Southern Players to Present 'The Trojan Women' Tonight

Portrayal of Hellenic Wars Bares Man's Cruelty, Pain

By Gus Bode

Gus says he hopes the next campus blackout will be advertised in the Egyptian so he can get a date for a walk in the library.

Southern Players' production of "The Trojan Women" will open at 8 tonight in the Playhouse.

The cast and the best play representative of the Hellenic Wars, will run through May 2 and again on May 4-9.

The 17-member cast is under the direction of Shrews Abrams, associate professor of theater.

The running time for the play is 80 minutes. Abrams said, which enabled the cast to present two separate performances on the Saturday night.

Lake May Open Saturday, Sunday

The Lake-on-the-Campus beach will open for swimming Saturday and Sunday afternoon, weather permitting.

Officials said, if the weather "conditions" are warm, the beach will be open from 1 to 7 p.m. both days. It will then be closed May 17 through 28 and will open permanently on May 8.

Essentials' Must Go

$115,000 Is Cut From Activity Budget

Recommended by Finance Committee

By Gus Bode

A nationwide Journalism Administration and Education Workshop will be held here today and Saturday by more than 30 journalism educators from throughout the United States and Southern Rhodesia.

Verne E. Edwards Jr., chairman of the board of Journalism at Ohio Wesleyan University, will direct the Workshop here.

Among the guests, visitors, and workshop participants, whose work- shop's panels will be Roy Clark, information director at the Student Council; Edward E. Lindsay, publisher of the Daily Egyptian and Southern Illinoisan, and Niel Plummer, director of the School of Journalism at the University of Kentucky.

Two-Day Conference on Africa

To Study Economic Growth

A conference on "The Economic Development of Africa: Is the Sahara?" will begin at 7 p.m. today with a lecture on "Prospects for Economic Development" by William Hardenbergh, assistant professor of government, in Morris Library Auditorium.

The conference, sponsored by the International Relations Club and the International Programs Committee of the Student Council, will continue tomorrow in Morris Library.

Activities on Saturday will include a panel discussion on "Problems of Economic Development in Our Countries" by African students at 9 a.m.

"Survey of Our Work in Economic Development in Eastern Africa" will be presented by Ronald I. Beasley, professor of political science, and John Farquhar, graduate student who has spent more than 14 years in Tanzania, at 11 a.m.

O. B. E. Dennis, second secretary of the Nigerian Embassy, will speak on "Recent Trends in African Economic Development With Particular Reference to Nigeria," at 1:30 p.m.

All Saturday speeches and discussions will take place in the Family Living Lounge of the Home Economics Building.

This figure was arrived at by subtracting the money, available, $491,000, from the $606,972 requested.

The major cuts and additions made by the committee are as follows:

CUTS: University Athletics, $104,000; Daily Egyptian, $18,000; Band, $7,900; President Morris' contingency fund, $2,500.

ADDITIONS: Lectures and Entertainment, $8,000; Special Projects, $4,750; Student Council, $5,496; Chorus, $465.

The lectures and entertainment fund, which provides money for use by departments to invite speakers to the campus, was not included in the original figures because the request was received late.

The fund labeled "Special Projects" will be used for a concert arranged by the Student Music Club, which will bring entertainment (e.g., a Broadway play) to the campus.

Following is a complete list of the special recommendations to the Student Council. The amount requested by each fund is listed as the first figure.

Medical Student Benefit: $194,000; $194,000.

University Athletics: $200,000; $96,000.

Egyptian: $53,000; $35,000.

Band: $19,000; $12,000.

Chorus: $8,035; $8,500.

Orchestra: $6,330; $6,300,

Debates: $7,500; $7,500.

Morr is' Contingency: $2,500.

Financial Services: $4,750.

Student Handbook: $4,300.

APROTC: $2,185.

Classes: $400.

Freshman Orientation: $7,000.

Oeisels: $27,000; $27,000.

Social Senate: $7,240; $7,240.

Swimming Fund: $1,500.

University Center Programming Board: $14,000.

Women's Athletics: $11,137.

Swimming: $3,250.

Student Government: $14,000; $14,000.

University Athletics: $200,000; $96,000.

