Drinan Is GS Senator, Choice of Southern Acres Questioned

Two new student senators were chosen by General Studies and Southern Acres students in the elections Wednesday.

Drinan was elected the new General Studies senator. He polled 94 of the 178 votes cast. Corky Hilliard finished second with 73 votes, and Donna Perez got the remaining 11.

Drinan, a General Studies student from Chicago, replaces Mark Hockenyos, the former General Studies senator, who had resigned recently.

Some question has arisen over the seating of the newly elected senator from Southern Acres, according to Fred Rauch, election commissioner.

The student who was dazed in a disciplinary probation for the winter quarter.

The election for Southern Acres was held after the resignation of Bill Wade, the former senator.

**Planner Sought On Rail Shift**

An associate planner to develop the Illinois Central tracks in Carbondale will be sought.

A group of railroad and SIU officials met Thursday for further discussions of the proposal for moving the tracks. The city and University have been working together toward this objective.

The group asked Frank Kirk, regional director of the Illinois Board of Economic Development, to join them and become an associate planner.

The associate will be designated as the vigilon who will "start putting the whole idea together" for the committee, according to a report from the meeting.

The three-hour session was held in the office of President Daley W. Morris, Mayor Blaney Miller headed the city delegation.

The various possibilities of approach were discussed, including urban renewal, the possibility of "actual" tracks would be used and finances.

Some discussed the possibility that the project could be largely self-financed through the proceeds of the land involved. It has been estimated at a total of about 46 acres.

**Winter Whistle Has Another Test**

Another test of the SIU warning whistle is scheduled next Thursday.

The severe weather signal consists of a three-minute continuous blare from the SIU emergency steam whistles.

When heard in an actual severe weather condition, the siren blast will be repeated and the alarmer informed and all persons should take cover in the designated areas as designated by college officials.

The approved shelter areas are designated by yellow signs displayed in all classrooms, residence halls and other buildings.

Faculty members who are conducting classes at 2 p.m. Thursday have been asked to announce the test prior to the soundings of the whistle. Classes will not be evacuated, Dean McKeefery said.

The sound of the whistle will be to help all of us recognize the signal which will be necessary to signal severe weather," he said.

**Repeat of 17-Act Production And Awards Slated Saturday**

The first performance of the 17th annual Theta Xi Variety show will be presented at 7:30 p.m. today in Shryock Auditorium.

The show will be repeated Saturday night at the same time with one addition—annual Service to Southern awards will be presented to an outstanding male and an outstanding female student.

Winning acts in the show will receive their awards Saturday night.

Tickets are still available for 2:45 p.m. next Thursday.
BOOKEY’ Drama for Children Starts Monday at Playhouse

The third children’s play of this season will open Monday at the Southern Playhouse. “Bookey,” was written by Cameron Garbutt, an associate professor in the SIU speech department.

Directed by graduate student Chris Jones, the play will be given at 3 p.m., Monday through Friday.

The play concerns a young boy’s efforts to thwart attempts by his aunt to sell his pet chimpanzee. Members of the cast include George Despins as Bookey, John Stephenon as Ross; Mike Harty as Uncle Stanley; Ramona Nall as Aunt Spic; Lila Nall as Aunt Span; Karen Garrison as Aunt Spa; Roxanne Christenson as Aunt Denny; Richard O’Neal as Mr. Black; Frank Alessi as George.

The Theta Xi Show Hit Campus in 1948

Variety Program Originally Replaced Assembly, Mushroomed Rapidly as Popular Annual Affair

By Judy Ros.ies

The story of the Theta Xi Variety Show goes back a long way. Back, in fact, to the days when Southern Illinois Normal University first became known as Southern Illinois University. Back to the days when the S IU teams were known as the Maroons, not the Salukis, when Anthony Hall was a girls' dorm, and when there was compulsory student assembly for everyone once a week. Back to 1947.

When the student body grew too large to gather at all in one time in one place, the variety show was instituted to replace the compulsory assemblies. Its purpose was to display student talent and recognize student service to the University. The show was scheduled during winter quarter because there was nother all-campus activity during that period.

So on Feb. 23, 1948, Theta Xi (which then was known as Kappa Delta Alpha) launched the first All-School Variety Show. The acts in 1948 brought a profit of $135, which was turned over to the Student Council to be used for campus projects. This in a practice which has continued, and all proceeds from the show are placed in a special fund to be used for campus charities.

In the past, variety show moments have given classes free time for the library and the display board in front of the Home Economics Building. The variety show has always been successful. In the early years, it played to audiences of 1,300. The admission then was only 50 cents, no seats were reserved.

Promotions posters for the show regularly advertised a chore line of Anthony Hall girls and sex, KDA formed a line to line to pastor the females. Then in 1950, 1951, and 1952, the whole show was given class honors for the library and the display board.

U.S. Boosts A-Arms 200 Pct. in 2 Years

GENEVA -- The United States disclosed Thursday that its nuclear arsenal has increased 200 percent in the two years that disarmament talks have draped on in Geneva.

