Graduation Statistics Measure Up Growth

By George Knemeyer

The growth of Southern can be seen in many ways, but none is more illustrative than the graduation statistics.

From the first graduating class of five in 1870 to the class of five in 1876 to the present, the growth can be readily seen. Going back to the first graduating class of five when Southern Illinois Normal University was only a two-year college, four of them received their degrees in English, Latin, and the other received his in Latin only. The four in English were Oliver Brown, C. Caldwell, John C. Haworth, and George Ross. The degree in Latin was given to Mary Wright.

For ten years following the 1876 graduating class, four graduated in 1877, none in 1878, 17 in 1879 and 10 in 1880. Taking a sample from graduating classes at 15 year intervals, we find 23 graduated.

Eating Lake’s Fish May Have Ill Effect

William H. Lewis, director of the 1,000-watt Beck Lab- 

oratory, warned today that the eating of fish from the Lake of the Woods—made delicious by the addition of chemical weed killer—is being applied.

Lewis said the possibility is extremely small that anyone will become ill from eating the fish because of the proportion of chemical used in small amounts. Nevertheless, this possibility still exists, he said.

Athletics, Coleman Report

Trustees’ Agenda Lacking

Chief Student-Interest Items

Neither the Coleman report on student rights and the constitution of the University in society nor the Athletic Commission report to be discussed at the Board of Trustee’s meeting today, according to the official agenda.

The report will be at 9:30 a.m. Friday in Carbondale. Following the Coleman report, the Athletic Commission report to be discussed at the meeting, at least informally.

By Dan Van Atta

Becky Hindman, a 20-year-old resident of Neely Hall, will represent “Little Egypt” in the Miss Illinois contest July 9-10. She will go as Miss Southern Illinois, a title she won recently.

Beauty contests are no novelty to Miss Hindman. At 16 she became Miss Union County (Illinois). A year later she was selected by the queen of Illinois Fruit Growers. As queen she traveled throughout the Midwest making television commercials and personal appearances promoting Illinois fruit.

Last year she became Miss Wood Hall and was a finalist in the Miss Illinois contest. Miss Hindman, a lively five-foot-five, blue-eyed blonde from Anna, IL, is a sophomore majoring in music. She displayed her musical ability, in the talent competition, by singing her own arrangements of the Academy Award winner “Born Free,” and playing the accompaniment on the piano. The sweetheart of Phi Mu Sigma, honorary music society, she went away from the contest with both the Miss Talent and Miss Swimmer awards.

Five coastals from SMU’s Neely Hall were entered in the contest, and all five became semifinalists. Cathy Craig, from Herrin, was voted Miss congeniality, and Linda Sparks, Miss Hindman’s roommate, became the third runner-up.

Recruit Holds Up Election Decision

Senate consideration of the election commission’s disqualifications of student body elections was postponed last night until the commission could meet on Monday night.

Following the report, the commission began its presentation as the Daily Egyptian went to press at 11 p.m.

In earlier action, the senate amended the student government constitution to require election ballots to be presented to the senate for approval at least one week prior to future elections.

Johanna Verkman resigned from the senate. In a letter she said she felt that the job should be left to the men of the university and that “among student government associates, I have also realized an obvious lack of sophistication of which I do not wish to be a part.”

Applications Due

Deadline for applications for KA editor for next year is 10 a.m. today, in the student government office.

Verification of receipt of the applications will also be made today. If a student applies and does not receive verification, he should contact Bob Drina.

Arab Students Ask Neutrality In Mid-East

The U.S. should enforce a hands-off policy toward the Middle East crisis, according to an informal survey conducted by the Organization of Arab Students at SIU.

The poll sounded out members on the question of U.S. involvement in the conflict between the Arab nations and Israel.

"It's about time the U.S. changed its policy because any intervention by the U.S. will cost the U.S. a permanent loss of Arab friendship," said Shabir Sahri, senior from Jordan who is majoring in engineering.

"U.S. involvement will increase the chances of war, since we will start an attack without U.S. backing," Hassan Sroor, senior from Iraq who is majoring in government, said.

Maan Abbas, senior from Iraq who is majoring in philosophy, warned that if senior justifiable and just, it's too late to stand firm.

Edwardsville Sets Dedication Service; Seaborg to Speak

Glenn T. Seaborg, chairman of the Atomic Energy Commission, at the University of Illinois at Berkeley, spoke at 2:30 p.m. Friday at dedication ceremonies for the Edwardsville campus new $1,183,000 Science Building.