Daily Egyptian: $53,000; $35,000.

Band: $19,000; $12,000.

Chorus: $8,035; $8,500.

Orchestra: $6,330; $6,300.

Debates: $7,500; $7,500.

Discussion Is Set On Role of WSIU

A public discussion on the role of WSIU has been scheduled for 7 p.m. Monday in Room E of the University Center.

Martin S. Jacobs, a senior majoring in radio and television, and Ron Geskey, a junior majoring in journalism, will discuss the issue. The discussion is an outgrowth of a series of editorials on WSIU written by Geskey for the Daily Egyptian.

ON THE MOVE—The freshman design class moves a structure, designed as a prototype moon dwelling, down campus drive. The dome will be used on Earth as a meeting and exhibition hall. (Photo by Ron Williams)

Hey, You Kids, Get That Big Moon Thing Out of My Way Or I'll Drive Through It!

"Look at that thing blocking the road! Why, some policeman should arrest those kids... I'm going to be late for my three o'clock. I'll show them I'm just drive right through that thing." That isn't an excerpt of "Ode to a Motorcyclist" by L. Rate Motorists. It is more likely the reaction of several motorists who found Campus Drive blocked Tuesday by a dome being moved by the freshman design class.

The structure is a prototype of the structural principles that we may use in setting a scientific dwelling on the moon."

The moon dome, for the time being, will be used in Earthly exploration of the learning process.

Garden, Climatron

On St. Louis Trip

Visitors to the climatron and Shaw botanical gardens will highlight an excursion to St. Louis Saturday.

The trip, sponsored by the Service Center of the University, will begin by bus from the Center at 8 a.m. The bus will return at 5 p.m.

The cost of the trip is $1.50 per person. Those interested should sign up in the student activities office.
Activities

Molesms Set Meeting; Movies, Play Slated

Inter-Varsity Christian Fellowship will meet at 10 a.m. in Room C6, and at 7 p.m. in Room B3 of the University Center.

The University Center Programming Board service committee will meet at noon in Room E of the University Center.

The Molesm Student Organization will meet at 2 p.m. in Room E of the University Center.

The Aquaeates will meet at 4 p.m. in the University pool.

The Women’s Recreation Association varsity volleyball team will be held at 4 p.m. in the old Men’s Gymnasium.

The Interpreters’ Theater will meet at 6:30 p.m. in McKelroy Auditorium.

Movie Hour will feature “Who’s Got the Action” at 6, 8 and 10 p.m. in Furr Chapel.

There will be a band dance entitled “Star Light” from 8:30 to 12:30 p.m., in the Roman Room in the University Center.

Cinema Classics for today will be “Gate of Hell” at 8 p.m. in Davis Auditorium.

Frank Film at 8 p.m.

“*The Diary of Anne Frank*” will be shown at 8 p.m. today and Saturday in Lenz Hall. No admission will be charged.

It was previously reported that the movies would begin at 8 p.m.

Explorer Society Takes New Name

The SIU Speleological Society has changed its name to the Little Egypt Student Caverns since being recognized by the National Speleological Society.

The club gained national recognition during the winter quarter when nine of its members also were members of the national group. Eight national members are required for national recognition.

The Little Egypt Student Caverns is dedicated to exploring and conserving area caverns. The group also lists caving and rock climbing in its activities.

Adviser to the club is Kent Christensen, instructor at Vocational - Technical Institute.

Recently elected officers are Don E. Feamley, chairman; Bill N. Trousdale, vice chairman; Linda Olsen, secretary; Kathryn A. Kerr, treasurer; Gary L. Frazier, equipment head; Bill McQuinney, publicity.

Prose will present a film, “Industrial Application of Radio-isotopes” at 8 p.m. in Browne Auditorium.

The Department of Journalism will begin a two-day Journalism Education Workshop from 8 a.m. to 5 p.m. in the Seminary Room of the Agriculture Building.

The Department of Economics will hold a seminar at 11 a.m. in Room 214 of the Agriculture Building.

The SIU golf team will meet St. Louis University and Evansville College at 1:30 at the Crab Orchard Golf Course.

The International Relations Club will present the film “Africa South of the Sahara” at 7:30 in Morris Library Auditorium.