Conceding that new efforts to get the talks moving have collapsed, U.S. negotiator William C. Foster declared that by next year, U.S. strategic missile inventories "will reach approximately 750 percent of those in 1962." After an appeal to the Soviet Union to end the disarmament stalemate, Foster left by plane for Washington to consult with his government. The Russians did not budg.

Foster said the United States "could not overlook the Judge Rebukes Hoffa's Lawyer

CHATTANOOGA, Tenn. -- A federal judge sharply rebuked James R. Hoffa's attorney Thursday for what he termed "Willfully disregarding the court's instructions" at Hoffa's jury-tampering trial.

Hoffa's Chattanooga lawyer, Harry Berke, asked a government witness if he knew the government's chief witness "was under investigation for smuggling arms to Cuba." The judge gave Berke a tongue-lashing and told the jury to disregard Berke's remark.

The defense has tried several times previously, always without success, to get before the jury accusations that Partin once trafficked in arms to Fidel Castro's Cuba.

Maryland College Protests Delayed

PRINCESS ANNE, Md. -- Negro students said Thursday they have suspended further demonstrations against alleged racial discrimination until Saturday.

John Wilson, president of Student Appeal for Equality (SAFE), said "we got the hell beat out of us yesterday" during demonstrations in which 27 Negro students at Maryland State College were arrested and 59 received medical treatment.

He said classes would be conducted in nonviolent techniques and that Gov. J. Millard Tawes had been asked to provide increased police protection.

Tawes has just been prepared to send in the National Guard, if necessary, after the students, protesting racial segregation at two restaurants, clashed Wednesday with more than 100 state police.

Another Blast Derails Train In Florida

ST. AUGUSTINE, Fla. -- A "terrific blast" blew five diesel locomotives and 27 cars of a northbound Florida East Coast Railway freight train off the tracks Thursday 10 miles south of here. No one was injured seriously.

The explosion shook the small community of DePonte Center, where the blast occurred at a crossing.

THE BELL TELEPHONE COMPANIES

WASHINGTON, D.C. -- A federal judge Thursday lashed the arms race in what he termed "willfully disregarding the court's instructions" at Hoffa's jury-tampering trial.

In a prompt denial, a spokesman for the French Embassy said, "The premier must have been saying this in jest."
The Prince and the Playboy

Part II

by Fabiola

Last week the prince had been confronted by a hideous Troll. The troll ordered to make the prince a Troll.

As we return to the woods, the prince heard a groovy little ball hit to his bat.

"Troll, how did you come to live in the Woods under-neath a bridge built of wood and paper?"

"What have you been alone for quite a long time, was love-starved and badly in need of a home. In the meanwhile, those of us who would had only been part of the literary enough to tell an anecdote of the Woods were enough to tell an anecdote of the Woods.

"I did not always live in the Woods. There was a time when I lived with my brother" Troll in the Kingdom of Row.

"So we sang with our arms around each other the last time, and we set off to the back. Oh, it was lovely! That's why I want to make you a Troll, so we can stay together."

"You have only one points and 3 NT is game." Whereupon South won and the automatic shuffler down has partner's throw.

The lack of vitality and thanks before he made his reasonable bid of 3 NT. However, North mistrusted him for hesitation and passed, amid gleeful sight of relief from the aces and jokers. After the hand was over, North sheepishly bid 7 NT. "Well, I have only 1 points and 3 NT is game."

How to Crush RHC

It really is quite simple to menace RHC when, supposedly ready, march them off to an RHC meeting and start them on the road to apathy just by telling them they will lose apathy for all residue areas except mine. South, as in Blackwood from this point onwards, can be accomplished in three easy steps.

Step One: Be sure to have representatives at each RHC and can think of this as their prime purpose of RHC: to form their own "original" Guidelines Program. But, be sure not to accept their ideas or standards except upon the flip of the coin for the vote.

The Sunpilots will be happy to make their points heard, and South will now recognize that the purpose of RHC. Let's see, how about Black Hall?

There is much to be said about last Sunday's concert without even discussing the playing of the year. Again, a special evening! Music! Donald Macurdy gets his work done in a way that makes you think: "Why, we could have done it ourselves!"

Ernest in Love Hits

by Ken Blumenhal

Ernest in Love is a wonder... in a way to spend an afternoon. The music is enchanting and Wilde's story has been nicely done. A feature of this piece of director, informative, well-conceived and well-crafted reading. Review of this type are a rare treat, but the opportunity to see the work with the cast of this evening, with the Bard of Avon, Miss Lizzy, Beans and Watson make the show worth the trip.

SIU, Spartans Tangle In Gym Meet Tonight

Southern's undefeated gymnastics team will compete in its final dual meet of the season against an improving Michigan State squad at 7:30 tonight in the Men's Gym. The event will be the last varsity athletic contest staged in the old Men's Gym. Southern's gymnastics team, along with the basketball and wrestling teams, will move into the new 10,000-seat SIU Arena next winter.

