, that he "severely reprimanded" Brudie Marando, manager of the restaurant. And he announced a policy of stricter enforcement of the city's liquor laws.

His statements came after an investigation into the charges at a meeting with Marando, the students and city and University law enforcement officials.

"The consensus at the meeting was the case should be closed and a demand be made by the mayor for stricter enforcement at all tavern operators," the mayor said.

The mayor added that as a result of this case and unofficial complaints against two other taverns for serving alcoholic beverages to minors he is calling for a meeting of all tavern operators.

Foundation Taking Crisenbye Gifts

Memorial gifts honoring the late Robert G. Crisenbye, a member of the Illinois General Assembly and a member of the SIU Foundation board, should be made through the SIU Foundation, according to Kenneth R. Miller, executive director of the foundation.

The 82-year-old senator from Morphyboro died of a heart attack Sunday in Springfield.

He had been recovering from a broken leg suffered in a fall on the steps of the Capitol last Wednesday.

Mrs. Crisenbye made the request that the gifts be made to the SIU Foundation and be directed to "in memory of Robert G. Crisenbye, Religious Center, which is the proposed name for the planned Campus Chapel.

Mr. Crisenbye served for 24 years in the state Senate and was particularly known as a staunch friend of Southern Illinois University.

DAILY EGYPTIAN

What kind of person reads the

DAILY EGYPTIAN?

Usually one who thinks
before he buys.

With more things on the market than ever before, he has a wide range to choose from, too. In the long run he will choose the goods best suited to his needs, just as you in the role of "advertiser" can sell your product to the student, the faculty member, and to the public, by telling him what you have to offer.

Instead of hitting the college market, you'll want to match your advertising vehicles to your market—and that's where the Daily Egyptian can help.

It reaches 95 per cent of the normal students. 90 per cent of the faculty and student employees. That's nearly everyone.

What kind of people are they? Educated people. Thinking people. Can you convince them?

DAILY EGYPTIAN

Student Referendum

Please make an "X" or a "V" in the box of your choice.

Alternative A

It is proposed that:

1. In the June, 1965, elections, 24 students from Carbondale be constituted as the student government of the Carbondale campus (22 to be elected representatively, as determined by the present campus council, and 2 at-large, the two at-large representatives to be designated as the Executive Officers of the Carbondale student body.) That in the June, 1965, elections, 11 students from Edwardsville be constituted as the student government of the Edwardsville Campus (4 to be elected representatively, as determined by the present campus council, and 7 at-large, the two at-large representatives to be designated as the Executive Officers of the Edwardsville student body.)

2. This body of 40 shall be the Student Council of Southern Illinois University until a new form of student government has been adopted not to extend beyond the end of the Fall Quarter of the 1965-1966 academic year. The method of approval is as follows:

   The Student Council shall establish a committee from within the Student Council with equal representation from both campuses. This committee shall be charged with the duty of proposing a working plan for the student government at Southern Illinois University to be submitted by or before the end of the Fall quarter of the 1965-1966 academic year. Approval requires a two-thirds vote of Student Council (30 out of 40) and approval in a referendum by at least 60 percent of the Student Body.

3. During the term of office the Student Council shall continue to determine its internal operating structure through a mixture of the proposed working papers which have already been reviewed by the Ad Hoc Committee, with the additions of any working papers it may require.

Alternative B

It is proposed that:

1. Elections be held in June, 1965, to enable the continuation on an interim basis of the present form of student government at Southern Illinois University and to constitute a referendum to extend beyond the end of the Fall Quarter of the 1965-1966 academic year;

2. The newly elected University Student Council be given the assignment to continue the work of the "Ad Hoc Committee for the Study of Student Government" to develop a working paper for the continuation of the Student Government in conformity with the "By-Laws and Statutes of the Board of Trustees" by or before the end of the Fall Quarter of the 1965-1966 academic year.

3. The University Student Council proposed referred to in paragraph 2 preceding be submitted to a student body referendum as part of the process for its approval or disapproval.

500 Communicators to Meet Here at 'Vision 65' Congress

(Continued from Page 1) Mainz editor Matsaru Otsunie, Italian architect Franco Folli, and 25 other communicators.