“*Diary of Anne Frank*” will be the Thompson Point movie at 8 p.m. in Lenz Hall.

The Southern Players will portray “Trojan Women” at 8 p.m. at the Southern Playhouse.

A bus will leave the University Center at 7:30 p.m. for Marion roller skating rink.

The Off-Campus Residents Council will meet at 6:30 p.m. in Studio Theatre in University School. The SIU Woman’s Club will hold a square dance at 8 p.m. in the area of the boat docks.

From the Student Body President

As much as I prefer other techniques, I must begin this report with an apology to the student body of Southern Illinois University (Carbondale). I feel that I have not had the opportunity to express my feelings in public, in writing, or in any other form of Student Government.

As some of you will remember, on January 21, I delivered a speech to the Carbondale Student Council in which I suggested the possibility that the Ad Hoc Committee on the Southern Illinois University Student Government "might try their hand at a little camouflage," It was my misfortune to be convinced of the truth of the assurances from above that the Ad Hoc Committee would indeed be empowered to conduct a referendum on the new student government. I felt that time was not a crucial element in this situation. It was found that the Committee had in fact been suspended as an "action group." Again, I apologize for the error in perception.

For those of you who know nothing about the Ad Hoc Committee or who wonder about the origins of the Southern Illinois University Student Government, I shall give an analysis of the situation. The Campus Senate of Carbondale had been created, and a Southern Illinois University Student Government had to be reconstituted in line with the Carbondale plan of government. It was felt that a committee with members from Carbondale and Edwardsville should be established. It was this committee that I referred to as the "action group." The committee was called the Ad Hoc Committee, and it was charged with the responsibility of developing a structure for the new student government. It was felt that time was not a crucial element in this situation. It was found that the Committee had in fact been suspended as an "action group." Again, I apologize for the error in perception.

In January, I was appointed to the Ad Hoc Committee for the Reorganization of Student Government by Pat Micken, our Student Body President. I asked Pat if I could be on this committee because I was, and still am, very interested in seeing that the students at SIU get a fair deal in determining what form of student government they will choose.

In several meetings of the Committee, especially our recent meeting, we have tried to consolidate the various plans which were submitted by the various groups with something which we thought would give the students a fair opportunity to express their needs. I must say now that any suggestions which would give the students a loud, clear, and listened-to voice when they had something to say has been ruled "illegal." This is a most unfriendly form of "conflict" with the intent of the revised University President's plan but it is important to note that the Board of Trustees has given him the power to interpret the Statutes and apply his decisions to the conduct of the College. It is possible that a Committee, or a "working group," would be the best arbiter of this interpretation of the statute. The sole judge of the acceptability of proposed working papers, in effect, told whatever that we came up with would be used, would say that the interpretation of the statute has left the students behind. We have an idea that the students themselves know better than we do what is justifiable. It is my misfortune for the student body of Southern Illinois University (Carbondale) that I feel that time was not a crucial element in this situation. It was found that the Committee had in fact been suspended as an "action group." Again, I apologize for the error in perception.

In conclusion, I am concerned about the number of articles which have been written on the subject of "unrest" in our university. I think it is fair to state that one of the prime sources of unrest is the inability of the students to express their opinions. I must say now that any suggestions which would give the students a loud, clear, and listened-to voice when they had something to say has been ruled "illegal." Kankakee Choir Will Sing
At Annual Music Festival
The Kankakee High School Chamber Choir, the "official representative" of Kankakee High School and winner of "superior" ratings in the state for the last four years, will be the guest artist headliner for the 1965 Music Under the Stars festival May 8 at SIU. Festival director Robert Kingsbury predicts that participation will hit record highs, when over 3,000 teenage musicians in the ensembles from 49 communities participate in the all-day program.

The youngest will rehearse during the day under guest conductors and will perform in a massed coral and instrumental concert at 7:30 p.m. in the SIU Arena. Another feature of the evening concert will be the awarding of the "most Honored Musician" title to an area teacher-musician by President Debye W. Morris.

Peace Corps Test Given to 52 Here
Fifty-two applicants from SIU took the Peace Corps placement test during Peace Corps week April 15-17. John Thomas, student Peace Corps coordinator, calls it a "fairly successful turnout."