Seaborg, who discovered numerous radioactive chemical elements and was a co-winner of the Nobel Prize in chemistry in 1951, holds a total of 26 honorary doctoral degrees from the colleges and universities around the nation.

He has headed the AEC since 1961. He was named by President Truman to the AEC's first General Advisory Committee in 1950 and served from 1959 to 1961 on President Eisenhower's Science Advisory Committee.

Guests at the program will include members of SIU's Board of Trustees who will hold their regular monthly meeting during the morning.

President Delye W. Morris will introduce Governor Otto Kerner.

Film on Danish Underground Slated on Television Tonight

"Sabotage!" The film record of Danish underground activities in World War II, will be presented on WSIU at 9:30 tonight.

Other programs:
- 6:30 p.m. Observation '67: "Feeding the Hungry Millions."
- 7:30 p.m. Dateline: Southern Illinois, "A Look at Herb Albert's World Style" at 2:45 p.m. in Muckleford Auditorium.
- Inter-varsity Christian Fellowship will have a meeting at 10:30 a.m. in Room 105 of the University Center.
- The Department of Journalism will have a Graduate Student Seminar at 7:30 p.m. in the Ford Motor Laboratory.
- The Agriculture Economics Club will have a meeting at 10 a.m. in the Agriculture Building Seminar Room.
- The SIU Symphonic Band will have a concert at 8 p.m. in Shryock Auditorium.
- Campus Judicial Board will meet at 8 p.m. in Room E of the University Center.
- The Activities Programming Board will show the NIT Duke-Rutgers films at 8 p.m. in Trueblood Auditorium, University Park.
- The Student Activities Center will have a New Student Week Leader Session at 8 p.m. in Room 140 of the Home Economics Building.
- The Department of Music will have a student rehearsal from 6 p.m. to 10 p.m. in Davis Auditorium.
- Young Republicans will meet at 9 p.m. in the Morris Library Auditorium.
- The SUI Sailing Club will meet at 9 p.m. in Rooms 118 and 120 of the Home Economics Building.
- Pi Sigma Epsilon will have an active meeting at 9 p.m. in Room 336 of the General Classroom Building.
- Campus Folk Arts Society will meet at 9 p.m. in Room G of the University Center.
- Latin American students and the graduate students in Spanish will have a reception for SIU visitors from Paraguay at 7:30 p.m. in the Woodley Foundation. Films on Paraguay will be shown.

Radio Schedules Talk With Virginia Leader

An interview with the governor of Virginia, a sidelight on the glass industry in Belgium, and a word about the Center for American Studies at the Belgian Royal Library will be featured on "Belgium Today" at 2:45 p.m. on WSIU-Radio.

Grads Serving
In Asia, California

Serving their country in different fields of the U.S. Air Force are two SIU graduates, Charles H. Wilson and William R. Lemen.

First Lieutenant Wilson, who received a B.A. degree in 1964, is on duty at Tan Son Nhut Air Base, Vietnam. Wilson is a wing commander, and is a member of the Pacific Air Forces.

Before his arrival in Southeast Asia, he was assigned to the 83rd Fighter Interceptor Squadron at Travis AFB, Calif.

At SIU he was named a distinguished graduate. Another SIU graduate, William R. Lemen, who received his B.S. degree in 1963, has been promoted to captain.

Lemen, a member of the Military Airlift Command, is an accounting and finance officer at Travis AFB, Calif.

He was a member of Sigma Pi, Phi Kappa Theta, the Latin American Institute, and Tau Kappa Alpha.

The film record of Danish underground activities in World War II, will be presented on WSIU at 9:30 tonight.

Other programs:
- 6:30 p.m. Observation '67: "Feeding the Hungry Millions."

- Latin American students and the graduate students in Spanish will have a reception for SIU visitors from Paraguay at 7:30 p.m. in the Woodley Foundation. Films on Paraguay will be shown.
Letters to the Editor

Bad Cartoon

To the Editor:

Is Shoemaker of the Chicago American a favorite of the Editorial Committee? The reprints of his cartoons, cheap and treacherously priced, are beyond the co-responding student's grasp. In fact, I think I am losing hope. What is the point of all this effort? I am not necessary.

The Action Party has done little to aid the student. When I came here last year, I heard a lot about the "Action Rebellion," but I cannot understand what this "Rebellion" was all about. I feel the leadership which starts at the top is not there.