Led by Dale Cooper and the return of all-around performer, Jim Curzi last week, the Spartans hit their season's peak by tying Big Ten NCAA-champion, Michigan 56-56.

"I have been out of accidents for the last week. The accident, Cooper is no newcomer to the team. The two-time rings champ has defeated 25 duals and has 36 of the Spartans to a 7-2 season's record," said partant, who was the team's leader for the first half of the year in 1961, will be going for an upset, but SIU coach Bill Meade is confident as always.

"They tied Michigan last week?" asked Meade, expecting him to say, "They lost!" "They tied," said Meade, "That's good!" "Good competition," he added.

Meade's squad is in top shape with Rusty Mitchell, Bill and Dennis West, Chuck Ehrlich, Steve Pasternak, Ray Yano, Tom Gooclas and Henry Schaftermeyer ready to go against the Spartans.

The still rings event should be the highlight of the meet. Other outstanding performers for coach George Szypula's squad are Dick Gillikin, Ted Wilson, and Todd Gates.

Tourney to Start Day Earlier--Mar. 5

The games for the Great Laken Regional basketball tournament at Evansville have been changed from March 5-7 to March 5-6 because of a contact in Roberts Stadium. Three teams have already been named for the two-day regional, including Southern, Ball State and the host Evansville Aces. No pairings have been made as yet and a fourth team will be named later.

Washington of St. Louis O. Jackson State of Jackson, Miss., have been mentioned as the possible fourth team in the tournament.

NCAA Picks 5 Saluki Matmen As Mid-Season All-Americans

Five members of SIU's twice-defeated wrestling team have been named to the NCAA's mid-season All-American team squad, and coach Larry Krissoff, Carbondale; and juniors Don Devine, Bloomington, Ill., and Bill Hartzell, Overland, Mo., are the highlight of the meet. The five heralded Salukis are seniors Terry Finn, Cuba; Larry Millard, Pekin; and Larry Krissoff, Carbondale; and juniors Don Devine, Bloomington, Ill., and Bill Hartzell, Overland, Mo.

Top-ranked Iowa State, Oklahoma State and Syracuse led the way, each placing six men on the NCAA team.

Iowa State's highly-touted Cyclones, the nation's No. 1 rated collegiate wrestling team, will provide the opposition for Southern Monday night at Ames, Iowa.

Coach Jim Wilkinson's SIU crew, 3-2 in dual meet competition this season, will tangle with a rugged Cyclone outfit which possesses an impressive 10-0-1 dual meet record this season, including a 12-12 tie with powerful, second-ranked Oklahoma State. Oklahoma State defeated the Salukis 77-1 in a dual meet earlier this year.

The crippled Salukis squad will be bolstered Monday night by the return of Hartzell, a 195-pounder, and a healthy Krissoff. Hartzell has missed the last two meets because of an ankle injury, while heavyweight Krissoff has been bothered with an assortment of injuries since mid-season.

Southern will be without the services of ace 115-pounder Devine, Devine recently underwent a knee operation and will be lost to the Salukis for the remainder of the season.

Freshmen Cagers Trounce Kentucky Wesleyan 122-91

Southern's freshman basketball team put an appropriate topper on their season Monday night when they walloped Kentucky Wesleyan 123-91. The game was a good example of the type of play which characterized the team throughout the season--high scoring and a strong second half.

Monday's total of 123 points equaled the season's high set earlier in the season when the frosh manhandled Mt. Vernon J.C., 122-60. It also marked the fourth time this year that Coach George Hubert's boys have gone over the century mark in scoring a victory. Such a total is not surprising at all when you stop to consider that the young Salukis averaged 88.4 points per game this year.

Monday night's strong second half was also typical of the outfit. Holding a slim 52-49 lead at the intermission, the Salukis turned the game into a rout in the final 30 minutes by outscoring their opponents 70-42. Many times during the season the boys held a slim lead, or no lead, at the half only to pull the game out with a strong second half spurt.

The powerful offense which sparked the team to an impressive 11-3 record was led all season by guard Walt Frazier. The former Atlanta, Ga., prep star set a new freshman record of 218 points in a season. His total far surpasses the old record of 153 set by Frank Lenten in 1960.

Frazier's best night was in the 90-88 overtime loss to Murray State when he scored 37 points. Aside from being the team's leading scorer with a 22.7 points per game average, he also had the best shooting percentage, .591, and finished second to pivot man Ralph Johnson in rebounds with 129. Johnson led the team in rebounds with 148.

Clarence Smith, a forward from Zion, was second to Frazier in scoring with 224 points for a 16 points per game average. Salukis, who wasn't even on the starting five at the beginning of the season, also pulled down 119 rebounds after being promoted.

Ray Krauf was third in scoring with 164 points followed by Ralph Johnson, the team's leading rebounder, and Roger Sheleid who both had 139 points.

100 Teachers Expected at Art Conference

A conference on "The Child and His Art" to be held at SIU April 10 is expected to draw approximately 100 art teachers from 13 southern counties of the state, according to William Stewart, assistant professor in the art department. Principal speakers for the conference will be Jack Arends, professor of art.