R. Buckminster Fuller, research professor of Design at SIU, will be the keynote speaker for Vision 65 and will guide deliberation of a concluding panel which will consist of foremen of all participating panels. The concluding panel will assess the congress as a whole as well as proposals and ideas for further study or consideration by professional groups, educational institutions, governments and business concerns.

Corollary exhibitions will be shown while the congress is in session including what Roan termed an "experimental multi-media exhibition" of many of the items to be in the T꙰ synchronous 20 exhibit which is representative of the best examples of visual design in the last 50 years.

Eugenio Carmi, experimental painter and sculptor, as well as founder of "Gruppo Cooperativo di Boccadasse" in Genoa, Italy, will have an exhibit of his works in the Allyn Building.

Francis Thompson and other filmmakers will show examples of their work in Davis Auditorium.

Also a night of international folk-singing is being planned by Dale Harrman of the University Center Programming Board and exhibitions planned for the Department of Design's "Space Between."".

Roan said when the congress is over, "A complete visual and audio record of the congress will be made available to the international agencies interested." Included in this package will be tapes, films, booklets and long-playing records of the events in this three-day period.

Plans are under way now to interest student translators and guides for each of the specialists planning to attend Vision 65.

Fiery Comedy 'The Firebugs' Slated at Playhouse Friday

(Continued from Page 1) will include Marilyn, William, playing Anna, a maid-servant; Jerry D. Powell, playing Sepp Lombard, a weaver; Jim Bob Stephenson, playing Will Eisner, a waiter; Karen L. Flesvig has the part of Mrs. Knecht; John F. Farrell will play the policeman; James H. Benes-tame will act as chorus leader.

Members of the chorus will include Dennis E. Mitchell, Michael Harty, Ross A. Porter, William A. Schreiber and Robert D. Kline.

The technical direction is under Charles W. Zechler, as is the lighting. Eelin, a professional theater, Eelin S. Harrison, is in charge of costumes and Philip Flad is in charge of music, sound and film projections.

The box office at the Playhouse is open from 10 to 11 a.m. and from 3 to 4 p.m., and weekdays and at 7 p.m. on nights of performances for reserved seats.

All tickets are $1.25.

It's Not All Drill

By Cadet Major John Rubin

For many students on the SIU campus, the ROTC program means tolerating two years of drill and an uncomfortable uniform. But for 200 advanced cadets the corps means a great deal more.

After the first two years of the compulsory program, interested students take a physical examination and an objective test in order to qualify for the advanced AFROTC program including the academic officer education.

Officer education is an additional two-year program leading to a commission as second lieutenant upon graduation. Advanced students must attend a four-week summer training camp at an Air Force base probably in the Midwest. They also receive uniforms and an allowance of $120 per quarter.

Aside from the commission and allowances, there are other advantages and privileges. Activities and organizations within the corps such as Arnold Air Society, precision drill team and rifle team offer varied experiences for individual cadets.

Netmen End Season With 8-3 Record,
Far From Last Year's Impressive 16-0

It looked like a losing season for tennis Coach Carl Sexton when his tennis team returned from their spring trip to Oklahoma and Texas. Sexton, who is in his first year of tennis coaching, lost won all 16 meets and tied Los Angeles State College for first place in the NCAA College Division Championships. But this year's team with Lance Lumsden and Thad Ferguson back had lost three of its first four meets on the trip.

He felt, however, that they would get well with more experience and that they did. The team rebounded to win the rest of its meets and finished the season with a respectable 8-3 record.

Southern lost to the Universities of Oklahoma, Corpus Christi and Houston before beginning the winning streak. After salvaging the final game of the trip against Oklahoma City University, the netmen were on to close victories over Wichita State University, Universities of Kentucky and Cincinnati. They then rolled over Washington University of St. Louis, Memphis State University.

ATTORNEY TO SPEAK ON RED INFLUENCE

Thomas W. Haney, a former attorney, will discuss "Communist Influence in the Civil Rights Movement" at 8 p.m. today in Muckelroy Auditorium in the Agriculture Building.