The Action Party has done little more than say, "We are a party," and to add, "We are a student organization." The students have not seen what the Action Party is promoting.

The Action Party, organized the district system, what has the Action Party done? Well, every student is time to present, but when they are elected just what do they do?

I feel the leadership which starts at the top is not there.

The Action Party has done little more than say, "We are a student organization," and to add, "We are a party," and to add, "We are a student organization." The students have not seen what the Action Party is promoting.

The Action Party, organized the district system, what has the Action Party done? Well, every student is time to present, but when they are elected just what do they do?

Other students such as Stuart Sweetow are wrong. Sweetow's running mate, Gary Kuebler, is right. Stuart Sweetow is a leaderless organization.

President Drinan did not use the election. Election laws were not enforced. The petitions for those wanting to run were handed out. The students, who were tired of being treated like children, decided to do something.

If Drinan forces the election and popularity contest, I expect students should again elect Ray Lenzi over Aminarsala. Aminarsala is connected with the Dynamic Party.

Some Justice

To the Editor:

The organizing of Arab Student Association is a political act. It is a show of solidarity with their work in a never-ending battle against the Jewish Zionist and Arab Palestine. The Jewish and Arab Palestine are one.

When I came here last year, I heard a lot about the "Action Rebellion," but I cannot understand what this "Rebellion" was all about. I feel the leadership which starts at the top is not there.

The Action Party has done little more than say, "We are a student organization," and to add, "We are a party," and to add, "We are a student organization." The students have not seen what the Action Party is promoting.

The Action Party, organized the district system, what has the Action Party done? Well, every student is time to present, but when they are elected just what do they do?

Other students such as Stuart Sweetow are wrong. Sweetow's running mate, Gary Kuebler, is right. Stuart Sweetow is a leaderless organization.
Education Group Risks Commie Label on Vote

By Senator Paul Simon

A difficult choice frequently facing legislators comes when bills carry labels—and a good example is one of the "anti-Communist" bills which recently was defeated in the Senate Education Committee.

I am confident that every member of the Illinois General Assembly is a loyal American and opposes communism. But does every majority of us on the Senate Education Committee defeated a measure which had been labeled as "anti-Communist," knowing full well that we will receive mail from people who wonder how we could have voted for a bill?

Present Illinois law bans Communist speakers from the University of Illinois—but no other state from all campuses.

If no further explanation were given, public sentiment would be overwhelmingly for the measure.

But it is a little more complicated. For example, since the legislature has been in session, only one state university has had a Communist campus branch, the University of Illinois, the only university where it is banned. Why? Because there is a law against it—and some wanted to test the law. In this instance, if there had been no law against having a Communist speaker, there would have been no Communist speaker.

Sometimes when you go out of your way to stop something you simply invite it. If, for example, the legislature passed a law that no students from the University of Illinois, the only university where it is banned. Why? Because there is a law against it—and some wanted to test the law. In this instance, if there had been no law against having a Communist speaker, there would have been no Communist speaker.

In addition—and much more important—our system of government is based on the free flow of ideas. This is our greatest strength. Communists and other dictators believe that you can throw an idea into jail.

There are two ways to stop a bad idea: suppress it or hold it up to the open light. My own observation over the years is that Communism can thrive if it plays the martyr's roll, but it cannot stand the open light of day. There its weaknesses become apparent everywhere.

By a vote of 7-6 the Senate Education Committee decided that on the basis of our experience, we would only be aiding the Communist by suppressing them, that the best way of treating the problem is by following our American traditions of free speech.

It was a close vote and those who voted to kill the bill ran the risk of being labeled for having voted against an "anti-Communist" bill. Particularly showing courage in his vote against the measure was Senator John Gilbert, Republican of Carbondale and chairman of the Senate Education Committee.

Both sides were completely sincere in their positions, but in my opinion if we had voted favorably on the measure we would have received credit for having voted for an "anti-Communist" measure—but passing it would have played right into their hands and at the same time undone something fundamental in our concept of government.
Plaza Workshon Planned June 8-10 for Youth Agencies

The 14th annual Playground Leadership Workshop, to "sharpen the skills of play-
ground leadership," will be held June 8-10, according to William Ridinger, acting
chairman, Department of Rec-
reaction and Outdoor Educa-

The workshop is for com-

munities, churches, organiza-
tions and all agencies serving

youth which are interested in

conducting summer recrea-
tion programs. Students and
teachers interested in sum-

mer extension courses are

also invited.