Thirty-three former Southern Illinois through Bill McMackin, Patty Gumm said.

Millionaire Peggy Meredith of West Side is expected to preside. and local young people. The international students will introduce their home countries to the high school students, and get acquainted with Southern Illinois through discussion with the local people, according to Frank Gumm, associate area secretary of the YMCA. More than 50 Southern Illinois high school students and about 20 SIU international students will attend the meeting, Gumm said.

The meeting is scheduled for 2 p.m. in Farr Auditorium, University School. Alice Grant, teacher of the West Frankfort Community High School, will preside, and Peggy Meredith of West Frankfort will be the toastmaster.

Group discussion leaders include: Debbie Harmon, Mickey Pankey, Sara Chase, Robert Biley, Mike Shepard, Bill McAdams, Nanette Buce and Sally Lukons.

International Students to Meet With Area High School Pupils
International students at SIU and area high school students will have a goodwill meeting Sunday on campus.

The program, sponsored by the YMCA Illinois Area Council in cooperation with Southern's International Student Center, is designed to promote mutual understanding and friendship between international students and local students.

The international students will introduce their home countries to the high school students, and get acquainted with Southern Illinois through discussion with the local people, according to Frank Gumm, associate area secretary of the YMCA. More than 50 Southern Illinois high school students and about 20 SIU international students will attend the meeting, Gumm said.

KANKAKEE CHAMBER CHOIR

HARRY T. MOORE

Moore in Europe
For Yeats Study
Harry T. Moore, research professor of English, has begun an European trip devoted primarily to research for a critical biography of the famed Irish poet William Butler Yeats.

The trip will extend through the summer.

Moore is considered a foremost authority on the Anglo-Irish literary school. He is both a member of books on D. H. Lawrence, and has edited Lawrence collections. Another Moore book, "F. M. Forster," one of a series on modern writers published by Columbia University, appeared earlier this year. It deals with the writer considered by many as the greatest contemporary British novelist.

Moore is a member of an SIU committee in charge of the University's year-long celebration of the 100th anniversary of Yeats' birth.
Rebels Fire on Embassy

Marines Kill Four Snipers in Dominican Republic Fight

SANTO DOMINGO, Dominican Republic (AP) - U.S. Marines went into action against snipers in this revolt- torn capital Thursday and killed four of them, the U.S. Embassy reported.

The Marines drew their first blood less than 24 hours after their landing to safeguard Americans caught in a Dominican civil war.

Worst Earthquake Since 1949

Brings 5 Washington Deaths

SEATTLE (AP) - A rolling earthquake, heaviest ever recorded in the Pacific Northwest, jolted four states and British Columbia Thursday, bringing at least five deaths and many injuries.

Hundreds of buildings were damaged, including the Capitol in Olympia.

Falling debris killed two men in Seattle. The three other deaths were from heart attacks. All were in Washing­ ton.

Although Thursday's quake was of greater magnitude than any other in the area, it was not as disastrous. Eight died and damage amounted to $25 million in April 1949 tremor. Their centers were less than 50 miles apart.

Norman Raunussen, University of Washington seismologist, said the latest shock was of greater magnitude than the one 16 years ago.

A warehouseman at the Fisher Flouring mill in Seat­tle, Ray Haygrove, 52, was crushed to death when a 50,000-gallon wooden water tower atop a 200-foot tower was shaken apart.

Three other persons in the mill were injured, and another, Eugene Goetle, 30, a scale grain inspector, was reported in critical condition.

Adolphus Lewis of Seattle was injured badly when debris from a downtown building fell on him.

The quake knocked the needle off of seismograph scales here, but stations elsewhere measured its magnitude at 6.5 to 7 on the Richter scale, based on reports from other record­ing points. His own seismo­

graph was knocked out of com­mision.

Rasmussen was able to cal­culate the quake on the Mer­calli scale of intensity, and said it was more severe than the one 16 years ago.

A warehouseman at the Fisher Flouring mill in Seat­tle, Ray Haygrove, 52, was crushed to death when a 50,000-gallon wooden water tower atop a 200-foot tower was shaken apart.