The talk is sponsored by the Young Americans for Freedom, a campus organization, twice, and Parsons College. In the last three meets against Memphis State and Parsons, the netmen blanked their opponents 9-0.

With the help of the last three meets, the records of each performer on the team also improved with each one finishing with at least a .667 percentage.

Lumsden, who plays the number one position for Southorn, turned in the best record, 9-2. He lost to Antonio Palacios of Corpus Christi and Ben Anzola of Wichita. Vic Seper, who split his time in the third and fourth positions with Larry Oblin, was second with a 4-2 record. Rick Snyder, the number six man, who missed the spring trip, had the third highest winning percentage on the team. Snyder lost his first two matches at Kentucky and Cincinnati, but then wound up the season winning his last four to post a 4-2 record and a .667 percentage.

Ferguson in the second position and Oblin in the third and fourth positions were next with identical 7-4 records and a .636 percentage. Wykoff, number five man, was last on the team with a 5-5 record.

In the doubles matches, Lumsden-Ferguson compiled an 8-3 record, Wykoff-Snyder were second with a 4-2 record and Seper-Oblin were last with a 5-3 record.

PROFS WILL VISIT

3 OFF-CAMPUS DORMS TONIGHT

Frederic H. Guild, visiting professor of government, Arthur J. Dibden, professor of higher education, and Frank Ford Stamberg, assistant professor of management, will participate in the off-campus "Meet Your Professor" program tonight.

Guild will be visiting Forest Hall; Dibden will hold a discussion at University City; and Stamberg will speak at Washington Square.

The "Meet Your Professor" program is held each Wednesday day in off-campus living areas

Contenders in NCAA Tournament

SIU and Union University of Jackson, Tenn., were named last week as official host sites to compete in the College Division Mid-East Regional basketball tournament at SIU June 3 and 4.

The other entries in the four-team tournament will be named by June 1. Additional nominations depend on whether the committee feels there are some key games deciding conference titles and automatic tournament berths.

Tuesday's announcement came unexpectedly at about 3:30 p.m.

Dr. Andrew Vaughn of SIU, chairman of the NCAA selection committee, told the Daily Egyptian earlier in the afternoon he expected at least one or two teams to be named within 24 hours.

However he said it would probably be Wednesday before the selections were made.

Neither SIU or Union was surprised picks. Both reached the finals of the tournament last year, with SIU defeating Union 7-2 for the championship.

Both schools expect fine seasons this year.

SIU is 17-2, after losing its second game of the season Saturday to Parson's College.

Dave Williamson

Wheelchair Athlete

An SIU wheelchair student dominated Class B of the 11th annual Indiana Invitational wheelchair race in Indianapolis, Ind., over the weekend.

Dave Williamson, a freshman from Evansville, Ind., won or placed in eight individual events and smashed two meet records.

Two other SIU students also competed as Lowell Craven won one event and placed in four others and Jim Jeffers took fifth place in the shot put.

Williamson, however, was the big show as he placed in six of the seven events in his class and nabbed a national record in one event.

The yearling established the discus, the 60-yard dash, the 100-yard dash and the javelin, and finished second behind teammate Craven in the shot put. He also finished fourth in the precision javelin.

Williamson established new records in the javelin and discus with a throw of 79 feet 1 inch, a new discus mark and 68 feet, 3 inches in the javelin. Both were more than a foot superior to the old marks.

Williamson held the old discus record of 68 feet, 7 inches. His precision javelin throw of 68-11 inch-to-one-third throw last year, The 19 of 25 and formerly 68 feet, 7 inches 1/3 inch set by Griffin of the Illinois State in 1962.

Williamson's javelin throw also surpassed the national record of 75 feet, 2.3/4 inches. His discus mark also came within range of the national mark, Richard Maduro of Madeira Beach, Fla., holds the national record in the discus event with a throw of 82 feet.

Craven also gave an indication that he may soon be ready to challenge the national record in the shot put. The junior from Rock Island won with ease with a near meet record throw of 24 feet, 11 inches.

Both Craven and Williamson were members of the Evansville Rehabilitation Center's 240-yard relay team which finished fourth.