Registration for the work-

shop is from 9 to 11:15 a.m.,

June 8, at the University City

Living Center, 602E, College.

A daily charge of $5 will

be assessed unless the re-
quired $13 fee is paid at

registration. Tuition for the

extension course, Recreation

112, will be $37.05 for Illi-

nois residents and $70 for

Out-of-State residents.

The workshop will be held

at the Lincoln School Play-

ground and at University City.

Sponsoring this event are the

Southern Illinois Park and

Recreation Association, SIU,

the Department of Recreation

and Outdoor Education, and the

University Extension Ser-

vices.

Senior Blazes
Home Ec Trail
In Apparel

James Cash, Palatine, is blazing a new trail at SIU. The SIU senior in the first male student to specialize in apparel merchandising in the School of Home Economics. He will complete studies for his degree in December.

Cash would like to start work as a buyer, then move up to management, but he also wants to create fashions. He has already had clothing construction, draping and flat pattern design, textiles, and will next take tailoring. Heretofore, most of his work has been on women's clothing, but the department of clothing and textiles has now acquired a male "form" so that he and his successors can undertake the designing and construction of men's clothing.

He finds nothing un-maneual about being a home economics major, he said, although last summer when he was enrolled in a clothing construction course, "I did get a bit of razzing at the fraternity house when I'd take a piece of sewing home to do." Cash is a member of Phi Sigma Kappa social fraternity. He is the son of Mr. and Mrs. James Cash of 760 E. Morris Drive, Palatine.

Chimps May Not Itch

Why does a chimpanzee shed no wool? Not necessarily because he itches, ethnologist Jane van Lawick-Coddall says. A chimp may scratch to show another chimp the part of his body he wants groomed.

Foundation Director to Be Honored

An open house and dinner honoring the Rev. Malcolm Gillespie, director of the Student Christian Foundation, will be held from 4 to 7:30 p.m. June 4 at the Student Christian Foundation.

The Rev. Mr. Gillespie has served as director for the past 10 years. He will be leaving the last of August for Wilberforce (Ohio) University where he will serve as chaplain.

The open house will be held from 4 to 6 p.m., and the dinner will begin at 6. Reservations are limited to the first 80 requests received on or before May 29.

Temperature Hits 86

Wednesday's warm temperature of 86 degrees was 11 degrees below the record for May 24; on that date in 1911 the temperature soared to a sizzling 97 degrees.

The record low for May 24 is 42 degrees recorded in 1951.

The 86 degree temperature was warmer than the average for May in this area. The average high for the month of May in Carbondale is 78.6 degrees and the average low is 54.4.

The hottest day on record in Carbondale was 113 degrees on Aug. 9, 1930. The hottest day for the month of May was 101 degrees on May 28, 1911.

The record low for May was 30 degrees on May 1, 1963.

U.S. Has Tiny Force in Aqaba

WASHINGTON (AP) - The Cuban state has only a "show the flag" naval force in the Red Sea in position to challenge Egypt's announced blockade of the Gulf of Aqaba.

This force currently is made up of a single destroyer, named the Valour, which serves as a flag ship.

A second destroyer, the Joseph P. Kennedy Jr., was last reported down around the Malagasy Republic and may be moving up to the Red Sea.

The only way the warships of the big U.S. 6th Fleet can reach the crisis area from the Mediterranean is by cutting through all of Africa - a route that the United States may dispute.

In an emergency, planes from the Saratoga could reach the scene in less than an hour. The mouth of the gulf is well within the combat radius of the F4, A4 and A3 jets aboard the carrier.

Military sources said the 6th Fleet has not yet received any special alert orders, although at least part of the fleet of 30 ships is always maintained in a state of readiness.

The carrier America was reported in the western Mediterranean, off Spain.

Normally, the 6th Fleet has two attack carriers, but just so happens that a third carrier, the Intrepid, is now in the area.

U.S. Army Major Gets Cuban Asylum

HAVANA, CUBA (AP) - The Cuban government announced it had granted asylum to U.S. Army Maj. Richard Harwood Pearce, a Vietnam war hero cleared for top secret and his 4 1/2-year-old son.

The Communist party newspaper Granma published a note over Pearce's signature that said he left the United States "for reasons of conscience."