Three other persons in the mill were injured, and another, Eugene Goetle, 30, a scale grain inspector, was reported in critical condition.

Adolphus Lewis of Seattle was injured badly when debris from a downtown building fell on him.

The quake knocked the needle off of seismograph scales here, but stations elsewhere measured its magnitude at 6.5 to 7 on the Richter scale. It struck at 8:29 a.m.

EL Salvador Embassy has also been attacked.

Marines units supervised the withdrawal of Americans to ships off shore.

On the fifth day of fighting in this Caribbean country there were several other de­velopments:

French ordered two warships from Martinique to the Dominican Republic to evacuate any French citizens who feel their lives are in danger.

The Soviet Union, Red China and Communist Cuba assail­ed the landing of U.S. Marines in such terms as "tre­morous", "cynical", "hide­ous" and "a threadbare pre­text."

At the United Nations, U.S. chief delegate Adlai Stev­enson told the Security Council the Marine landing was "to protect American citizens still there and escort them to safety from the country."

In Washington, the Orga­nization of American States ap­provel a call to end the fighting. Some congress­men blamed Communists for the strife.

There were about 250 Americans in the Dominican country. None has been hurt so far in the fighting that has taken a toll of 40 Domin­i­can lives.

Some 360 Marines that landed by helicopter from a U.S. Navy ship Wednesday evening dug in around a hotel overlooking the sea. Some 1,100 other Marines remained offshore in six Navy ships prepared to land if necessary.

$3.35 Billion in Aid Gets Committee Ok

WASHINGTON (AP) - Senate and House committees recommended Thursday that all foreign aid funds be cut off from countries that allow or initiate mob action against U.S. embassies or other property.

The action was aimed especially at Indonesia and the United Arab Republic, whose leaders have challenged the United States in effect to go to hell with its aid.

The Senate Foreign Relations Committee also expressed belief, in a report to the Senate, that a number of underdeveloped countries, not identified, "need to be informed that they have no inherent 'right' to assistance from the United States and that such aid depends in part on the maintenance of climate of mutual cooperation and civilized behavior."

The House committee approved a two-year foreign aid bill, at the rate of $3.35 billion a year, but proposed that the Johnson administration be required to come up with a completely new approach to the problem next year.

The House Foreign Affairs Committee voted to authorize $3.67 billion, or only $3.6 million less than President Johnson requested for the fiscal year ending July 1. Johnson's request was the lowest in the 17 years of the aid program.

The House committee version, which was put aside for final action next Tuesday, includes what amounts to a blank check authorization for whatever aid funds Johnson may need to prosecute the war in Southeast Asia.

It also would cut off aid to any country that ships goods to North Viet Nam.

Both Senate and House bills are authorization measures which set ceilings on expediency and must be followed by appropriation bills.
Business, Education Leaders Plan Youthpower Conference

Leaders in business, education and community service will participate in a one-day Youthpower Conference sponsored by the Division of Technical and Adult Education and District 13 of the Illinois Federation of Business and Professional Women's Clubs on Saturday.

To be held at the Haven, on Route 13 between Carbondale and Marion, the conference is planned to develop leadership in the field of business among high school students.

The conference will open with a welcome by BAWP District chairman Decima Willoughby and a discussion on "Why a Youthpower Conference?" by Mrs. Mary Lou Koons of Mounds, chairman of "Youthpower, U.S.A." for the National Federation of BAWP clubs.

University participants in lectures and panel discussions include George Hand, chairman of higher education; Kenneth R. Miller, executive director, SIU Foundation, and Guy Renzaglia, director, Rehabilitation Institute.

Coed Volleyballers St. Louis-Bound

The women's varsity volleyball team will try to improve its 1-2 record when they travel to Washington University in St. Louis for a pair of weekend matches.

The first team will play at 7:30 p.m. today and at 10 a.m. Saturday.

New Music Fraternity Chapter To Be Established at Southern

A new chapter of Phi Kappa Lambda, national honorary music fraternity, will be established at SIU on May 10.

George Howerton, national president of the fraternity, will present the charter to the Beta Mu chapter at SIU and will officiate at the initiation of the eight charter members. A program and banquet will be held in the University Center Ballroom following the ceremonies.