Jeffers, a freshman from Clayton, Va., PA., was one of the surprises of the meet. He unexpectedly took fifth in the shot put with a throw of 15 feet, 7 3/4 inches.

Ninety-eight individuals and 11 teams competed in the meet with the University of Illinois coming in first, Pennsylvania Rehabilitation Center second, the Detroit Spartans third and the Evansville team, which Craven, Williamson and Jeffers competed on, fourth.

Another SIU student was scheduled to compete in the meet but didn't, Nine Kirk had planned to enter but couldn't when the women's events were cancelled.

The SIU tournament will compete in the National Wheelchair Games in New York City June 11, 12 and 13th.

Disabled Student To Make Goodwill Tour of Denmark

David Williamson, 20, an SIU freshman, has been named by the United Cerebral Palsy's representative in a group of disabled young people from 50 states who will be guests of the Lord Mayor of Copenhagen, Denmark, for three weeks this summer.

Williamson, an accounting major from Evansville, the trip is part of a goodwill tour in which representatives of the two countries will discuss their programs to aid handicapped persons.

Although he suffered a crippling attack of polio in 1952, he managed to complete high school and was active in student affairs as well as sports as part of the Tri-State Wheelchair Recreation Association, sponsored by the Evansville Easter Seal Society.

Williamson said the American-Latinese relationships will fly to Denmark on June 21.

Brig. Officials Say Liston was the 1:28 first round KO’s in Dublin, end of the Fall Quarter, 1965-

K keeps Heavyweight Crown

Clay KO’s Liston Early in Round One

LEWISTON, Maine (AP) — Heavyweight Champion Cassius Clay knocked out Sonny Liston with a short right hand punch to the jaw in one minute of the first round Tuesday night, the shortest heavyweight title fight in history.

Clay dropped the ex-champ on his back with a solid short right. Sonny rolled over and tried to get up but fell on his back again.

Referee Jersey Joe Walcott, the former heavyweight champ, apparently could not hear the knockdown time keeper’s count. When Sonny got up Jersey Joe let him continue while he checked with officials of the Maine State Boxing Commission.

Informed that the count of 10 had been reached, Walcott immediately rushed over and stopped the fight.

A chorus of boos rolled from the gathering of some 4,500 fans at the tiny high school hockey arena in this textile city. Nobody knew for several confusing moments whether the fight was over or not.

It was the same sort of ending that Rocky Marciano and Walcott had in their remain in Chicago after a furious first fight. Walcott went out quickly in the first round.

The quickest previous knockout in a heavyweight match was the 1:28 first round knockout scored by Tommy Burns over Jim Roche in Dublin, March 17, 1928. If there had been 11 previous first round endings in the heavyweight class, one quick punch and it was all over.

Liston went on his right knee and then fell on his back. After the sudden ending, Clay toured the ringside yelling “I want Floyd Patterson.”

A chorus of fans yelled “fake, fake, fake” and booed for several minutes as photographers and others swarmed into the ring. The pattern of the fight was apparent from the opening seconds.

Clay immediately moved in and threw a right hand to the head and a left to the jaw, quickly establishing that he was in command. Then he danced away, circling while Liston plodded after him flat-footed.

CASSIUS CLAY

Liston managed a short right but missed with a jab as Clay moved away, dancing with his hands down at his side. Clay landed a right and then brought up a short right to the jaw and it was all over.

First Trainees For Job Corps Delayed in Arrival

Arrival of the first group of trainees at SIU’s Job Corps training center at Camp Blessington, Ky., has been delayed, officials said Tuesday.

The 44 young men originally were to arrive at the training center Thursday. However, a center spokesman said Job Corps officials in Washington had notified the center that the group would be delayed.

“We believe they will arrive sometime next week,” the spokesman said, “but we are not certain just what day.”

SIU contracted with the Federal government to operate the Job Corps camp at the former army base.

AFROTC SPEAKER — Brig. Gen. Roy W. Nelson, Jr., commander of the Air Force Weather Service, will speak at the Air Force ROTC dinner at 6:30 p.m. today in the University Center. Eighteen cadets will receive awards at the dinner.