Pearce, 36, a senior aide to Lt. Gen. Thomas W. Bostic, 4th Army commandant at St. Louis, Missouri, became the object of an air search after he took off from Key West, Fla., Sunday.

The Cuban government said Pearce and his son, Richard Jr., in a light Corsa plane Pearce bought a week ago, landed at Liberty Airport on the outskirts of Havana Sunday.

Pearce, who won decorations for valor in Vietnam, had been on a 13-day leave from his Army post.

Airport officials in Key West said they acted strangely before taking off Sunday on what they said was a one-hour sightseeing flight.

Tuesday in Houston, Pearce's former wife, Sandra Mitchell, said Pearce picked up Richard Jr. last Friday.

She told me they were going on vacation, "They were to be back in a week," Mrs. Mitchell said. "He didn't say where they were going or anything."

Planes Hit Hanoi Rail Yard Push Raid on DMZ Border

SAIGON (AP) - U.S. planes struck an important rail yard north of Hanoi Wednesday and pressed a resumption of the air war with other raids all the way down to North Vietnam's southern border.

As the 24-hour truce for Buddha's birthday ended, a sharp clash broke out in the central highlands, where U.S. forces believe North Vietnamese regulars may be re-arming an offensive. Five U.S. soldiers were killed and 14 wounded.

The chief target of the raids on North Vietnam was the Thai Nguyen rail yard, 37 miles north of Hanoi. The yard, hit repeatedly in the past, is a vital link with a power plant and steel mill in that area.

There was no immediate report of results of the raid. All was quiet in the demilitarized zone and the only fighting of any significance came in the central highlands.

Lord Wilfred Brown

British Peer To Address 1967 Class

A British peer who will speak at SIU’s Commencement June 10 will be making his second appearance on campus. He is Lord Wilfred Brown, former minister of state for England’s Board of Trade. Lord Brown, who will also receive an honorary doctor of laws degree from Southern Illinois University, is chairman of the board of Glacier Metal Co., in England and pioneered the Glacier Project, a system of work measurement, now being adopted by U.S. industries.

The Glacier Project is described at the first international seminar on Work Measurement at Shreveport, for selection includes scholars and students for the Supreme Stage Show. Tickets must be purchased before 5 p.m. Friday. No other tickets are available.

Plant Club Senior To Receive Award

The Agronomy Student Award, sponsored by the American Society of Agronomy, will be presented to a Plant Industries Club Member Friday during the club’s annual spring banquet at Hale’s Restaurant in Grand Tower.

Each year the member selected as an outstanding senior receives the award of recognition from the national organization. Major criteria for selection include scholastic achievement and student leadership service in club activities.

Club membership certificates also will be presented at the dinner.

The club brings together students with common interests in agronomy and other phases of plant production.

Irish Poet to Address English Club Meeting

The English Club will hear Thomas Kinsella, poet in residence from Ireland, at 7:30 p.m. today in Room 203 of Old Main.

The poet moved back a week because of Kinsella’s absence from the campus last week. The club meets every third Thursday in the Home Economics Building.

Health Service

The Health Service reported the following admissions Monday: Carol Carr, 405 E. Tooker, and Patricia Smith, 313 Baldwin Hall.

Park Workshop Opens Friday

“Parks Are for People” is the theme of the Park Administration Workshop on campus Friday and Saturday. Registration will begin at 10:30 a.m. Friday in the University Center River Rooms.

Headlining the program will be W.T. Lodge, director of the Illinois State Department of Conservation, Walter H. Bumgardner, graduate teaching assistant in recreation and outdoor education, is chairman of workshop arrangements.

Friday afternoon sessions will include a talk on new philosophies for a new way of life in park administration by Webb Norman, director of the Oak Park, Ill., park district, and an illustrated presentation on European parks and riverfronts by Art Holst, administrator of the Forest Park Foundation of Peoria.

Allen V. Saporis and Edward H. Storey of the University of Illinois recreation and municipal park administration department will present the Friday dinner session program, discussing studies of leisure time behavior, attitudes and recreational interests as well as concepts of planning and research in outdoor education. The dinner meeting will be at the Giant City Park Lodge. All other sessions will be in the University Center.