One junior, four seniors and three graduate students will be elected. Their names will be announced at the convention of all music students at 10 a.m. Monday in Shryock Auditorium.

Phi Kappa Lambda was organized in 1917 as a music honor society parallel to Phi Beta Kappa, liberal arts-oriented honor society.

"Since that time, it has been the standard bearer for scholastic excellence in the area of music in academic circles," Lawrence Intra-vaila, associate professor of music, said. Among its members are internationally known figures such as Myra Hess, Serge Kourovitsky, Albert Schweitzer, Sir Malcolm, Puccini, Vincent Persichetti and Eugen Ormandy.

Child Care Jobs Open for Summer

Representatives of the Murray Children's Center in Centralia will be on campus May 11 to interview students interested in summer employment as child-care aides.

The organization is interested in special education and elementary education majors. There will be a number of job openings, and the Student Work Office has interview times still available. Interested students should contact the Student Work Office.

Student Workers Urged to Return Financial Papers

The Student Work Office has asked that student workers return their financial questionnaires to the work office by May 15.

These questionnaires were given to all work supervisors for distribution about three weeks ago.

For students hoping to work under the Federal Work-Study Program, the May 15 deadline is especially important. The number of questionnaires returned and the information on them will determine the amount of federal funds applied for by the work office for the next fiscal year. This period extends from July 1 to June 30, 1966.

The work office has indicated that any student who is late in returning his questionnaire cannot be given full consideration in applying for full or part-time work under the program.

' Apostles' Await Summer Missions

Five students from SIU will be serving as summer missionaries under the sponsorship of the Baptist Student Union and the Home Missions Board of the Southern Baptist Convention.

The student missionaries and their fields of service are Rozella Crosin, Jamaica; Janice L. Eudy, Louisiana; Mary Lou Miller, Colorado; and Beverly and William T. Shahan, Oklahoma.

A dedication service for the five will be held during the daily chapel program at 12:30 p.m., on May 28 at the Baptist Student Foundation.

SIU Has High Hopes

Judo Players to Crowd Arena
At National Championship Meet

Welcome judoka! For those not well versed in Japanese, a judoka is a judo player, and the Arena will be jammed with judo players Saturday as the fourth annual National Collegiate Judo Championships begin.

Individual and team championships will be at stake in the meet scheduled to get underway at 10:30 a.m. and last the rest of the day. Admission charge is 50 cents.

More than 60 contestants from 15 colleges and universities, including SIU, are expected to compete for the six individual weight titles and the all-around championship.

Of the 15 teams entered in the finals, the favorites are the defending three-time champions, San Jose State College, and the Air Force Academy, Ohio State University, and SIU.

San Jose State, in search of the team title, will have representatives in each of the six weight classes. The weight classes are 135 pounds, 140 pounds, 145 pounds, 155 pounds, 165 pounds and the heavyweight class.

Ron Hoffman, Eastern Collegiate Grand Champion, is currently one of the holders of a third-degree black belt on SIU's team. The other is Motobisa Suzuki.

Others competing for Southern are Bob Toups, Miguel Roman, Roger Bloodworth, Jim Peterson and Jerry Freericks.

Roman and Bloodworth are holders of a first-degree black belt. Since the championships will be divided into weight classes and not by color or degree of belts the holders of the black belts are the favorites.

In a judo contest, only one point (ippon) is needed to defeat an opponent. Because there is no second chance, both contestants are cautious and underscrain. The duration of a contest can last as long as seven minutes with a three-minute overtime period. Points may be awarded on the following basis:

1. A clean throw that lands the opponent on his back.
2. Holding the opponent for 30 seconds from the moment the referee calls time on a hold (Ukekomi). If the contestant manages to coil his legs around those of his opponent, time is not counted. He must have complete control of his opponent's body.
3. Making opponent surrender by applying a strangling hold.

After a winner has been named in each of the six weight divisions, there will be another contest to crown the overall winner.
Track Squad Goes to Kansas
For Meet With Jayhawks

A 17-man SIU track squad leaves at noon today for Lawrence, Kan., where the Salukis will challenge the powerful University of Kansas Jayhawks Saturday afternoon in a dual meet.