The City of Carbondale is seeking applicants to fill the following positions immediately:

- Director of Public Works-Engineers: $3,400 to $3,500
- Foreman-Street Department: $3,400 to $3,500
- Plumber-Inspector: $3,400 to $3,500
- Laboratory Technician (Soil Test), $3,200 to $3,300
- Laboratory Technician (Seawage Plant), $3,200 to $3,300
- Laborer-Road Department: $2,200 to $2,300
- Administrative Secretary: $2,200 to $2,300
- Clerk-Telephone: $2,200 to $2,300
- Secretary-Traffic: $2,200 to $2,300

Liberal fringe benefits and retirement program. Excellent career opportunities. Obtain details and application form at City Manager’s Office, City Hall, Phone 549-3423, Ext. 228. (Note: Salaries shown are beginning and six month steps)

The City is an Equal Opportunity Employer.

WILSON HALL

... is completely new, a magnificent environment for living, but at "student prices." More important, Wilson Hall policies contribute to success in your academic life. The availability of fellow residents, special tutoring, small group sessions and effective study areas have been developed through the guidance of educators and students.

If you plan to attend S.I.U., send for information on Wilson Hall — the Living-Learning Center designed to help you study, to get more out of college and at the same time to let you enjoy college life.

We are accepting applications now for the fall quarter of 1967.
Reunions and Banquet

Alumni Day Scheduled June 3

Former SIU students and teachers will be given the opportunity to renew acquaintances June 3 on SIU Alumni Day.

The Alumni Day program will consist of special class reunions, the annual Alumni Banquet, and a meeting of the Alumni Association Board of Directors and Legislative Council.

At the Banquet, Achievement Awards will be presented to distinguished alumni and the 1967 Great Teacher Award will be presented to the former SIU student chosen for excellence as a classroom teacher.

The Alumni Association Legislative Council will meet at 10 a.m. on Alumni Day in Muckelroy Auditorium in the Agriculture Building.

Alumni registration begins at 10 a.m. in the main lobby of the University Center and will continue throughout the day. Guided automobile tours of the campus will originate at the University Center from 10 a.m. until 5 p.m.

Tours of the campus will originate at the University Center from 10 a.m. until 5 p.m. Class reunions and elections for classes ending in two and seven and the class of 1966 will be held in the Roman Room of the University Center at 2 p.m.

The Duke game was considered by many the best game of the tournament. It was one of the closest contests.

The largest margin enjoyed by either team, until the Salukis broke away with 1:19 remaining in the game, was four points.

The game was tied 12 times and the lead changed hands 11 times.

Balanced scoring was the key to Saluki success in this game. Dick Garrett led SIU scorers with 18 points, Ralph Johnson and Walt Frazier scored 17 apiece and Ed Zas­crow had nine.

The Salukis gave up several inches in height to the Devils but managed to outrebound them by seven after pulling them away from the boards with some accurate outside shooting.

The Salukis fell behind Rutgers by as much as 10 points in the first half and trailed by eight at the intermission. Largely responsible for the deficit were two of the country’s outstanding guards, Rutgers’ Bob Lloyd and Jim Valvano.

Valvano sank nine of his 10 shots in the first half. Most of them were from 20 to 25 feet from the basket. Lloyd had 16 points in the first stanza. The Scarlet Knights went into the dressing room at intermission with a 60 per cent shooting percentage.

But in the second half Southern went into a zone defense and stemmed both Valvano and Lloyd, holding the torrid guards to four points apiece.

Frazier poured in 26 points, 16 in the second period, and Garrett had 22. Clarence Smith scored his tourney high of 15 in this game. Frazier also grabbed 18 rebounds.

Once again Southern outre­bounded a taller opponent, this time by 21 stray shots. The victories were both nine point margins and constituted Southern’s 17th and 18th straight triumphs of the year.

Ten Torch Carriers

WINNPEG, Manitoba (AP)­ Ten Manitoba Indian teenagers will take part in an eight­ day, 500­mile run carrying the official torch that will be used to open the Pan­ American Games on July 23.

Gov. Harold Le Vand e r of Minnesota will hand the torch to the first youth July 17 on the steps of the State Capital at St. Paul.

Frazier to Confer

Walt Frazier’s attorney has said that there have been no further negotiations with the New York Knicks but that a meeting is being planned with Denver of the ABA.
Intra Varsity Game Scheduled

The spring intrasquad football.

Following the game the intramural track meet will be held. Rules governing the track meet may be picked up at the office.

There will be no Admission charge for either event.

Odd Bodkins
Pitching Figures as Tournament Focal Point

By Bill Kindt

SIU's baseball team will begin its quest for the District 4 NCAA tournament today following the 1 p.m. opener against the Broncos at the SIU field.

Today's opponents, Western Michigan University, has fashioned a won-lost record of 15-3 and has some eye-popping statistics to show. The Bronco pitching staff has an earned run average of 0.99. This means that they are giving up less than one earned run per game. The leader of this staff is southpaw Jim Johnson.

Johnson has a won-lost record of 4-0 with five complete games and four shutouts to his credit. He has shown remarkable control, with 71 strikeouts and only 17 walks. The lefty has given up only one earned run in 33 innings this season for an ERA of 0.16.

John Mayer, another left-hander, is the No. 2 starter for the Broncos. Mayer is 2-0.

In the Majors

Action Party to Petition Frazier

A petition sponsored by the Action Party to urge Walt Frazier, SIU's star basketball player and NIT Most Valuable Player, to stay at SIU next year is still in the planning stages according to a spokes­man for the Action Party.

Tables were set up Wednesday in the University Center for the purpose of establishing signing stations for the season with an ERA of 0.97. The third starter is Chuck Mestek, a right-hander with a record of 2-1 and an ERA of 0.60.

Western Michigan can also score runs, as the .283 team batting average indicates. Four regulars are hitting .300 or better and one starter close to it.

Second baseman—center­fielder Pat Locatano leads the Bronco attack with .362. Jim Redmon, who splits his time between left field and short­stop, is next in average with .329 and leads the team in runs-batted-in with 16.

Johnson, who plays center field when not pitching, is hitting .320 with 13 RBIs.

Third baseman Rick Trudau is the last of the Bronco .300 hitters with a .302 norm. Chuck Noskel, the Western Michigan first baseman, is hitting .297.

Ohio State's defending NCAA champion Buckeyes will rate as co-favorites with Western Michigan. The Buckeyes were through the Big Ten season with a mark of 13-5 — an overall mark of 22-17-3.

Like the Broncos, the Buck­eyes figure to have a better than average pitching staff by Joe Sadowfield who had a record of 7-4 and an ERA of 2.05. He also fanned 94 batters in 70 innings. One of his seven wins was a one hit shutout over SIU.

Ohio State will throw three .300 hitters at Valparaiso at 1 p.m. today. Bo Reis, the Buckeye shortstop, is the leading hitter with an average of .358. Gusfielders Bay Sharp and Jeff Morehead are next in line with norms of .309 and .304.

Since pitching seems to be the focus of this tournament, Valparaiso has two hurlers of note. Dick Dorsch went through the season for the Indiana Collegiate Conference champions with a record of 6-2 and an ERA of 2.82. Dick Jones backed up Dorsch's pitching with a record of 5-2 and an ERA of 2.95.

The Vikings' hitting attack is led by third baseman Bruce Gehreke who hit at an average of .385.

Saluki Coach Joe Lutz came up with somewhat of a surprise earlier in the week when he announced that Skip Pillock would pitch today's game against Western Michigan.

Plak also has record of 6-1 with an ERA of 3.24, but it was expected that Lutz would go with his ace Don Kirkland, who is now 9-3 with a 1.54 ERA.

The Salukis finished the season with a record of 26-4-1 and a trip to Omaha for the NCAA College World series would come as a fitting climax.

While Lutz recognizes the competition will be rough, he doesn't count his team out.

"We've got an outside chance. Western Michigan has to be somewhat the favorite though," commented Lutz.

Baseball Tournament Schedule

The schedule for the District 4 NCAA baseball tourna­ments, beginning today at the SIU field and ending on Saturday, is as follows: Thursday, 1 p.m. Ohio State vs. Valparaiso.

4 p.m. SIU vs. Western Michigan.

Friday, 9:30 a.m. losers of games 1 and 2.

1 p.m. winners of games 1 and 2.

Golf Clubs Adopt Uniform Code

NEW YORK (AP) - The rules of golf moved Wednesday to outlaw bizarre putting methods, including the popular croquet style, and to speed up the game.

The U.S. Golf Association and the Royal and Ancient Golf Club of St. Andrews announced jointly that negoti­ating committees of the two governing bodies had agreed on a uniform code which would make playing standards the same throughout the world.

A prohibition would be slapped on unconventional styles of putting and putting sticks. The R&A would con­form with the USGA in rules covering the unattended flag­stick and the penalty for unplayable lies one stroke in­stead of two.