The action will be the first in three weeks for the entire Saluki crew as Coach Lew Hartzog has taken only a select group to big relay affairs the past several weeks.

Although the Salukis have performed well at the big ones, they will be a definite underdog Saturday.

The Jayhawks routed the Salukies 99-1/2 to 26 during the indoor season and they are expected to almost do the same thing Saturday as the Salukies lack the depth to give the Jayhawks much of a challenge.

Best hope for victory for the Salukis appears to be Bill Cornel in the mile and half-mile; Gary Carr or Jerry Fernich in the 440; Tom Ashman in the high jump, and the mile relay team.

However, Cornel and Carr might not be at full strength for the meet. Both are recovering from recent injuries.

Saluki entries include Alan Ackman, Mt. Vernon, Ind., in the mile and 880; Joe Beachell, Princeton, N.J., in the javelin; Ross Franklin, Columbus, Ind., in the broad jump and triple jump; and Bob Ingstad, Valley City, N. Dak., in the broad jump, shot put, discus and javelin.

Also Joe Janesicz, Oak Park, Ill., in the high jump; Bill Leydig, San Francisco, Calif., in the two-mile; John Trowbridge, Alton, Ill., in the mile and two-mile; Herb Walker, Springfield, Ill., in the low and high hurdles; and Robin Coventry, Melbourne, Australia, in the sprints.

SIU Freshman Baseball Team
Gives Paducah 7-0 Drubbing

SIU’s freshman baseballers defeated the University of Kentucky 7-0 behind the three-hit pitching of Bob Kirkland in the first game of a doubleheader Thursday at Carbondale.

Kirkland, a 14-year-old, went on strikes in the seven-inning game. The hard-throwing Klever has passed over 32 batters in two games this season.

The Salukies scored lone runs in the first and third before exploding for five runs in the fourth inning. Two consecutive walks, and singles by Jim Nelson, Larry Walters, lb, and Lavarre Underwood sparked the Southern rally.

Nelson and Underwood supplied the offensive punch in the Salukies’ nine-hit attack. Each they got two hits, scored once, and drove in two runs.

The victory gave the Southern Leagues a 2-0 mark over Paducah this season. Their other two victories came earlier this spring.

Two bedroom, Mecca Dorm will play the Radicals on Field 4. Eight games are lined up for Sunday afternoon action. All eight games will be with the regulation softball.
Baseball Salukis to Look for Ninth Victory Against Southeast Missouri This Afternoon

SIL's baseball Salukis go after their ninth victory this season and fifth in a row at home at 3 this afternoon when they meet Southeast Missouri State College.

The Salukis will take an 8-1 record into the contest while the Indians come in with a 5-1 record after suffering their first defeat of the season Wednesday.

Coach Joe Uhl's team lost a 3-2 heartbreaker to Martin (Tenn.) College after leading 2-0 for six innings. The Indians' Ray Bahr had a no-hitter going until the seventh when Martin picked up all its runs.

SIU and Southeast have met two common opponents as both teams have defeated Evansville College and Arkansas State. The Salukis blasted Evansville 10-4 and Arkansas State 12-5 while the Indians stopped the Aces 7-1 and edged Arkansas State 8-7.

This afternoon's contest will pit a pair of righthanders against each other. Coach Glenn (Ab) Martin will call on hard-throwing Gene Vincent while Uhl will go with big sophomore Kermit Meyers.

Vincent is 3-1 on the year with a 3.09 earned-run average. The junior from Rockport, Ind., should be well rested as he last worked a week ago Saturday hurling a six-hitter against the University of Cincinnati.

Kermit also has impressive credentials with a 2-0 record and a 3.75 earned-run average.

The Saluki lineup will be the same as usual with Paul Pavesich of Villa Park playing first base and Vincent on the mound.

Air Society Pledges Will Help Hospital

The spring quarter pledge class of the Arnold Air Society of the AFROTC at SIU will help Anna State Hospital conduct its annual open house Saturday.

It will work from 11 a.m. until 5 p.m., with the Security Offices, helping them handle the large amount of traffic expected for the event.
